THE FIRST SLAVE OWNER IN AMERICA WAS NOT ONLY A BLACK MAN, HE WENT TO COURT AND DEMANDED IT

IN 1654, IT WAS TIME FOR ANTHONY TO RELEASE JOHN CASOR, A BLACK INDENTURED SERVANT. INSTEAD ANTHONY TOLD CASOR HE WAS EXTENDING HIS TIME. CASOR LEFT AND BECAME EMPLOYED BY THE FREE WHITE MAN ROBERT PARKER.

ANTHONY JOHNSON SUED ROBERT PARKER IN THE NORTHAMPTON COURT IN 1654. IN 1655, THE COURT RULED THAT ANTHONY JOHNSON COULD HOLD JOHN CASOR INDEFINITELY. THE COURT GAVE JUDICIAL SANCTION FOR BLACKS TO OWN A SLAVE OF THEIR OWN RACE. THUS CASOR BECAME THE FIRST PERMANENT SLAVE AND JOHNSON THE FIRST SLAVE OWNER.

While only 3% of Whites in the South owned slaves, over 30% of the Jewish households owned slaves. And, yes, the White population was much larger than the Jewish—the numbers suggest that slavery was much more acceptable to the average Jew than it was to the average White Christian.

Noone seems to notice that the one major country in Europe which was never involved in the slave trade, not even peripherally, is Germany. Ditto with the slave owners in the USA – not one ethnic German can be found. In fact, it was the German immigrant community which protested against slavery on the streets of Philadelphia in 1665 (!) It was also the German immigrant community which volunteered en masse in New York for the Union Army during Lincoln's war against the Confederacy, which executed several leaders of the German community in Texas for refusing to join on the side of the South feeling it was none of their business since they had arrived in Texas a mere 15 years previously.

The history of European Jews in Suriname (my country of birth) starts in 1639 when the British government allowed Spanish and Portuguese Jews from the Netherlands, Portugal and Italy to settle in the region, coming to the old capital Torarica. In 1652, a new group that migrated under the leadership of Francis Willoughby came to Suriname and settled in the Jodensavanne. A third group came in 1664 after their expulsion from Recife (Portuguese Brazil and important slave capital) and French Guyana (overseas territory of the French Republic in Europe) led by David Cohen Nassy. According to the Encyclopedia of Latin America, “Suriname was one of the most important centers of the Jewish population in the Western Hemisphere, and Jews there were planters and slaveholders.” The cruelty and barbarity of the Jewish slave-drivers in Suriname is well-known.....

After the second Dutch-Anglo war the British and Dutch exchanged territory. Dutch New

Amsterdam went to the British empire and became New York (the Jewish slave capital of America) and Suriname went to the Kingdom of the Netherlands, the Jewish dominated Dutch slave-plantation colony in South America.

Jews love to point the finger at the Christians in the Southern US states, but they controlled the slave-trade in the North.....

In the same way, the Jews have substituted others into their former roles when telling the story and you're repeating their lies. The film “The Godfather” for example popularised the idea of Italian mafia when the Jewish mafia was actually what the narrative was modeled

on. The Godfather was the single most effective coverup of the Jewish role in organised crime. Almost nothing else needed to be done to keep that fact hidden. The first voices against slavery in the USA were Muslims. Emissaries from the Ottoman Empire who were visiting and seeking redress for the slaves who had mostly been Muslims in fact. Whilst it did not ban slavery, The Quran is very subtle and avoids outright bans most of the time, it did introduce laws which ensured Slavery would vanish in time. It simply became too problematic and expensive for Muslims to own slaves because by simply converting to Islam the slaves would have the right to be freed and his family also with him. The former owner would be required to give them an offer of paid work or provisions for the journey and some wealth to proceed forth. Of course, there have been some groups and even caliphates which reinterpreted things to their benefit but none stood for long as interpretation of the Quran is forbidden in itself.

notice (((City of London))) involvement

from wiki:

The Royal African Company (RAC) was an English mercantile (trading) company set up by the royal Stuart family and City of London merchants to trade along the west coast of Africa. Its original purpose was to exploit the gold fields up the Gambia River....But its agents soon engaged in the slave trade...

In the 1680s the Company was transporting about 5,000 slaves a year to markets primarily in the Caribbean across the Atlantic. Many were branded with the letters “DY”, for its Governor, the Duke of York, who succeeded his brother on the throne in 1685, becoming King James II. Other slaves were branded with the company’s initials, RAC, on their chests.[9] Historian William Pettigrew has stated that this company “shipped more enslaved African women, men and children to the Americas than any other single institution during the entire period of the transatlantic slave trade.” and that investors in the company were fully aware of its activities and intended to profit from this exploitation.[10]

Between 1662 and 1731, the Company transported approximately 212,000 slaves, of whom 44,000 died en route. By that time, they also transported slaves to English colonies in North America.[11] Ship’s crew mortality rates were often similar and sometimes greater than the mortality rates amongst the slaves.[12] Its profits made a major contribution to the increase in the financial power of those who controlled the City of London.

Since the City of London is Ground Zero of the Rothschild financial empire, it wouldn’t be an antisemitic stretch to conclude that the Rothschild family profited immensely from the African slave trade, and of all people in the world, the Rothschilds have the personal

I'm convinced that Blacks will be essential for the eventual destruction of Mystery Babylon. And these Black scholars are an example of how strategically useful they can be. No one is going to care if Jews call them 'racist' or 'antisemitic'. They have Black privilege, handed to them by the Jews themselves. Now their Golem will eventually turn on them.

The Black-Jewish alliance is on shaky ground, and the smallest of incidents can set off the powder keg. The Crown Heights riots in the '90s are a perfect example.

Jews have relied too long on their ability to buy off the Blacks with goodies, welfare, and jobs in the entertainment industrial complex, but that strategy will fail because they can't turn every Black into a rap star or sports star. And they still haven't figured out how to teach Blacks the difference between White people and Jews, when it comes to attacking random

people on the streets. The next 20 years will be exciting to watch unfold between these two races.

All they currently have here in the U.S. is the leverage of a potential swing vote nationally as a 14% minority among us.

All examples of “black” organizations and movements were all financed and organized by jews from the NAACP in 1909 to the “Civil Rights” movement, to Black Lives Matter today. So-called black power is always just a front for jew power.

What you miss is that white organisations and movements have been hijacked by the same people. Witness the Left today and ANTIFA etc. The Right is no less being led by the nose when one considers who really runs their orgs, even many white nationalist groups if not all have Jews even if they appear to have turned on their own, as leaders and influencers. The great white hope, Donald Trump is one of the most owned shabos goy ever to

raise his head though all US presidents have bowed before them and even acting against them behind the scenes as Kennedy did just makes them dead. Americans if not all Westerners seem to be able to see many flaws with their ideological opposition but being extremist and hugely polarised both the Left and Right these days are completely oblivious to their own, often identical weaknesses. The media has even become polarised to the extent each side can pay exclusive attention to their own and have a different tailored version of reality served up to them every day. Confirming their biases and further dividing them from each other's paradigm to ensure no chance of unity which might then jointly catch sight of the real enemy at the top. It is little surprise they hold Goyim in such contempt. The Christian and Muslim traditions have concepts of equality and forgiveness and selflessness and honour to all etc which do not exist in the Talmudist tradition especially but are not even clear in Torah being limited to fellows Jews with the "other" seen as fair game instead. This is what makes the two latter Abrahamic faiths such easy marks for their older and more devious cousins.

RIGHT! My Dad ran a group of New York jews off the Plantation in the Mississippi Delta back in the mid 60s that were trying to stir up the good blacks on the farm.

Our workers, ALL 250 or so, had both mother and father at home, the children were well behaved and they/we got along like a huge family. Some of my most fond childhood memories were of the blacks on the Plantation. We worked, played, hunted and fished together.

Look at blacks today. For the most part, uneducated heathens! Thanks Jews and the Federal government and the marxists within!

This is an interesting thought. Now we're in a historical Black Lives Matter phase. What is notable is that what should have been, could have been, an uprising in protest against not just the guard dogs of the elite but against the tiny extreme wealth elite who keep the police and governments between themselves and the human stock on their free-ranging farms known as countries, has been hijacked so easily and made into a race war between whites and blacks and nobody is saying anything about the real culprits anywhere it is being noticed and anyone trying to seek moderation or unity, or to point to the real issues is shouted down if not beaten to the ground and stomped on.

So we are still wanting blacks to do the job we should do ourselves as White Christians? Let me get this straight. We Whites, the superior race, are WAITING on the lowest order of man to save us from the devils who killed Christ and asked that His blood be on them and their children forever, and have brought the world to the brink of destruction. That is a really ignorant strategy if you have any self respect, love your race and country, and want your children and grandchildren to be free! Wake up White man! Grow some stones and fight for your life and Liberty!

When the Saxon began to hate.

They were not easily moved,
They were icy — willing to wait
Till every count should be proved,
Ere the Saxon began to hate.

Their voices were even and low.
Their eyes were level and straight.
There was neither sign nor show
When the Saxon began to hate.

It was not preached to the crowd.
It was not taught by the state.
No man spoke it aloud
When the Saxon began to hate.

It was not suddenly bred.
It will not swiftly abate.
Through the chilled years ahead,

When Time shall count from the date
That the Saxon began to hate.

“This destiny does not tire, nor can it be broken, and its mantle of
strength descends upon those in its service.” – Francis Parker Yockey,

Yes, and it's Black behavior, rioting, looting, raping and murdering that is
awakening the sleeping Saxons—there are even liberal Whites now waking up
and beginning to hate. And Blacks will turn on their Jewish masters, just as
they have in South Africa—40% of Jews have left since the fall of Apartheid
because it's too dangerous now.

Some of those vids used to be available on Youtube, but not any longer as they expose too much
truth.

Get into a slavery discussion online and toss in this fact about Jews being the major slavers and
maybe they should offer reparations to the descendants of those slaves and you'll get attacked for
being a anti-Semite, Jew hating Nazi

Guess reps are only for the Chosen?

A Rothschild agent killed Ferdinand and kicked off WWII. This was because the Duke was carrying papers regarding Palestinian autonomy and the Roths already were scheming to steal Palestine. The whole world could sue them for both wars since the second grew out of the first/. It was even their financiers and bankers who wrote the vile Versailles Treaty which was responsible for German frustration and eventual reaction.

The fact that the Jews manage to keep this story out of the MSM is a true testament to their over representation in the media.

When I talk about the Jews who dominated the slave plantation in Suriname (my country of birth) they call me an antisemite, while they celebrate their 400 year history in that country.....the other side of the story that nobody wants to talk about....African's sold Africans to the Jews who put them

in chains and shipped them to the America's to be sold as cattle. Christians simply jumped on the bandwagon for monetary gain. The same way Black people jumped on the Marxist Communist Hate-white people bandwagon (slavery under a new formula) after WWII.....

Lisette, if you do anything but praise Jews, you are an antisemite. Haven't you figured that out yet? Although since you are technically a “person of color”, you should be allowed more latitude when discussing the race question, and even some of the jewish question as long as you praise them more than criticize them. They expect you to be grateful that they've advocated so heavily for “people of color” especially in white countries that they are trying to subvert.

Hear yah, hear yah, Marion.....I lived and learned all about it in Amsterdam, the Netherlands and New York, USA.....there I came to find out that those two places were interconnected with the history of my country of birth.

On top of that is was also revealed that the slave history of my country was a majority Jewish affair....that part of the story is yet to be told.

They did a me great favor subjecting me to the Marxist violence and oppression because it enabled me to connect that dots. Yep in White countries I have to praise the Jews as my savior but I refused to play their morally corrupt hate-white people game....

Many of the 'Spanish' conquistadors who explored and settled South America were actually crypto-Jews escaping the Inquisition in Spain. And many natives and mestizos to this day can't tell the difference between a real Spaniard and a crypto Jew, and it was the Jews who dominated the slave trade over that entire continent, and that slave trade was much larger than the one in the U.S.A.

Thank you, this part of history is covered up by all European countries.....and Christianity get all the blame for the selling of African's as cattle....but I am not drinking the cool-aid. They brag about their 400 years of Jewish culture in Suriname (the history of my country) but when you come to the slavery part they downplay the Jewish involvement and call you anti-semite. So talking about the history of my country makes me an anti-semite.

It's even less than "Christians...jump(ing) on the bandwagon for monetary gain", especially in the U.S.

Since jews dominated the slave trade (even before discovery of the Americas), and since it was jews and jew money that established the plantation slave economy throughout the

Caribbean and South America, by the time the English colonized North America those plantation owners didn't have much choice but to also use the same cheaper slave labor to bring their crops to market otherwise they could never be price competitive.

It's why you see even today so many White industrialists or other corporation owners participating in the demand for cheap non-White immigrant labor (including illegals).

The solution is a government founded on an unalterable racial principal. Had the American colonies been so, or the United States which they became, negro slaves never would have been allowed despite cries by agriculturists of "muh economic freedom" or "muh property rights" and the market pressures on them could have been mitigated by tariffs and or subsidies.

TRTP: Absolutely!!! I have always held that Absolute! The sole Reason for our Armed Forces must only and ever be for the Protection of our DNA—FROM WHICH ALL DERIVES! If you do not have that you then have what we now have! If anyone who is White does not like that, then leave and good Riddance! If some Whites wish to share non essential Knowledge, they may do so. But they are prohibited from ever attempting to dismantle the Racial-Imperative! The Penalty would be either Expulsion or Capital Punishment. How to bring this about? What Timeline? Big Questions. Stalin in 1928 created Birobidjan (various Spellings) for the rotten Race. Naturally, the Ratschids did not accept it. Birobidjan is an autonomous Place the Size of Switzerland. We must forcibly remove them from every Place and keep them in Birobidjan and thence keep them always under Surveillance. This Race or whatever they are, are a VERY strange and deadly PHENOMENON.

[Translated from spanish by CFT using google translate]:

You confuse the meaning of the term “anti-Semite”. such vocabulary is of anthropological assessment and refers to the linked with the arab ethnic semites, of which the hebrews were just a minority branch between so many others ... hebrew should not be confused with jew. reference to judaism applies exclusively to jewish religious faith. a person from aryan ethnicity can profess the jewish faith, and will continue being ethnically aryan ... does not become a semite by judaizing himself ... you also think after a diaspora of nineteen centuries for europe and asia, mostly then, jewery it must be considerable. do not confuse legends of supposedly “divine” texts whose author never appears to take charge of such authority, with the reality of the evolution of the human species and the classification that the lay sciences do by the talking about “antisemitism” every time a bombardment managed by a jewish pilot dropping bombs on arab christians living in gaza an antisemitic crime is committed ...
