## NO NEGROES ALLOWED!

STAFF WRITER NO. UNO

**W**e at the Nubian Network are sorry for any inconvenience to those with virtual attitudes, but Negroes are not allowed at our web site. The Negro feels inconvenienced when he or she has to learn about their self. At times, the Negro is similar to a domesticated dog. His or her greatest comfort and existence is to serve their master. The Negro will hate and try to eliminate anyone or anything that threatens their Supreme Being!

Negroes are people that try to run from, hide and deny who and what they are. They worry about whether color-less people like them or not. Negroes are schooled and trained to higher levels of servitude to color-less people across the planet. Negroes let other people educate their children into ignorance and stupidity. They cannot comprehend that education should be higher learning and understanding of that which you have learned. Education mean building your own community instead of running from it or tearing it down.

The Negro keeps thinking that he or she is going to cash some kind of promissory note from the color-less people. How are you gonna cash a bogus check you big dummy?

The Negro believes in the illusion that he or she is doing better than those before them. The Negro

## NEVER AGAIN! ECONOMIC POWER IS A MUST! MAKE AND SUPPORT BLACK BUSINESSES!

believes and has faith in laws made by weak enforcers that guarantee freedom and fairness of treatment.

To the Negro, all race and color problems have been solved forever. Abolished! Will there ever be a place in Black-Time, when the NEGROES in the Americas, realize what has been done to them.

Don't forget the Negress in all this madness. She ain't allowed either. We have some that believe they are independent, free, safe, self-sufficient and liberated, but have a hard time proving such in reality. Too many worshipping the gods and goddesses of other groups and other people. We are not educating

and defending our precious children

Until such a time, we at the Nubian Network must question the sanity of the Negro and Negress. All we see the Negro / Negress and their leadership doing is trying to put a Black face on White power and defend White interests.

**NO NEGROES ALLOWED!**

## BLACK FACTS

**All knowledge is rooted in  
reality**

Africa has more countries than any other continent on planet Earth.

Since its inception, the United States has had a legally sanctioned law enforcement system for the express purpose of controlling the slave population and protecting the interests of slave owners.

Brazil has the largest Japanese population outside of Japan.

When Blacks in the United States started uniting in the 60's and 70's, to peacefully protest, President Hoover sent F.B.I agents to

## 2

infiltrate the movements, loot, incite riots and commit other acts of violence, The program is called COINTELPRO. Some Black wanted to set fire to the United States too. That made for long days and long nights of strategy for our people. Just like now, same song as yesterday!

To people of color, the terms faggot or lesbian don't always have anything to do with sex or sexuality, but always have something to do with weak!

The overwhelming majority of Black men do not want White women no matter what you see on television.

Europeans fought amongst themselves for the right to kidnap, enslave, rape, torture and slaughter Africans for over 4 centuries.

Liberia has been a dumping ground for a New York based laboratory who dump "Highly Infected Apes" tested for dangerous contagious diseases.

Wherever there is oppression there is resistance, even if you don't detect it with the naked eye.

Many people of Black African origin arrived in the Americas with the Spanish and Portuguese in the 15th and 16th centuries.

Africans in America have lost their lives in all European wars and they did not get liberty, freedom or justice for which others might have claimed.

It is estimated that about 30% of Puerto Ricans have African heritage.

America is both the most unequal industrialized country, and has the largest prison population.

The only way that any Black person can make a lot of money in the United States is because of

political movements by the masses of Black people over time.

The mix of African cultures with the Spanish, Portuguese, French, and indigenous cultures of Latin America has produced many unique forms of language (e.g., Palenquero, Garífuna and Creole), religions (e.g., Candomblé, Abakuá, Santería, Lucumi and Vodou), music (e.g., Kompa, Salsa, Bachata, Punta, Palo de Mayo, plena, Samba, Merengue, Cumbia) martial arts (Capoeira) and dance (Rumba, Merengue). Many of these cultural expressions have become pervasive in Latin America.

Every woman who has ever been diagnosed with breast cancer shares the same element. The most powerful hormone found in milk and dairy products (IGF-I) is the key.

While African-American juvenile youth are only 17% of the population, they are 29% of juvenile arrests, 38% of the youth in juvenile jails and 59% of the youth sent to prison.

The Black problem is that we have so many ordinary Negroes that feel they are more than slaves, when in reality they are less than slaves.

Traditional terms for Afro-Latin Americans with their own developed culture include Garífuna (in Nicaragua, Honduras, Guatemala and Belize), Cafuzo (in Brazil), and Zambo in the Andes and Central America. Marabou is a term of Haitian origin denoting a Haitian of multiracial ethnicity. The term describes the offspring of a Black African/European or mulatto and an Amerindian, specifically the native Taíno, born in Haiti (formerly Saint-Domingue).

Divine Law has nothing to do with religion.

## The Nubian Times

In the United States, Black-owned businesses are the second largest employer of Black people, next to the federal government. In that country, only about 8% of small businesses are Black owned.

The main, metaphysical tool that Europeans are using to program Africans is the Bible, with the Koran running a close second.

Black people in America have no plans or preparations for when the Obama Presidency ends. No plans what so ever! The un-leadership will continue to say "vote party"!

Blacks in the US have no elected officials in their own communities. They only participate in general elections. For the most part, they do not govern themselves. They do not educate themselves.

God knew what he was doing, placing Black people in Afrika with the plants and fruits to maintain an excellent level of life.

It's the **BLUES** when you find out your girls really want to be your boyz.

You get a flu shot against you better judgment, your arm swells up and you start snottin' and snortin' like a pig...what's that called?

A **BLUE** moon is when you have no love to call your own.

The **blue** wall of silence, also **blue code** and **blue shield**, are terms used in the United States to denote the idea of an unwritten rule that exists among police officers not to report on a colleague's errors, misconducts, or crimes. This Blues your mind!

When the only relationships you got are financial, it ain't the **BLUES** baby, its depression.

## THE GOSPEL ACCORDING TO AFRIKANS

### (OUR STORY)

BLACK LIFE IS PRECIOUS.

#### WE CAN'T BREATHE

The Gospel According To  
Frantz Fanon

“We revolt simply because, for many reasons, we can no longer breathe.”

#### BUSINESS OF US ALL

The Gospel According to  
Mamie Till-Mobley

“Two months ago I had a nice apartment in Chicago. I had a good job. I had a son. When something happened to the Negroes in the South I said, “That’s their business, not mine”. Now I know how wrong I was. The murder of my son has shown me that what happens to any of us, anywhere in the world, had better be the business of us all!”

#### NO JUSTICE, NO PEACE

The Gospel According To  
Dr. Martin Luther King Jr.

“And those who hope that the Negro needed to blow off steam

and will now be content will have a rude awakening if the nation returns to business as usual. And there will be neither rest nor tranquility in America until the Negro is granted his citizenship rights. The whirlwinds of revolt will continue to shake the foundation of our nation until the bright day of justice emerges.”

#### SHARED POWER?

The Gospel According To  
Dr. Martin Luther King Jr.

“We have got to come and see that integration must be seen not merely in esthetic and romantic terms. It must be seen in political terms. Integration in its true dimensions is shared power.”

#### RACISM

The Gospel According To  
Neely Fuller

“Racism has done more to promote non-justice, than any other socio-material system known to have been produced, or supported, by the people of the known Universe.”

#### UNTIL RACISM IS ELIMINATED

The Gospel According To  
Neely Fuller

“No major problem that exists between the people of the known Universe can be eliminated until Racism is eliminated.”

#### AFRICAN MASTERS

The Gospel According To  
Dr. Richard King

“Africans [Americans] must know their own history for it is needed to correctly read the language of their own mind, language that is still expressing unconscious ideas in Ancient African tongue. African history is essential for African Mental Health and the

## The Nubian Times

transformation of African Mental Slaves into African Masters.”

#### BECOME A PRODUCER

The Gospel According To  
Camille Cosby

“As long as you are a consumer, you are a beggar. You must become a producer. We must learn from the lessons of the Japanese.

#### STUDY BLACK HISTORY TOO

The Gospel According To  
Booker T. Washington

“You go to school; you study about the Germans and the French, but not your own race. I hope the time will come when you study Black history too.”

#### IF I LOVE YOU

The Gospel According To  
James Baldwin

“If I love you, I have to make you conscious of the things that you do not see.”

#### THE FIRE NEXT TIME

The Gospel According To  
James Baldwin

“This innocent country set you down in a ghetto in which, in fact, it intended that you should perish... You were born into a society which spelled out with brutal clarity, and in as many ways as possible, that you were a worthless human being. You were not expected to aspire to excellence: you were expected to make peace with mediocrity.

#### NEVER BE FEARFUL

The Gospel According To  
Rosa Parks

“You must never be fearful about what you are doing if it is right!”

## 5

### MY OBJECTIVES ARE BLACK

The Gospel According To  
Malcolm X

“I am Black first...my sympathies are Black, my allegiance is Black, my objectives are Black!”

### BLACK CHILDREN

The Gospel According To  
Dr. Frances Cress Welsing

“I won’t rest until Black children are taught to love themselves as themselves!”

### ILLEGALS AND BLACK LEADERSHIP

The Gospel According To  
Raynard Jackson

“Once again the media has been derelict in its responsibility to be fair and balanced. Poll after poll has shown that Blacks are the largest demographic against amnesty for illegals; and study after study has shown that Blacks would also be the most hurt by granting amnesty to these illegals.”

“Most media outlets has never challenged members of the Congressional Black Caucus, the NAACP, or the Urban League on how they can support a policy that would devastate the very people they claim to represent. How can the media continue to IGNORE this story?”

### WITHOUT DEMAND

The Gospel According To  
Frederick Douglass

“Those who profess to favor freedom yet deprecate agitation, are men who want crops without plowing up the ground; they want rain without thunder and lightning. They want the ocean without the awful roar of its many waters.... Power concedes nothing without

demand. It never did and it never will. Find out just what any people will quietly submit to and you have found out the exact measure of the justice and wrong which will be imposed upon them, and these will continue till they are resisted with either words or blow or with both. The limits of tyrants are prescribed by the endurance of those whom they oppress.”

### EDUCATION

The Gospel According To  
Dr. Martin Luther King

“To save man from the morass of propaganda, in my opinion is one of the chief aims of education. Education must enable one to sift and weigh evidence, to discern the true from the false, the real from the unreal, and the facts from the fiction.

The function of education, therefore, is to teach one to think intensively and to think critically. But education which stops with efficiency may prove the greatest menace to society.”

### NEGROES WITH GUNS

The Gospel According To  
Robert F. Williams

“The Afro-American militant is a “militant” because he defends himself, his family, his home and his dignity. He does not introduce violence into a racist social system. The violence is already there and always has been. It is precisely this unchallenged violence that allows a racist social system to perpetuate itself. When people say that they are opposed to Negroes ‘resorting to violence’, what they really mean is that they are opposed to Negroes defending themselves and challenging the exclusive monopoly of violence practiced by white racist!”

## The Nubian Times

### EDUCATION FOR LIBERATION

The Gospel According To  
Dr. Adelaide Sanford

“An education for liberation does not super impose a pattern, but it takes the child as he or she comes and embraces and enhances that child and expands it’s horizons. An education for liberation is more than academics!

### TO BE PRESIDENT

Chris Rock

“To say that Obama is progress is saying that he’s the first Black person that is qualified to be President. That’s not Black progress. That’s White progress. There’s been Black people qualified to be President for hundreds of years!”

### THE RIVER OF BLOOD

Harry Belafonte

“The river of blood that washes the streets of our nation flows mostly from the bodies of our Black children!”

### THEY THINK THEY ARE SLICK

Kareem Abdul-Jabbar

“Those who are trying to connect the murders of the NYPD officers with the thousands of articulate and peaceful protesters across America are being deliberately misleading in a cynical and selfish effort to turn

## 6

public sentiment against the protesters!"

### MINNIE THE MOOCHER

Cab Calloway

Folks let me tell you about Minnie the Moocher

She was a lowdown hoochie coocher

She was the roughest, toughest frail

But Minnie had a heart as big as a whale

Hidee hidee hidee hi

Hodee hodee hodee ho

### RACISM RETARDS

The Gospel According To

Neely Fuller

"The fear, frustration, malice and confusion, that is caused by Racism, retards or prevents all constructive activity between people of the known Universe.

### WHITE SUPREMACY

The Gospel According To

Neely Fuller

"The only form of functional Racism that exists among people of the known Universe is "White Supremacy!"

### NEVER BE FREE

The Gospel According To

Dr. John H. Clarke

"A people will never be free when they worship a God assigned to them and they can never respect a Black father in the home when they have a White father hanging on the wall."

### WHAT DOES THAT MEAN?

The Gospel According To

Dr. Martin Luther King Jr.

"Just because no one has a whip at your back, does not mean you are not a slave."

### THE BOULE'

Mbwebe Aja Ishangi

"One of the problems we should have with the Boule' and the other 8 college frats and sororities is that they falsely acknowledge the Greeks as the founders of civilization. We of course know this is a lie."

### SOUTH AFRICA

The Gospel According To

Bennie Bunsee.

"The land they took from us must be returned. The same struggle here in South Africa where I live. It's a big battle here because the ANC government of Mandela is a pro-colonial collaborationist government. Mandela was not the great liberator as many think. It is because he protected colonial interests that the West has made a hero of him. But the struggle continues."

### ABSENCE OF RIGHTS

The Gospel According To

Attorney Alton Maddox

"The absence of a civil rights unit in the U.S. Department of Justice is proof that civil rights, in this nation, is defunct. U.S. Attorney Loretta Lynch, as the possible head of the U.S. Justice Department, only means that she is a "red herring." President Barack Obama is now seeking an answer to immigrant rights. Civil rights have fallen off of his agenda. This is bad news for "Negro" citizens and Latino immigrants."

### LEGAL SYSTEM

The Gospel According To

Attorney Alton Maddox

## The Nubian Times

"If the American legal system does not work in a particular case, it is, nonetheless, workable generally. It is only unworkable when a "moron" seeks to make it work or a "Judas goat" misleads the Black sheep. The white media, in addition to the merger of church and state [FBI], are also accomplices."

## QUICK MOVIE REVIEWS

By DIVINE1ON1

### DEAR WHITE PEOPLE

5 out of 10 stars

Tyler James Williams, Tessa Thompson, Kyle Gallner

This seems to be the story of revolutionary and bourgie Blacks in college, struggling against each other and White students, but kind of turns out to be some kind of Negro ensemble of nothingness, with inter-racial homosexuality thrown in too. The college was suppose to be Ivy League, but seemed more like a preppy high school. I felt like smacking somebody. I can't recommend this movie, but if you ain't got anything better to do, check it out and watch

## 7

some confused Negroes in confused action. I haven't a clue who got paid to make this shyt up!

### **THE RETRIEVAL**

**9.5 stars out of 10**

Ashton Sanders, Tishuan Scott,  
Keston John

Around the time of the Civil War, a Black man and boy, part of a White bounty hunter gang, are sent to the North to retrieve a Black man. Some very interesting things happen. I don't want to give anything away. It is well worth the sit down and pop corn.

### **SIN**

Kerry Washington, Ving Rhames

**6 stars out of 10**

Here you have the first trashing of Kerry Washington, Holly weird style. Washington plays a bummed-out, trashy junkie, being held hostage by some White dude, seeking revenge against her brother, played by Ving Rhames. The acting is fair, the story is fair. I only watched this movie, because someone told me this was the key trashing of Kerry Washington that helped her proceed a little further in Holly weird. I had to see it for myself. It wasn't that graphic, but the implied sentiment was about the same as Halle berry in Monster's ball. The girl got dogged all right. View at your own risk

if you want to know her acting history. That got her where she is today! I had forgotten how dark she really was.

### **NO GOOD DEED**

**9 stars out of 10**

Taraji P. Henson, Idris Elba

I thought this was a pretty good mystery/thriller and the characters were developed better than most films do Black folks. Idris plays a nutty convict that escapes and terrorizes a woman and her children. I don't want to give away anything more, but it did maintain my interest. Idris did a good acting job and Taraji was fair this time Order a pizza and some beer for this one maybe. When Black folks are in a decent movie, it's time for a small celebration at least!

### **EQUALIZER**

**8 stars out of 10**

Denzel Washington

All Denzel movies are usually major motion pictures, so you get your money's worth. He stays with being action oriented in this one too. I don't think it was one of his best, but it will do. I just don't think it had much "bite"! I don't feel his character was developed enough. Watching Black dudes save White women isn't particularly my thing, but its Denzel, so why not again? Just remember I said

## **The Nubian Times**

to be cheap with this one. Don't run to a theater; catch it on Red Box maybe, for no more than \$2 or \$3! Just don't pay a lot. It ain't super duper!

### **SELMA**

**7.5 stars out of 10**

David Oyelowo, Carmen Ejogo,  
Oprah Winfrey

This was a good, sound production, but just another mediocre attempt at recycling Martin Luther King Jr. When I saw Oprah, I thought I was looking at a rerun of Color Purple. The brother playing Martin, was probably the best attempt I've seen and the sister than played Mrs. King did a good job as well. That's about all I can say.

### **THE GOOD LIE**

Emmanuel Jal, Ger Duany, Arnold  
Oceng

**8 stars out of 10**

Some brothers and sisters get caught up in the Sudan Civil War as children and have to stay in a refugee camp until they are adults. Suddenly they are given a chance to resettle in America, Kansas City, Missouri. They have to deal with an employment agency to stay and the culture shock starts working on their minds and changes their lives. They try to maintain as much of their culture as humanly possible, but it is an interesting encounter all the way around. This was a

## 8

movie, but I felt it to be kind of educational. The film actually made me put myself in their shoes and think about how I would handle the situation. It has a decent ending, but I thought the whole journey was adventurous. Get a sub and some fries from the sub shop if you eat that stuff. I know I did. It was good enough to chill and think on.

### FALCON RISING

8 stars out of 10

Michael Jai White, Laila Ali

Brother Michael is always good with the fighting and action scenes. His sister, played by Laila Ali gets kidnapped and he sets out to find her in Brazil. The only problem was some of the translations, I couldn't read quite as good as a major motion picture. But, if you want action, this flick gives you plenty of that. Mr. White don't play and his skills come blazing through the screen, especially if you got HD and a big screen. Enjoy!

### MISSISSIPPI SHAKEDOWN

5 stars out of 10

Dewey Allen, Mando Allen, Money Bagz

This movie is for those brothers and sisters that are deep into Dirty South hip-hop. I'm not. It centers on thug life, drug warring, gun toting, double crossing

strippers and anybody about them dollars and that life! If you are into that, this one's for you! I ain't hating, so enjoy if that's you!

## EUROPEAN FACTS

(SUBURBAN MYTHS?)

### Believe it or not!

On large plantations, the person who directed the daily work of the slaves was the overseer, usually a White man but occasionally an enslaved Black man—a "driver"—promoted to the position by his master. In today's world, a woman, White or Black, can be a slave driver, promoted to that position by their master.

White women are still seducing & recruiting Black women. They need more willing servants and employees to nurse their children and people.

History is a lie agreed upon.

Caucasians are not only having problems having sex, they also have problems having orgasms.

In European dominated societies, Cocaine continues to be the most frequently mentioned illicit substance reported by hospital emergency departments.

High heels were first worn by European men.

## The Nubian Times

On US college campuses, long assumed to be among that nation's most tolerant and broad-minded enclaves, violent racism and homophobia are becoming commonplace.

In Caucasian dominated societies, the upper class commits far more crime than the lower class. For example, in the United States, street criminals stole \$15.3 billion in 1993, but white collar-criminals embezzled \$200 billion.

Colorless people do not want to take blame for all the mischief and devastation they have caused on planet Earth.

Most cops killed today are killed by White people.

The most commonly used birth control by Caucasian females was infanticide, then abortion, but now it's mostly done with pills.

A person that drinks alcohol daily will be considered a well adopted individual in Caucasian dominated societies, where alcohol consumption is not only allowed, but also expected.

Reality check- only the slave dreams about becoming a gladiator, ball player in Roman society.

Top over the counter and Internet drugs and medications used by Caucasians for **Pain Relief**: Imitrex, Fioricet, Celebrex, Ultram, Tramadol, Hydrocodone.asp, Vioxx and Vicodin.asp. All have side effects and many may have been seen advertised on TV, with no guarantee.

Cloning gives Europeans with homosexual lifestyles the opportunity to pro-create themselves.

Europeans are the people most likely to make a profit off the use of chemicals.

In Caucasoid dominated countries, pornography is more watched than sporting events, but the attendance & ratings of sport events is increased when you add "mild" pornography or women bouncing and throwing their legs and bare body parts in the air.

Mutant Albinos lead the world in the creation of man-made, designer diseases.

The Spaniards and Portuguese brought over the African slave women and dressed them European style. They became the early mothers to the 150 million Afro Latinos today. Only 5% of the African slaves landed in the U.S. About 95% landed in South and Central America, and the Caribbean.

Everywhere that white explorers and soldiers went or adventured; they found people of color.

The British conducted their biological warfare experiments in the Caribbean.

The Japanese conducted their biological warfare experiments on the Chinese.

America is number one in police killings, incarceration and inequality. Yet the overwhelming majority of police killing are done by colorless people.

Euro-America's greatest asset today is the unquestionable loyalty and labor of near-50 million Blacks now firmly under their sovereign authority.

White men aggressing against aboriginal people in the Americas invented scalping.

In European societies, if you don't belong to a Jewish tribe, you become a gentile, a pagan.

In the mad rush for more dough, European, drug companies are simply creating isomers or

chemical cousins of profitable drugs, so that they can create a new market, often with negligible or little true health benefits.

There was a partnership in East Africa between the Portuguese slave traders and the Arab slave traders.

Colorless people consider nuclear bombs as holy weapons of peace.

98% of American businesses are insecure online. New Age cartels are mostly electronic and global.

## CRACK HEAD NEWS QUEER THINGS EDITION

The Nubian network reserves the right to Crack on people, philosophies and points of view, pertaining to or affecting Black folks! One Love!

The Black vote should be a special interest vote, to supply our interests, needs and concerns.. Don't we have special interests and needs? It seems as if recently, Black people have been voting for nothing. The majority of us are not MIDDLE CLASS or MIDDLE INCOME!

Without men, there can't be any children. No homo!

## The Nubian Times

Homosexuality is a practice where males start feeling insecure about masculinity and females start feeling insecure about femininity.

Don't for one minute think that White women can't be slave drivers. They too will work you for low wages and until the meat fall off your bones!

Some Black scientists are saying that Blacks should focus on economics a bit more than politics. The Democratic Party has taken us about as far as they can. We've got to put our money, financial power where our hopes and dreams are. Black folks have helped push many a politician into office and have very little to show for the effort and votes!

Without women there can't be any children. No homo!

Black GrapeVine news- Just a reminder...prescription drugs are killing more people than illegal drugs. This place is ass backwards!

Black GrapeVine news- Black scientists say that the Civil Rights movement brought about integration but failed to bring about true political and economic equality for the African-American community.

No man or women is above the laws of a country whether he or she wears a uniform or a mask.

Be prepared for the getting worst news-. Soon the media will try to push interracial homosexuality down our throats. Sooner or later TV's season running shows will have Black females wanting, longing and having sexual relations with colorless females and Black males engaged with colorless males much the same way.

Rumor has it that recent scandals have crushed any hopes of Bill Cosby creating **Cosby Land**. I know some of his fans wanted to see Fat Albert, Dwayne Wayne,

Whitley, Rudy, the rest of the Huxtables and Lil Bill, but you just might have to wait on this vacation playground. If you could do Disney World 2 or 3 times with your kids, you would of enjoyed the chance to do Cosby Land. Laughter is universal. At this time, we don't think Jell-o and Pudding Pops would sponsor him. Oh well! It would have been nice to see Bill stop in and do some political and socio-economic standup comedy about Black people. His current situation has Mr. Cosby in a situation comedy, but no one is laughing. This might well be the first DRAMA he has been in!

Cannabis is now known as "marijuana" because those who wanted to outlaw it used its Spanish name to make it sound foreign and menacing.

The Black community is not a Homosexual Empire. Don't fall for the dumb shyt. If you make that choice, don't object or get bent out of shape when other people make their choice to reject your shyt! If you don't want anybody bullying you, then don't bully anybody else!

If you think a hair weave, some high heels, some hair dye, fake boobs, a tummy tuck, some plastic surgery or another woman in your bed make you a Queen or "God", you haven't developed a brain yet.

Michael Brown and Eric Garner were not afforded the opportunity to face a jury of their peers for their alleged crimes. "Justice" was dispensed on the streets by law enforcement officials. To speculate on their innocence or guilt is some bullshyt! They can't defend themselves, because they are dead.

Check! Free, independent and liberated generally means that you are un-protected. Better get somebody worthy to watch ya back. Calling the police or dialing 911 don't mean much in a lot of

situations. Protect yourself at all times! CHECK with your MATE

**Black GrapeVine news-** Tetanus vaccines given to millions of young women in Kenya have been confirmed by laboratories to contain a sterilization chemical that causes miscarriages.

You can straighten you hair all you want to, but within two weeks your hair will go back to Afrika.

**Empire**, starring Terrance Howard and straight outta jail Taraji P. Henson, appears to be the first homosexual, Black dominated, situation comedy show on TV. They should have named it Homo Empire for all the drama and comedy scenes! More emphasis on queer shyt than Black whatever! Is it true that Negroes have a big homosexual appetite, because lots of females are really eating that shyt up! Lmao!

**Moor Wigga news-** Madonna is jealously complaining because she wasn't allowed to show her old nipples in public, but Kim Kardashian was allowed to show her nude ass in public. Broads that are bums always do some sickening things as some form of competition. Ratchet, ratchet, ratchet!

Black scientists have found that getting an abortion does get rid of the physical child, but it does not rid a woman of the spiritual child. That child is with them, in their blood, until their essence passes to another dimension or realm.

Are Republicans or Democrats doing any work for the Black community or are their priorities immigration and gay's maybe?

**Black Children** are being suspended in PRE-SCHOOL at a rate that is 3 times higher than White children. Nawwwwww, we are not making this up. The Pre-school to prison pipeline is real. In

some areas, the suspensions are for WILLFUL DEFIANCE. We must work diligently with our children or they will continue to be labeled as trouble makers. Where there is a will, there is a way in this realm.

The Black Panther Party's 1966 platform, known as the ten-point program, included the demand: "#7. We want an immediate end to police brutality and murder of Black people, other people of color, and all oppressed people inside the United States." The issue of police brutality in communities of color has a long history and the Panther platform gives an example of how to turn grievances into a clear set of goals for meaningful change.

It's queer when you catch a case and the lawyer walks in and says, "Let us pray on it". Just as queer when your people are being murdered in the streets and a politician walks in and says, "Let us pray on it." Somebody should have prayed that you got the right lawyer and the right politician for this realm and not the next one.

**Moor Wigga news-** An Associated Press survey found that 60 percent of Americans have explicit "anti-black attitudes" How many of "us" were included in that survey? How many people don't like you!

Many Africans in America have realized in the 21<sup>st</sup> century, that the American system of justice does not apply to them. Every time one of their own gets shot in the streets by rouge cops, their memories are shocked back into the wicked

reality of where they live. No one protects and serves them.

What Europeans classify as World Wars, weren't really World Wars. Colorless people just mastered the art of spree killing and mass murdering on a global scale.

Moor Black Grapevine news-Whites are the only race that never suffers any kind of systemic racism anywhere in the world.

Now they got women all by their lonesome in commercials, trying to sell Viagra to men. If you penis stays hard for 3 hours straight, they say you are OK, but if it stays hard for 4 hours straight, you are suppose to call a doctor or hurry to a hospital emergency room. You might be considered a sex machine or a disposable dildo. Either way, something queer is happening to you, that you might want to have fixed!

President Obama's Task Force on 21<sup>st</sup> Century Policing will be chaired by an African-American, Philadelphia Police Commissioner Charles H. Ramsey. The jury is still out on him. Nobody knows if his heart can comprehend protecting and serving the African-American community that generated him, as much as White people are protected and served.

Some plantations had both a white overseer and a black driver, especially in the Deep South or on plantations where the master was often absent. This still applies today, especially in corporate environments where the owners are stock holders. Stockholders want maximum returns on their investments at any cost.

Colourless people or Europeans have never really fought in a WORLD WAR. The majority of people on the planet don't really want any parts of their bullshyt!

Holly weird determines who the stars are. IT's GRAVY! Holly weird loves them ghetto gadders!

Sometimes I wonder what the f#ck some Black people are praying for. I swear most of us ain't on the same page, not on any page or some people done slipped and bumped their heads worrying about what it's going to be like in the next lifetime!

Did "The Cosby Show" remind you of "Leave It to Beaver" back in the day? They actually had Negroes, sitting in front of a Boob Tube, watching 2 dimensional,

Does the American system of justice apply to Black folks? Don't get me started Yo!

Truth is the first casualty in war!

It is permissible to give a Black defendant a slave instruction in a criminal trial.

We are still waiting for White people to go back to Europe. It's just that no country in Europe will take most of them. They are too dependent on privilege, government contracts, too much attitude, lie a lot and too many are serial killers!

Colorless people always promise things, but all they deliver is pain.

Michael Brown and Eric Garner were not afforded the opportunity to face a jury of their peers for their alleged crimes. "Justice" was dispensed on the streets by law enforcement officials. Sounds like they were lynched to me!

Political correct and reality are two different things.

There are still females and males all round the world that enjoy hurting other people for their own benefit. All the praying in the world won't help them or you. Somebody is going to have to slow their roll down! They are trippin' off their own selves a bit too much. Greedy and selfish MF's and bytches!

Seems like every movie Holly Weird produced has homosexual tendencies. Should make one wonder if Holly Weird is in league with the Christian Church?

Columbus Day should be replaced by Indigenous People's Day!

God gives people a good reason to hate, despise and kill each other.

Is Obama, with AfriCom, helping Colorless people in their attempts to re-colonize Africans and their land? It seems that Europeanized Christians are in competition with Arabized Muslims and the Chinese to get as much control of African people and their resources as they can.

**AKAs** (Alpha Kappa Alpha Sorority Inc.) received an email that said sisters could wear sorority colors at protests, but asked them to “refrain” from wearing any sorority “paraphernalia.” Deltas (Delta Sigma Theta Sorority Inc.) were notified of a similar prohibition on their organization's website. They have been forbidden to wear their letters in protests. They don't want anybody to think the sorority is too deep in supporting their people. The slave Masters or somebody might want to jump in their shy and they really ain't all that powerful. Let it be known that they are only a weak as shy bunch of job seekers, without little if any real Black leadership qualities.

Lately, men have stopped fearing guns and bullets, but they still fear monsters! That's Monsta!

## BACK IN DA DAY

**This is a re-print!**

**UncleJessie@plantation.com**

Note: Uncle Jessie is doing fine. He's gotten his GED and is now attending Little Rock Community College. (He finished that too)

**T**his here article is about not so long ago, back in da day. You know, when you was a youngin'? Let's take a look back and remember when or remember what waz!

Back in the day, Snoop Doggy Dogg played a Big G with a Scary Curl hair-do and some potent beats.

Now White peoples is pimpin' him, while he think he a pimp. If the pimp gets pimped, then the pimp is a Ho' too.

**Back in the day, Lil' Kim** was a livin' on the edge young gal, with potential and a Big-Small Niggah flauntin' her azz. Now she a Mopp Top lookin' bar fly Ho' that needs to keep that old azz body covered up some. The girl is fine, but she ain't got no class at all.

**Back in the day, Michael Jackson** was a big-nosed youngin' with lots of talent. Now, forty some years later, he's a buttermilk complexed White lookin' freak, goin' broke & crazy tryin' to relive a White childhood he never had. Much luv Jacko, but you gotta grow up sometime and really see that it is a man in the mirror looking back at you.

**Back in the day we thought Latifah** was one of dem five percenter peoples and for a youngin' had queen potential, wearing her crowns and espousing U-N-I-T-Y. Now White peoples done turned her out to be a dyke, a jail Ma Ma, a prostitute, a comedian and now, a maid-up Cover-Girl pizza sales man. Somethin' seems kinda queer here to me. She done went from a potential Queen to a real life Hoochie, right before our eyes. That was planned. Maybe Cosby can teach her how to sell some Jell-O. No need to playa hate. She gonna end up hating herself at this rate.

**Back in the day, Beyonce** was a backbiting, sneaky singer youngin', trying to get a break. Now she's a backbiting, sneaky, sleazy, go-for-self, looking for a voice actress. One of the latest promoted round the world Black Bimbos. You go Suga. What goes around, comes around. Dem white kids say you got talent, but don't forget it's a long crawl up out that gutter when that silliness grows old Bug-a-Boo.

## The Nubian Times

**Back in the day, Halle Berry** was a confused half-and-half gal, hardly getting' paid and Spike Lee was all up in that. Now she crashin' cars, livin' large and winnin' awards for playin' junkies, Hoochies, alcoholics, White men's throw-a-ways and an X-Man freak. What's his name was tryin' to keep her calm until she put a claim on his child, but now she just frontin' in movies tryin' to prove just how loco crazy she really is. That gal couldn't have finished high school. She ain't actin, she just playin' on herself. And just think, she might be screamin' broke next year.

**Back in the day, Kwesi Mfume** was a skinny, big head youngin', standin' on corners and slingin' out drugs. Now he's the head of the NAACP sellin' out Negroes. How I know? I asked my peoples up in Baltimore. My cousins live on the West Side near Dru Hill. Been up dat way for years. They knows everybody up there.

**Back in the day, Clarence Thomas** used Affirmative Action to pull himself up by his bootstraps so he could get a good job, play on Anita Hill and marry himself a White gal. Now he's doin' everything he can to make sure everybody else ain't even got no straps, ain't got no boots and ain't got a pot to piss in. Seems like he want everybody that's Black, broke and walkin' on shaky ground, actin' like they are hood rats chasin' down some cheddar. Pay back is a female dog Uncle Tom.

**Back in the day, Ice-T** played a hip-hop gang-banger, the “Original Gangsta” and a “Cop Killer”. Then he played with being a B-actor in some B-movies. Now the youngin' is pretending he's a tough guy cop, chasing down sexual misfits in a SUV on SVU for Law & Order, while getting' played by white gals, thinkin' white peoples luv him. Remember where you come from Homey. White peoples don't luv

you youngin'! They just using you to get what they want. We getting' played watchin' you bein' pimped youngin'. I just hope you gave up them B-movies OG.

**Back** in the day, Ice-Cube played a "Niggah Wit a Attitude", a rapper, and a thug, runnin' around wit his homeys, makin' money since the 10<sup>th</sup> grade, sportin' a greasy Jeri-Curl. He did a couple of B-movies too, with one classic, *Boyz in the Hood*. Now he pretends he's a comedian every Friday, finally got himself enough money to own a Barber Shop with some cheddar and now he ain't got no attitude no more. Maybe he never really was a Niggah Wit an Attitude at all. On the streets they say he sold out and now all he can do is stay in the house most of the time. How I know. I got a cousin that live in Oakland, who got a homey in LA., over near Crenshaw Way. Cube ain't done sold out. Homeboy is just everything he said Easy-E was.

**Back** in the day, Al Sharpton was a kid that wanted to be like James Brown. Now he might think he is James Brown, fallin' out on the stage, 'cause ain't none of them Democrat Negroes got his back.

**Back** in the day Method Man and Red Man dropped into the Hip-Hop nation seemingly from the Wu-Tang Clan, 'cause they couldn't make it on their own. Remember, things was so easy then. Last time I seen dem, they was doin' commercials for Right Guard and workin' on another dumb azz B-movie comedy. Something about this smells. They still can't make it on their own. Ain't there nobody left that ain't tryin' to Cross Over into the mainstream? Maybe Wu-Tang is Forever No More!

**Back** in the day, Jennifer Lopez played a Hoochie girl in *Living Color*, then par-layed her way into acting, playing opposite a Black guy and a goofy, White boy. Some

time in there she played Selina, played a town hooker and then became JLo. I don't know who she was hooked up with then, but I know she was hookin'. Then she hooked up with Puffy, got kicked to the curb, stayed out of jail and hooked up with what's his name. Kicked him to the curb, hooked up wit Ja Rule, played a maid and hooked up with that hill Billie boy that played a blind Daredevil. He reminds me of that White boy she hooked, jabbed and punched out in that other movie. While she was doin' all this hookin', she took some time out to say she wasn't Black. Maybe that's a good thang. Anyway, next she gonna wanna Hoochie hook-up with 50 cent. Just you wait and see.

**Back** in the day, Jessie Jackson rode on M. L. King's back with a big Afro and was a wanna-be president Fly Guy with a dashiki. The Jews gave him a big "PUSH", Jessie became "somebody" as he fronted about a Black Political Party with "Power to the People" all right! He hooked up with Roberta Flack and a whole lotta others gals back in dem days. Just ask my cousin. Now he's known as "My Baby's Daddy", still tryin' to get back on camera, after he done flew somewhere over the Rainbow. With all that money that White Power done paid him, at least he can pay child support, but I hope he don't ever again go runnin' his mouth about Black Power. Dam, that seem like it was just yesterday, but it was back in the day.

**Back** in the day, Oprah Winfrey was a poor country girl makin' it big cryin' crocodile tears all up in White folks face and sh\*t. Remember I got me some cousins in Baltimore. Then home girls hips got bigger and she made some more money off big face white gals tryin' to help them lose some of their flabby flatness. Steadman made him some chump change

## The Nubian Times

playin' her boy friend. It was those cattle beef men that stopped her in her tracks. Made her back that thang up, git gone or die. She got gone. Now she got herself some money, ain't got no man, can't find no man and can't buy no man, but still got plenty of time to hang out with dem White gals. Maybe someday Hillary Clinton might hook her up with a good job in the White House. Then, if she still got some money, I might volunteer to be her baby's Daddy.

**Back** in the day, LeBron was a poor youngin' in the projects, winnin' & schoolin' chumps on the basketball court with ease, but wasn't gittin' none. How I know? I got me another cousin up in Cleveland, 'round Uclid way. Now LeBron is rich and White gals is playin' on him. The pressures is mounting while he's got cameras stuck-up his azz and his team loses and misses shots and loses and plays no defense and losses and he has to find excuses and make-up excuses to offset the losses. Cleveland ain't never won nothin' Jack! What's exciting about getting' your azz kicked most every night. LeBron can't change that by himself. Suckers just payin' and goin' broke just to watch them lose. He had better ask for a trade to L.A before somebody wake up. He can sit on the pine, come in when Koby need a rest and get himself a good education!

If'n you wanna know something 'bout back in the day, give me a holla. I'll just ask my cousin.
