BEWARE THE NEGRO/ RATIONALIZED INSANITY / EUROPEAN FACTS

NO NEGOES ALLOWED!

(Just In Case You Forgot)
STAFF WRITER NO. UNO

We at the Nubian Network are sorry for any inconvenience to those with virtual attitudes, but Negroes are not allowed at our web site. The Negro feels inconvenienced when he or she has to learn about their self. At times, the Negro is similar to a domesticated dog. His or her greatest comfort and existence is to serve their master. The Negro will hate and try to eliminate anyone or anything that threatens their Supreme Being!

Negroes are people that try to run from, hide and deny who and what they are. They worry about whether color-less people like them or not. Negroes are schooled and trained to higher levels of servitude to color-less people across the planet. Negroes let other people educate their children into ignorance and stupidity. They cannot comprehend that education should be higher learning and understanding of that which you have learned.

The Negro keeps thinking that he or she is going to cash some kind of promissory note from the color-less people. How are you gonna cash a bogus check you big dummy!

The Negro believes in the illusion that he or she is doing better than

those before them. The Negro believes and has faith in laws made by weak enforcers that guarantee

NEVER AGAIN!

freedom and fairness of treatment.

To the Negro, all race and color problems have been solved forever. Abolished! Will there ever be a place in Black-Time, when the NEGROES in the Americas, realize what has been done to them

Until such a time, we at the Nubian Network must question the sanity of the Negro. All we see the Negro and their leadership doing is trying to put a Black face on White power and defend white interests.

NO NEGROES ALLOWED!

THIS IS FOR MY PEOPLE

ANONYMOUS SUBMISSION

There was a Black man, a White man, a Native American Indian man, and a Latino man...all four of them were on top of a cliff discussing the difficulties that their people have gone through. The Native American Indian said: "My people have suffered the most, and in honor of what my people have gone through... I will fly myself off of this cliff in hopes that my blood will change things. So the Native American yelled out real loud saying: "THIS IS FOR MY PEOPLE" and he jumped off of the cliff.

The Latino, not wanting to be outdone, quickly looked at the other two and followed suit, yelling: "THIS IS FOR MY PEOPLE" and jumped off of the cliff as well.

The Black man was touched by this and decided it was His turn. So he yelled: THIS IS FOR MY PEOPLE..." and he pushed the WHITE MAN OFF THE CLIFF!

The Afro-American mindset and vocabulary centers on Integration, Civil Rights, Citizenship and jobs. The Euro-American mindset and vocabulary centers on Sovereignty, Independence and Statehood with absolute federal authority to either legislate or repeal Civil Rights, Integration, Citizenship and jobs. Sex is no way to make yourself indispensable. You must have a brain to make one's self indispensable. Plenty of freaks out there, but not enough people with brains to go around.

Martin Luther King's speech "I Have A Dream" was written by his white, Jewish speechwriter. Martin just brought his writings to life. We may never know if Martin really believed those words because of his un-timely death, but we do know he didn't write them. To still be overwhelmed by that speech is like believing Gladys Knight and the Pips are still waiting for the Midnight Train to Georgia" or that Otis Redding is still "Sitting on the Dock of the Bay".

Wigga GrapeVine news- What's S'up with all these teachers dating down. Are they turned on by innocent and vulnerable babies and young children or what? That's statutory rape They should go out and find themselves an "adult" child if they want sex and somebody to play with that bad. Don't get it twisted, they are still PREDATORS.

Rap music started on the street corners of the South Bronx. It started as a pastime and unique form of social expression for the poor blacks living in the tenement buildings of New York City. Today, rap is a 31 billion-dollar industry controlled by perhaps 5 white-owned record companies. It's been taken over just like jazz, like R&B, like soul, like funk, like the blues, like gospel and just like tap & buck dancing.

What dummy thinks that nobody in the South of the United States, ever traveled to the Northern or the Western parts of the United States?

The million-dollar question for this millennium...How far will African-AmeriKKKans go to be accepted into white people's culture? Will they still pull the trigger and draw down on their own kind and kill us on demand like a Buffalo soldier?

DON'T COMPETE WITH ME, INTEGRATE WITH ME!

Big ugly faces on coins and currency are a great ways to advertise White Supremacy.

Black men, women and children that can read, are more adept at staying out of jail.

American history is filled with White women causing Black men noting but pain, sorrow, tragedy, and suffering. Oftentimes death

I can't wait for King Trump to have some Town Hall Meetings! lol

Caucasoids never sympathize with their prey. They have very little, if any, humanity. Caucasoids rarely have feeling of shame or remorse. Demons have no humanity. They only duplicate humanity, when they are preying on them. So much for theater, theology and Hollyweird being a part of civilization. .

Hey Yo! You cannot call a man or women God and then have them turn around and call some white boy or white girl God. That's that Negress and Negro shy.

Some shy that Black people do, cannot be defended. So much for bleeding heart liberals or overly emotional knuckleheads.

Homosexuality is a practice where males start feeling insecure about masculinity and females start feeling insecure about femininity.

Can women be race-traitors? Watch that shaky ground many of us tend to be standing on.

Don't compete with us, integrate with us. Yeah we were that stupid.

White supremacy can steer people where they want then to go, without them even knowing it.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Whenever you let people falsify your perceptions, they destroy you mentally. You start seeing exactly what they want you to see and thinking exactly what they want you to think. It's time more of our people came back to Black reality. A part of our job at the Nubian Network's Black Consciousness Online is to make sure you are armed with

5

information from a Black perspective. Serious readers can testify that every other month we come up with diversified quotes from Afrikan scholars, teachers, warriors and leaders. While other sites offer slogans, we offer powerful thoughts and mind openers. Since it's our planet, we have to make some decisions as to how we want our world to turn. KEEP ON MOVIN!

FREEDOM

The Gospel According To

Coretta Scott King

"Struggle is a never ending process. Freedom is never really won, you earn it and win it in every generation."

ORGANIZE

The Gospel According To

Assata Shakur

"When Black people seriously organize and take up arms to fight for our liberation, there will be a lot of white people who will drop dead from no other reason than their own guilt and fear."

POWER

The Gospel According To

Dr. Wade Nobles

"The definition of power is a psychological question. It is not a military question. It is not an economic question. It's not a social question. It is a psychological

question. Power is the ability to define reality and to have other people respond to your definition as if it were their own. Our dilemma, our problem is that we allow other people to define the meaning of who we are. And once we accepted their definition we gave them power.

SOCIALIZATION PROCESS

The Gospel According To

Dr. James Small

"Whites, Jews sold Black People a Bill of Goods, a perspective on life. called Integration."

BEG FOR A JOB

The Gospel According To

Dr. Claud Anderson

"You need to build your own businesses and hire your own children. It's absolutely criminal to keep having babies and then sending them into somebody else's neighborhood and to beg for a job."

UN NATURAL HEADS

The Gospel According To

Dr. Na'im Akbar

"Any slave who began to emerge as a natural head, that is, one oriented toward survival of the whole body, was identified early and was either gotten rid of, isolated, killed or ridiculed. Unnatural heads were attached to the slave communities. They furthered the cause of the master and frustrated the cause of the slave. They are projected by the "master's" media & press".

ADDICTED TO POISON

The Gospel According To

Dr. Sebi

"The medical industry is successful because we are addicted to poison.

The Nubian Times

The medical industry is a prodigious sponsor of the food industry to the point where due to marketing strategy in the business world, the food industry now serves as a toxic/poisonous fence around our communities in order to keep disease producing items closer to us and healthier cell food feeding items far more distant from us. And the high prices for healthy food offers a balance for such devious goals."

THE FUNCTION OF RACISM

The Gospel According To

Toni Morrison

"The function, the very serious function of racism, is distraction. It keeps you from doing your work. It keeps you explaining, over and over again, your reason for being. Somebody says you have no language, so you spend twenty years proving that you do. Somebody says your head isn't shaped properly, so you have scientist workings on the fact that it is. Someone says that you have no art, so you dredge that up. Somebody says you have no kingdoms, so you dredge that up. None of that is necessary. There will always be one more thing."

DO FOR SELF

The Gospel According To

Dr. Carter G. Woodson

"History shows that it does not matter who is in power... those who have not learned to do for themselves and have to depend solely on others never obtain any more rights or privileges in the end than they had in the beginning." -

THE WARRIOR

The Gospel According To

An-Nasr Amin

6

"I am not a warrior because I will **fight** for my own children, I am a warrior because I will fight for yours."

RACISM- A FEELING OF HATRED

The Gospel According To
Dr. Amos Wilson

"**You** must recognize that racism is not an attitude. It is not a feeling of hatred toward another people. You must understand that racism and white supremacy is in the very structures and values of the institutions of the society itself. And until you resolve and change those structures and attitudes and values you will always be under the bottom."

WE NEED THAT FIRE

The Gospel According To
Frederick Douglass

"**I**t is not light that we need, but fire; it is not the gentle shower, but thunder. We need the storm, the whirlwind, and the earthquake."

THE BOULE'

The Gospel According To
Mbwebe Aja Ishangi

"One of the problems that we **should** have with the Boule' and the other 8 colleges frats and sororities is that they falsely acknowledge the Greeks as the founders of civilization. We of course know this is a lie."

GAY RIGHTS?

The Gospel According To
Dr. Kwame Ture

"**I** am an Afrikan. I know my culture and I stand on it. No one will confuse me. Look carefully at your culture. Understand properly your culture, otherwise, you get confused. The problem of gay

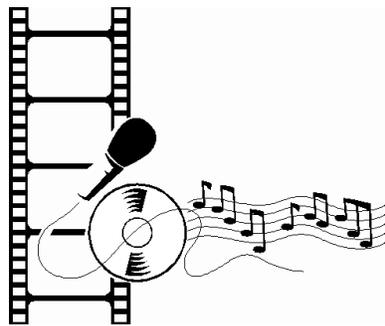

rights is a problem of tolerance towards homosexuality. In the Afrikan community, you have never heard of anyone of us bashing in the head of any homosexual. Gay rights is certainly a legitimate problem in the European community, because of the intolerance of that culture, but the Afrikan culture is extremely tolerant.

BETRAYAL

The Gospel According to
Dr. Kwame Ture

"**O**f course the logical conclusion must be clear...Since the people shed the blood for these positions, these positions do not belong to the individuals who occupy them...these positions belong only to the masses of the people."

"**T**he political conclusion must also be clear...Anytime you use this position which has been gained by the blood of the people, not for the people, but for your self, for your own individual interest, you have already betrayed the blood of the people."

WHEN TRUTH COMES, YOU BETTER LISTEN

Lauryn Hill

"**T**ruth comes, but we can't hear it, how can we hear it, when we've been programmed to fear it!"

ATOMIC DOG

George Clinton

The Nubian Times

Yeah, this is a story of a famous dog
For the dog that chases its tail will be dizzy
These are clapping dogs, rhythmic dogs
Harmonic dogs, house dogs, street dogs
Dog of the world unite
Dancin' dogs
Yeah
Countin' dogs, funky dogs
Nasty dogs

WHEN DOVES CRY

Prince

How can you just leave me standing?
Alone in a world that's so cold?
Maybe I'm just too demanding
Maybe I'm just like my father too bold
Maybe you're just like my mother
She's never satisfied
Why do we scream at each other
This is what it sounds like
When doves cry

POISON

Let's cure it 'cause we're running out of time
It's oh, so (beautifuuuuuuuuul)

It's all so (deadllllllllly)
When love is not together from the heart

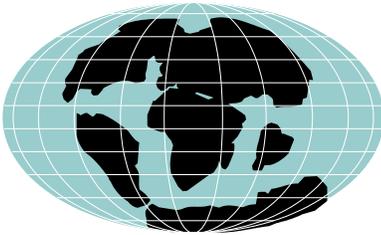

NUBIANS ARE AFRIKANS

The Gospel According to
Dr. Ivan Van Sertima

"**T**here is absolutely no doubt that the ancient Egyptian civilization was overwhelmingly Afrikan. They have found the kingdom of TA-SETI in the Nile Valley, where all the major elements, political and

religious elements, spring out of the South of Egypt. Spring out of the Nubian world, at Qustul in Nubia. Where we have about a dozen black kings reigning before the first Egyptian dynasty. Even the hieroglyphs, the writing system of the Egyptians, we find has its roots in the Sudan. So that as the Afrikans move up from Nubia, they go into Egypt. So that we find Afrikans, not only in the evening of Egyptian civilization, but in its very dawn."

"And we find them also in the noon dynasties. This is very important to understand because the Egyptian thing, the Egyptian miracle, was to not only touch Europe, not only to touch Asia, but was to stretch out and touch America as well!"

CONSCIOUS RAISING

The Gospel According To

Dr. William Mackey

"You can't be about conscious raising all of us without stepping on some toes. And the reason that a lot of toes get stepped on is because we've been so programmed to be naïve, programmed not to think, programmed to take certain things for granted, because we are afraid to look at things."

I GLORIFY BLACKNESS

The Gospel According To

Runoko Rashidi

"Yes, I glorify Blackness. I love it. I love it in all its shade from light Black to blue Black. Black, Black, Black. I relish it. It is me. I love it. And I make no apologies for it. I glorify Blackness."

THE NEGROES HATRED

The Gospel According to

Mwalimu K. Bomani Baruti

"Most warriors do not understand the enormity of Negro fears and the hatred they hold in their menticial hearts towards us for not helping them make Europeans love us. The Negroes hatred of us is not the same as Yurugu's. It's far worst. "

RACE TRAITORS

The Gospel According To

Marcus Garvey

"The traitor of other races is generally confined to the mediocre or irresponsible individual, but unfortunately, the traitors among the Negro race are generally to be found among the men higher placed in society, the fellows who call themselves leaders. The man who will compromise rights of his race can be classified in no other way than that of a traitor also."

THE NAGA

The Gospel According To

Dr. Clyde Winters

"Ethiopians have had very intimate relations with Indians. In fact, in antiquity the Ethiopians ruled much of India. These Ethiopians were called the Naga. It was the Naga who created Sanskrit."

AFRIKAN NATIONALISM

The Gospel According to

Dr. Jacob Carruthers

"Afrocentricity and African nationalism disturbs the European status quo. It shatters their delusional self-image as civilized, highly evolved beings. The truth of the African origin of both humanity, civilization and high culture blasts the very foundation of Eurocentric white supremacist

The Nubian Times

historiography. That all humans came from black skinned Africans shocks and traumatizes the sensibilities of most whites."

BLACK FACTS

**All knowledge is rooted in
reality**

Many Africans that have left Africa, have put down roots in other lands and never returned. They are still Africans.

If you are Black and sane, your God is Black.

Wherever there is oppression there is resistance, even if you don't detect it with the naked eye.

Our ancient ancestors established behavioral ethics based on gender differences. This ethical behavior came about as a result of intelligent, harmonious inter-relationships with natural law.

The difference between a religious person and a spiritual person is that the religious person cannot manifest the creator within them.

The oldest and most noted statue in the world bears the face of a Negro. It is the Sphinx of Gizeh, which was worshipped as Horus, or Harmachis, the Sun-God of Light and Life. It was erected about 5,000 BC.

Africans do not stand still. They move from East Africa to West Africa if their heart so desires. They move from the Nile Valley, to Southern Africa, maybe to the Indus Valley or perhaps China, Europe or the Americas. DNA test don't work too good on Africans. We stay mobile.

To people of color, the terms faggot or lesbian don't always have anything to do with sex, but always have something to do with weak!

The womb is Black and becomes Blacker doing pregnancy.

Africans invented the wheel, long before they created mankind.

Every time a Queen was on the throne in Afrika and Afrika was attacked, there was no compromise.

On returning home to the United States, after fighting for freedom abroad, Black veterans were often harassed and subjected to violence and discrimination.

In the United States, the Northern states were not against chattel slavery, but only against the Trans-Atlantic slave trade.

Blacks in the US have no elected officials in their own communities. They only participate in general elections. They do not govern themselves. They do not educate themselves.

More Blacks fought with the British than on the side of the Colonist- 25,000 former slaves departed the U.S. with the British army in 1781-83.

In Hawaii, an aggrieved indigenous population is demanding a change

The Nubian Times

after a century of U.S. rule.

Virtually all Native Hawaiians want to repair or even reverse what they see as the unjust and illegal U.S. military-backed overthrow of the Hawaiian monarchy in 1893.

Africans come from a worldview where the collective has the highest value.

Sixty-seven percent of all hate crimes in America are against Blacks.

Jim Crow Laws developed in the North, not the South.

Most Black murders in the United States Black communities occur within 500 feet of a liquor store.

In order for America to get rich, Africans had to be exploited. In order for America to remain rich, Africans must be exploited.

The overwhelming majority of Black men do not want White women no matter what you see on television.

The overwhelming majority of Black women do not want White men no matter what you see on television.

Africans existed before Caucasians and Black people will exist when all Caucasians will be is a fleeting moment.

Black people and color-less people do not vibrate at the same frequency.

To Africans spirituality is above religion, above science, above social greeds and above holy books.

No Afrikan has to apologize for colonization or slavery. Everything Indo-Europeans did to members of our race-family, they had already done to their own people.

Your Nubian mother is your first programmer. She has been given

the power to be teacher of both male and female.

In Kemet, ancient Egypt, women were held in high esteem and were not regarded as sexual playthings for the ruling elite.

Black people reward people that do us in & punish people that stand up for their community. This makes it profitable to do Black people in. When people stand-up for us, we get amnesia.

BEWARE THE NEGRO

(The AUTHENTIC Negro)

Re-Submitted by MACK THE KNIFE

My slant on the Negro is that the Authentic Negroes are people that feel White people, with all their games and toys, are superior to Black people. The Authentic Negro has developed themselves a comfort zone in White Supremacy. Negroes feel that they are the exception to the "One Drop of Black Blood" rule and they feel successful when they can get white people to clap, like them, and give them some money for abandoning Black people and Black institutions. Negroes take integration serious and pray they benefit from it, to the detriment of everything African and the benefit of everything European.

Negroes are the paid servants of white people. These colored folks like seeing themselves as mere spectators as the march of humanity goes by. They have no sense of seeing themselves as part of the historical world. They claim they are everything but an African. Their primary task is to put-down any plans Black people as Afrikans have of liberating themselves from white boys and girls. They are very "slick" with their tasks, so as not to be obvious and to fit in with any

affairs African people might have. Negroes boycott Black business and set-up fake organizations to keep the masses of Black people UN-balanced.

Authentic Negroes are the jokesters that White people (Europeans) assign to be the leadership of African people. Today, TV, film and radio are major tools where Negroes are employed and used to do their dirty rat deeds. Most of what they do is cosmetic. They talk off the top of their heads and try to speak impressively, not saying much of anything. If you really listen with deep thought, you'll find that the Negro is talking backwards.

The Negro is more dangerous to Afrikans, because we have a traitor in our ranks. In most cases, this traitor longs to be white, live with Whites and sees White people as beautiful and righteous. The betrayer sees all Black people as ugly and dumb. Like their white brethren, they have a need for greed, class and human exploitation.

The Negroes counterpart is the Negress. She is more deadly than the Negro is. She has been known to prey more on our Afrikan senses and has infiltrated our learning systems. Her major mission is to keep our warriors effeminate.

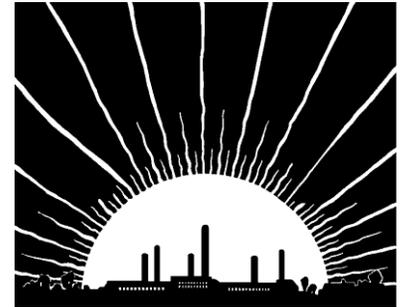

To the Negro, education only means "job training" and continued human bondage to white people. You can always tell the **authentic** and **genuine** Negro by the way he let's white people have power over him or her in all situations, from cradle to grave. If no whites are around, they still protect them or pursue them. They long for their directions. What they do lessens our humanity.

We all must learn to identify the Negro. Time is of the essence. The Negro has infiltrated our homes, our families, our churches and our

The Nubian Times

minds. We must purge ourselves of all Negro behaviors or our efforts at liberation will continue to be hindered. Let **NEGRO** go! That was never an Afrikan way of life!

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

An intricate part of Roman Gladiator Games, were the public execution of men and women.

Today in the United States, sodomy is primarily defined as oral or anal sex between two men or two women. Sodomy is most commonly legally defined as any contact between the genitals of one person, and the mouth or anus of another. The word has its origins in the Caucasian form of Christianity. It is sometimes used to mean sexual deviation. In medieval Europe, intercourse between a male field worker and a noble woman was legally considered "sodomy," as it was thought to cause a poor harvest. The history of the concept of sodomy is tied to the European Church and European culture in most every case.

Scotland has a Valium problem of epidemic proportion.

In the United States, one in 25 hospital patients are estimated to have at least one hospital-acquired infection, according to the US Centers for Disease Control and Prevention.

10

Sexual acts with animals is now legal in Canada, as long as there is no penetration.

Euro-America's greatest asset today is the unquestionable loyalty and labor of near-50 million Blacks now firmly under their sovereign authority.

In the United States, more people are on drugs, legal or illegal, than any other country in the world, at any given time.

Top over the counter and Internet drugs or medications used by Caucasians for **Male Problems** exclusively: **Viagra** (erectile dysfunction) and **Propecia** (hair loss). Both have side effects, may not work and may have been seen advertised on TV, with no satisfaction guarantee.

Prescription drugs now kill more people in the U.S. than heroin and cocaine combined.

Animal brothels are now trending in Germany.

A person that drinks alcohol daily will be considered a well adopted individual in Caucasian dominated societies, where alcohol consumption is not only allowed, but also expected.

The world's longest human conflict in history is considered the war between the Romans and the Persians, which lasted for 721 years.

The average person in America eats 60 pigs in their lifetime. The average person in America eats 45 cows in their lifetime. **A WHOLE FARM!**

Weapons created by Caucasian cultures (missiles, bullets, cannons, and guns) always resemble male sex organs.

SO-CALLED STEALING

The Gospel According To

John Wayne

"**I** believe in white supremacy, until the blacks are educated to a point of responsibility. I don't believe giving authority and positions of leadership and judgment to irresponsible people. I don't feel we did wrong in taking this great country away from Native Americans. Our so-called stealing of this country from them was just a matter of survival. There were great numbers of people who needed new land, and the Indians were selfishly trying to keep it for themselves."

Hey boy you better bring the chick around
To the sad truth the dirty lowdown
