## NOW THE END BEGINS

Come with me as we connect the coronavirus hysteria and collapsing markets with Freemasonry, the number 33 and the New World Order. It will blow your mind.

A sharp NTEB reader brought this to my attention last night, and it was one of those things that really just “can’t be true”, but when you search it out, not only is it true but the rabbit hole goes deeper than anyone is aware of. Jennifer shot me a message and asked me to take a look at a collection of screenshots she has been collecting over the past two or so months, all of them talking about the **COVID-19 coronavirus pandemic**. She asked me if I noticed a common thread running through all the pictures, I did indeed. What did I see? 33.

“And the days that David reigned over Israel *were* forty years: seven years reigned he in Hebron, and **thirty and three years reigned he in Jerusalem**. Then sat Solomon upon the throne of David his father; and his kingdom was established greatly.” **1 Kings 2:11,12** (KJB)

**I saw repeated** over, and over and over again in all those coronavirus headlines, the number 33 so favored the occult, but by one occult group in particular. **Freemasonry**. And right away, everything started making sense. You will recall the recent NTEB Radio Bible Study we did on **COVID-19 And The New World Order**, please listen to it when you have the time. But yes, I am absolutely connecting the coronavirus hysteria and collapsing markets with Freemasonry, the number 33 and the New World Order. Let's review some stuff that will help get you up to speed if all this is new and confusing to you. But be warned...the rabbit hole goes deep, and you may not like what you see here. Proceed with caution.

“And Jesus himself began to be **about thirty years of age**, being (as was supposed ) the son of Joseph...” **Luke 3:23 (KJB)**

## The Occult, Freemasonry and the Number 33

---

**The number 33** is very important to Freemasonry, and they take it from the bible where the Devil gets all his best ideas from. King David, who is a type of King Jesus in the Millennium, reigned over Jerusalem for 33 years. When Jesus started His earthly ministry, He was 30, and it lasted for about 3 and half years, and he went to the cross at 33 and one half years old. So many of the occult groups but especially Freemasonry places a high importance on the number 33, presuming it has magic powers and grants the initiates special knowledge not available to others. Freemasonry and the occultists all through the 20th century and forward have placed the number 33 in very prominent places, here are just a fun facts to chew on:

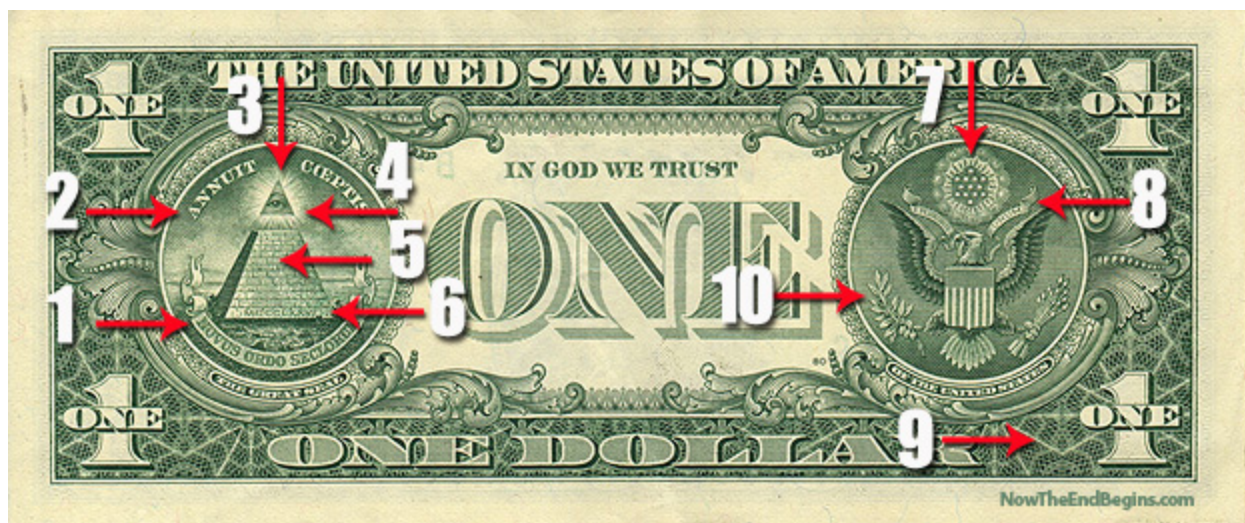

**MORMONS AND FREEMASONRY WON'T TELL YOU THAT THEY WORSHIP LUCIFER AS THE 'LIGHT BEARER OF THE WORLD'**

**This all brings us** up to the present-day as a seemingly from nowhere global panic over a virus that doesn't even make anyone's top 20 list of infectious diseases has the entire world on lockdown. A child in the 6th grade is smart enough to see this mass hysteria is being generated by the fake news media and the shadowy denizens of the Illuminati and the New World Order. And that same 6th grade child knows why they're doing it – to crash the global financial system and usher in the New World Order.

## The New World Order Is In Your Pocket

---

**Why, even the** very dollar bills that are in your pocket *right now* at this moment bear the signature of the Freemasonry and Illuminati cabal that put them there. Have you ever stopped to wonder what all those signs and symbols refer to?

The bills may say “In God We Trust”, but the many arcane symbols that swirl around it let you know that it's not the God of the bible they are referring to.

**1). Novus Ordo Seclorum:** A Latin phrase which means “a new order of the ages” is born. Literally, it is calling for a New World Order. – [Dictionary.com](https://www.dictionary.com)

**2). Annuit Coeptis:** A Latin phrase which means “he has favored our undertakings”. – [Dictionary.com](https://www.dictionary.com)

**3). The Egyptian Pyramid:** One of the great Illuminati symbols, the triangle, representing the ancient wisdom of Egypt. In the bible, Egypt is always a type of the unsaved world rebelling against God.

**4). The All-Seeing Eye Of Horus:** Horus was worshipped in the ancient world as a god of protection, and was often depicted as a falcon swooping in to catch it's prey. Horus was the child of Isis and Osiris conceived through witchcraft in Egyptian mythology. The symbol of America – the swooping Bald Eagle – was patterned after falcon of Horus. The All-seeing-

Eye is taken from the left eye, the “moon” or “sound” eye of Horus. Horus is a detestable pagan god, the son of Osiris and Isis. There is much pagan Egyptian mythology in the roots of Masonry and Mormonism. So why is it on our dollar bill?

**5). 13 Levels:** The pyramid has 13 steps, or levels leading up to the capstone. In the bible, 13 is the number for rebellion. America was created when our founding fathers rebelled against King George.

**6). MDCCLXXI:** These Roman numerals refer to founding of the Illuminati as an organization on May 1, 1776. This is not a reference to our Independence Day of July 4th, 1776.

**7). 13 Stars:** Again, the biblical number for rebellion – 13 – forms the basis of the Great Seal. The number 13 is all over the dollar bill.

**8). E Pluribus Unum:** Another Latin phrase which means “from many, one”. You will note that this phrase contains exactly 13 letters. Amazing coincidence.

**9). A Spiders Web:** When you look at the background pattern of the dollar bill, you will clearly see that it is a spider’s web. The spider and the spider web in ancient cultures represented death, treachery and conquest. You are now reading this article on the World Wide WEB...are you not?

**10). Olive Leaves and Berries:** You will note that the eagle is holding 13 olive leaves with 13 olive berries. The olive leaf is a sign of peace, but the eagle’s claws are closed to represent that these things are being taken away, and not being offered.

## **President George H.W. Bush Calls For The New World Order**

---

**President George H.W. Bush** was the one who told us the New World Order had begun way back on September 11, 1991. Bush senior was a member of the **Skull and Bones Society**, and his son George W. Bush was **reputed to be a Freemason**.

Watch Video At: <https://youtu.be/9FxM-dVcQnM>

**The various secret societies**, be they Freemasons, Illuminati or what have you, love to drop clues when they are up to no good. They will engage in **predictive programming** in advance of an operation, some times several years ahead of when the event takes place. And then when an operation has a long arc like **9/11 and it's aftermath**, or in this case the global panic from the coronavirus, they will leave all sorts of clues in the new media and entertainment world where people spend most of their time. Could it be possible that the current coronavirus apocalypse that is now shaking the world will usher in the New World Order? Sure looks like it to me, let's see how far it will go.

**But please**, don't take my word for it, go to Google and type in "**coronavirus 33**", it enter and see what you get. I did that and found dozens and dozens of '33' connected to the outbreak, and included many of those in the main photo at the top of this article.

**In conclusion**, let me say this. If you are in Freemasonry, why don't you repent of that junk and get saved? If you are saved, repent of that junk and get right. But if you are a Freemason, perhaps a 33rd degree Freemason like my great-grandfather was, then you *know* that everything I say in this article is true.

## In England, award-winning radio presenter on Radio Newcastle Lisa Shaw died suddenly aged 44 after receiving the COVID vaccine from AstraZeneca

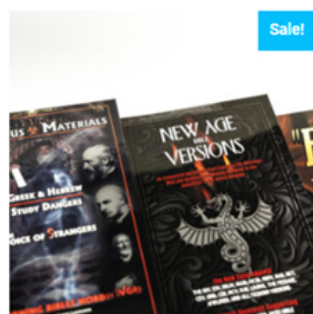

**There is a conspiracy** happening right now that is so insidious, so horrific, that it will boggle your imagination. People have died, are dying, and have been grievously wounded after receiving the COVID vaccine from drug makers like Pfizer, Moderna and AstraZeneca, the media is aware of it, and with one voice have agreed to remain silent about it. Meet Lisa Shaw, she has the words 'AstraZeneca' in the 'cause of death' box on her state-issued certificate of decease. She's not alone, there are many more just like her. Go ahead and **give me another suspension** for posting this, Facebook, but you will not be able to keep it hidden much longer.

"But ye *are* forgers of lies, ye *are* all physicians of no value." **Job 13:4 (KJB)**

**You cannot sue** vaccine makers because they are protected by the government because a high number of people have really bad adverse reactions after getting injected. On the CDC VAERS web site, **nearly 1.6 million adverse reactions** have been attributed to the COVID vaccine so far, with over 35,000 deaths. I personally know people who, after getting

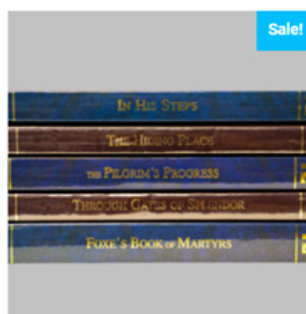

the COVID vaccine, had strokes, heart attacks, and in many cases died. What happens when surviving family contacts their doctor? Silence. What happens when they reach out to their state boards? Silence. What happens when they go to the media? Silence. As far back as 2020, before the COVID vaccine was released, **we warned you this would happen** and now it is. Who will speak for Lisa Shaw and the countless others who died after getting injected? We will.

## Lisa Shaw died suddenly after getting injected with the AstraZeneca COVID vaccine

**FROM THE DAILY MAIL UK:** Lisa Shaw, an award-winning radio presenter on Radio Newcastle, was just 44 when she died in May 2021. Until she was admitted to hospital she had been fit, healthy and fizzing with the sort of energy her job on the morning show required.

**Her devastated colleagues** had to announce her death on air, but it was down to Gareth, now 43, to tell their six-year-old son Zach that his 'mam' wasn't coming home. 'I told him the morning after Lisa died. It was the hardest thing I've ever had to do.

**Zach is now eight**, still too young to have the full facts of his mother's death explained to him, but there is no question what killed her. In August 2021, Newcastle Coroner Karen Dilks recorded that Lisa had died 'due to complications of an AstraZeneca Covid vaccination'.

| 'That word AstraZeneca is on her death certificate,' points out Gareth.

**Lisa had been vaccinated** on April 29, but started developing headaches a week later. On May 13, she was admitted to hospital where Gareth, reeling, was handed a print-out explaining what 'vaccine-induced thrombotic thrombocytopenia' was.

| It's a rare condition ('but not rare enough that they didn't have a print-out,' he says) leading to clots on the brain.

**At first doctors were confident** they could treat it, but on May 16, Lisa started to have speech problems. 'We were having a conversation about Zach's swimming lessons and she couldn't get out the word 'goggles'. It was discovered she had suffered a bleed on the brain, and was rushed to surgery where part of her skull was removed to ease the pressure. She never recovered and spent the last five days of her life on a ventilator, as her family gathered in shock.

'I held her hand. It was all just a haze. Apart from the bandages, you wouldn't have been able to tell there was anything wrong. She looked as if she was sleeping. She looked as she always looked — perfect.'

| 'I think I'm an embarrassment to the authorities because Lisa's death was inconvenient for them. It challenges their narrative that the vaccine was safe, and that any risk was so rare we shouldn't even talk about it.'

**A devastating tragedy** for one family, of course. But the questions raised by Lisa's death have much wider implications. And so, Gareth took a step which is the equivalent of lobbing a hand grenade into the vaccine debate. He launched legal action against pharmaceutical giant AstraZeneca, joining forces with another 75 families who have also lost loved-ones, or seen them severely disabled after having the vaccine. Lawyers say the payouts, should the action be successful, could reach seven-figure sums.

**Who will foot the bill?** Not AstraZeneca. Under a legal indemnity that the Government gave the company early in the pandemic (because of the need to roll out the vaccine fast), the UK taxpayer will have to pay any compensation awarded. Gareth finds this astonishing. 'The idea that a drug company can be immune from any legal responsibility is staggering, but even if they are, what about moral responsibility?' [\*\*READ MORE\*\*](#)

**Tucker Carlson Releases Video Tape From January 6 Riots At The Capitol Proving The American People Were Intentionally Deceived By Democrats & Media**

**Newly revealed surveillance footage released by Tucker Carlson from January 6, 2021, shows two Capitol police officers escorting Jacob Chansley, the be-horned so-called ‘QAnon Shaman’ who has come to symbolize the riot, through the halls of the Capitol and to the very door of the US Senate.**

**Tucker Carlson**, the man we call the ‘**last truth teller**’ in the American media, was given 40,000 hours of video tape from the events relating to the January 6 riots at the capitol. But 40,000 hours is *not* necessary to see what actually happened, for that you only need about 2-3 minutes. The American people were intentionally deceived about January 6 by the Democrats in power, and that deception was artfully supported by the legacy media.

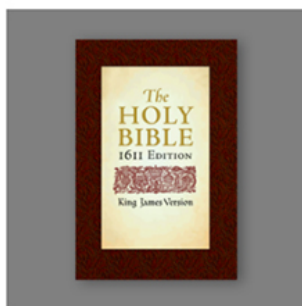

“And ye shall know the truth, and the truth shall make you free.” **John 8:32 (KJB)**

**I’m glad that** I wasn’t there that day, but if I was I would not have taken my place with the protesters, I would have taken my position on the street corner and preached the gospel of the grace of God to that massive crowd so very much in need of hearing the gospel. The very same media that showed you images of **whole cities blocks burning** at the hands of **Black Lives Matter** and **ANTIFA** soldiers and said it was a ‘**mostly peaceful protest**’, are the same pathological liars who sold you the lies concerning January 6. What I want to

see Tucker do next is use those 40,000 hours of tapes to prove that the FBI and CIA had agents within that crowd doing the actual rioting and violence. Let's see if *that* much truth will come out on the Tucker Carlson program.

## January 6 footage shows Capitol cops escorting QAnon Shaman to Senate floor

**FROM THE NY POST:** The footage aired on Tucker Carlson's Fox News show Monday night shows the officers closely following Chansley as he wanders the corridors of the Capitol, bare-chested and wearing face paint and a luxuriant fur hat with Viking horns.

"Virtually every moment of his time inside the Capitol was caught on tape," says Carlson, who was granted exclusive access by Speaker Kevin McCarthy to 40,000 hours of surveillance footage from that day inside and around the Capitol, which has never been seen before by the public.

"The tapes show the Capitol police never stopped Jacob Chansley. They helped him. They acted as his tour guides."

**At one point**, the officers are seen walking Chansley past seven other police officers milling around outside the Senate chamber, who barely give him a second look. Then they escort him to various entrances of the chamber which appear to be locked. Eventually, they help him open a door, and he enters the chamber.

Chansley, a 33-year-old naval veteran from Arizona, has been jailed for almost four years for "obstructing an official proceeding."

**Fake news media says that Black Lives Matter conducted 'mostly peaceful protests' but January 6 was an 'insurrection'**

You cannot make this up... A CNN reporter is standing in front of a building engulfed in flames and CNN's chyron reads:

"FIERY BUT MOSTLY PEACEFUL PROTESTS AFTER POLICE SHOOTING"  
[pic.twitter.com/4OHvKnh63u](https://pic.twitter.com/4OHvKnh63u)

— Caleb Hull (@CalebJHull) August 27, 2020

**In a jailhouse interview** played by Carlson, he says: "The one very serious regret that I have [is] believing that when we were waved in by police officers that it was acceptable." In a statement, the Capitol police suggest that one of the officers with Chansley was trying to "de-escalate" the situation because he was outnumbered.

**But that does not explain** why Chansley, who was unarmed, was able to walk past seven more officers without being apprehended.

"Not one of them even tried to slow him down," says Carlson.

He "understood that the Capitol police were his allies. . . . If he was in the act of committing such a grave crime, why didn't the officers standing right next to him place him under arrest?"

**And yet in the narrative** formed that day by the Democrats and much of the media, "Jacob Chansley became the face of January 6, a dangerous conspiracy theorist dressed in an outlandish costume who led the violent insurrection to overthrow America's democracy," says Carlson. McCarthy has been criticized for releasing the footage to Carlson who plans to air five stories based on the footage over two nights which he says "demolishes" the Democratic narrative of January 6. **READ MORE**

“We are also in touch with the relevant federal authorities, including the EPA,” Rep. Debbie Dingell, D-Mich., said in a statement obtained by Fox2 Detroit.

“At this time no one is aware of the release of any hazardous materials, the car carrying hazardous material has been put upright and is being removed from the area of the other derailed cars, and EPA is dispatching a team to ensure public safety,” she said.

A massive fire has broken out at a warehouse that stores plastic pots and fertilizer in Kissimmee, Florida.
