FREEDOM TEST / “REAL” VIRTUAL REALITY/ ASK THE WHITE GIRL

It wasn't REAL People! (Virtual Reality)

The staff of the Nubian Network

The Cosby show was a part of social engineering. Keep it real. Theo, Rudy, and the rest weren't real people. They had so many people watching, the show it spilled over to A Different World. Dwayne and Whitley weren't real either people. Bill Cosby had to sell plenty of Toyotas, microwave ovens, color TVs, car insurance, life insurance, pudding and some Jell-o to keep it planted in your minds. If your history and well being are based on the Cosby Show, you can always go to the cartoon Channel and relive your history! The Situation comedy wasn't real people. They were actors with scripts and parts. To this day no one is sure if they helped to drive you crazy or batty!

Martin Luther King Jr. didn't write the “I Had a Dream” speech. Clarence Jones was his speech writer so he could keep it real. He just brought some of his and the Civil Rights crowds thoughts to the general public and made them worth remembering. Most people can't remember any other speech he did or that he wrote. Who knows if he wrote any of his speeches in their entirety! Nothing wrong with

having a speech writer or using a teleprompter, but you have got to know what's UP! Don't get it

WHAT HAPPENS TO US WITH TOO MUCH VIRTUAL REALITY!

twisted.

Gladys Knight and the Pips did not catch no Midnight Train to Georgia Shawty! I know some people bumped, grinded and cried to it, but you got all overly emotional over somebody else's imagination set to music, wax and plastic Yo. Jim Weatherly wrote the lyrics and Gladys and the Pips just brought those lyrics to life. Don't you get to twisting on any trains in Georgia.

**YOU ARE NOT A BROKE ASS;
YOU ARE JUST HAVING A
LEAP OF FAITH!**

Remember when that kid in elementary school wanted to meet

and fight you after school, because you told her that Santa Claus wasn't real? Now she's over 21, living in virtual reality and teaching her kids the same thing. She teach about the Easter Bunny too. Virtual reality can be a bytch. .

Aunt Jemima and Uncle Ben are not real. They do not own any Black companies' anywhere. They are just social engineering tools in advertising to get people to buy pan cake mix and rice. It's been working for years and they have creeped into millions of people's minds. Ain't your Ma Ma on the pan cake box. Don't get bent out of shape Aunt Jemima wasn't and isn't real Shawty!

The CALL GIRLS you see on those late night call infomercials are not who you are going to be talking to Yo. Don't get it twisted. You are charged per minute and you really talking to somebody's grandmother, aunty or a room full of crack heads on a phone bank. You can call them Cougars if you want to. Keep it real dummy! You can blow up your parent's phone bill if you want to. You ain't been bamboozled, you might just be dumb.

**SCIENCE FICTION AIN'T
REAL.** You have traveled beyond the Matrix and Zion to
BABYLON! You in the middle of virtual reality **Drama Land!**

Queen Latifah isn't really a Queen people. She is a hip hopper who has made the transition over to singer and actress. She has an agent and

has to sign contracts to do what she/he do. She has to sell cosmetics, weaves, Nike, Reeboks, water filters, Ragu, Tacos, Mickey D's, Seven Elevens, Hot Pockets, corn chips and some lipstick to the watching and listening audiences. If she doesn't sell, she won't be nobody's queen for long. If you think she is representing you and your community, she very well could be. Take another look at yourself! Perhaps gay is the new Black or she / he is the Queen of Studs. Whatever! U-N-I-T-Y! Yeah right, she/he was just trying to be real! Nobody knows what you doing, but it wasn't real!

Riley Grand Dad Freeman, Uncle Ruckus just might be swimming in your head. They ain't real Shawty. They are just figments of another person's creativity. Get it; they ain't real, even if you can relate to the script. You will never be walking down the street and run up on Huey! But if you stay on the streets, somebody will run up on you. That's just keeping it real!

Scooby Doo, the Gecko lizard, May hem, Flo, All State Man, Elephant Man and all those make you buy insurance creatures ain't real partner. Keep it real. They just use animals and stupid stuff to convince stupid people to buy their products. It works! What kind of insurance you got? Somebody might wanna get paid when you kick the bucket. That would be "real" nice!

Billie Holiday did not write the song Strange Fruit. Some white boy did. She just brought their lyrics to life and took them to another level. By the way, Black men and women weren't the only people getting lynched. Just keeping it real.

IN VIRTUAL REALITY, MOST OF THE FOOD YOU ARE EATING IS NOT REAL FOOD!

Who is Puffy, P-Diddy, Biggie, Snoop, Rev Run, Queen whoever, Flava Flav, Sistah Souljah, LL Cool J, Nellie, Dr. Dre, Ice Cube, Ice Tea, Sasha Fierce, ODB, Big Daddy Kane, Jay-Z, Scar Face, Eminem, Red Man, Lil Kim, KRS-One, Nicki Minaj, DMX, Rihanna, Ghost Face and all these characters assembled in ya minds. Is there something wrong with you? What kind of acid, molly, crack, or X trip are you on? If and when you grow up, who do you plan on telling about your fantasy? Talk about the Matrix, the Rabbit, Hole, Never Land and Wonderful World of OZ! You can add the world of Hip Hop to that. Don't remind your children how gullible and stupid you can be. Having most all of your friends into the same trick bag should make you feel like a playa! Maybe you an OG...Original Gullible!

Keep it real! Twitter, Face Book, YouTube, Google, and any other Social networks have people recruiting and advertising for them for free. They got some retards working and making money for them virtually and getting paid less than Mexican minimum wage. Very few people get paid a damn thing except a few advertisers, the owners and controllers. The owners, controllers and stock holders get paid quite handsomely. They take in millions and the "subscribers", "liker's" and booty lickers do everything for free to help them out. The subscribers don't even qualify for minimum wage. . They must really be keeping it real. They have people actually thinking they got friends, comrades or whatever in virtual reality. **Why didn't Black folks think of that?** We like policing for free and making shyt up and saying who's real and who ain't. . We like keeping it real for the sake of keeping it real. Then some fake chump got the nerve to say people on Twitter and Face Box are fake.

The Nubian Times

Why your fake ass on something you know is fake? Oh, that's right...you keeping it real on some kind of time line you know ain't real! Whatever!

SCANDAL AIN'T REAL YO!

Keep ya panties on, while watching other's take theirs off! With all the people getting broken off, they are soon gonna have a virtual reality DNA test! WHO'S BABY IS IT?

We all need a Sky daddy to keep it real in virtual reality. We need an almighty Sky Daddy, because we all know we have short coming and everybody around us has short coming. Except, we the only ones that have the magic to get Sky Daddy to open his gates, when we pass on over and let us in. Sky daddy even sent his son, his profits, his mouth pieces, his bishops, the Ark and Ten Commandments, Over 300 Bibles and whatnot! Sky Daddy is the biggest man, because he can't be a woman. Women can only serve and praise him and him alone, for the most part. Sky Daddy just keeping it real we suppose. Sky Daddy doesn't have any competition. If he does, Sky daddy knows how to make war on the competition and have a monopoly. Sky Daddy and his profit pimps know everything. Just keeping it real!

By the way, Sanford and Son wasn't real people. You won't be seeing Fred, Lamont, Aunt Ester, Grady or Bubba in your daily travels. You can blow that out of ya mind. Wizzie and George Jefferson ain't real either. Even if you move on up to the East Side, to a deluxe apartment in the sky, right beside your Sky Daddy! Watching television has taken up most of the space in your brain with fictional characters. Sleep on it Shawty and when you wake up, they still there!

Living in the Belly of the Beast, when Black folks

3

backs are against the wall, if our heads are right, we do whatever it is we have to do to survive. But don't run around talking about somebody fake, frontin' or perpetrating a fraud, if you ain't keeping it all the way real yourself, 24/7. You ARE LIVING IN SOMEBDOT ELSE'S VIRTUAL REALITY. You taking the leap of faith to believe you are sane and free. You just might go from cradle to grave, keeping it real, but most of you will probably never know what it means TO BE FREE, let alone REAL!

THE GOSPEL ACCORDING TO AFRIKANS

This is not virtual reality. These words and quotes are attempts to get you out of virtual reality and to start doing some thinking on your own and break some of the controls others have on you.

WE WHO BELIEVE IN FREEDOM

The Gospel According To

Ella Baker

“Until the killing of Black men, Black mother’s sons, becomes as important to the rest of the country as the killing of a White mother’s son, we who believe in freedom cannot rest until this happens!”

THE PROBLEM

The Gospel According To

Tyree Scott

“You can’t just leave those who created the problem in charge of the solution!”

THE BLACK PRESS

The Gospel According To

Kevin Oliveira

“The Black Press is very important today! And to perpetuate its existence, we must financially support our various publications. In addition, we must encourage our young, promising writers to write, so we can sweep away the “filth of falsehood” from the pages of revisionist history.”

“Let’s tell our story as only we can tell it, not just for Black History Month, but from generation to generation.”

PROFESSIONAL NEGRO

The Gospel According To

Marcus Garvey

“The professional Negro leader feels that it is too much work for them to settle down, and build up a civilization of their own. They feel that it is easier to seize onto the civilization of the white man-.”

WHO KNOWS THE NEGRO BEST?

The Gospel According To

Marcus Garvey

“White people knew the Negro better than the Negro knew himself.

The Nubian Times

They knew that the Negro would spend every dollar, nickel, and penny he earned. White people planned to get back every penny they paid the Negro in salary. The Negro hasn’t sense enough to see it. Negroes love luxuries, they bought silk shirts that cost 10 dollars apiece. They bought dresses and suits that cost 100 dollars. No other race of people have lived like this. The Jews save at least 50% of what they earn. The Italians save at least 60% of what they earn, but what have the Negro saved? Who made those factory silk shirts, and those expensive silk socks that you bought? Who sold them to you, it was the white man. It grieves me; it brings me to tears, when I see a race not of children, but of matured minds playing with their destiny.”

AN EDUCATOR

The Gospel According To

Lerone Bennett Jr.

“An educator in a system of oppression is either a revolutionary or an oppressor.”

CONTENT OF YOUR CHARACTER

The Gospel According To

W.E.B. Dubois

“Children learn more from what you are than what you teach.”

DEPENDENT ON OTHERS

The Gospel According To

Marcus Garvey

“If white people were dependent on others, they would not be as successful as they are today. If Japan were dependent on other countries, she would not be as successful as she is today. As long as the Negro is dependent on other groups, he will remain the lowest down.”

4

BETTER YOUR OWN CONDITION

The Gospel According To
Marcus Garvey

“The illiterate and shallow minded Negro, who can see no further than his nose is now the greatest stumbling block, in the way of the race. He tells us that we must be satisfied with our condition, and that we must not think of building up a nation of our own. He will say that we must not seek to organize ourselves racially, but we must depend on the good feelings of the other fellow for the solution to the problem that now confronts us. This is a dangerous policy, and it is my duty to warn against it. The Negro must take it upon himself to better his own condition.”

YOU AIN'T RIGHT IN THE HEAD

The Gospel According To
Dr. Yosef Ben Jochannan

“When you god and savior looks like your master and enslaver, you become the principal agent in your destruction.”

JAILS and PRISONS

The Gospel According To
Angela Davis

“Jails and prisons are designed to break human beings, to convert the population into specimens in a zoo, obedient to out keepers, but dangerous to each other.”

FREEDON IN POVERTY

The Gospel According To
Sekou Toure

“We prefer freedom in poverty to opulence in slavery.”

RACISM AIN'T SO BAD?

The Gospel According To

Julia Jordan-Zachery

“Make no mistake in deed we are at war. This is a war where some of us fight to be recognized as human. This is a war where the opponent demands us to be kind and loving in the face of the racist/sexist/classist drones they drop on us on a daily basis. This is a war waged by racist zealots and “liberals” alike who tell us either to stop talking about race or that racism is not so bad as it was in the past—after all we are making progress.”

NO NEUTRAL GROUND

The Gospel According To
Kwame Ture

“If your people are oppressed and you are not involved in any action to help your people, then by your very act you are against your people...there is no neutral ground.”

OUR BEATING HEART

The Gospel According To
Dr. John H. Clarke

“Africa is our center of gravity, our cultural and spiritual mother and father, our beating heart, no matter where we live on the face of this Earth.”

CHILD TO MOTHER

The Gospel According To
Dr. John H. Clarke

“A people’s relationship to their heritage is the same as the relationship of a child to its mother!”

NEVER BE FEARFUL

The Gospel According To
Rosa Parks

“You must never be fearful about what you are doing when it is right.”

The Nubian Times **THE LAWS OF MA’AT**

The Gospel According To
Booty Adams

“It’s obvious that Black folks have been doing some stupid shyt all along or we would have never come up with the Principles of Ma’at long ago. These laws were anywhere from 32 to 400 laws designed to govern ourselves. It’s also obvious that we can rectify our faults or we wouldn’t have been around on our planet for millions of years!”

REMAIN A SLAVE

The Gospel According To
Dr. Anthony T. Browder

“To not know what happened before your ancestors were slaves...is to always remain a slave!”

KAMITE **EXTRATERRESTRIAL**

The Gospel According To
Bobby Hemmitt

“I represent what the Afrocentric movement was suppose to filter into. After we learned the history, we needed to learn the mystery.

The original mystery was all about raising yourself up to the illuminating point. Us becoming GODS! To some of the brothers and sisters in the Afrocentric movement it sounds strange, but they always talk about the mysteries.

The mysteries are nothing but the metaphysics of the occult realm. The alkhemical side is the deepest component of the mysteries. The metaphysics is just as legitimate as the historical aspect of things we talk about because we have bibliography. That’s the good part about it. Nobody can say that it’s not authentic. I knew when I started

5

out ten years ago that I would have to put text up their ass. The mystery is just as legitimate as the history, because history is just a lie agreed upon!

A CRUEL JEST

The Gospel According To

Dr. Martin L. King Jr

“It is a cruel jest to say to a bootless man that he should lift himself by his own bootstraps. It is even worse to tell a man to lift himself by his own bootstraps when somebody is standing on the boot.”

THE WHOLE BALL OF WAX

The Gospel According To

Dr. Leonard Jeffries

“Let’s talk about who financed, planned, operated, maintained the slave system. Let’s talk about every slave ship being blessed by a Protestant minister or Catholic priest. Let’s talk about the Catholic Church initiating this. Let’s talk about the Danes, the Dutch, the Portuguese, the French, the Scots, the Swedes, the Brandenburg Germans that were involved in the slavery for hundreds of years— Jews and Gentiles, Arabs and Christians. Let’s deal with the whole ball of wax. Let’s not just say that Africans sold Africans into slavery.”

**NEVER MAKE A MOVE
TOO SOON**

B. B. King

“I’ve been from Spain to Tokyo

From Africa to Ohio

I never try to make the news

I’m just a man who plays the Blues

I take my loving everywhere

I come back and they still care, you know

One love ahead, one love behind

One in my arms and one on my mind

It’s one thing Baby

I never make my move too soon!”

AMERICA’S WAY OF THINKING

Nina Simone

“Slavery has never been abolished from America’s way of thinking!”

MIXING OF RACES

Nina Simone

“I do not believe in mixing of the races. You can quote me. I don’t believe in it, and I never have. I’ve never changed. I’ve never changed my hair. I’ve never changed my color. I have always been proud of myself and my fans are proud of me for remaining the way I’ve always been.”

DON’T LET ‘EM TAKE IT

Jim Kelly

“People might take your money, your car, your wife, your girlfriend; they might do a lot of things. But never let them take your spirit. Once that happens, everything’s over with.”

YOU BETTER APOLOGIZE

Muhammad Ali

“If you even dream of beating me, you better wake up and apologize!”

The Nubian Times

SLAVERY INTERRUPTED

The Gospel According To

Mutabaruka

“Slavery is not African history. Slavery interrupted African history!”

DON’T BE SILENT

Zora Neale Hurston

“If you are silent about your pain, they’ll kill you and say you enjoyed it.”

SPIRITUAL VALUES

The Gospel According To

Malcolm X

“Look at the women in America, young and old. Hardly any moral values are left in them. You can measure this by their dress and attire. Their spiritual values are almost destroyed, because of their emphasis on material things.”

AFRICAN LIBERATION

The Gospel According To

Runoko Rashidi

“I am able to tolerate many things in our community. But the one thing that I have no time for today is a Black man today who says that he is about African liberation but does not want a Black woman in his life. That one I have no tolerance for. Don’t even bother to contact me.”

WHEN THEY CAN’T DEFEAT YOU

The Gospel According to

Dr. Khallid Muhammad

“When White folks can’t defeat you, they’ll always find some Negro, some boot licking, butt-licking, buck-dancing, bamboozled, half-baked, half-fried, pasteurized,

6

homogenized nigger, that they can trot out in front of you!"

NOT EVERONE CARES

The Gospel According To

Tony A. Gaskins Jr

"You can't let everyone speak into your life, because some people don't know their left from right and want to give you directions. Not everybody cares; some people just want to hear your problems to feel about their life."

VIOLENCE OF TODAY

The Gospel According To

Julian Bond

"Violence is Black children going to school for twelve years and receiving six years worth of education."

OBAMACARE

The Gospel According To

Dr. Ben Carson

"Obama Care aims to make all of us subservient to the government. It was never about health care. It was about control!"

GETTO OUT THE GHETTO BLUES

The Gospel according to

Carter G. Woodson

"If the Negro in the ghetto must be eternally fed by the hand that pushes him into the ghetto, he will never become strong enough to get out of the ghetto."

THY'RE NOT AMERICANS

The Gospel According To

Kwame Ture

"They wiped out an entire nation to take the land. Changed the name and called themselves Americans. When you call them an American,

you obliterate the correct history. They are not Americans. They are European settlers, that's all that they are! If they're not European settlers, they're certainly the sons and daughters of European settlers. They're not Americans. You should not call them Americans. To do that, you misrepresent the red man who owns this land. They are Europeans. They are Europeans!

THE MASTER'S TOOLS

The Gospel According To

Audre Lorde

"The master's tools will never dismantle the master's house!"

FACTS & EVIDENCE

The Gospel According To

Michael Imhotep

"If we disagree, let's disagree on the facts and evidence, not the fact that you don't want to deal with the evidence."

ASK THE WHITE GIRL

(Yes, of course!)

Submitted by MACK the KNIFE

The Nubian Times

Excerpts taken from an interview of Sally Lou Buffy Hannah Mae Jones. This interview was conducted with the highest level of security and safety for the interviewer. At no time did the interviewer feel threatened or endangered.

Mack: Did White folks discover America?

Sally Lou: Yes, of course. We sent our men out for whatever they could beg, borrow or steal. We have no family pride and no shame when it comes to taking things. With the men gone that was more for us to eat.

MACK: Do you believe in sexual discrimination?

Sally Lou: That depends. It depends on whether I am having my way or not. If I am getting everything I want, than I don't give a rat's ass. If I am not, than I am being discriminated against and I want my fair share of the spoils we get from ravaging the Earth. Do you hear me? I want my fair share. Diamonds are a girl's best friend.

MACK: Well, do you believe that men and women should be treated equal?

Sally Lou: That depends. If I do not get my fair share of what is stole, I am not being treated equally and I am going to scream and bitch from the U. S. to Britain to Australia. Just as long as there is somebody to look up to me, that is a good start. A girl needs to be treated like a lady every once in a while.

MACK: Are White women superior to Black women?

Sally Lou: Yes, of course. As a White women I have learned to send men and children forth to get what I want. I am their primary teacher and they bring me land and resources so I can be a happy White Queen of Plenty. All Black women want to do is beg and go on welfare. They give their men &

children to others to shape their dreams and reality. White women like to make their own reality. We do not like second place. There is no such thing as a Black Queen. Black women can only be our servants or slaves. Don't you agree?

MACK: If you don't mind Sally Lou, I'll save my thoughts for my commentary. Just a couple more questions.

MACK: What do you think about the governments of the world?

Sally Lou: I think President Bush is doing a fine job for now. Seems to me that he is keeping the trouble making to a minimum. I just wish fewer riffraff entered the country. I mean just how does the government survive giving out so many handouts?

MACK: Do you care about the children of people of other races?

Sally Lou: Not very much. I don't think they should be my problem. I worry about my survival primarily. I mean what can they do for me. I need room, space and things. I want to keep my freedom and come and go as I please. My children come before all others. Other people's kids can divide anything left.

COMMENTARY BY MACK:

After doing this interview, all I wanted to do was chill out for awhile and make sense out of what I just heard. There isn't much difference between a white boy and a white girl, but the real challenge is up to you. Find some white boy or some white girl and ask them some poignant questions about their race. Do the research. One day we may be digging up some of their ancestors and doing some serious research as to where they came from and why they suddenly disappeared. Peace. . MACK

CRACK HEAD NEWS KEEPING DUMB SHYT REAL CRISIS IN THINKING EDITION

Contributions from you and the
Staff of the Nubian Network

No matter how much 50, 40, 30 and 20 year olds want old hip hop to make a comeback, that ain't happening. We are not going back to your high school days. We are not going back to the 70's, 80's or 90's. You are going to have to get over it. By the way, neo-soul ain't coming back either! What we have here is a crisis in thinking.

President Obama has unveiled an initiative — dubbed "My Brother's Keeper" — that in part focuses on reducing disproportionately high unemployment rates in the African-American and Hispanic communities.

Okra and water melon are good for diabetes sufferers! They are not slave food. Some fools get a lot of things twisted.

Mexican and Columbian cartel are not responsible for supplying White people with Meth. Methamphetamines are something

The Nubian Times

they can go to any drug store, get the ingredients and make themselves. Not too much skill involved.

African people, the original humans, were the first people to perform an exorcism on color-less people. Of course, it didn't work and they escaped into the caves and ice of what is now Europe, living like vampires. Being Black has always been important in this realm, even if the majority of the Negroes on the planet are now looking at the world backwards. Now, even some Black people need to be exorcized of White people's demons.

White women have been playing Black women of stature for years. All they have to do is throw on some dark make up, some hair weaves and extensions, and some form shaping suits.

The BUTLER was the top grossing Black film in 2013. Made over \$100 mill!

Every time the President wants some sex, all he got to do is go to that Scandal girl. They ain't equal. He is the shot caller, she ain't!

A thousand Black ministers called for the impeachment of President Obama due to his stance on homosexuality and homosexual marriage. The media hid this story very well. Put it in the closet.

Just because you and your crew wanna call people that look like you Black, Brown, Moors, Nubians, Coloreds, Mixed, Africans, Semites, Israelites or whatever, don't mean they wanna call themselves that or even recognize what is coming out of your mouth! COME AGAIN!

Race only matters to White people. Black people may be blinded by the White light!

Never forget about the Trans Sahara Slave Trade. Some people

8

call it the Islamic Slave Trade. Do your own research. .

If you want a good investment for the coming years, invest in marijuana stock. It's becoming a legal drug trade for investors. Half the states in the U.S., including some in the conservative South, are currently considering decriminalization of the drug or legalizing it for medical or recreational use. The future for the U.S. may be a lot of reefer junkies to go along with the alcoholics.

One percent of Europeans (the Elite) control 94% of their populations. The other 4% are professionals, who handle social engineering for the Elite.

Want to break any men down quickly. Just kill or threaten to kill their women and children and they ain't got no fight no more, unless they homosexuals. Though homosexuals may lack children, they still got a Ma Ma. Some of them can be broken too.

You don't have White females or White feminist walking around talking about end the system of White supremacy! Just ask some of the Black feminist!

Business goes on as usual. Hillary Clinton is out on the campaign trail trying to get votes from system oriented and system educated Black women at the Delta Sigma Theta sorority national convention in Washington, D.C. Who is kissing ass and who is looking to do the ass kissing? We may soon find out! Just wait on the polling numbers and you'll know who is Brown Nosing!

There is about as much of a Conscious community as there is a Christian community, Civil Rights community, Hip Hop community or Gay community. Where do people be getting this dumb shyt from? There is about 10,000 or so people, spread out across the

planet, that swear they are Conscious and about 40 million folks that swear they are Christian, running to and fro. Christians got all kinds of temples, institutions, pictures, art work and all sorts of writings, whereas the Conscious folk do have ancient text, ancient structures and art work. Their job is to tell everybody what was stole from us and what we must get back, including our minds. The Civil Rights community has Martin Luther King Jr. as a lasting memory. Most of the "youth" think they are in the Hip Hop community, but they are corporate pawns big time. Always have been! They ain't got too much of nothing but silly, pretend entertainment! Virtual reality for high school! Gay is just some hypothetical word thrown out there to confuse the hell out of everybody and everyone for the sake of political power and bullying the masses. Do the Math! There is a real crisis in thinking going on!

People that are not organized don't count. If you want to be a rugged individualist...help yourself!

Can you imagine taking a nice hot bath in chemical water? It happens more often than people realize.

When the little, small White man on Earth can't help them cure their pains & problems, the Negro has to take their problems to the Big White Daddy in the sky! Have faith. Praise de Lawd! Whatever!

WHAT YOU THINK IT IS, IT AIN'T!

Negroes have to learn that they can never f#ck their way into the White world!

Once you teach people to hate themselves, they will destroy themselves or make it easy for somebody to destroy them.

Black people have had more related nationalities than any other

The Nubian Times

people on the face of the Earth. If you haven't studied at least 20 of these nationalities or 20 master teachers, you don't know enough about your culture to form an intelligent opinion. Any Jack Off, Jackie Off or preacher can slap some shyt up on You Tube and if you ain't studied anything or are steeped in mediocrity, you don't know enough to know if they are making any sense. It takes precious time to even recognize consciousness or else you can take the short cut, get on your knees and put it in somebody else's hands.

Anyplace that Black women decide to nest or set up foundations, European men and women try to stomp these places out of existence. Haven't anyone noticed this yet? Some backbone is still needed. At least we think so. What say you? We need any backbone or we just good with the foundation?

No European country is waiting for broke ass Hill Billies, Rednecks, Pecker Woods, Tea-Party bums, Democrats, Republicans, Conservatives, Liberals, Independents or Crackers. Not if the broke ass!

Black people need the Sun for vitamin D and healing. Color -less people can't take the Sun's rays, same as vampires, so they substitute the Sun's energy with cow's milk! GOT MILK?

FRUSTRATION!

EXTREMES!

We are moving to a time period where there will be no doctors in the Black community; only medical techs and nurses.

In the U.S. it's legal to have sex as many times as an adult wants. Freedom reigns. No stipulations! A person can have sex hundreds and even thousands of times, with whomever or whatever they want. To keep it legal, a person can only

be charged in designated areas for whatever the market can bare.. If one gets diseased from any type of sexual activity, they should report it to some type of medical official as soon as possible.

Sistar Sekmet – Knight Shift

We at the Nubian Network have better things to do than to argue with other Black people, but every once in a while, a Negro breaches security. This is an abnormal situation and an abnormal person. Then we realize that we have to deal with a groupie or a person off-vibration **YAPPING** about whatever. A person that is so

THE FREEDOM TEST

Resubmitted by DoDo Brown

Wanna see how free you are. Take the freedom test.

- 1) Be late for work 4 days in a row. Nuff said! You either gonna be singing the blues or some Negro spiritual. Yeah, lift every voice.
- 2) Don't pay your property tax. You will find out what you own real quick. Don't pay any sales tax.
- 3) Do not pay your rent or mortgage at all for six months. This is not a prison test. Just checking up on the freedom.
- 4) Grow your own food for 2 weeks. No fast food joints, shops or parlors. Think about chopping

some sugar cane and picking some water melons to eat.

- 5) Don't pay the cell phone bill. Put it away for a week or two. You won't die and nobody will miss your calls that much either boo.
- 6) Don't pay the gas, electric or water bill for 4 months. Have you some candles and put some water in a bucket for later. This means no CD's or hip hop. Maybe you could learn to buck or tap dance a little bit.
- 7) Make all your own clothes for seven months. Try picking some cotton to make a shirt or dress. Who cares if you half-naked if you don't have enough self-control to care about yourself?
- 8) No drugs, no alcohol. This includes beedees, fags, pot, non-alcoholic beer or whatever. You get a fog only if you work in the tobacco field.

That's enough for now. If you can make it for six months not paying any of these bills or payments, you either a kid (including soldiers) or mentally challenged.
