MINORITY GAME / COLORED VILLAGE/ SAVED BY FAITH/ BLACK FACTS

HOME SCHOOLING

Booty Adams

Home schooling is what you give your blood to replenish and cleanse. Home schooling is sacred lessons for the future. It's when you wake up in the middle of the night thinking about your children and ponder upon what they will be doing in the future. It's your job to make sure they reach that future. Home schooling is where you communicate, read, talk to, teach, do Math like counting money and carry them to and fro like you are on a mission. Home schooling is where you teach them what you know, how you think, why they must think, how you compute and what they must use their brain computers for. Home schooling doesn't always cost a lot of money. You won't be compensated for your time, unless they carry you in their heart of hearts. Home schooling can

be cooking sewing, fishing, camping, hunting, shooting, martial arts or gardening,

NO BUTT KISSERS,
BUCK DANCERS,
HANDKERCHIEF HEADS,
SHUCKING, FRONTIN',
HALF-STEPPIN', PITY
PARTIERS,
NEGRESSES OR NEGROES
ALLOWED!

repairing, washing clothes, cleansing their sacred temples, patience, observation, aerobics, exercise, yoga, dancing, cleaning up after themselves, others and even music appreciation. It leads to a stronger family and perhaps a stronger community. Home schooling is when we take the best from ourselves and give it to our children. Looking at television is not home schooling. That's

programming, unless it is controlled in the home. Amusements parks are not home schooling. Going around in circles and being strapped to a machines you can't control, is anything but home schooling. Home schooling is when you try to reproduce the best in yourself, in hopes of giving your children pertinent knowledge for the freedom to have SELF-CONTROL and a GOOD, SATISFYING LIFE!

N.W.A

(Nubian World Alliance)

Headline

All contracts, treaties, and pledges should be null and void to any Nubians worldwide, should any such documents or utterances hurt or hinder the potential of any other Nubian on the planet.

Keep in mind that Nubian people gain power when they hook-up. Do something that will cause you to hook-up with some of your own race family. Right now, there is a

2

force moving us that no human force can stop.

Now is the time to unify across political, religious, national and continental lines. We must bend capitalism, communism and any other "ism" to our benefit. What we the people partake in today is nothing more than a Black family's project inspired by the ancestors to put Black people back in balance. If we are to be correct handlers of power, than we must be willing to sacrifice for the good of the race-family and remember that we cannot take a lot of nonsense from any other group or power!

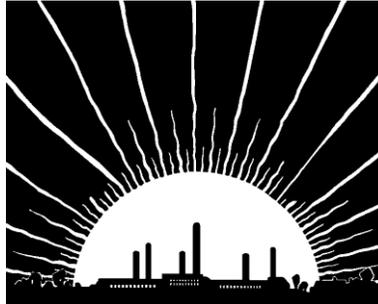

All contracts, treaties, and pledges should be null and void to any Nubians worldwide, should any such documents or utterances hurt or hinder the potential of any other Nubian on the planet.

We have got to understand clearly that groups have permanent interests, not permanent allies. All treaties and alliances are only temporary!

What you call yourself does matter, but how are you going to win if you ain't right within. Melanin runs deep and its carriers were put here on our planet, at this time, to bring justice and stability back to the planet. Making hook-ups within your race-

family is now the first and foremost priority!

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Europeans don't want it taught that they were invading, brutal savages that terrorized indigenous people across the planet!

Societies dominated by Caucasians are the only societies that attempt to make sex with the same sex lawful and "legitimate".

Prior to the 1600's, Europeans never referred to themselves as white people.

More body parts are being sold to and used by Europeans than any other group or people on Earth.

Rich white people always tell working class and poor white people that their problems are Black and Brown people.

Europeans want to make female circumcision an issue in Afrikan societies, but only societies European philosophies dominate have allowed women's bodies, their minds and their off spring to be mutilated like no other place on Earth. From abortion and hysterectomies to chattel slavery and burning women at the stake, Europeans have a repetitive history of treating women harshly and cruelly.

The Nubian Times

White people call same sex escapades experimenting.

When Bill Clinton left office in 2001, the true jobless rate for young, non-college -educated Black men, including those behind bars, was 42%.

White people everywhere still benefit from the parasitic economic system which has as its foundation the enslavement and continued exploitation of African people.

Europeans do not recognize childhood. What they do recognize is property. From cradle to grave young people are identified as the property of somebody's state.

Every year the United States uses four times as much oil as they can find or take.

The American currency no longer based on economic but on military might, allows Washington to print megatons of currency to paper over an annual half-trillion dollar trade deficit.

More Caucasian liberty is lost through the ballot box, than through tanks.

When Bill Clinton left office in 2001, the United States had the highest rate of incarceration in the world. Human Rights Watch reported that in seven states, African Americans constituted 80 to 90% of all drug offenders sent to prison, even though they were no more likely than whites to use or sell illegal drugs.

Caucasoid doctors don't get paid for being humanistic. They need to get paid. They don't tell people how to avoid being cut open. They need to generate revenues for themselves and to keep hospitals open.

From 1843 through 1847, the Irish potato famine killed thousands on the island. All the while the English, their parent nation, kept

3

burning millions of pounds of potatoes, less than 20 miles away; the reason: to keep the market price of potatoes high!

White preferences are social inequities that limit where Black people live, go to school and the kinds of opportunities Black people have been or are afforded.

In European dominated court systems, witnesses and jurors are constantly being intimidated. Europeans have long had problems with gangs, crime syndicates, mobs and vigilantes paralyzing their system and scarring the daylight out of witnesses and jurors.

Modern policing in the United States can be traced back to the system of slave patrols and slavery.

In European dominated societies, Cocaine continues to be the most frequently mentioned illicit substance reported by hospital emergency departments.

Caucasians came into history as marauders. They cannot be peaceful.

The Catholic Church is a Jewish, Freemasonry political movement founded in the Middle Ages (325 AD) by Constantine.

The privileged gentry of the south and their supporting white class, stood by condoning the torture and enslavement of Black Africans for over a century. Their greed and nature blinded them to the suffering of their slaves.

SUPER PREDATORS

The Gospel According To
Hillary Clinton

“They are not just gangs of kids anymore. They are often the kinds of kids that are called ‘super-predators’. No conscience, no empathy. We can talk about why they ended up that way, but first we have to bring them to heel.”

“I have to admit that a good deal of what my husband and I have learned (about Islam) has come from my daughter. (As) some of you who are our friends know, she took a course last year in Islamic history.”

“Many of you are well enough off that the tax cuts may have helped you. We’re saying that for America to get back on track, we’re probably going to cut that short and not give it to you. We’re going to take things away from you on behalf of the common good.”

“Traditional marriage was the fundamental bedrock principle that exists between a man and a woman, going back into the midst of history as one of the foundational institutions of history and humanity and civilization.”

THE GREAT WALL OF TRUMP

The Gospel According To
Donald Trump

“I will build a great wall – and nobody builds walls better than me, believe me – and I’ll build them very inexpensively. I will build a great, great wall on our southern border, and I will make Mexico pay for that wall. Mark my words.”

“An ‘extremely credible source’ has called my office and told me that Barack Obama’s birth certificate is a fraud.”

“When Mexico sends its people, they’re not sending the best. They’re not sending you, they’re sending people that have lots of problems and they’re bringing those problems with us. They’re bringing drugs. They’re bring crime. They’re rapists... And some, I assume, are good people.”

“Our great African-American President hasn’t exactly had a positive impact on the thugs who

The Nubian Times

are so happily and openly destroying Baltimore.”

“Ariana Huffington is unattractive, both inside and out. I fully understand why her former husband left her for a man – he made a good decision.”

“One of they key problems today is that politics is such a disgrace. Good people don’t go into government.”

THE “MAKE-UP” A MINORITY GAME

S.O.S (Same Old Sh*t)

By Divine1on1

Black people fought White people every way possible for anything they have achieved or gained in the United States. We have spilled blood, sweat and tears. The battle still continues, only now Crackers wanna play the make up a minority game.

Just like this group called “Hispanics”. There is and never was such a thing as a Hispanic until after slavery was abolished and then crackers decided to make up a group. It’s a bullshit made-up name given to the descendants of the millions of people that Spaniards

conquered and enslaved. This pretend group has no common heritage, history, or struggle. This pretend group speaks many variations of a real language, Spanish, but to be considered an ethnic group, people must come from the same geographic area and its members share the same culture. Puerto Ricans, Mexicans, Guatemalans, Colombians and other groups from areas conquered by the Spanish Catholic Conquistadors, don't share anything in common except what was forced on them by their oppressors. European Crackers could give a shy about them then, now and in the future.

How in the hell did White women become a minority, when the largest group and the majority of the people living in the United States are White women? White women have the back end of White privilege and stolen land to play their treacherous male vs. female games with White men.

What's up with this BS of supplying benefits and grants to gender and made-up groups. Black people have but one enemy and that's Europeans. It's Black vs. White and everything else in between is a "WANNA BE" azz hole tryin' to get plugged! Native people and mixed people are not White and that's why Crackers keep tryin' to make a Nigger out of you? How do a people let the Census Bureau and bunches of White people define who they are and then try to establish leadership based on White people's definition of them? Perhaps they really are victims of racism and discrimination, but they better learn how to fight. Who makes your clothes, shoes and is in charge of your food and drink? You out the Big House (Hacienda) now. Come together. Ain't but One Love and one oppressor with many faces!

BLACK FACTS

All knowledge is rooted in reality

There are 2 Black billionaires and 35,000 Black millionaires in the United States.

In the late 1700s black and multiracial were legally banned from wearing their natural hair in public. It was seen as a threat to the social order, which placed white women on top as most desirable.

Indigenous people (Native Americans) that lived on the East Coast typically wore turbans and pointed shoes. Most were insanely murdered by European invaders, so you are hard pressed to get any information on or about them.

Respect for elders was never negotiable for Afrikan people.

In ancient Afrika, the heart was the icon that symbolized the seat of intelligence.

What the Black youth, that built the pyramids around the planet did best, was respect and work for each other.

Light is born from darkness. Darkness is the primordial reality.

All the 72 pyramids in Afrika were built before Abraham was born.

Afrika is the Land of the Blacks. Caucasian people settling on or born on Afrikan soil are not Afrikans. They are Europeans born in Afrika. To be Afrikan is to be

The Nubian Times

Black. Melanin dominant. Make no mistake about it. To be Black is to be of Afrikan descent, evolved from the human kingdom.

The United States has 17,000 Black Medical Doctors, while the small island country of Cuba has approximately 13,500.

During slavery in the Americas, every time a Black man showed affection to a Black woman and the White slave master saw it, the master had to show the Black man who was the object of the Black woman's affection. The Black man had to watch as the master raped his wife and if she did not smile and act as if she liked it, she was sold the next day. The White master, oftentimes a pedophile as well as a rapist/molester, did the same thing to any children the Black man showed any affection for.

The nation-state is UN-Afrikan. It is fashioned after the territory of the feudal lords of Europe. They pit one culture against another to destroy each other.

Afrikan people in the Motherland were a people that lived in places where they did not have to kill to live.

Europeans, not Afrikans, consume much of the food grown in Afrika. Cash crops!

Black people and color-less people do not vibrate at the same frequency.

The Nubian Nation (NUBIA) was just South of Kemet (Egypt), mostly in the area now known as the Sudan. Nubians are the Afrikans along the Nile River that Europeans scholars do not want Blacks or the rest of the world to know about. They don't want anyone to know that anything of consequence came from the South of Egypt.

5

Afrikan men don't destroy and kill animals for sport.

Divine Law has nothing to do with religion.

As many as 60% of Ethiopian people practice the Islamic religion.

Afrikan people have fought longer, harder and against greater odds than any other people on the face of the Earth have.

Nancy Hanks, the mother of Abraham Lincoln, was Melungeon. Over the ensuing decades- in a vain effort to fit in with their Anglo neighbors, they lost their heritage, their culture, their names and their original religion, but not their genetic structure.

There is more oil in Africa than there is in the rest of the world and it is easy to get to.

Some of the earliest works in hieroglyphs (Medu Neter) were created by the Nubians. Wherever you find large numbers of independent Black people, you find advanced communication, transportation, political systems, art, economics, spirituality and social structure.

As long as Afrikans (Blacks) are living on this Earth with European (Whites) folks, there will always be war and dissension. You may as well stay ready for it. Do not turn your back on what is real.

Most of the Black middle income people in the United States, often-misnomered middle-class, are no more than workers. Most own nothing beyond their homes, cars and their clothes.

Black and mixed-race people - still commonly referred to by Arabs as Haratins, or slaves - have occupied the lowest castes of Mauritanian society since Arab nomads invaded sub-Saharan Africa in the 9th century and enslaved black farmers.

African people call same sex escapades disgusting.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

When our enemy can't control something, then he wants to belittle it. He has spent over 2,000 years trying to belittle Afrikans, but we are still here, still coming forth by day and night. Our scholars are not going to let us be controlled and belittled without a struggle, a fight. They keep bringing us good news (gospel). Our world, our view and our people must be centered in our own essence. Welcome once again to **The Gospel According to Afrikans. Make ready!**

TRAITOR OR A COWARD

The Gospel According To

Dr. Llaila O. Afrika

"There's no in the middle...If you're Black and not serving Black purposes, you're either a traitor or a coward!"

AFRICA IS NOT OPEN TO NEGOTIATION

The Gospel According To

Robert Mugabe

The Nubian Times

"Africa has no ambition to control the resources of Britain or any Western nation. We are entirely disinterested in their affairs. History has showed that we have never expressed any hostilities against them. Instead, we have been victims of unprovoked aggression and interference in our domestic affairs. Our only ambition is to totally control that which belongs to us, our God given natural resources. This much is not open to negotiation."

ON BECOMING A GOD

The Gospel According To

Areeb Malik Shabazz

"Even if we received 100 percent voter participation on a national level, do you honestly believe that our Black lives would drastically change because of it? Do you actually think that the white power establishment would allow us, the very people whom they have hated and feared for centuries, to determine the destiny of "their" country by simply pulling some ballot lever? Illusioned Nigger please! Just the display of semi-conscious Black unity would terrify our oppressors into violent reactionary measures."

THE NATION

The Gospel According To

Michelle Alexander

"Bill Clinton presided over the largest increase in state and federal inmates of any President in American history."

RACIAL INJUSTICE

The Gospel According To

Michelle Alexander

"Clinton did not declare the War of Crime or the War on Drugs- those wars were declared before Reagan was elected and long before crack hit the streets- but he escalated it

6

beyond what many conservatives had imagined possible."

"He supported the 100-to-1 sentencing disparity for crack versus powder cocaine, which produced staggering racial injustice in sentencing and boosted funding for drug-law enforcement."

TO CONTROL A PEOPLE

The Gospel According To

Dr. John H. Clarke

"**T**o control a people you must first control what they think about themselves and how they regard their history and culture. And when your conqueror makes you ashamed of your culture and history, he needs no prison walls and no chains to hold you!"

CONSCIOUS RAISING

The Gospel According To

Dr. William Mackey

"**Y**ou can't be about conscious raising all of us without stepping on some toes. And the reason that a lot of toes get stepped on is because we've been so programmed to be naïve, programmed not to think, programmed to take certain things for granted, because we are afraid to look at things."

HELP SET YOU FREE

The Gospel According To

Assata Shakur

"**S**chools are a reflection of the society that created them. Nobody is going to give you the education you need to overthrow them. Nobody is going to teach you your true history, teach you your true heroes, if they know that that knowledge will help set you free."

NOTHING BUT A PUNK

The Gospel According To

Assata Shakur

"**I**f you are deaf, dumb and blind to what's happening in the world, you're under no obligation to do anything. But if you know what's happening and you don't do anything but sit on your ass, then you're nothing but a punk."

WHITE SUPREMACY

The Gospel According To

Neely Fuller Jr.

"**T**he only functional Racism that exists among the people of the known universe is "White Supremacy."

RACISM

The Gospel According To

Neely Fuller Jr.

"**I**f you do not understand white supremacy (racism)---what it is and how it works---everything else you think you understand, will only confuse you."

HIGH CULTURE

The Gospel According To

Malcolm X

"**I**t's no accident that a high state of culture existed in Africa and you and I know nothing about it!"

HIM OR HER

NOW-A-DAYS

The Gospel According To

Malcolm X

"**W**hen we see a Black man who is constantly being praised by the Americans, begin to suspect him. When we see a Black man get honors and all sorts of decorations and the United States flatters him with fine words and phrases, immediately suspect that person. Because our experience has taught us that the Americans do not exalt any Black man that is really working for the benefit of the Black man."

The Nubian Times

THE NAGA

The Gospel According To

Dr. Clyde Winters

"**E**thiopians have had very intimate relations with Indians. In fact, in antiquity, the Ethiopians ruled much of India. These Ethiopians were called the Naga. It was the Naga who created Sanskrit."

CONSCIOUS COMMUNITY

The Gospel According To

Shahrazad Ali

"**A** lot of the "Conscious Community" folks have all of the knowledge of self. Yet instead of using it to build an economic empire, they rather have know it all debates and grunt sessions"

JEALOUS, CONTEMPORARY WORLD

The Gospel According To

Marcus Garvey

"**N**egroes, teach your children that they are direct descendants of the greatest and proudest race who ever peopled the earth; and it is because of the fear of our return to power, in a civilization of our own, that may outshine others, why we are hated and kept down by a jealous and prejudiced contemporary world."

ALIEN

The Gospel According To

Dr. Booker T. Coleman

"**N**othing is alien to the Universe, because the universe contains all and everything. So once we begin to look at things universally, then you are no longer a citizen of the United State, you are no longer a citizen of Afrika, you are a citizen of the universe. Therefore, if you find yourself walking along the

7

Great Wall of China, you are as much at home there as you would be in Harlem. Unfortunately, because of what Western terminology and technology has done, it has limited us to only be what they say we are."

BACK TO AFRICA

The Gospel According To

Marcus Garvey

"I have no desire to take all Black people back to Africa: there are Blacks who are no good here and will likewise would be no good there!"

POLITICIANS

The Gospel According To

Dr. Ben Carson

"We've been conditioned to think that only politicians can solve our problems. But at some point, maybe we will wake up and recognize that it was politicians who created our problems.

LESSONS FROM THE ISIS PAPERS

The Gospel According To

Dr. Frances Cress Welsing

"Black males who are unwilling to fight for their manhood are thereby indicating that they debase Black manhood and will not be able to teach it to the next generation."

FLY YOUR FLAG

The Gospel According To

Dr. Frances Cress Welsing

"If somebody tells you they hate you, say "thank you very much I know what to expect". Stop protesting the confederate flag, tell them to fly it. Why do you want someone to lie to you?"

THE GAME, THE RULES

The Gospel According To

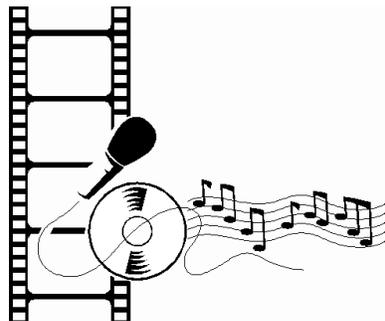

Dr. Marimba Ani

"Never let your enemy choose the game or make the rules."

WHERE HAS BLACK POWER GONE?

Askia M. Toure

"Most of the hip hop generation has lost its national consciousness, in its rush to assimilate materialism, bling bling, capitalism and misogyny. With the exception of Common, India Iree, Jill Scott, Dead Prez and a few others, most hip-hop leaders don't appear to see that Africans in America have a cultural tradition and a legacy to defend. How did we go from 60s Black Queens and sista freedom fighters to skeezers, chicken-heads, bitches and hos? Why don't hip hop people seek out black revolutionaries?"

THE FIRST REVOLUTION

Gil Scott - Heron

"The First Revolution is when you change your mind."

IN CHURCH

Bob Marley

"Any God I ever felt in church, I brought in with me:"

RESCUE ME

HOUSE NEGRO

Harry Belafonte

"The idea that you work in the
house of the master is almost in
itself its own opportunity to do
some mischief and make a
difference, but when you are in that
place and you help perpetuate the
master's policy that perpetuates
oppression and pain for many
others, then something has to be
said about it."

THE OPPRESSED

The Gospel According To

Dr. Amos Wilson

"The oppressed cannibalize
themselves in order to feed the
insatiable appetites of their
oppressors."

THE POWER TO PREVENT

The Gospel According To

Dr. Amos Wilson

"No matter how you explain why
or how the European got to the
point of victimizing us, I think the
central issue is that the European
victimizes us because he can.
Because he has the power to do so.
And we are victimized because we
haven't developed the power to
prevent his doing so. We can end
his victimization of us, when we
end his power to do so. In addition
to studying Black history and
culture, we need to study power.
Power's accumulation, power's use
and power's application. We
should talk about it everyday and
everywhere! Develop the means of
using it!"

THE AMERICAN FLAG

The Gospel According To

Henry McNeal Turner

"I used to love what I thought was
the grand old flag, and sing with
ecstasy about the Stars and Stripes,
but to the Negro in this country the
American flag is a dirty and
contemptible rag."

HATE

The Gospel According To

Bobby Seale

"We don't hate nobody over their
color. WE HATE OPPRESSION!"

HOW AFRICA SEES ITSELF

The Gospel According To

Chimamanda Ngozi Adichie

"I've found that the older I get, the
less interested I am in how the
West sees Africa, and the more
interested I am in how Africa sees
itself!"

The Nubian Times

LONG NIGHT OF PHYSICAL SLAVERY

The Gospel According To

Dr. Martin Luther King Jr.

"As long as the mind is enslaved
the body can never be free.
Psychological freedom and a firm
sense of self-esteem is the most
powerful weapon against the long
night of physical slavery!"

EDUCATION FOR LIBERATION

The Gospel According To

Dr. Adelaide Sanford

"An education for liberation does
not super impose a pattern, but it
takes the child as he or she comes
and embraces and enhances that
child and expands its horizons. An
education for liberation is more
than academics!"

LOST CIVILIZATIONS

The Gospel According to

Sistah Deborah Ma'at Moore

"I know that there are a lot of
books that our people wrote that
still haven't been found. Some of
our leaders say that much of the
information on our civilizations
was lost. I disagree. I think much of
that information is in these
museums in Germany, Britain,
Russia and America. Much of it is
under the ground still waiting to be
excavated."

SICK & TIRED

The Gospel According To

Fannie Lou Hamer

"I'm sick and tired of being sick
and tired."

PICK YOUR LEADERS

The Gospel According To

Dr. Julia Hare

“Black folks are still allowing White folks to choose their leaders. Do you believe that Israelis would allow the Arabs to choose their leaders? The Chinese would allow the Japanese to choose their leaders for them? Would the British allow the Irish to choose their leaders? Do you think that lions would allow tigers to lead them in the jungle? It’s only Black folks who will allow others to come in and pick their leaders for them!”

One holy man and many women, unless religious practices incorporated men, to build and protect the community. .

Hypocrites are daily monitoring your activities, looking for that one or so mistakes, so they can crucify you! It may not be time to get rid of the "N" word just yet! The hypocrites are still waiting on a messiah. They realize it ain't them, but they'll be dam if you gonna get ahead of them in any way!

Moor Black GrapeVine news- The BLUES doesn't particularly mean that you are depressed. Some BLUES tell stories and they ain't all sad. People have been known to dance to the BLUES. So don't get it twisted. Just remember, you can add some rhythm to the BLUES and party all night long, with no tears!

There can be a ton of good stuff on the Internet and Social web sites. If you got stupid friends, all you gonna get is stupid. If you got conscious friends, uplifting friends, your mind is going to expand. You got some mind blowing decisions to make!

The "Weather Channel" is the second largest cable company in the U.S. They are considered a "seller".

God news- you can put 100 women together; sticking each other with foreign objects and filling each other's heads with shyt, but you are never going to get any CREATION!

God news- You can put 100 men together; sodomizing each other, sticking each other with foreign objects and filling each other's heads with shyt, but you are never going to get any CREATION!

Beware African-Americans that hate themselves. They tend to want to put you in the same boat as them, without a paddle. Then they want to pretend you both are in an airplane, only it's flying backwards. You are supposed to be dumber than them. You are Black and they are passing for White. Remember. They hate themselves, but hate you more!

Wigga GrapeVine news- Donald Trump is the typical White boy, that is not playing the "political correct" Game! He isn't playing any games and not planning to hire any negroes or immigrants as buffers.

If Donald or Hillary wins, are you planning on committing suicide? If you are not, then continue making moves to keep your shyt together. When was the last time a clown stopped you from doing anything worth mentioning.

Rumors are flying around that the Kings James Bible is not a book of

intolerance. The QLGBT community wants it and its followers banned from all public places.

Back in the day, when Black women worked in White folks homes as domestics, it was nothing for a White woman to smack a Negro woman whenever she felt like it. You think a Negro woman was gonna come home and tell her family about it?

Will Europeans and their Negroes ever stop calling their holiday season Christ Mass? Do they call that gluttony and brutality in stores praising some kind of Lord.

If charged, prosecuted and found guilty, should Hillary Clinton go to jail? That makes for an interesting scenario. Would that make her a super crook? Should she get equal time as men do?

Rumor has it that American cops steal more property than all U.S. burglars combined. Cops and Robbers too!

Moor Wigga news- At least 1,100 Americans were killed by the police in 2015.

Rocket scientist are trying to figure out which is better... an earned income credit of say 2 or 3 G's or a spouse.

The New Negroes of today have that religion that says a person is blessed when they have money. Just ask a Negro or one of them multi-racial people. Maybe you can find one in a lottery line, drug store, liquor store or one Christmas

shopping for next year's toys. They tend to buy a lot of worthless junk for their babies and themselves. That's their religion. A Cracker slip them some money and they feel like they been blessed by God. Then they wanna crack on or judge you. No money, they can't buy any toys, lottery tickets or go to Wal-Mart and they get depressed.

The majority of Black children are in the public schools. Those in private schools do so as guests of people not from their community, with only rare exception.

White people are pretty good at convincing Black people that exploitation is the same thing as freedom. Seems like we heard this story before.

Seems like the only male mentors in the 'hood are Santa Claus, Jesus and a bunch of two dimensional dudes seen on TV. Unless they are fortunate, all the babies got is women knee deep.

Most of your Civil Rights All-Stars were never big on Black commerce, Black economics or a Black business community. Most of their objectives have always been working for somebody else primarily and their people secondarily. Always exceptions to the rule, but that's about it. That's why most of those surviving are not outstanding or charismatic leaders.

Bill Clinton's rate for locking up African Americans was 26 times worst than Ronald Reagan. Who you say you are going to vote for? Bill Clinton was not pro-Black. Are you? Can you look at what Bill Clinton did and call him a racist? Are you pro-Black?

Back in the day, Negroes that worked for White people couldn't use the same toilet as White people. No, Negroes didn't have a special toilet. They had to go in the alley or the bushes. That was all Negro men, women or children whenever

they entered a White environment. God blesses the child that has his own.

Donald Trump is putting together the greatest show anyone has ever seen in a presidential race. He's so racist, that white people call him a racist.

Negroes and Negresses think Hillary or Colonel Sanders gonna give them something for Christmas. Maybe 10 or 20 more Black people might get government jobs.

The FDA and other government officials deny the existence of "anti-cancer" foods. Lol!

In 1995, ten of the United States' largest companies - including AT&T, Eastman Kodak, Mobil and Proctor and Gamble - laid off more than 130,000 workers even though they had profits of \$60.7 billion, including \$8.3 billion in tax subsidies. A subsidy is corporate welfare Yo! They ain't have to pay it back Yo. Make a profit, lay people off, keep their salaries and get a welfare check too! That is as good as slavery! Who was President Yo?

Europeans tell stories in such a way that you could almost believe what they are talking about.

Why is it that the women that say they hate men so much want to dress, look like, talk and try to act & think like a man, but still want to be considered emotionally sound. What kind of woman wants to be a man? Why is it that the men that say they hate women so much want to dress, look like, talk and try to act & think like a woman, but still want to be considered emotionally sound. What kind of man wants to be a woman?

**I GOT ONE FOOT IN
THE GRAVE! Rescue Me!**

White people take your shyt, say they discovered it and then say it's their private property. They respect no laws, no treaties, no words, no papers and no covenants. You think I'm lying Shawty?

I heard the Democrats were considering possibly giving out free chicken boxes, free public schooling, freebie lunches with lunch tickets, military jobs, gated group housing projects, gay lovers and the freedom of gender choices! Then I heard that Republicans plan on giving us shyt and pushing us in it. Mind Blowing Decisions 2016!

I'm so broke; I use a PAY DAY LENDER to access financial services. I'm broke and stooopid Shawty!

Poor white folks have been tricked into thinking they have something in common with rich white folks. BaaaaHaaaaaa!

Did you know that the citizens of the corporation of the United States of America owe the Federal government more money than all the African countries put together? Whose your Daddy Boo?

Hey Shawty, they believe in somebody that ain't even real and they think this dude gonna come back and save them. They dumb as a rock. Who is pimping who Yo? I know their pimps bills are paid in full!

Some Black folks are voting to see which white person will help us decay the fastest. That's how they plan on making their money: assisting White folks. They want government jobs.

Moor Black GrapeVine news- It ain't nothing to turn on the TV and watch Black women get sexed. And that's from the plantation to the White House to the back of cop cars, trucks and shacks. Is that progress or is we free yet?

Africans were kidnapped by Aliens in big, wooden ships and brought to Jamaica, Brazil and the original colonies of the United States.

Africans were invaded by Aliens in big, wooden ships and colonized and re-colonized for close to 500 years.

If Donald trump wins... Black folks had better learn to fight in this lifetime. We forgot how to, when we were rump shaking in the 70's, 80's and the 90's!

Colorless people found ways to make Black people pay for their addictions to drugs. They do not want their children to pay for their addiction to drugs. At the rate of colorless children's addictions to narcotics, alcohol and dangerous legal drugs, Colorless adults might soon have a War on White Kids. They now have locks, alarms, and videos on their medicine cabinets, under sinks, cleaning supplies and

paint canisters in their garages Colorless adults may someday soon be labeling their kids as super-predators, serial killers, spree killers and junkies! The White middle class might not feel safe! Lmao!

THE NEWEST COLORED VILLAGE

Magick1010

Multiracial Village People are the people who view interracial couples, their children, and mixed race adults as members of a new, cross-cultural, multiracial "community" in the United States. They see this community as unique, distinct, and separate from other ethnic groups and communities of color. Back in the day, White people just called them Niggers or if they wanted to sound politically correct, they just called them Negroes. When poor White people felt threatened, they even called them Mongrels. It was Thomas Jefferson that coined the terms Mulatto and Octoroon for them, amongst other things.

Mixed groups branching off from Afrikan people (the ORIGINAL PEOPLE) is nothing new to the world or us. Many of our people see them as nothing new, only another group of Semites (half-this &-half- that). One difference is that they have yet to acquire any real power or borrow some of our religious principles. The major distinction is that Afrikan people will always show respect to the divine Black woman, our source of regeneration. Those that don't do have the choice of leaving our community. Let the doorknob hit

The Nubian Times

you, where the good Lord split you!

Still, the most hard-core of Multiracial Village People hold the position that all people of blended racial backgrounds should identify themselves as multiracial, no matter what.

Could they be the new Negroes of the 21st century or are they the same dawg searching for younger, kinder, gentler White Masters to bow wow for? Will they serve Global White Supremacy and try to build off the backs of Black people and receive retribution for dividing up the descendants of Afrikan people? Will they want to start playing the nationality game so their group can get some more benefits? Only time will tell if they are the best of many groups or the worst of many groups! Whatever the case, Black is still the dominant gene on this planet and ain't nothin' new under the Black Sun!

Another shout out to all my Brooklyn crew! Peace!

We are living in some strange times. Times where you cannot take for granted those of your own kind that try to work and do things with and for you. When you're in Hell and the Beast is riding on your back or eating you, always remember that the ancestors left signs and symbols that things would be this way. They also left tools so that you would be able to slay the Beast. Open all your eyes. Until you know yourself, you won't be able to use those tools.

SEE YA!
