QUICK REVIEWS/ ASSIMILATED/ COON TIME/ F.Y.I. / SLAVERY ENDED?

WHAT TIME IS IT YO?

Re-Submitted by Divine1on1

The plantation is when and where Caucasians monitor your arrival, your phone time, your break time, your bathroom time, your sit-down time, your stand-up time, your how much space you occupy time, your talk time, your over time and your departure time.

Caucasians control your eat time, where you eat and maybe what you eat. They also monitor whether you make enough money to eat, drink or be merry. They monitor your grooming time; you better appear & dress like this time, your snitch time and your bitch time. They even monitor your time-out. The boss-master decides how much vacation-time you get and the boss of the boss decides if you qualify to have sick-time. "You fired" means they monitor your whip appeal time too. OOPS! They control your "Let's Chill" time too Boo.

Caucasians control your time in the game, your time in the saddle or whether you spend your time riding the pine, because they control SHOWTIME. They control how much playtime y'all playas get and they also control the pout time of

the playa haters. They also control your Goddamn time, because they control your Jesus and your Allah

No time to be COONING!

time. You dig...time is running out Yo. Caucasians control yo time as a gangster and the time they be real gangster on yo azz Boo. Who you? It's time for a change. You need to get some time for Yo SELF.

Crackers down wit the jail time, just like it was yo time to cry or time for yo to get bail or a time to give up and out to die. No time for jokin'. The whole world thinks u a clown on lock-down.

Well, now is the time to reflect on yo lifetime and not spend so much time messin' around. It is reality time. You do not have much time left to be phony. There is no time like the present for Black time,

except if you are too high and ego trippin!

Do you have the time to give some time to your people or will you let time pass you buy with life on the plantation? Does the nation you belong to have an army? Make it nation time on your mind. Times Out! Stay alert, strong & conscious. No time for COONING!

CRACK HEAD NEWS

WHO WANTS TO BE ASSIMILATED EDITION?

We reserve the right to crack on those we feel are trying to be "slick". It's time to crack on the dirty rats trying to escape from their culture. The dirty rats want to double-cross their ancestors. They think bodyguards will protect them. The fools...don't they know about

2

Black Magick! Crack head news is an equal opportunity finger pointer.

Black GrapeVine news- White people do not want to be integrated or assimilated. That's something Negroes tend to proclaim, want and are willing to die or kill for.

Getting a Black President wasn't on the Civil Rights Agenda. Neither was there any economic program.

Nobody has ever taken the time to teach Afrikan people that they are chemically & neurologically different than anyone else. They can raise and honor differences about everything on this planet (plants, animals) except humans. Why is that?

If it weren't for Blacks slaves, no immigrants could have come to the Land of Opportunity, America. It was the work with no pay for the slaves that allowed the White Capitalist the opportunity to send for more White immigrants, which wanted to help in their Empire building. Without the slaves, they wouldn't have been able to afford to pay white laborers low and minimum wages. Slaves were never brought to the Americas to take advantage of opportunities.

Wigga GrapeVine news- White scientist say they have found a "gay" gene, where they can now produce gay children for same-sex couples that want their children, adopted or not, to carry out the same family values of homosexuality.

The White woman is not the Mother of Black civilization and the Black woman is not the Mother of White civilization. Don't let the theories and mis-educated guesses get you twisted. Don't believe the hype and the urban legends or you will find yourself cultureless.

The arm of "justice" came down hard on the slave women who

chose to resist their oppression by killing their white owners. Virginia executed Jane Williams in 1852 for slashing to death with a hatchet her master's wife and infant.

White people could care less if Black people stopped called each other ni99ers. They reserve that right as long as they have power over a situation, movie, song or industry.

The food you eat can be either the safest and most powerful form of medicine or the slowest form of poison. Heal or kill yourself slowly!

Most of the Black women who were executed in the era of slavery had killed their White masters and their families. Slave women mostly strangled, clubbed, stabbed, burned, shot, poisoned, or hacked to death their White masters, mistresses, overseers, and even their owners' children. Poisoning and arson was the most prevalent methods slave women used to kill their oppressors.

If the KKK appointed a Black man as their grand wizard...would you expect the KKK to help Black people more?

The violence seen in Black communities is mostly secondary evil or trickle down evil. The primary evil comes from Colorless people.

You can dominate people when you confuse them. We have all kinds of youth and people sitting in church and school all confused.

C.I. means Confidential Informant! A term commonly used in advertising, marketing, Holly Weird and of course, by the Po-Po.!

Bill Cosby rule- watch who prepares your drink and never leave your drink unattended. Somebody might slip you a Coz!

The Nubian Times

White people don't worry about what Black people call themselves, as long as it ain't White.

The long-standing belief that sugar causes tooth decay is true, but as a result of it depleting nutrients from the body, not because bacteria eat it and produce acid that ruins your teeth.

DON'T FEED THE MONKEYS!

Being successfully self employed generally means that White people don't get a direct cut of how you make you're living.

Some prostitutes, male or female, think they are intellectuals.

There are Po-Po that are serial killers as well as mass murderers. These cops contradict the protect and serve bullshyt! Stay on the vigilant lookout!

Do Black Churches take any fire out of any Black movements? What say U?

If you are a woman and try to complain about transgender dudes in the woman's bathroom at Planet Fitness, they will drop your membership. They have a "no judgment policy" and a "judgment free zone". They'd rather get rid of members instead of just building a bathroom for transgenders. It seems that transgender people now have more rights that "straight" men and women have. We suppose we are now all one, big happy family!

Can Black women turn their shopping money into a Black investment or do the majority of Black people still want poor people's status symbols?

Coconut oil will help with Alzheimer's disease and dementia, possible reversing the effects. What you got to lose but your mind?

Can Black men turn their spending money into a Black investment or

3

do the majority of Black people still want poor people's status symbols?

The Social Security Administration has released data that 6.5 million people have reached the age of 112 in the U.S. We were just wondering if you received your check in direct deposit. We know your grandmother had passed about 20 years ago. Lmao!

White women are cops, soldiers of fortune or whatever they have to do for themselves, their people, their freedom and their independence. They ain't afraid to come in your hood and take out whatever it is that will bring them finances or pleasure. They have been known to go soliciting from door to door with clip boards, in business suits, shorts, trousers, uniforms, jump suits, Halloween costumes, bra less and in Victoria Secrets. What they got to be afraid of? Who wanna do jail time?

In the sixties, White women were able to turn many a Black man that once considered themselves Black Nationalist, into feminists. Today you still see many of these males, clinging onto White females. Yeah, a few of the Black females, from back in the day, are clinging onto White females too.

A whole slate of "alternatives to incarceration" has arisen. From electronic monitoring and debilitating forms of probation to mandatory drug testing and the sort of "predictive policing" that turns communities of color into open-air prisons. These alternatives are regularly presented as necessary "reforms" for a broken system.

White women have a lot of activism on behalf of other White women. Once they get their nut, they say it should trickle down to Black women.

The Equal Justice Initiative in a recent study found that at least 700

more Black folks had been lynched in the Dirty South that previously reported. No one knows how many Black men and women were actually lynched. Colorless people got a record of most everything but that. The previous number had been 3,959. And somebody say we just suppose to move on and forget about the pass, with lynchings still taking place!

White people always find a way to reward a Negro or Negress that is obedient and allows themselves to be assimilated. They throw them some crumbs and bacon from time to time. White people are not dumb.

White broads be coming down to the club and sticking all dem Negroes up for their money!

The White authorities executed far more slave women than what the historical record reveals. It turns out that Black women were fighting back more than some of the men. They ain't want no fu@king job, they wanted freedom.

Now they have "lifestyles" defined by what human beings do with their genitals. We cannot make this dumb shyt up!

An arch deceiver always knows the truth, but mixes it in with something that is false!

Moor Black GrapeVine news- we hear that when you fill out an employment application, you must put down your sex and sexual preference nowadays. Like age and race, you won't be discriminated against, but they will need to know what your preference is then. If you change your mind later, at least the company & other employees will be forewarned if your azz die or get locked-up! M= Male, F= Female, G= Gay, A= Animal Lover, B=-Bi-Sexual, P= Pedophile, T= Trans-Sexual and W= Whatever! Only in America!

The Nubian Times

Mentally challenged news- If you think going to a better place is returning to a White boy's plantation, hacienda or Big House, there is definitely something wrong with you. Well, that is unless you want to chop tobacco or pick cotton again. You definitely need one of those handicapped stickers on your car and on your forehead Shawty!

Are White folks gonna be allowed to build prisons and dungeons in Heaven?

Americans can be assassinated by the American military.

Street prostitutes, male or female, have few allies.

SOME STORIES ARE TOO TRUE TO TELL!

What does it feel like to be invisible? We've all heard the expression, "You ain't nobody!" at one time or another. That's how it feels.

Some of us are still brave! Rapper Talib Kweli announced that he is joining with activists to distribute \$100,000 in grants to address the issue of many young Black men and women in Ferguson still lingering in jail after being arrested in protests.

Cops fear prison more than anything!

St. Patrick's Day news- Negroes were out celebrating St. Patty's Day, not knowing some of these Irish cops had gunned down a lot of Black youth. Go figure! Some of us

don't know what to do with ourselves, until directed!

Black History Newz- If there are any tough questions that have to be solved by Black people, comedians, rappers, wanna be actors & hoochie girls are now asked for their two cents worth of answers. Because they are on television or in the movies, these azz holes have now become the public authorities on Black life in America. Stick a microphone in their face and they start telling jokes or acting similar to Tyler Perry, Bill Cosby, Common, Raven Simone, Dana Evans, Kanye West, or Morgan Freeman. These pretend and Make Believe Negroes now have microphones stuck up their azz to keep the rest of the Negroes in check.

White history is not factual without the use of the N-Word and a whole host of other derogatory terms they use for Black people or Africans.

Oftentimes, Black boys are killed for what they might become!

Before being pulled over by the police, practice sticking your arms and head out the window. Make sure you don't wear locks and definitely leave your ego at home. Never make any sudden movements. These could be

perceived as threatening. Always say yes sir, yes ma'am or yes sir boss. Remember they are there to serve you. Never leave home without a dress on, your license, registration, proof of insurance and avoid eye to eye contact. If the cop gets jiggy, be prepared to beg for your life. The Po=Po are you friend and always represent truth, justice and the American way. Whatever!

Uhuru News- Under capitalism, there will be no help for single mothers who are struggling to put food on the table because there will be no profit for the ruling class. Under capitalism, there won't be community centers in every constituency to develop our youth because there will be no profit for the ruling class. And under capitalism, workers won't be paid what they deserve because there will be no profit for the ruling class.

Books & papers that have been tampered with are controlling most men, women and children.

Most of the oxygen that we breathe comes from plants in the sea, not from trees and plants on the Earth.

The homosexuals are coming out the closet and trying hard to take over the insane asylum. They have overrun Holly Weird and the Music Industry and are now lobbying their way through politics.

Negroes cannot escape the color cast that White people place them in, not matter what they want to call themselves.

Cops are not subject to civilian control. They see themselves as a military operation.

White supremacy is based on deception and violence. White people are masters of deception and violence.

**Resistance is futile. You
gonna be assimilated
Shawty!**

Don't act like you don't know that a lot of Black women had killed their masters, mistresses and their children during slavery! U dam right!

Black people need to assimilate White people into urban, slave culture and let them see how it feels. Let them see how it feels to have no escape Yo and the constant fear of jail time! Take them back to a past they may have forgotten.

When I die, the last place I want to live, to or spend time is a White boy's plantation, house, hacienda or log cabin. I do not want to wash and anoint his feet with oil. Whatever! I'm not gay. That ain't funny to me.

Do Black women realize that White women want to be shot callers and their Mistresses? History has a strange habit of repeating itself.

White people are smart enough to do what they are doing. White people are not dumb.

The Anglo American Empire is about the same as the New World Order. It stretches from New York

5

to Washington to London to the rest of the world.

Most African-Americans are only Black when it is necessary.

Most of the Black writers that are highly publicized by Caucasians have no healthy Black characters. None!

I'm missing Sorority Sisters on VH1. It ain't like they weren't really in those sororities. They expelled and suspended several of the young ladies. I ain't even know White girls were in Black sororities. To me, it was one of the realest shows on TV! They threw shade on their own sisters without explanation. Whatever, they got the power to smack down anybody they feel ain't in step with their line dance. Lmao!

Nobody hates cops as much as poor, white trash.

I'm gonna do, what I wanna do, when I wanna do it and ain't nobody suppose to say nothing! The I wanna get slapped rap!

"We are not a White America, Black America or Latino America!" WTF! Cut the crap! America is a White empire with a bunch of minorities thrown in for intended service use.

MOOR QUICK MOVIE REVIEWS

By ya boy DIVINE1ON1

RABBIT PROOF FENCE

9 out of 10 stars

Everlyn Sampi, Tianna Sansbiry,
Gracie Fields

This movie, a true story takes place in Australia, giving the audience a sampling of life for Black women there. 3 young ladies are taken from their families forcibly and put into training to become domestic workers. This story deals with their escape and a 1,500 mile trek across the Outback, back to home and kin. This is a very, very interesting story and shows our determination and struggle in an often overlooked part of the world we live in. I thought of this as

The Nubian Times

an educational tool, good for myself and a child's viewing. Grab your favorite brew and a plate of shrimp and enjoy while watching. I know I did.

SUPREMACY

10 out of 10 stars

Danny Glover, Derek Luke, Iela Rochon, Evan Ross, Robin Bobeau

A just paroled White supremacist and some trashy white girl, kill a cop and take a Black family as hostages. Danny Glover is superb in his role as the patriarch of the family, an ex-con himself. He has to use his wit and understanding of the racist mind to free his family. This was a nice thriller and flowed pretty well. The story line seemed plausible and the dialogue was about right. I ordered a giant pizza for this one. You do the same if your money is right. It may not be a classic, but the more things change, the more they remain the same. This will get you through the evening.

ADDICTED

8 out of 10 stars

Sharon Leal, Boris Kodjoe, Tasha Smith, Tyson Beckford, Emayatze Corinealdi

This movie is taken from a novel. A married, Black woman with children enters into an affair with a White dude. She is a successful gallerist and the White dude is a talented painter. After a couple hit and runs, she

6

slowly losses control of her life and becomes addicted to sex and temptations. Home girl starts getting it on like a freak. Now this movie never was all that some Black women thought it would be. They thought it was gonna be a spicy, sexy romance drama to have fun with. It ain't. The ending brings everybody down to Earth, but I thought it was put together well. This one gonna open some eyes a little bit. I went thru 2 boxes of pop corn and 2 chicken sandwiches! Holla!

BEYOND THE LIGHTS

8 out of 10 stars

Gugu Mbatha-Raw, Nate Parker

What drew me to this picture is that it was produced by Amar'e Stoudemire, the basketball player. It's the story of a pop singer that is very successful at what she does, but her body and sleaziness are the top sellers. She's in a world that is over her head and tries to commit suicide. One of her body guards, a cop, saves her from taking her life, seeing the God in her. The rest deals with their relations and trying to find themselves. The story flows and the music is good. I don't think it' was a great movie or storyline, but it was a good effort. A lot can be learned from this film by the youth of today that are faced with all kinds of trials and

tribulations. I hope Mr. Stoudemire stays with his production efforts. We need more like him that invest in their communities!

WHITNEY

10 out of 10 stars

Yaya DaCosta, Arlen Escarpeta, Yolonda Ross

I felt Angela Bassett did a fine job directing this TV movie. It dealt with Whitney's rise to fame and her 12 year relationship with her husband Booby brown I thought Debra Cox did a fine job with the vocals as well. The flow of the film was very good and I saw little tidbits of Whitney's reality, many of the public are not yet ready to deal with. Same thing with her husband Bobby Brown! This cost me two bags of pop corn with extra butter and 2 glasses of wine. I was in a groove. Yaya DaCosta was a very believable Whitney Houston. You get no negative opinion from me. Matter of fact, I checked it out a second time to hear the singing, to be sure that wasn't Whitney. I didn't know the first time!

JIMI: ALL IS BY MY SIDE

6 out of 10 stars

Andre Benjamin

Outkast's Andre Benjamin does an excellent job of playing Jimi Hendrix in this biopic. This film only covers a year in the life of Hendrix

The Nubian Times

in-depth, so it didn't fulfill any needs of joy or excitement that I thought it would. I've seen many a Hendrix biography, but this film didn't capture the spirit of Hendrix from my view or the soul of the man. The picture seemed to be more politically based, than spiritual or musical. If it wasn't for Andre Benjamin's performance, they could have missed me with this. He was the only reason I looked to the end. He did seem believable with the look and voice.

TIME IS ILLMATIC

8 out of 10 stars

Nas

I took this dive into this documentary dealing with the times and social conditions that Nas had to go through to make his debut album in 1994, Illmatic. The whole situation kind of reminded me of the Tupac scenario and happening, but it was mostly limited to his Queensbridge New York crew and the New York hip hop scene. The picture gets deep and goes into his family's jazz and cultural roots and the death of his best friend. Many consider Illmatic one of hip jops greatest works!

MIDDLE OF NOWHERE

10 out of 10 stars

7

Emayatzy Corinealdi, David Oyelowo, Lorraine Tuissaint

This is a serious drama about a Black woman doing nursing school and her thug husband gets sentenced to 8 years in prison. Her sister and her mother are in her case, with problems of their own and she has to make a discovery of herself. While her dude is in prison, she is paying his child support and saving up money to get him out. This leads to some mind blowing decisions, when her man, don't make parole after 4 years and some other dude is trying to get at her. This scenario was very real to me and had me on the edge of my seat, waiting to find out what was gonna happen. After this one, I needed me a stiff drink. No smoking was allowed.

MEMPHIS

7 out of 10 stars

Willis Earl Beal, Constance Brantley, Larry Dobson

This seems to be the story of a singer musician on the verge of greatness and his struggles with life in Memphis. His journey is a natural and spiritual trip. This is not an action, thriller film or one with any type of flow. At times it seems like a documentary and I had no idea who the main character was. It moved slow. Check this out only if you got nothing better to watch. The

things that keep me watching were the realness and the beauty of the people in Memphis.

OMIT THE LOGIC

9 out of 10 stars

Richard Pryor

A very interesting documentary, biography that fills in a lot of gaps about Richard Pryor and his rise and fall and rise again, only to fall again to fame. The film deals with his manager and how he was cheated out of some money. It also speaks on his matriarchal Grandmother who raised him, his upbringing and his many wives. Some of the other celebrities of note were Pam Greer, Jim Brown, Whoopi Goldberg and a few other comics' insights. A must see if you loved Richard!

TRASH

10 out of 10 stars

Rickson Tevez, Gabriel Weinstein, Eduardo Luis, Jesuita Barbosa

This movie is set in Brazil and deals with 3 knucklehead boys on the run after one discovers a wallet, while they are working a trash dump. It's got a nice flow to it with sub titles, but delivers a good punch. Dirty cops and dirty politicians are on their asses. The picture gives some good insights as to how poor people live in Brazil. Check this out only if you feel a need for something different

The Nubian Times

that the S.O.S! Another brief reminder of where you stand in the current system.

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

White people in their systems, identify Negroes as a class or caste, regardless of their shade, age or whereabouts!

Today, there is a massive surge for Europeans to built hospitals to house their lepers under the care of Africoid people.

The Romans were never really Christians and the Greeks never really were democratic. Both societies were built with slaves.

In Germany, White people placed Jewish people in ovens because they didn't consider them as being White.

Since the United States was founded in 1776, she has been at war during 214 out of her 235 calendar years of existence.

As White women mutate, their wombs are becoming more calcified, rendering them useless. The use of machines to bring their young to term is a fact of Caucasoid life.

More murders are committed in European dominated societies than any other social orders. To imitate

8

Caucasians in any way means an increase in homicides.

White imperialist, whether lynching an African, massacring an Iraqi or slaughtering Afghanis, have always treated their victims corpses as photo opportunities. Many ritualistically take ears and other body parts as souvenirs of their deeds.

White people want to maintain systems where all thinking is done by White people who want to maintain White Supremacy.

For a White man, there is no worst position or condition to be in than to be beneath a Black man, because he is educated to see a Black as totally worthless.

65,000 years ago there were no Europeans (Whites) in Europe, only Afrikan (Blacks).

Some prostitutes in the Americas and Australia make close to \$200,000 a year, tax free. Regardless, thousands don't make enough on a daily basis to feed themselves or their families.

At least 1 of every 3 Black women living in Euro-centric belief systems has fibroid tumors.

The Trans-Atlantic Slave Trade was never considered a war; it was business & empire building for White people.

White people have never lived under a small government. They depend on the government and adjoining system for life itself.

When the Europeans came to the Americas, they brought with them syphilis and their common cold. These diseases virtually wiped out other racial groups.

Germans, by American standards, are a financially repressed people. They are not free to over borrow against overvalued homes.

The Global Slavery Index 2013 defines slavery as the possession or control of people to deny freedom and exploit them for profit or sex, usually through violence, coercion or deception. The definition includes indentured servitude, forced marriage and the abduction of children to serve in wars. According to the index, 10 countries alone account for three quarters of the world's slaves.

America has attacked countries with weapons of mass destruction, which they haven't declared war on.

REPARATIONS?

Submitted by: **DarkOverLord**

As an African who has dreamed/vividly imagined/spiritually walked with the warrior/scholar ancestors in the spirit/dreamtime world (Nat Turner, Chaka, Khallid Muhammad, George Jackson, Marcus Mosiah Garvey, Malcolm X), the thought of selling out their struggle is not an option.

I have formed bonds with others who have also felt this.

Let all know...there are those Africans who do not want anything from the European and their agents amongst the non-whites.

We want **EVERYTHING** from them.

What is living energy that is still being felt NOW (colonialism, slavery, new world order), no amount of money short of **ALL THAT THE WHITES ARE** will begin to right the wrong they have inflicted in their conquering of the

The Nubian Times

planet in the name of world white supremacy.

Now to TIME magazine, We have mentioned the fact that TIME (AOL TIME WARNER) does not have the interests of Black people at heart. They were Malcolm X's sworn enemies. They ragged on Martin King as they were working to destroy the credibility with Blacks through propaganda. Now they have hired agents to further protect the interests of White Supremacy. Look at the Negroes they promote. They distort them and NEVER talk about Malcolm and Marcus Garvey.

Now they bring up reparations as a way to stop revolution....

Reparations for paying off their agents to cool down the people? Reparations to make pathological ex-slaves love the whites? Reparations without our people understanding the nature of war we are in?

Reparations for those who have NEVER HONORED ANYTHING THEY HAVE EVER SPOKEN ON. THEIR WORDS MEAN LESS THAN EXCREMENT.

Be wary of those now, after years of saying how unrealistic it is, now promoting reparations for Slavery.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

B LACK and only BLACK connects Afrikan people beyond

nationality. Black connects us back to being the fruit of a Black woman’s womb. Black connects us back to the beginning of all things in the universe. It is the Divine Black Hole that we come forth from to function as a Black whole! Only knowledge, correct information and the balls to act on that information, can free us to rise again, never to fall! Can we get a witness and an Amen! May your heart be light as a feather!

AFRICANS

The Gospel According To

Kwame Nkrumah

“All people of African descent whether they live in North or South America, the Caribbean or in any part of the world are Africans and belong to the African nation.”

KNOWLEDGE OF SELF

The Gospel According To

Runoko Rashidi

“When I talk about freeing the African mind I mean freeing it from self-hate, self-doubt, fear of success, fear of defeat and an overwhelming lack of knowledge of self!”

PAWNED SOVEREIGNTY

The Gospel According To

Ezrah Aharone

“While Black America’s freedom is limited to “Civil Rights, Integration, and Citizenship,” Euro-Americans possess “Sovereignty, Independence, and Statehood.” This is by far the most consequential of all racial distinctions, because “Civil Rights” do not politically equate to the supremacy of “Sovereignty.” Neither does “Integration” confer the autonomy of “Independence.”

The Nubian Times

And “Citizenship” is certainly not synonymous with “Statehood.” With the power of Sovereignty, Independence, and Statehood comes governmental authority to grant or retract Civil Rights, Integration, or Citizenship.”

BLACK WOMEN PRETENDING

The Gospel According To

Shahrazad Ali

“We need the Black men in our homes because they provide guidance, protection, direction, instruction, discipline, gratification and fulfillment, which a lot of Black women are pretending they don’t even need no more, they run around trying to act like men!”

THE ISIS PAPERS

The Gospel According To

Dr. Frances Cress Welsing

“Single female teenagers cannot promote psycho-social development in male or female offspring. They can only prepare these male offspring to spend their lives in penal institutions, while preparing their own daughters to become teenage mothers.”

PROPAGANDA IS REAL

The Gospel According To

Dr. Frances Cress Welsing

“We’re propagandized in the media as to how to think about the problems that occur. Most people go along with the propaganda. Even more specifically, Black people are being programmed through the media and television to really just focus on clowning and buffoonery, and to be obsessed with sexual activity and not think—singing, dancing, and being obsessed with sex. This is diverting attention away from what is actually going on.”

THE EUROPEAN EMPIRE

The Gospel According To

Dr. Jacob H. Carruthers

"The Europeans, since 1440, have been reorganizing the world. The world we now live in was organized by them. They conquered the lands of all continents and unilaterally redesigned the social and biological modes of existence. They changed the course of rivers, removed mountains, and built deserts. They created scarcity in the land of abundance. They moved populations from one continent to another. They created new races. They established themselves as the master race and all others as their servants. They made what they like good and everything else bad. In order to liberate ourselves we must take the world and then reorganize it according to our worldview. Only then will mankind be allowed to live in harmony with the universe. Only then will we be truly free."

THE REAL DEVIL

The Gospel According To

Dr. Khallid Abdul Muhammad

"The white man was the devil yesterday, he is the devil today, and he will be the devil tomorrow."

WHITE VIOLENCE

The Gospel According To

John E. Wideman

"A serial killer or child molester or drug addict doesn't exactly stop being what they are between crimes... Yet we address white prejudice and violence directed at black people as a series of unfortunate instances, deviancy from an enlightened norm."

LIES AND DECEPTION

The Gospel According To

Assata Shakur

"In some ways it was easier for my generation. Racism was blatant and obvious. The "Whites Only" signs let us know clearly, what we were up against. Not much has changed, but the system of lies and trickology is much more sophisticated. Today young StarSeed people have to be highly informed and acutely analytical, or they will be swept up into a whirlpool of lies and deception."

AFRAID OF NOTHING

The Gospel According To

Andre Lorde

"I am deliberate and afraid of nothing."

STRUGGLED WITH POVERTY

The Gospel According To

James Baldwin

"Anyone who has ever struggled with poverty knows how extremely expensive it is to be poor."

JOURNEY TO BLACK PROGRESS

The Gospel According To

Adrian X

"I would rather be with 5 Shaka Zulus than 1,000 Charles Barkley's, in the journey to Black progress."

AFRIKA

The Gospel According To

Dr. Deku Afrikadzata

"Afrika was called the land of the spirit. "Ka" means spirit. "Fri" means come, an Akan word. Come from the spirit, the land of the spirit. Some people were trying to tell us it comes from Greek or Arab. It's not. It's an Afrikan name. And what it represents right

his birthday into the most materialistic day of the year. Matter of fact, we have the Jesus Birthday Season. It's a whole season of materialism. Then at the end of the Jesus birthday season, we have the nerve to have an economist come on TV and tell you how horrible the Jesus Birthday Season was this year!"

THIRST FOR ANSWERS

The Gospel According To

Huey P. Newton

"I have had enough of religion and can't bring myself to adopt another one. I need a more concrete understanding of social conditions. References to God or Allah do not satisfy my stubborn thirst for answers."

WHITE SUPREMACY

The Gospel According To

~DJ~

"White supremacy is a system of Whites oppressing non-whites (especially Blacks) for no other reason than being non-white. The system of White supremacy is backed up by the most dominant political, economic, and military organizations of the world."

BLACK POWER

The Gospel According To

~DJ~

"Black power is only necessary to defend African life against the ravages of White supremacy. Black power doesn't affect any other races; also it doesn't have the power to ruin lives like White supremacy does."

CHRISTIANITY

The Gospel According To

President Obama

"Remember that during the Crusades and The Inquisition,

people committed terrible deeds in the name of Christ. In our home country, slavery and Jim Crow all too often was justified in the name of Christ!"

LESBIANISM IN AFRIKA?

The Gospel According To

Dr. John H. Clarke

"I defy anyone to show me one single case of homosexuality or lesbianism in Afrika before the coming of foreigners. One case of sexual disease before the coming of foreigners or any trait that is against masculinity or femininity. The Afrikan was a strong believer in the construct of the family. Homosexuality and lesbianism is a negation of the family. What kept Afrika together and what keeps it mainly, partly together today is the family structure. In many parts of Afrika, even when the water won't work and the lights won't burn, the family structure works."

"...The family structure was an inter-lacing structure. It literally ruled out homosexuality and lesbianism. It also ruled out prostitution, because there were no girls that were single and very few men, at a certain age, that were single."

BLACK FACTS

All knowledge is rooted in reality

During the Trans Atlantic Slave Trade, captured Africans were branded with coal and hot irons. All property was counted and branded.

Afrikan people come from the human kingdom, not the animal kingdom.

Africans usually have a hard time seeing and recognizing Arabism, Islamic colonization.

European culture demeans Afrikan women. Black women have to be dirty so that European woman can be placed on a pedestal above them.

The first Europeans were Black. They were not Caucasoids.

Black Law No. 9- there is no statute of limitations on slavery, colonization and genocide. We are going to have to hunt down the perpetrators and agent provocateurs.

More and more Black people want to defeat White people, not impress them.

Africans that were kidnapped and brought to the Americas were not only not allowed to marry White people; they were not allowed to marry each other.

Africa and Africans did not have a problem with cancer until they

12

adopted a more western lifestyle, adding meat & refined sugar to their food intake.

Afrikan women during slavery were not allowed to be mothers. They could have children, which were considered other people's property, but they were not allowed to be mother to their own children.

The first Japanese were Black. An Afrikan element can be found in Southern Japan and ancient melanated skulls have been found in the islands of Formosa and Liu-Kiu.

Most of the Black women in the United States who were executed in the era of slavery had killed their White masters and their families. These Black slave women mostly strangled, clubbed, stabbed, burned, shot, poisoned, or hacked to death their White masters, mistresses, overseers, and even their owners' children. Poisoning and arson was the most prevalent methods slave women used to kill their oppressors.

No man's socialization is complete, unless another man plays a part in that socialization and his learning to discipline himself.

At birth, there are more Black boys born into the world than there are Black girls.

When Europeans write Black people's history, they destroy Black people's memory.

In Afrika there are no action verbs. You just have action. There are some things in the Afrikan mind set you don't say, you do. Action speaks for itself.

Afrikans have to face the fact that many Arabs are still slave traders in the name of religion.

The majority of the Black men that were lynched in the United States were lynched to get them off of the land that they owned.

Chattel slavery is common in Mauritania, meaning that slave status is passed down through generations. "Owners" buy, sell, rent out or give away their slaves as gifts.

Most Black people in the United States, when they die, hope to live in a White boy's Empire or house.

No economy in Afrika was ever based on the enslavement of Afrikans.

Afrikans are one of two despised groups listed in the U. S. Constitution. The other group is the Indians.

When Black scientist de-mystified death, dying became ascending into the 5th dimension.

Today some people are still being born into hereditary slavery, a staggering but harsh reality, particularly in parts of Northwest Africa and Southeast Asia.

Myths, misconceptions, deliberate distortion and outright lies taught about black people during slavery are still a part of white folklore regarding African Americans and continue to be taught.
