RESPONSES TO STUPIDITY / BLACK FACTS/ EURO FACTS/ SIKE - SIKO

THIS AIN'T NO BLOG YO!

The Nubian Times is not a BLOG or a POD CAST. It's part of a melodic website Shawty. Nor is it exactly entertainment for fanatics either. Just wanted to make sure you know this! Round our way, you libel to mess around and get your Negro feeling hurt.

The Nubian Times consists of some on time lyrics, flavorful renditions, jazz improvisations, the rhythms of life, solos, some blues, innovation, plenty of drums and maybe even some delicious P-funk.

Nobody ever accused the Nubian Times of having no soul. Yelp, we got plenty of beats and fat back. We've been sacredly tuned, syncopated and timed, to be able to capture the blue notes, the purple notes and the rhythms of life. Black life that is! Take that to the bridge and to the bank!

Our site is protected by
W.C. Handy, B. B. King,
Miles Davis, Ethel Waters,

SIKE!!!

Gil Scott-Heron, Nina Simone, Maurice White, John Coltrane, Mahalia Jackson, Bette Davis and a couple more gods and goddesses you might not be ready for. Dropping names is not our game. Whatever! We are not about trying to impress anybody. We all about just delivering some vibes, a symphony we feel necessary to keep our people in tone and harmoniously in balance. In other words, TOO MANY

OF OUR PEOPLE ARE OUT OF KEY! We hope to be instrumental and influential in our joyous tomorrows. This web site does make a joyful sound, but you must be joyous to hear it. Please sing to our babies!

BACK IN THE DAY - PUFF THIS

Magick 1010 - Divine 1on1

Back in da day, when things were cool, Black people use to have Rites of Passage, to bring our young people into productive adulthood. Only then were they called Men and Women.

Now all we have is listless automatons that quickly jump on FADS or whatever is TRENDING in their small worlds. Our enemies have them trapped in their cess pools and they don't know how to get out. Our youth can't get beyond erroneous status symbols and other group's holy days.

Education is nothing more than programming and you are tested on how much fakeness you have memorized.

Not much has changed from Back In Da Day. Problem is now that more Traitors, agents and doubles

agents are getting paid to make sure some of our people think that they have NO PURPOSE. This message is to the doers...be about Black Consciousness as much as you can! Live life on the highest, freedom level you can. **Stay Free!**

BLACK FACTS

Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even get out to 1/2 of 1% of our people!

When the Caucasians first arrived in Kemet, Black high-culture was already in its decline after millions of years of civilization. Caucasian archaeologists are still studying our remains to see where we have been and trying to prepare for when we return.

Black women set the tone for the African environment.

Madagascar has some of the most dangerous and remote areas on planet Earth. Some species and life forms only exist there and there alone.

Hitler weakened European Imperialism. He weakened the British, the French, the Portuguese, and the Belgium's. That is how Africans got independence.

Pale skin Arabs were the first invaders to enslave Afrikans. They then took some of the captured

Afrikan women as wives. The Black off spring from these relationships were then forced by the sword to assimilate to survive.

In International Law and in Common Law before that, what distinguished a People, what gave a People their own human identity was their native tongue, their practice of their own religion and their practice of their own culture. U.S. Slavery made it illegal for a slave to speak a native tongue or to practice an indigenous religion or culture. Slaves were cloned with the international identity of the slave master by force and "law".

Once there was a time when there were no White people.

November 20 is Black Consciousness Day in Brazil. Black Consciousness Day in Brazil is a tribute to the ancestors, especially to the Great Zumbi, the Afro-Brazilian revolutionary whose name has become a metaphor for Black pride. Zumbi is acknowledged as the greatest of the leaders of Palmares.

Of all humans, the most highly evolved human on the planet is the melanin dominant human beings.

To people of color, the terms faggot or lesbian don't always have anything to do with sex or sexuality, but always have something to do with weak!

The overwhelming majority of Black men do not want White women no matter what you see on television.

Europeans fought amongst themselves for the right to kidnap, enslave, rape, torture and slaughter

White men have always been afraid to play and compete in "sports", games against Black men.

Lions hang out on the plains, not in the jungle.

The Nubian Times

Afrikan people that allow anyone to take away their culture, the container that holds people together, become Negroes.

Madison Washington and David Ruggles are Africans who violently, without whites directing them, actually freed entire loads of "cargo" (captives) from Slave Ships.

In ancient times, locs and braided hairstyles were a sign of divinity.

All 54 countries of the Afrikan continent are now hooked up to the Internet. There are an estimated four million subscribers across the continent.

Africans in America are in conflict, because the culture there does not fit their souls. We did not come out of a culture where one has to compete for everything.

During slavery in the United States, Black women were not allowed to breast feed their own children, until after the Master's & Mistresses' children were fed from her breasts.

The Dogon say that this is not the first universe and it won't be the last.

The Afrikan man is a mirror image of the Afrikan woman. Neither one is complete without the other as far as mental and spiritual development.

Whenever Afrikans speak of any natural advantages that we Afrikans have on this planet, such as melanin, Europeans get hostile.

Responses To Stupidity!

STAFF WRITER NO, UNO

The Nubian Network feels no responsibility to answer stupid azz questions from Negroes and their affiliates.

3

Negroes have been savagely programmed with a 2nd rate European education and are prone to believe anything white people defecate. Those persons that believe they are evolved from apes or born from the rib of a man need not send or try to have the Nubian Network explain any positions we take. You need to explain yourself to yourself fool. Negroes that feel a need to defend white people and their fore fathers should kindly remove themselves from our web site as quickly as possible.

The European educational system has not worked on curriculums of inclusion and/or correction. Those Blacks that adapt to European education and their culture take on their insanity as well as their genius. The European educational system has tried to exclude Black people from anything major in history. No one ever doubted that the Egyptians were Black until the 19th century European educational system clouded the issue. It was not Afrikans that believed the world was flat and the land and people of the Americas were waiting to be discovered. It is not Afrikans that believe people are evolved from apes or lower animals. It is not Afrikans that believe that the only things of value are those that can be counted & measured. It is plain to see and feel that assimilated Negroes ain't got the sense they were born with!

So, if you have responses or comments on any article on our web site, please come correctly. We know that Big-Head Jiggas and Negroes don't listen, but we wanted the general public to know we at the Nubian Network will not tolerate any dumb sh*t! The Nubian Network is about Black consciousness and we will regard European thinking as anti-Afrikan, anti-Black people, psychotic and xenophobic. Due to European and Negro thinking, African/Black people have suffered a tremendous

lost of status in the world. Much love to the brothers and sisters that do not shrink their glory to make others feel comfortable!

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

We have always had a form of leadership that is not asking White people for permission to speak about our truth, injury, healing or advancement. We can't keep secrets from each other, so let it burn. If you are on the right frequency, you will know and recognize them. We just hope that some of these words are spoken louder and stronger than the weak actions that we have found ourselves repeating over and over again.

NEGROES WITH GUNS

The Gospel According To
Robert F. Williams

"The Afro-American militant is a "militant" because he defends himself, his family, his home and his dignity. He does not introduce violence into a racist social system. The violence is already there and always has been. It is precisely this unchallenged violence that allows a racist social system to perpetuate

The Nubian Times

itself. When people say that they are opposed to Negroes 'resorting to violence', what they really mean is that they are opposed to Negroes defending themselves and challenging the exclusive monopoly of violence practiced by white racist!"

CULTURE

The Gospel According To

Dr. Wade Nobles

"Culture is to humans as water is to fish. Humans can't exist outside of culture. So you either in your authentic culture which is Afrikan or you are in some other culture. Which could be an adopted culture. Could be an adaptation of a culture. It could be an aberrant culture. When we borrow someone else's culture, we borrow their insanity as well. We borrow their genius, but we also borrow their insanity. And depending upon who we borrow from, the balance of genius to insanity may not be to our advantage."

POWER & NATURE

The Gospel According To

Dr. Wade Nobles

"The ability to define reality and to have other people respond to your definition as if it were their own."

"Our dilemma, our problem is that we allowed other people to define the meaning of who we are. And once we accepted their definition, we gave them power. And they relish that power, because they can simply send us on simple errands and we believe that's our nature. We begin to act as if that is our nature."

RACISM TRIES TO CRUSH SPIRIT

Miriam Makeba

"I look at an ant and I see myself, a native South African, endowed by

4

nature with strength much greater than my size, so I might cope with the weight of a racism that crushes my spirit."

WOMEN'S LIBERATION?

The Gospel According To
Shahrazad Ali

"The White woman came and introduced Black women to the feminist movement and made everything we were working with, a man against woman, woman against man thing. Made us take sides. And so we left our men. Many of us set an example and went with the White woman's liberation movement. And we still carry that idea today. And they taught us that we should be fighting for independence... That's true. Not for independence from the Black man... but independence from THEM!"

BLACKONOMICS

The Gospel According To
James Clingman

"Neither this upcoming election nor any other election will set us free. Our freedom will come by building our own economic foundation, from which we can reward our friends and punish our enemies.

HEALING HERBS

The Gospel According To
Dr. John E. Moore

"For Every Disease there is an Herb... Those of us who have no knowledge of the healing herbs in the coming age, shall be destroyed..."

CRIMINALIZING A RACE

The Gospel According To
Dr. Charshee McIntyre

"The English always intended to make their colonial world Anglo-Saxon, and any cultural alternatives implied terrifying negations. The presumptions of cultural superiority, the assumptions of God's chosen people which justified their civilizing the world and proselytizing in the name of one "true" God and reaping the attendant economic benefits, all would have been negated by their acknowledging alternative world views. So the English/Europeans embarked on a process of dehumanizing the African to justify the racialistic chattel slave system they developed in the western hemisphere; and the process of regression became part of that dehumanization."

AFRIKANS IN PRISON

The Gospel according to
Dr. Charshee McIntyre

"To distinguish the prisons from earlier jails and to suggest the essence of what the institution should be doing, these do-gooders coined a new name, penitentiaries, implying that prisoners would be taught to be penitent regarding their crimes."

"These do-gooders created penitentiaries for the reformation of deviants. They considered free Africans in America a natural population for these new institutions that began imprisoning African males in America as far back as 1790."

THE FORKED TONGUE

The Gospel According To
Little Robe

"Your people make big talk and sometimes make war if an Indian kills a White man's ox to keep his wife and children from starving. What do you think my people should say when they see our

The Nubian Times

buffalo killed by your race when you are not hungry?"

UNBOUGHT AND UNBOSSSED

The Gospel According To
Shirley Chisholm

"Our representative democracy is not working, because the Congress that is supposed to represent the voters does not respond to their needs. I believe the chief reason for this is that it is ruled by a small group of old men."

UNITED STATES

The Gospel According To
Dr. Phil Valentine

"The society is matriarchal. This is a feminist society. Feminist thinking and psychotic society and you can see it in the way that their men act. You can always tell the specific vent of a society by the way that it wages war. There is no hand to hand anymore. It's hooded, masked. I kill you in your sleep. I bomb you from 40,000 feet. That's female fighting."

FEMINIZATION

The Gospel According To
Dr. Phil Valentine

"Feminization is what happens to a society right before it falls. At the end of every great civilization the women are outside the home, they are in the military, they don't take care of the children, homosexuality is rampant and the government is despotic. That is the end, not the beginning."

OUT OF OUR MINDS?

The Gospel According To
Dr. Gloria L. Peace

"Given their history, it is not likely that Europeans will ever deviate from the Europe-Aryan norm. They

5

are not now, nor have they ever been out of their minds. And they have no intention of ever beings out of ours either.”

“We must learn that the European is true to his way. It is we who have gone astray!”

THE NAME OF GOD

The Gospel According to
Bobby Hemmitt

“The concept of God is so vast that when you label it as one thing, you mess up. There are many names for God and all of them are correct. Why is there a law that says we can’t believe in all of them and who gave us that law? Everybody doesn’t speak the same language, so why does God have to have the same name all over the world? Religions in each area label God, but we have to go to a higher level.”

RELIGIONS

The Gospel According To
Bobby Hemmitt

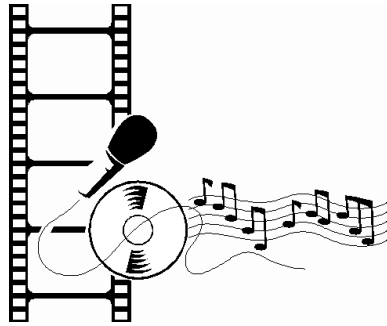

“All the religions are one. It’s the same God. At this particular time you suppose to have graduated from the religious state and gone into the spiritual state. Don’t think that you are getting spirituality just by being more religious. That’s nothing. We’ve gotten 140 years of religion and education in this country and we are the dumbest people on the planet. So obviously something is wrong!”

BLACK SELF-TRANSFORMATION

The Gospel According To
Dr. Amos Wilson

“The Imperialist is dependent on the subservient population. The subservient population must be made to believe they are dependent on the Imperialist. The slave master

depends on the slave. The Whites cannot be what they are, if we are not what we are!”

SUNNY

Bobby Herb

Sunny
Yesterday my life was filled with rain
Sunny
You smiled at me and really eased the pain
Now the dark days are gone, and the bright days are here
My sunny one shines so sincere
Sunny one so true, I love you

HERE BUT I'M GONE

Curtis Mayfield / Lauryn Hill

How did I get so far gone?
Where do I belong?
And where in the world did I ever go wrong?

If I took the time to replace
What my mind erased
I still feel as if I'm here but I'm gone

Porched up in a rocking-chair
With my feet all bare
Rolling my blunt in a cigar wrap

Live an adolescent mind
Never do take the time
Waiting for my high, quiet as it's kept

READY OR NOT

After 7

I'll give the sun
The rain

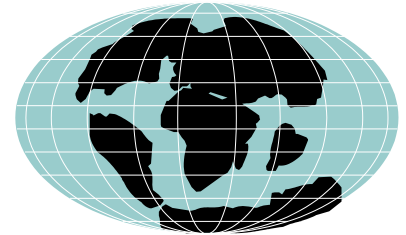

The Nubian Times

The moon
The stars and the mountains
I'll give you the world
And all that you wish for
And even more
Girl I love you more than you could know
And that's for sure

IF 6 Was 9

Jimi Hendrix Experience

If the sun refuse to shine,
I don't mind, I don't mind,
If the mountains fell in the sea,
let it be, it ain't me.
Alright, 'cos I got my own world to look through,
And I ain't gonna copy you.

FOR REAL!

The Gospel According To
Oscar L. Beard

“A real citizen would have no need for Affirmative Action nor for Civil Rights. These would already be guaranteed based upon Citizenship. The fact that clearly neither Affirmative Action nor Civil Rights are guaranteed to U.S. African slave descendants are two key indicators that, irregardless to our ignorance to law, we are not U.S. Citizens FOR REAL.”

POWER

The Gospel According To
Dr. Wade Nobles

“The definition of power is a psychological question. It is not a military question. It is not an economic question. It’s not a social question. It is a psychological question. Power is the ability to define reality and to have other

6

people respond to your definition as if it were their own. Our dilemma, our problem is that we allow other people to define the meaning of who we are. And once we accepted their definition we gave them power.

“The most important reality to define is the meaning of one’s human being-ness. That’s nobody’s conversation but ours. We can’t even allow them to enter in the possibility of engaging in conjecture. They can’t even wonder about what it means to be Afrikan people unless you’re Afrikan. That’s nobody’s business but ours.”

THE DECEIVERS

The Gospel According To
Dr. Delbert Blair

“There are 12 planets in this system. Your astronomers that you believe in, tell you that there are nine, even though on the Apollo 15 they found the 10th one. They still lie. They still are deceivers and the Creator does not reveal truth to a deceiver.”

DISGRACE TO MANKIND

The Gospel According To
Ho Chi Minh

“It is well known that the Black race is the most oppressed and most exploited of the human family... that the spread of capitalism and the discovery of the New World had as an immediate result the rebirth of slavery which was, for centuries, a scourge for the Negroes and a bitter disgrace for mankind. What everyone does not perhaps know is that after 65 years of so-called emancipation, American Negroes still endure atrocious moral and material sufferings, of which the most cruel and horrible is the custom of lynching.”

BLACKS VS. THE NEGRO

The Gospel According To
Booty Adams

“One thing we all must learn...not all Black people want things to get better!”

CRIMINALIZATION OF CAUCASIANS

The Gospel According To
Booty Adams

“Modern day Caucasians will never be criminals until somebody can make them pay for the things that they have done and make them stop the things that they are still doing.”

WE TALK BOLDLY NOW

The Gospel According To
Dr. Booker T. Coleman

“In the United States, 20 years ago we would have whispered what we say out loud now. 50 years ago we would have only thought it and 100 years ago we would have apologized for even thinking it.

BLACKS ARE ECONOMIC SLAVES

The Gospel According to
Chika Onyeani

“There is nothing like State of Black Economy. It does not exist in Africa. Neither does it exist in any other part of the world. It is an illusion to think there is such a situation called State of Black Economy. Blacks are economic slaves. There is no group of people in this world who have abandoned any ambition of being economically independent from the grip of others as the Black race - whether Africans from the continent, or Africans from the Diaspora - Black Americans, Caribbeans or migratory Africans.

The Nubian Times

We are more slaves now than when the Caucasian conquered us and sold us into slavery.”

We are still waiting for White people to go back to Europe. It’s just that no country in Europe will take most of them. They are too dependent on privilege, government contracts, too much attitude, lie a lot and too many are serial killers!

Black GrapeVine news- Now-A-Days, the Democrats are just as sickening as the Republicans. Look at some of the cities and areas that Democrats have been holding down for decades.

Barack Obama was white people’s discovery. Even if he could be re-elected, that wouldn’t MAKE AMERICA GREAT AGAIN. Some Negroes and Negresses have lost their damn minds.

When you put yourself out there, before the public eye, it makes no difference who you think you are, you will still have to endure, criticism, jealousy and envy from haters, competitors and those who choose to hide in the shadows or under rocks.

White women are a minority/majority group of white people, with all rights pertaining to that status.

No Afrikan man is stupid enough to say that he is superior to the woman that gave him birth. If he does, he must be under the spell of some religion or a religious fanatic.

SIKE / PSYCHE / SHRINK

Black GrapeVine news- You cannot treat White people's mental illness by marching and singing.

In so many cases, the parents want to go to Florida, Disney World more than the children do, Some adults are more "kid" than their children. That's the nature of where you live.

Beware Negroes with SIKE-O BABEL They want you to make America Great again by voting for somebody White again or somebody like Obama again. That PSYCHO-BABEL of making anything great is just that...Get a SHRINK for the sickos.

White women and Hispanic women wear hair weaves too.

Wigga news- Retiles are cold-blooded and need to sun bathe before getting into any daily routine. Be careful when walking beaches anywhere they gather.

European capitalist got together and decided that when 2 or more Pimps get together, that's defined as a Patriarchy. No balance?

European capitalist got together and decided that when 2 or more

Madams get together, that's defined as a Matriarchy. No balance?

A veil is kind of like you can be all up in somebody else's world, while hiding your own.

American slavers committed rape; the 1860 census recorded that there were 588,000 mulatto women in the United States.

Whites are allowed to name call, label, categorize, tell stories, make laws, break laws, dial 911 for stupid shyt, count and measure and whatever they please, as defined by their freedom standards. Negroes are allowed ***crickets***. We have Negro police, Negro teachers, Negro politicians, Negro preachers and whatnot looking down on our masses alone, to make sure that we stay in order and tow that line. Negroes no longer have any freedom standards. .

Moor Wigga news- It is estimated that at least 50,000 Irish people in the United States are undocumented. We wonder if ICE is tracking and hunting them down.

Beware the political zealots that say we have to vote to "Make America Great Again" and to make America a kinder, gentler and less racist war mongering nation again. Know when you are being "SIKED OUT" by ass holes at a PARTY all over again.

Black GrapeVine news- Ain't it a trip how "dark", Black dudes talk about how "half white" babies are so fine, they desire one. It's like they are professing, with their limited consciousness, that they are one ugly son of a bytch. Black dudes seeing the world thru blue eyes Yo! These same dudes will want to fight anybody that calls them Black, African, Moorish, Ebony or Negro Did this make you think about Kanye West? This boy doesn't really feel good about himself. Sovereign nations have a military or at least a police force. I not, they are more than likely a group of colonized individuals.

The fundamental idea that Elijah Muhammad taught was that God was a Black man.

Mechanics charge women outrageous prices for their services, because women are a majority minority. Huh?

LET'S STONE SOME ROCK THROWERS THAT SERVE US NO PURPOSE!

Beware bourgeois Negroes and Negresses that let others talk boldly, while they just sit back and capitalize. This is one of the fallacies of the long ago Civil Rights Movement.

Most Black people make the faulty assumption that Caucasians are in the Human kingdom, but Caucasians tell them the truth when they say that they are in the animal kingdom.

Far more common than hate crimes on college campuses in the United States are "bias incidents". These are events that do not rise to the level of prosecutable offenses, but that may nevertheless poison the atmosphere at a college and lead to more serious trouble. The Review of Higher Education estimated recently that a total of 1 million bias incidents occur every year on American campuses, with the vast

majority of them unreported to campus authorities or police.

Moor Wigga news- Heresy is the belief or opinion contrary to orthodox religious (especially Christian doctrine. Both females and males can be heretics Shawty!

Churches and holy places market their pimp games more to women than they do men, because women are a majority minority Huh?

When Europeans write Black people's history, they destroy Black people's memory.

Afrikans usually have a hard time seeing and recognizing Arabism, Islamic colonization.

In the United States, slavery originated in the North.

Most Blacks in America become prestigious based upon how much of the European experience they have brought in to and digested. That's where all these bourgeoisie, competition and colorism ideas come from. Diseased Negroes!

You are dead wrong if you think every lawyer passing a Bar Exam is rich. Passing an exam does not make one successful or even rich!

Get your money right and you can buy a "degree" on line. It ain't nothing but a piece of paper, getting cheapened all the time.

We are still living in times when many Blacks still think that color is a determination of middle-class. They seem to know color doesn't determine who is upper class, but it might give them a one-up on

anyone who doesn't know any better. It's a sad, side-eyed "bourgie" move in their competitive game !

In the United States, you'll have no problem finding the gay people. It's the straight people that are in the closet now.

Are Jlo and Halle Berry sharing the same wig?

Moor Wigga news- white scientists estimate that there are at least 100 undiscovered tribes on Earth.

Without women there can't be any children. No homo!

Until the master-slave relationship changes, slavery still exists in the U.S! The Black people there are working now to get paid, but never got paid for the original labor that helped build the United States into the American Empire. The Black working-class is fake.

Without men there can't be any children. No homo!

Hey Yo, it is about the Anthem and every piece of racism it represents, from yesterday to tomorrow! Don't take lightly the innocent murder of Black people at any time. Don't give racist nothing to hide behind.

States vastly outguns the rest of the
world, but has a hard time
translating that armed might into
any kind of meaningful influence.

In Caucasian dominated societies,
as quiet as it's kept, women are
perpetrators of half the sexual
abuse on children.

White people performed the first
sex change surgery in 1952,
transforming George Jorgensen
into Christine Jorgensen.

Israel has the Neutron bomb, which
is a nuclear weapon that wipes out

people and leaves everything else
virtually intact.

Lupus is a systemic, inflammatory
type of arthritis most commonly
seen in White females. The disease
affects joints and organs, often with
a characteristic rash.

Colorless people do not want to
take blame for all the mischief and
devastation they have caused on
planet Earth.

Most cops killed today are killed
by White people.

A Jewish person was burned (by
the Spanish Inquisition) in Spain in
1826.

In 1492 Europeans discovered that
the Earth was not flat. They have
yet to find out how many planets
are in this solar system.

There are only 3 major ruling
communities: Germany, Japan and
a dying ruling group within the
United States.

Some Caucasians claim to have
came from Romulus and Remus.
They are the ones with the wolf
pack mentality.

White people are currently using
their Blacks & Browns in the
Americas as mercenaries that will
go around the planet doing their
bidding to other people of color.

In Caucasoid dominated societies,
there are as many women battering
men as there are men battering
women. Male victims of female
scorn and domestic violence is no
longer a well kept secret.

White women set the tone for the
European environment and all
those that Europeans dominate.

The Caucasian man is a mirror
image of the Caucasian woman.
Neither one is complete without the
other as far as material possession
and destructive mannerisms.

The Nubian Times

White women are more likely to be
beaten or robbed by White men,
than by any other group.

The last man to be burned alive for
heresy in England, Edward
Wightman, was executed in 1612, a
witch was burned at the stake in
1708. And to the country's north,
Rebecca Downing was burned alive
in Scotland in 1782 for poisoning
her master. The last woman to die
in such a manner (in Scotland) was
Christine Murphy, who perished on
18 March 1789. And finally, a Jew
was burned (by the Spanish
Inquisition) in Spain in 1826.

RECALL

(THE FINAL PYRAMID)

by Sistar Sekmet

One of the aims of the Nubian
Network is to get as many brothas
and sistahs as possible to have
"Total Recall". We must travel
time back into the Akashic records
to the period before color-less
people entered this dimension and
became the white-collective. We
must go back and fetch the weapon
of Black Consciousness. We are
working on the "Final Pyramid".
The ancestors are sending "old
souls" to help us with the journey.
This is the basis for Black
Consciousness and there is no
turning back. As our global race-
family moves closer and closer to
one another, our enemies are
becoming increasingly more
paranoid and more deadly. Our
enemies want to continue to control
and possess everything, including
the planet. We must help our kin
escape from chains that they may
not see. We are building the "Final
Pyramid". We will use the weapon
of Black Consciousness to have
detailed files and "Total recall!"
Aiiight!!!!

SEE YA!
