You feel that "education" means smart and White people are supposed to find something called a "job" for your educated dumb azz to do.

You prefer McDonald's, Wendy's, Chick-Fil-A or someplace like Boston Market to your grandmother's cooking.

The main menu for your family get together is Swedish meatballs and German potato salad.

You are more worried about being called the "N" word, than being treated like the "N" word.

Television is your lifestyle dictator. You are influenced by everything and everybody you see on TV and virtual reality. Negros and Negresses don't have a mind of their own.

You've never been fishing or never picked a peach off a tree.

You are a male and you stand up before your Father and uncles and tell them some other dude is your husband or your wife.

You are a female and you stand up in front of your Mother, Aunts, Nieces and Nephews and you tell

them that some other females is your husband or wife.

You think because you are on You Tube, you are a celebrity, while You Tube is making top dollars off your ignorance.

You start believing that the man who murdered or enslaved your family and raped your grand mothers is now your friend.

You think there can't be a recall on legal marijuana being sold to the

3

general public. You think there is no such thing as a bad plant, a mix up or a mistake.

You think the majority of people on either legal or illegal drugs are Black people.

You are dumb enough to think that white people are in a hurry to live near you, have your children go to school with their children and want you getting the same wage or more than their wage. What has made you think that they want a level playing field Negro?

You think that other Blacks are militant or stupid because they won't let White doctors fill them up with chemicals and radiation on a whim.

You don't want anybody using the "N" word, but you have no problem using the "A" word (American). Maybe we can replace one of these words with the "H" word, hypocrite! Cabs already figured out they don't need you and the attitudes, poison or venom trolls are spreading. lol

Much respect to Michael Jackson, the King of Pop. But to tell the truth... we do not need another Michael Jackson. The best thing we can do is learn from his trials and tribulations and leave that alone. Please don't raise any more children that imitate Peter Pan, carry a pet monkey around and need an amusement park to keep their mind occupied when they are 40 years old. Much respect to Jocko, but come on now!

Trolls can be male, female, gay and transgender too.

The purpose of education is not jobs. A group of people should educate their children to help their group and too fulfill the needs of

their group, not to become the servants of another group. If education does not fulfill the needs of a group, than that group is bytch-slapped all over the planet.

STOP KILLING EACH OTHER! STOP HURTING EACH OTHER! STOP KILLING EACH OTHER! There are 5 ways to kill or injure someone. These are the 5 types of violence: PHYSICALLY MENTALLY EMOTIONALLY PSYCHOLOGICALLY SPIRITUALLY. STOP KILLING EACH OTHER! STOP HURTING EACH OTHER! STOP KILLING EACH OTHER!

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

These Gospels are a testament and revelations that will be read 2,000 years from now. They tell a story of a people that will come back and save themselves, while coming forth by day

and night. The ancestors have granted certain people permission to speak and told us to go out and find them.

AFRIKA

The Gospel According To

Dr. Deku Afrikadzata

“Afrika was called the land of the spirit. “Ka” means spirit. “Fri” means come, an Akan word. Come from the spirit, the land of the spirit. Some people were trying to tell us it comes from Greek or Arab. It’s not. It’s an Afrikan name. And what it represents right now is the continent that belongs to us.”

NEVER LET UP!

The Gospel According To

Sam Anderson

“Never forget that we are still at War with Imperial America! They, white supremacist-capitalist, have been at war with us since 1442...before there was a United States of America. This war has taken on many different forms and were/are fought on many different fronts. We can never let up; our young men and women are being sent as cannon fodder into a war/massacre for oil and world dominance while millions of our young men and women are suffering imprisonment, educational genocide, malnutrition, joblessness and environmental racism not only inside of Babylon, but also throughout the Motherland and the African Diaspora.”

EXTINCTION

The Gospel According To

Dr. Jewel Pookrum

“Uterine fibroid is the end result of self-neglect and self dis-like. If we as Afrikan women actually

The Nubian Times

continue this, we will actually bring about the extinction of our race, because only Afrikan people get here through Afrikan uterus. If we continue to want to be negligent, there won’t be any Afrikan uterus to bring forth Afrikan people.

WE ARE A THREAT

The Gospel According To

Dr. Amos Wilson

“The love that we have for one another is the greatest threat to the people that rule over us. In order for those people to stay in power, they must destroy our ability to love each other in a healthy sort of way. This is why, even if you are concerned with your individual love for your boyfriend or your husband, you cannot separate that love from what is going on in the world politically and socially!”

HATE-LOVE

The Gospel According To

Dr. Amos Wilson

“A love that flows out of hatred is a love that is ultimately selfish and self-centered. It’s a love that ultimately does not give the other person humanity. It does not recognize them as an individual. This kind of love is a love where you love yourself, but you can only love yourself at the expense of destroying the one’s you love. Only at reducing them in some form or another!”

TEACH CHILDREN

The Gospel According To

Marcus Garvey

“Negros, teach your children that they are direct descendants of the greatest and proudest race who ever peopled the Earth; and it is because of the fear of our return to power, in a civilization of our own, that may outshine others, why we are

hated and kept down by a jealous and prejudiced contemporary world."

HEALING HERBS

The Gospel According To

Dr. John E. Moore

"For Every Disease there is an Herb... Those of us who have no knowledge of the healing herbs in the coming age, shall be destroyed..."

AFRICAN RACE

The Gospel According To

Benjamin Banneker

"I am of the African race, and in the color which is natural to them of the deepest dye; and it is under a sense of the most profound gratitude to the Supreme Ruler of the Universe."

YE ARE GODS!

The Gospel According to

C. Freeman El

"Truth is not final. Truth belongs to the mind and the mind changes. The ultimate, absolute truth is that you are Gods! What you are able to do as Gods defines you ethnocentric functionality. You can master the Earth, but you can also master Heaven and beyond!"

DEFEND OUR OWN PEOPLE

The Gospel According To

Malcolm X

"If violence is wrong in America, violence is wrong abroad. If it is wrong to be violent defending Black women and Black children and Black babies and Black men, then it is wrong for America to draft us and make us violent abroad in defense of her. And if it is right for America to draft us, and teach us how to be violent in defense of her, then it is right for you and me

to do whatever is necessary to defend our own people right here in this country."

AMERICA'S TESTS

The Gospel According To

Lani Guinier

"Like their wealthier white counterparts, many first and second generation immigrants of color test well because they retain a national identity free of America's racial caste system and enjoy material and cultural advantages, including professional and well-educated parents."

THE NEW CAUCASIAN RACE

The Gospel According To

Marsha Stewart

"Caucasians believe they are Mankind's Chosen People just as Jews believe they are God's Chosen People. Those Whites who have become logical and liberal thinkers want to offer that WHITE "honor badge" to others who look similar or have some Caucasian physical features—a tribute to their distinctive White ancestors. Jews have been converted into White. North African and Middle Eastern populations are White. Everyone else who does not live in the Sub-Saharan part of Africa or the urban cities of America is White."

DIVIDED & CONQUERED

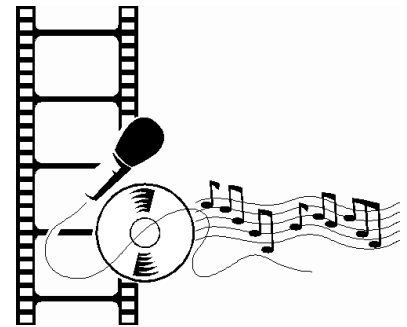

The Gospel According To

Booty Adams

"Our brains & minds went dead when we started thinking that Black men and Black women are two separate and distinct groups. If the men get beat down, sooner or later, the women are going to suffer. If the women have to go without, eventually the men are going to suffer. Only a bunch of

The Nubian Times

fools would allow themselves to be played like that. How is it that we let any of our people get whipped and beat and the other half thinks they are going to be just fine? Ain't that much praying and getting a good education in the world. Too many of our people are just sorry "azz family members" convinced they are individuals on a race conscious planet, with no understanding of white supremacy."

RETURN OF THE MACK

Mark Morrison

Well I tried to tell you so (yes, I did)
But I guess you didn't know, as I said the story goes
Baby, now I got the flow
'Cause I knew it from the start
Baby, when you broke my heart
That I had to come again, and show you that I'm real

Return of the Mack

FAITH IN YOU

P.M. Dawn

I don't kiss the future like the fortune tellers do
So I can't dream with you at night
Pessimisms hunger changes everything
I wish I walked with faith and not by sight but...

You know with anything you do
There's a hundred people bringing you down
No matter how you are

12

Don't let 'em make you cause
they'll break you
Don't let 'em love you cause
they'll hate you even more

So if no one else believes in you
I'm completely yours, and I've got
so much faith in you
No matter what this life puts in
front of you
You can save this world
I've got so much faith in you

RETURN OF THE GREAT MOTHER

The Gospel According To High
Priestess Chielo Shiloah Israel

“If you have a female who has not knowledge of herself, this is going to effect what she carries in her womb. She's been given the power to create in her own likeness, after her own kind. Then she has nine months to imprint various data upon the primordial being, child in her womb. So when you come out, you are going to actualize what your mother imprinted on you. Now if she knew herself and had the Goddess concept, she is going to bring forth a God. There is no God without Goddess. Goddess put God on the planet.”

WOMB-MAN

The Gospel According To High
Priestess Chielo Shiloah Israel

“The war is against the Black woman and what comes out of her womb. The adversary recognizes this and knows that in order for them to destroy a race of people, they had to attack the head. The head is the Womb-Man. They

knew that if they could reprogram her consciousness, concerning who she was and how she felt about her environment and that, which came out of her body, they knew that they could basically enslave an entire race of people.”

CRIMINALIZING A RACE

The Gospel According to
Dr. Charshee McIntyre

“The English always intended to make their colonial world Anglo-Saxon, and any cultural alternatives implied terrifying negations. The presumptions of cultural superiority, the assumptions of God's chosen people which justified their civilizing the world and proselytizing in the name of one "true" God and reaping the attendant economic benefits, all would have been negated by their acknowledging alternative world views. So the English/Europeans embarked on a process of dehumanizing the African to justify the racialistic chattel slave system they developed in the western hemisphere; and the process of regression became part of that dehumanization.”

BLACK FACTS

**All knowledge is rooted in
reality**

You don't get to be Red, without being Black.

Europeans victimize people of color because they can. People of color have not organized & developed the power to stop them. All people of color must get over their cowardice.

In 1991, the United States returned about 68,000 square acres of land to the Washitaw Nation of Louisiana, one of the prehistoric Black nations of the United States. This group of Blacks is the evidence of the Black ownership of land and the Black presence before English and Spanish/French colonization of North America.
