

72 Types Of Americans That Are Considered “Potential Terrorists” In Official Government Documents

By Michael Snyder, on August 26th, 2013

Are you a conservative, a libertarian, a Christian or a gun owner? Are you opposed to abortion, globalism, Communism, illegal immigration, the United Nations or the New World Order? Do you believe in conspiracy theories, do you believe that we are living in the “end times” or do you ever visit alternative news websites (such as this one)? If you answered yes to any of those questions, you are a “potential terrorist” according to official U.S. government documents. At one time, the term “terrorist” was used very narrowly. The government applied that label to people like Osama bin Laden and other Islamic jihadists. But now the Obama administration is [removing all references to Islam](#) from terror training materials, and instead the term “terrorist” is being applied to large groups of American citizens. And if you are a “terrorist”, that means that you have **no rights** and the government can treat you just like it treats the terrorists that are being held at Guantanamo Bay. So if you belong to a group of people that is now being referred to as “potential terrorists”, please don’t take it as a joke. The first step to persecuting any group of people is to demonize them. And right now large groups of peaceful, law-abiding citizens are being ruthlessly demonized.

Below is a list of 72 types of Americans that are considered to be “extremists” and “potential terrorists” in official U.S. government documents. To see the original source document for each point, just click on the link. As you can see, this list covers most of the country...

We are moving into a very dangerous time in American history. You can now be considered a “potential terrorist” just because of your religious or political beliefs. Free speech is becoming a thing of the past, and we are rapidly becoming an Orwellian society that is the exact opposite of what our founding fathers intended.

Please pray for the United States of America. We definitely need it.
