## GET THE SLAVERS OFF THE MONEY!

The staff of the Nubian Network reprint

Loads of White people claim they didn't participate in slavery, but this system of White privilege & supremacy still carries the faces of Thomas Jefferson, Andrew Jackson and George Washington on the face of it's currency. All three of these Presidential White men were slavers and are a slap in the face and insult to Black people. Get the faces of slavers off the currency and or coins and replace them with the faces of righteous people like Harriet Tubman, Ida B. Wells or Sojourner Truth. Perhaps Caucasians would like to have Malcolm X and the Honorable Elijah Muhammad on their currency? Black people probably could get use to these magnificent images, but White people would die and kill before they let any Black person be on their main symbols of White Supremacy. What people see and use daily is a subtle form of programming and George, Andrew and Thomas are some faces Black people need not to be reminded of daily. There should not still be slavers on money unless that is what the United States still stands for, slavery!

Efforts are underway to remove the Confederate flag, but this commentary deals with something

**PERHAPS CAUCASIANS WOULD LIKE MALCOLM X AND THE HONORABLE ELIJAH MUHAMMAD ON THEIR MONEY?**

a little more serious. The cash and coins are something that most adults and some children still use on a daily basis. To eat, drink, play or pursue whatever one calls happiness, one has to go into their pocket or purse and the odds are that they will pull out a slaveholder to have permission to enter or make a purchase. This happens on a daily basis whether you are in the North, South, East or West. Credit, forget it! Cash still reins supreme for right now.

It was the slaves, once free human being of Afrika, who with their labor, allowed men such as Thomas Jefferson and George Washington the freedom to become statesmen.

**George Washington** inherited ten slaves from his father and at the end of his life over 300 African-American slaves lived at his plantation in Virginia, Mount Vernon. George Washington was also known to have traded one of his slaves for a keg of molasses.

**Thomas Jefferson** had 187 slaves. We know that because he kept meticulous hand-written records, which are still available today. His plantations were called Poplar Forest in Bedford County, Virginia & Monticello in Charlottesville, Virginia, the latter plantation still resides on coins in circulation up to this day as a symbol of slavery. Many people have heard the story that President Thomas Jefferson, the author of the Declaration of Independence produced children from his slaves. There is now DNA evidence available to prove this too.

On his plantation, the Hermitage in Tennessee, President **Andrew Jackson** had hundreds of slaves and a lot more on his plantation in Holmes County, Mississippi. These men are symbols of a time when Black people were enslaved and robbed of their wages for work and labor performed. A times when whips, guns, chains and shackles were daily reminders of the conditioners we were forced to only survive in. Their plantations were nothing more than prisons to our ancestors. The faces of Washington, Jefferson and Jackson are the most obvious symbols of

slavery, racism and the horrific degradation of a people that are available to the general public on a daily basis. Regardless of how well President Jackson, President Washington and President Jefferson are said to have treated their slaves, don't for a moment think that any Afrikan was happy to be a part of their slave holdings and property. Slavery was vile and wicked. No Afrikan wanted to be forced onto ships, have their identities wiped clean and be trapped on a plantation, surrounded by hostiles in every direction they looked.

White people that claim they are not racist should demand that the faces of slavers, slave owners and slavery plantations be taken off the currency and or coins of the United States. Black people that want to live in a society with justice should demand that the faces of slavers, slave owners and slavery plantations be taken off all currency and or coins of the United States. There was nothing glamorous about slavery. Unlike a flag, these symbols of slavery are in everyone's face every day. Put an end to Slavery Faces as a medium of exchange for goods, services, land and labor. **START TODAY!**

## AFRICAN-AMERICANS WHAT?

### Divine1on1

African-Americans are a tribe of the Color-less people. They are 3/5's of a person. They do not make their own laws in their own nation. They do not educate their own children. The Color-less people only give them things that

they will take back or things that will help control them.

The Color-less people have managed to separate African-Americans from the rest of their race-family. The Color-less ones have the African-Americans ego tripping as if they were the most intelligent people on the planet, except for them.

Most of the African-Americans are either domestic workers in Color-less peoples institutions or prisoners in those institutions. In this century either African-Americans will break free from their captors or the rest of the planet will continue to believe what rumor and innuendoes the Color-less people spread all across the planet about them.

Africans in America are the Black people that are trying to return to the ways of their ancestors and the ancients. African-Americans are the Blacks in America that have pledged their allegiance to the Color-less people's empire of death. There is a difference brothers and sisters of the Black race family must know. Please do not think that all Black people in America are drunk with the ways of the Color-less people!

Black GrapeVine news- Black Churches are in a position where they have to flip flop and start condoning anything they are told to do or propagate. Most of them are weak They lack leadership. No one Black is at the wheel. They are being driven by remote control.

One of the most dangerous places in the world is the church or some of these religious centers. If you go and take your children, you better dam sure know what you are doing and getting yourself into.

If gay people make up a religion geared for their survival, would you join them?

In the early Americas, white people made it illegal to sodomize each other, but Negroes had no rights that white people were bound to obey. They could sodomize any Negro man, woman or child.

Do you think colorless mankind will get rid of the Confederate flag? We don't think so. Keep watching TV shows and movies for the next 100 years. Just like the word "Nigger", the Confederate flag is not gone with the wind. That's their heritage and that's their history of FREEDOM!

There are 1.5 million missing Black Men. Almost as many Black men are missing as there are in jail, the Prison Industrial Complex. At the rate that Black men go missing, are incarcerated and are killed, is it any wonder that Black women can't find their own men. That ain't the battle of the sexes!

Why are the Negro Civil Rights All Stars so adamant about Gay rights and Hollywood when all they ever did for Negroes, African-Americans or whatever is help back them into a corner as controllable consumers?

White boyz would like it much if all CHICKEN HEADS were Naughty Girlz & freaks in public 24/7. Their philosophy is that they must have sex with a CHICKEN HEAD to become a man, as long as she stays in that under class stage, LIVIN' GETO FAB. They want a White girl on the THRONE, but they want a freak up in the bed! By the way, where you comin' from Yo? Who and what is a Chicken Head? This is Crack Head news fo' sure.

A cyber attack on the US government's personnel office compromised the data of up to 4

If there is another Civil War in the United States, it won't be to free the Negro slaves. More likely some of their White slaves want to break free. Same thing happened with their first Civil War. This place was never set up for our pursuit of happiness.

Black GrapeVine news- Some Black folks have put it out there that President Obama is the King of Sodom and Gomorrah. Lol!

Socially acceptable racist- They tend to play the politically correct game in public, but behind closed doors, swing their racist views into gear.

A recent Gallup poll has just found that Americans have lost faith in Government, Politics and Religion.

They say that newspapers were printed on a 5<sup>th</sup> grade level for the most part. That got us to wondering... what grade level is most hip hop generated for, coming out of the Music Industry. You can take that back to it's inception. Who was it being made for?

During slavery, the White woman was powerless against a lustful husband and blind to the harsh realities of slavery. The enraged wife often vented her jealous rage upon the one person whom she could control...the Black woman.

There are more "PAY DAY LOAN" stores and companies out there than there are McDonald's and Rent-A-Centers!

Moor Black GrapeVine news- The majority of Black folks can't say too much about Catlyn Jenner. They've been watching Tyler Perry as Madea for the past 10 years and loving it. Only advantage Catlyn got, is that she is a tranny, lesbian! If something ever happen to Tyler Perry, Black folks will yap about all the good things he has done for them. No one will say a word about how he has made them a tranny loving fanatic overnight! You Go Girl! Whatever!

Wigga GrapeVine news- Watching TV in hi-definition, you can really notice how pale white people are and how much make-up is used to add color to their color-less faces.

Gay people now have government teaching jobs, to teach your children all about lesbian and

gayness. In some schools, their lessons take place as early as the 3<sup>rd</sup> grade. Anyone that objects, is name called a homophobic. In effect, they are teaching your children that you are a homophobic, if you are not down with their sex style, because...that ain't no lifestyle for sure. How you like being bullied by gay and lesbian people?

There is plenty of money involved in selling body parts and plenty of people, businesses and corporations involved...legally and illegally.

In the 90's, Black people sure made a lot of good movies. Not to take away from the present, but so many were good, some amazingly funny, some action-packed and most well directed and produced. ## BLACK FACTS

**All knowledge is rooted in reality**

**Afrikans** that were kidnapped and brought to the Americas were counted as only three-fifths of a "free inhabitant" by the Constitution's authors, who also allowed the importation of slaves to continue until 1808 and let the national government collect a tax on imported slaves. The first U.S. census in 1790 reported 757,000 Negro inhabitants--about 694,000 of them enslaved--out of a total population of nearly 4 million.

Afrikans in America should stop calling our ancestors 'slaves' because they were kidnapped free people who were made slaves. Our children think we were brought to this country as slaves, that we were already slaves when we got here. But we weren't slaves in Africa and then just transferred to America. We were captured and then enslaved here. There is a real difference.

Slave rebellions occasionally erupted in the Americas, occasionally resulting in deaths of whites, but they were always crushed, the slaves forced back into lives of unremitting and unrewarded toil.

When our ancestors were kidnapped from the center of the world and brought to the shores of the Americas, those that survived never intended to call that place their home.

(SUBURBAN MYTHS?)

### Believe it or not!

From a European point of view, God never said anything or had any communications of any kind with the original people.

**H**ysterectomy (pronounced his - ter-rek-ter-me) - a medical operation to remove part or a woman's entire womb. It's the European version of female mutilation. Europeans have two main ways to perform a hysterectomy. The most common way is to remove the uterus through a cut in the lower abdomen, the second, less common, way is to remove the uterus only through a cut in the top of the vagina, and the top of vagina is then stitched. Each operation lasts between one to two hours and is performed, in hospital, under a general anesthetic.

**T**he Constitution of the United States mandated that slaves be considered three-fifths of a person, giving a great deal of power to slaves owners and slave states. Thomas Jefferson won a presidential election on the strength of slave representation. Thomas Jefferson beat his opponent John Adams, even though he received fewer actual votes. His margin of victory was the 12 votes granted him by the three-fifths representation of slaves in congressional delegations and the Electoral College.

**A**s I crawl into my sack,  
I pray for women who ain't whack

Who won't neglect, and WILL call back,  
A girl who's smart, and sweet and stacked,  
And who knows just when to shut her trap,  
Who won't act ill and disrespect,  
Or run her mouth and sweat my check,  
Who will not ask me if she's fat,  
In this red dress or these brown slacks,  
I pray for one that is well-bred,  
I cannot deal with chicken-heads,  
I need a love of give and take,  
Not "What you drive?", "How much you make?"  
When lunch and dinner bills approach,  
If you don't reach...don't ask for Coach,  
I want a dime with thighs and lips,  
Not nickel broads on ego trips,  
I want one who loves me for me,

Not what her girls think I should be,

To fill my life with joy non-stop,  
With no male friends to take my spot,

I need one for cuddles, light kisses,  
and pecks,

But she'd know some times...I just  
wanna have sex,

If I were to find her this very day,  
Then I would cease in my doggish

There'd be no more creeping, I'd  
sing songs like Joe's,

But until that day comes I have no

## THE GOSPEL ACCORDING TO AFRIKANS

### (OUR STORY)

**Y**ou have not lost your Afrikan mind or you would not have found your way to these words. This site and these words are here to help you weather the storm this month. You may not hear what you want to hear, but we are not sponsored by anyone trying to keep you in your

place. We are Nubians. We reproduce the best of ourselves.

### ECONOMIC INDEPENDENCE

The Gospel According To

Booker T. Coleman

“**A**t the bottom of education, at the bottom of politics, even at the bottom of religion, there must be for our race economic independence!”

### WARRIORS

The Gospel According To

Mwalimu K. Bomani Baruti

“**W**arriors are the best of who we are as Ancestors working within this reality at this time. We are the culmination of the spirit of all the Warriors who came before us. We are their cumulative will, force and righteous indignation. We are here to do no less than set an exemplary standard for all those who are strong enough, wise enough and resilient enough to follow the path we continue. Courage is our most salient identifying characteristic. However, other qualities we possess are equally important. One of them is consideration for each other. It is a given that we should be respectful toward those in the community for whom we do this work. Everyone did not come with this specific, frontline, service-oriented mission. This, in no way, alters the fact that those of us who did are obligated and duty bound to humbly serve and protect those who did not.”

### GOOD TEACHERS

The Gospel According To

Marva Collins

“**D**on't try to fix the students, try to fix ourselves first. The good teacher makes the poor student good and the good student superior.

## The Nubian Times

When our students fail, we, as teachers, too, have failed!”

### THE STRUCTURAL DESIGN OF THIS NATION

The Gospel According To

Charshee McIntyre

“**I** place the practice of imprisoning African Americans, particularly the males, in the founding fathers' structural design of this nation....From the beginnings of this nation, we, African Americans, have lived (and do live) with the fear that if we do not end up in prison or in some other form of institution, someone in our families will. I claim that our incarcerations occur not because of criminality or accidents of injustices but due to the structural design of this nation. Institutionalization became the ultimate solution in which Whites address the problem of having free Blacks in this country.”

### CORPORATE TERRORISM

The Gospel According To

Winona Laduke

“**S**omeone has to explain to me why wanting clean drinking water makes you an activist, and why proposing to destroy water with chemical warfare doesn't make a corporation a terrorist!”

### PEACE & FREEDOM

The Gospel According To

Malcolm X

“**Y**ou can't separate peace from freedom, because no one can be at peace unless he has freedom!”

### NAACP ELECTIONS

The Gospel According To

Malcolm X

“**T**he NAACP has been in existence for 54 years. And [they]

## 9

elect a new national president every year and they have never elected a black man to sit in that capacity. Arthur Spingarn has been president of the NAACP for 24 years. And so in this sense, it means that either they're [-practicing] the same discrimination that they accuse the white man of practicing, they're practicing it themselves or else they're not qualifying other Negroes in that organization for positions of leadership."

### WORLD OF WOLVES

The Gospel According To  
Marcus Garvey

"In a world of wolves one must go armed, and the greatest weapon in the hands of Afrikans is the practice of Race First in all parts of the world!"

### LICENSE TO VICTIMIZE

The Gospel According To  
Steve Biko

"No average black man can ever at any moment be absolutely sure that he is not breaking the law. There are so many laws governing the lives and behavior of black people that sometimes one feels that the police only need to page at random through their statute book to be able to get a law under which to charge a victim."

### SOUTH AFRICANS

The Gospel According To  
President Robert Mugabe

"South Africans will kick down a statue of a dead white man but won't even attempt to slap a live one. Yet they can stone to death a black man simply because he is a foreigner"

### ONE DROP YOU NEGRO

The Gospel According To  
Langston Hughes

"Negro blood sure is powerful- because one drop of black blood makes you a colored man. One drop- You are a negro! ...Black is powerful!"

### WHAT MOVES

The Gospel According To  
Toni Morrison

"Black women have always considered themselves superior to white women. Not racially superior, just superior in terms of their ability to function healthily in the world. Black women have been able to envy white women (their looks, their easy life, the attention they seem to get from their men); they could fear them (for the economic control they have had over Black women's lives); and even love them (as mammies and domestic workers can); but Black women have found it impossible to respect white women. I mean they never had what Black men have had for White men—a feeling of awe at their accomplishments. Black women have no abiding admiration of white women as competent, complete people. Whether vying with them for the few professional slots available to women in general, or moving their dirt from one place to another, they regarded them as willful children, pretty children, mean children, ugly children, but never as real adults capable of handling the real problems of the world."

### KEEP WAITING

The Gospel According To  
Toni Morrison

"I want to see a white man convicted for raping a black woman."

### OTHER PEOPLE'S INTEREST

The Gospel According To

## The Nubian Times

Dr. Maulana Karenga

"We believe that those who can grasp the world, can in fact handle the world. Those who cannot grasp the world will be terrorized by the world. And if you can't define and defend and develop your own interests in the world, you'll have other people's interests imposed on you."

### BLACK

The Gospel According To  
Dr. Maulana Karenga

"The fact that I am Black is my ultimate reality."

### DESPICABLE BEHAVIOR

The Gospel According To  
Colin Powell

"When I see a former governor say that the President is "shuckin' and "jivin'—that's a racial era slave term. Let me just be candid: My party is full of racist, and the real reason a considerable portion of my party wants President Obama out of the White House has nothing to do with the content of his character, nothing to do with his competence as Commander-in-Chief and President and everything to do with the color of his skin and that's despicable."

### RELIGION vs. SPIRITUALITY

The Gospel According To  
Haile Selassie I

"We must stop confusing religion and spirituality. Religion is a set of rules, regulations, and rituals created by humans which were supposed to help people spiritually. Due to human imperfection, religion has become corrupt, political, divisive, and a tool for power struggle. Spirituality is not theology or ideology. It is simple a

way of life, pure and original as given by the Most High. Spirituality is a network linking us to the Most High, the Universe and each other!"

### **GREAT WHITE HOPE**

The Gospel According To

Dr. Gloria L. Peace

"The Great White Hope use to be a man. Now it's a Black woman."

### **OUT OF OUR MINDS?**

The Gospel According To

Dr. Gloria L. Peace

"Given their history, it is not likely that Europeans will ever deviate from the Europe-Aryan norm. They are not now, nor have they ever been out of their minds. And they have no intention of ever beings out of ours either."

"We must learn that the European is true to his way. It is we who have gone astray!"

### **BLACKS ARE ECONOMIC SLAVES**

The Gospel According to

Chika Onyeani

"There is nothing like State of Black Economy. It does not exist in Africa. Neither does it exist in any other part of the world. It is an illusion to think there is such a situation called State of Black Economy. Blacks are economic slaves. There is no group of people in this world who have abandoned any ambition of being economically independent from the grip of others as the Black race - whether Africans from the continent, or Africans from the Diaspora - Black Americans, Caribbeans or migratory Africans. We are more slaves now than when the Caucasian conquered us and sold us into slavery."

### **THE GROUP – AFRIKAN IN AMERICA**

The Gospel According To

Dr. Barbara Sizemore

"The way out is through mobilization of the group to struggle for the survival of the individual. The Constitution gives you individual rights, but you can only protect them as a group. To survive, the group must insure that each individual member is able to take care of himself or herself, reproduce himself or herself and take care of the progeny."

### **RACISM IS A DISEASE**

Chris Rock

"We treat racism in this country like it's a style that America went through. Like flared legs and lava lamps! Oh, that crazy thing we did. We were hanging Black people. We treat it like a fad instead of a disease that eradicates millions of people."

### **I DO NOT CHOOSE WEAKNESS**

Zora Neale Hurston

"I do not pray...I do not expect God to single me out and grant me advantages over my fellow men...Prayer seems to me a cry of weakness, and an attempt to avoid, by trickery, the rules of the game as laid down. I do not choose to admit weakness. I accept the challenge of responsibility."

### **THEY'LL KILL YOU**

## **The Nubian Times**

Zora Neale Hurston

"If you are silent about your pain, they'll kill you and say you enjoyed it!"

### **FINDING PEACE**

Marvin Gaye

"If you cannot find peace within yourself, you will never find it anywhere else!"

### **HOW A BLACK PRESIDENT IS TREATED**

Hank Aaron

"Sure this country has a Black President, but President Obama is left with his foot stuck in the mud from the way he's treated by Republicans. Back then they had hoods. Now they have neckties and starched shirts."

### **WHAT UP?**

The Gospel According To

Sonia Sanchez

"We cannot condemn the hip hop generation for doing on stage what the Black Arts Movement was doing behind closed doors."

### **THE SEPARATING GAME OF GEOGRAPHY**

The Gospel According To

John H. Clarke

"It's time for Black people to stop playing the separating game of geography, of where the slave ship put us down. We must concentrate on where the slave ship picked us up!"

### **BLACK WOMAN AS LEADERS**

The Gospel According To

John H. Clarke

"In Africa, the woman's place was not only with her family; she often

ruled nations with unquestionable authority. Many African women were great militarists, and on occasion led their armies into battle. The Africans had produced a civilization where men were secure enough to let women advance as far as their talent. Royal lineage and prerogatives would take them.

### **SILENCE OF OUR FRIENDS**

## **BLACK NIGHT CLUBS**

**W**ho do you see in Black Nightclubs? Here's the unofficial “Who's Who” guide to black nightclubs.

Starring...

### **CAPTAIN WORKOUT**

This guy spends all week in the gym and needs little or no reason to take off his tight @\$@ shirt revealing an even tighter top, so tight you can see his heart beating and parade's around the club like Mr. Universe.

### **SHAMALEKA SPANDEX**

You know her...300 lbs. Size 48, buys a size 6 red and yellow spandex outfit, her girlfriends tell her “Girl you look good in that” To the horror of others, she wears it to the club.

### **JOHNNY ONEDRINK**

Takes three hours to finish one drink, then tries to fool everyone for another hour with a glass full of ice water & a straw. He has \$3.50 in his pocket and a token.

### **THE O.G.'S**

Stands for “Old Guys”. These guys just can't get over the fact that they are **TOO OLD** to be at the club. Their clubbing days are so far behind them, their kids can legally buy alcohol. They try to be down with the younger generation by wearing gold fronts and try to speak slang using phrases like “What's up money!” and “That's fresh!”

### **THE OOOH GIRL**

She's that girl that's basically doing the two step dance, until her song comes on and she screams to her girl friends “OOOH GIRL, THAT'S MY SONG!!!” From this point on it's shake what your mamma gave ya and she will dance with whatever is in front of her, guy, girl, bar, wall, speakers, etc.

### **WASTE OF TIME WILLY**

This is the one that buys a new outfit for the club; travels miles from home at night to the club; pays \$15.00 to get in the club; and when he's finally in the club...he just stands against the wall sipping on a cup of Pepsi frontin' like it's rum-n-coke.

### **BILLBOARD BILLY**

Stepped out of the latest rap video, he feels the need to let everyone in the club know what name brand designer clothing he's wearing, down to his socks because he must have that one pant's leg up. It may be pitch black in the club, but he's got \$300.00 Versace sunglasses on. He's also the one making a call from the noisy dance floor on his cell phone that ain't been activated in 2 month's, with a bottle of MOET (with the label facing outward so everyone can see) in his other hand...

### **TAKIANNA & LAQUITA**

The female African American equivalent of Siskel & Ebert, but they don't review movies. Their table is right near the door so they

## **The Nubian Times**

can “review” everyone who comes in the door. “That does NOT match, not even in the dark”. “Ut Oh, no she didn't, she need to go back to the hair shop and finish gettin her hair did!”, his baby mamma must dress him”. They can't get anyone to ask them to dance so they're all talk.

### **THE 1<sup>ST</sup> AND 15<sup>TH</sup> POSSE**

We only see them in the club around these dates...All dressed alike. Wearing payless shoes and Korean clothes. All the taxicabs and hacks are full with the “I'm All That” girls.

### **TOUCHY FEELY TYRONE**

He's the guy that loves to walk all over the club when it's crowded squeezing through girls and getting his free feels.

### **ROBIN LEECH**

Not the TV host. She has no money, but somehow gets some sucker to buy her drinks all night—usually **BILLBOARD BILLY**. She has a million questions, where do you work, what kind of car do you drive, how many children do you have, your place or mine?

### **LOCK DOWN LEROY**

Has been in and out of jail so many times, he has no clue as to what is in or out of style. He shows up in a “Malcolm X” cap, gold fronts, an “Eight Ball” leather Jacket and a silk polka dot shirt...**TAKIANNA & LAQUITA** have a field day with him.
