They say that your eyes are the windows to your soul.

Did you know that eye to eye contact is a portal that leads to something that's waiting to unfold.

When I look into your eye's will I see the dawning of the age.

When you look into mines, will you see the overall coming of the transformation stage.

My eye's, your eye's and the world eye's what do we all see. What's in our hearts or what the money-changers want us to believe.

Your body and words tell me what I see and hear. But your eye's truly foretell your feelings that you can't hide my dear.

Does it really matter what color the eye's. It's all relevant to the human factor there's no other reason for us to realizes.

When I look at you; what do I see? Are we not the same, when you look at me?

The eye's of the world are suffering in sure grief. The politricks are lying to the people and their eye's, look closely reveals their just puppets to their master and there will be no relief. The people of world will continue to suffer in peace.

When watching tell-lie-vision (TV) with your eye's on the screen. Are you really visioning what you see or are you being brainwash by the subliminal messages behind the scene.

Let your third eye be your inner guide. Let it reveal the wholesome truth, that your eye's cannot hide.
