

BLACK SKULL AND BONES – THE BLACK BOULE

March 28, 2021

In 1904, the first African -American Greek Secret Society was formed in Philadelphia, by Dr. Henry Minton and five of his colleagues. The Boule, (an acronym for Sigma Pi Phi) and pronounced “boo-lay”), was formed to bring together a select group of educated Black men and women.

Fashioned after Yale's Skull and Bones, the Boule historically takes pride in having provided leadership and service to Black Americans during the Great Depression, World Wars I and II, and the Civil Rights Movement.

The upper tenth of Blacks started to live the good life as Boule members, while the majority of ordinary Blacks were disenfranchised. But what were the Boule's objectives?

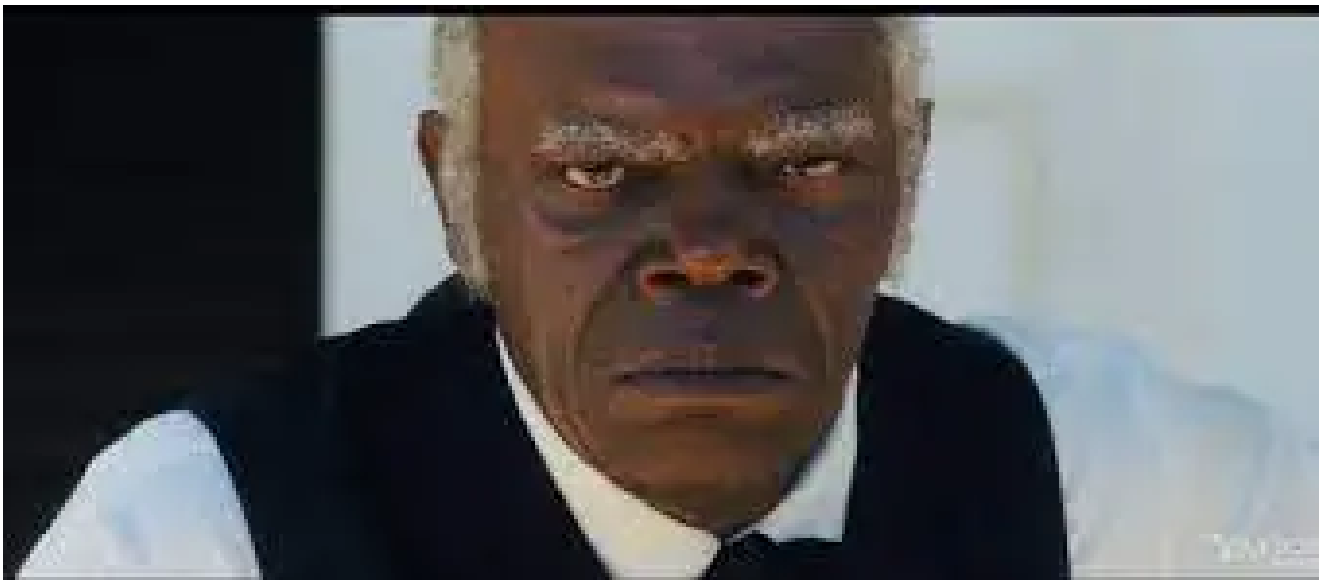

REMAKING OF THE HOUSE NEGRO

The Boule recruits top Blacks in American Society into its ranks. Today, 5000+ Archons, (male Boule members) and their wives, (Archousais), with 112 chapters, make up the wealthiest group of Black men and women on the planet. “Archon” means “demon” – the kind that like to keep hidden.

But to who does the Boule really serve? The Satanic (mostly white) global elite! As long as the Black member conforms to the rules, the riches will be in abundance; if not, down comes the hatchet. Blackmail is part of the deal. This Masonic secret society has a pyramid style like all the rest. The lower ranks are kept from knowing what the upper ranks are doing.

The early 20th century was a period of reconstruction. Marcus Garvey's "Back to Africa" Movement was in full swing. Garvey represented genuine Black leadership. W.E.B. Dubois, founding member of the NYC chapter of the Boule said, "The Boule was created to keep the black professional away from Marcus Garvey".

Tracey Martin, the father of Trayvon Martin...

The remaking of the House Negro was necessary to institute a group of Blacks who had a vested interest in protecting the Elite White System. It was about selling out their brothers and sisters for power and money. The majority of Black lawyers, doctors, engineers and accountants were members of this secret club.

Experiment. Domination Power and

Steve Cokely, had this to say: “Anywhere there are prominent professional Blacks, chances are they’re in the Boule”. Martin Luther King and Jesse Jackson are reported to have been Boule members, among many other high profile, successful and moneyed Blacks such as Barack Obama, Bill Cosby, Al Sharpton

The Boule is another arm of the nefarious secret societies that recruit, indoctrinate and cull for the dark forces. Therein are perks galore, power and notoriety all lying in wait for the easily compromised soul.

This is an ancient story. The New World Order is The Old World Order. The elite Blacks of the Boule are culling and controlling their own for a slice of the elite white man's pie.

Like other secret societies, the Boule encourages homosexual trysts as initiation practices. This must be done to join the ranks. Bobby Hemmit says, “Any kind of top-notch Negro gets together and they f*ck each other.”

These perversions are then cataloged and stored on record. Later, if needed, these abuses may be used as bargaining tools in the **ULTIMATE GAME**. What is the Ultimate Game? Capturing human souls.

The enemy may appear to have a white face but it goes much deeper than that. This is a force cloaked within many facades, personas, fictions and governing powers.

The name WEB DuBois is not a new name to any student and follower of African-American history. He was one of those who were vocal about Black rights in America. But he was not being open about his motives. He was the major weapon used against Marcus Garvey in his campaign for a United Africa. The White-supremacists of America, in 1918, saw the over one million followership arcus Garvey had, and they systematically deployed WEB DuBois to dismantle his movement.

In a speech, WEB DuBois, clearly stated that the major ambition of Boule was to steal the Black professionals from the ranks of Marcus Garvey. Now, this means that the secret Society was created/founded to work against the economic, political, social and mental welfare of Africans, both back home and in America. And to do that, they had to do their best to persuade the Black professionals who followed the “African emancipation” message of Garvey, to stop following him.

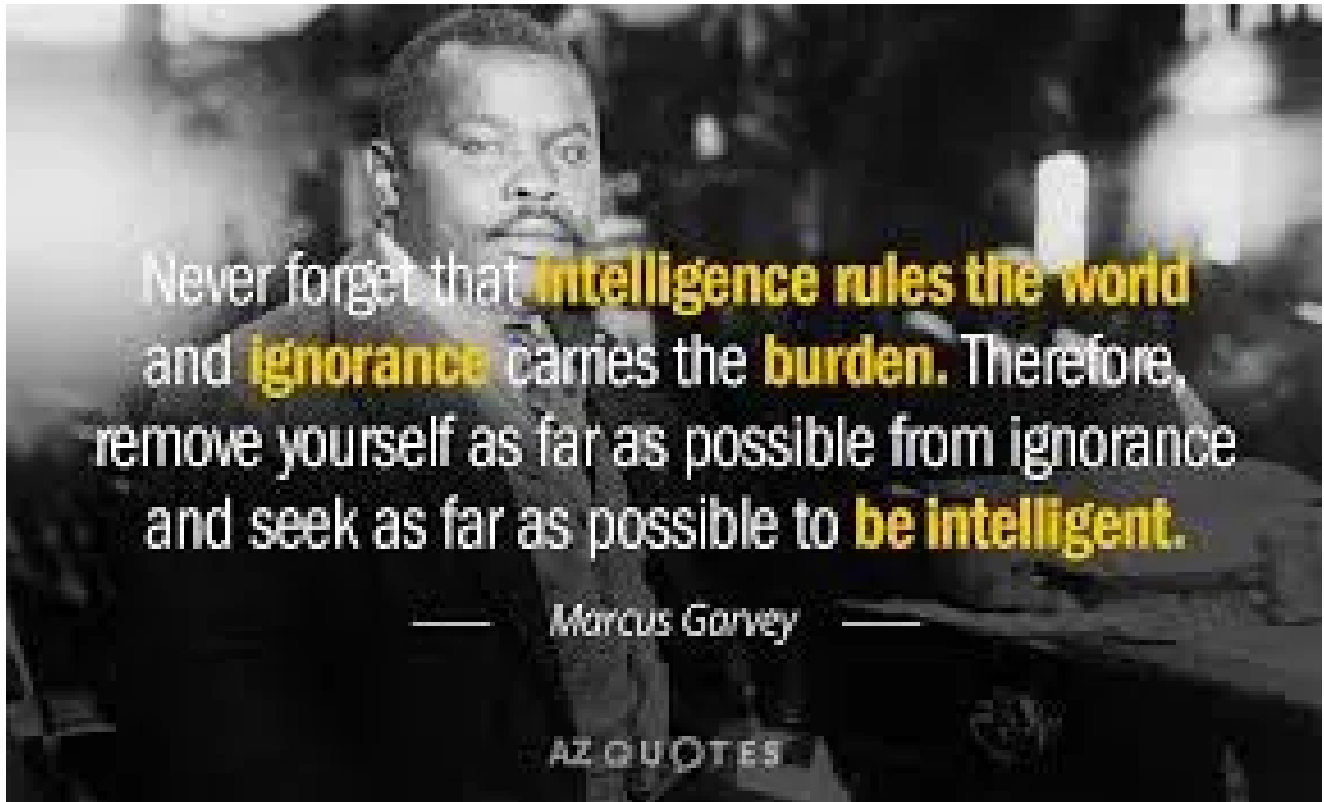

Wont wear a dress huh D Wade? Okay your son will wear one and become your daughter. And so it shall pass...

In a statement, Garvey said the following: “If the oil of Africa is good for Rockefeller’s interest, iron is good for Carnegie trust; the Oppenheimer’s raping and stripping Africa of her natural resources of gold, silver, diamonds...then these minerals are good for us. Why should we allow Wall Street and the capitalist group of America and other countries exploit our country when they refuse to give us a fair chance in the countries of our adoption? Why should not Africa give to the world its black Rockefeller, Rothschild, and Henry Ford?”

By the above statement, it was/is clear that Garvey was fighting for the innate rights of Black people, and for DuBois and the Boule to fight him and his followers, was/is a direct attack on African freedom and liberty, on behalf of their Caucasian masters. If Garvey had succeeded, it then means that many of the foreign companies mining Africa's resources in Africa today would not have been here. If he achieved his aim, he would have cut off the financial arm of white supremacy at its point of birth.

In a public attack on Marcus Garvey, DuBois and Alain Locke, called him a Gorilla and “a little, fat black man, ugly with a big head.” Alain Locke aggressively said that “We hope the white man delivers because we crushed a great black thing, but we know he’ll deliver or our people will attack and plague us forevermore.”

Now, Alain Locke was the first Black man to receive a scholarship from Cecil Rhodes, and so he had to be loyal to his white masters. Cecil Rhodes was the man who killed over 1 million Southern Africans and set up a Diamond mining company in Southern Africa. Read this article for details of how he murdered millions of African people.

Today, there are over 5000 Black members and 112 chapters of the Boule secret society, all over the United States, and the West Indies. This group is said to be among the wealthiest group of Black people on earth.

Kobe's off-season "666 Workouts"

Kobe Bryant has a unique way of training during the off-season, which is known as the 666 workout. Named so because Bryant trains for 6 days a week, 6 hours a day and 6 months in a year. The 6 hours of training are divided into 2 hours of track work, 2 hours of basketball skills and 2 hours of weight lifting (which includes one hour of cardio).

Hello everyone my name is Killuminati Ray, I started exposing the truth back in 2007 on Myspace before it was "cool" to do so. William Cooper, Tupac Shakur and Michael Jackson were the first people to "wake" me up to the TRUTH about the world we live in... The song Reminisce by Tupac is by far my favorite song and has had a major impact on my life and many others. Tupac is the person that "sparked" by mind and the minds of millions of others searching for love, understanding and hope." [View more posts](#)
