## Black Folks Taking Over the U.S.A?

Reprint Divine1on1

**B**lack people are taking over the United States.

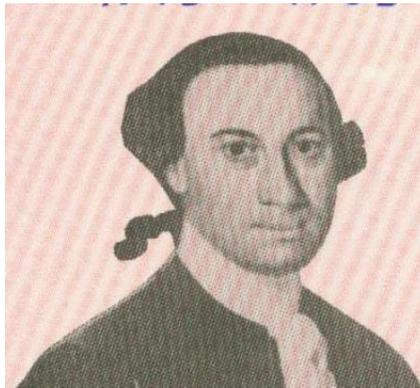

Everywhere you turn you see young, old, dark, and light Black faces, vying to do whatever they must do to change or improve the situation for people of color on this continent. (The Americas)

When I speak of Black people, I am referring to people of color globally. Those who don't know the Americas are divided into black and white are in denial or just plain uninformed. I think denial is the better description. Later for all the phony geographic lines, the phony religious garbage, silly ethnic nonsense, and multi-cultural bull shit. We Be One Love! Brothers and sisters done been gone global.

Even though there are a few Negroes assigned by whites to lead us into temptation and deliver us to evil, most peeps be trying to keep it real. Even an Uncle Tom or Aunt Jemima has to stop kissing and hugging ass sometimes! Yeah, we in some deep shit, but that doesn't mean you stop struggling to release yourself. Those that cannot see the good in Black folks have been looking at too much TV and reading too many dam propaganda papers, books, and magazines published by the enemy. You had

best get in touch with your peeps again

As we are well into white people's

BURIES WHATEVER  
KEEPS WHITE PRIVILEGE  
ALIVE AND WELL, THEN  
“PARTIES” HARDY!**

new millennium, it's plain to see the United States is spiraling towards oblivion. While white people are craving for nostalgia and making up heroes, we the peeps are recovering from “me, myself and I alone” programming. The more people of color talk about family, crews, and just plain organizing, the more white people and their flunkies want to talk about gangs, criminals, and war crimes. This is only after they went all violent and buck wild on us. What goes around comes around! Payback really is a bitch.

White people don't want payback for what they do or what the people that represent them put into play. It

seems that no white people want to admit to or be judged at any time for criminal behavior. They fail to realize that the ancestors are now on their ass. The ancestors have turned their nasty dawgs loose on them. They ain't gonna have no more babies, ain't gonna be able to function properly sexually and their hair gonna keep falling out. What children white people do have will betray them trying to save their asses!

As the white way of life disappears, let us not forget we must remember to stand strong and show some respect and love to each other. I suggest we set this party off quickly by coming together in more ways than funerals, prayer meetings, voting booths, amusement parks, and dumbass TV shows. How about some peaceful family gatherings, with the elders helping to keep it real?

Of course, Black folks are taking over the USA. We are filling up the ranks of essential professionals, managers, investors, owners, and entrepreneurs. Did anyone think that people of color would work for white folks for free forever? Did you think people of color would accept 2<sup>nd</sup> class citizenship forever? You must be buggin' & trippin'!

**This only refers to Black people that are not stuck on stupid and white supremacy!**

# THE GOSPEL ACCORDING TO AFRIKANS

## (OUR STORY)

**It's time for young people to organize and start solving some of their own people's problems. As a people, we can no longer tolerate the I, I, I, Me, Me, Me mentalities left behind by White Negroes, Crack Heads, Civil Rights cronies, and the Betrayers within the race. Voices have to rise and continue to point some of these clowns and anti-African, bad institutions out! All skin folk ain't kinfolk. Everything you think is Black, may be nothing more than a shadow. That includes those on the inside as well as those on the outside of our race-family As a people, we need a good cleaning out!**

## WHERE NOT TO START

The Gospel According To  
Dr. John Henrik Clarke

"If you start your history with enslavement, then everything else will look like progress."

## THE WHOLE TRUTH

**M. L. KING Jr.**

The Gospel According To  
Bernice King

"Please don't act like everyone loved my father. He was assassinated. A 1967 poll reflected that he was one of the most hated men in America. Most hated! Many who quote him now and evoke him to deter justice today would likely hate, and may already hate, the authentic King.

## WISHFUL THINKING

The Gospel According To  
Dr. Yosef ben-Jochannan

"Integration and amalgamation of the races are in fact exercises in fatalism and wishful thinking. Why? Because there was never a time in the history of man where the slave masters of one group ever voluntarily let the other group become it's equal under the same government while the slave masters still remained in control."

## LOVE TO BE DOMINATED

The Gospel According To  
Dr. Frances Cress Welsing

"The highest desire, under white supremacy programming, is to be loved and validated by a white person. So the white person who is acting counter to white genetic survival by engaging in sexual activity with the nonwhite person is actually achieving a greater goal: the goal of domination. The non-white person's mind has been turned against their own interests...the nonwhite person has to turn against the interests of other nonwhite persons to protect the

## The Nubian Times

interests of the white person they're in bed with. That means the white person is the dominant person, no matter who's on top or bottom in the act of sexual intercourse."

## ESCAPISM

The Gospel According To  
Dr. Amos Wilson

"We love somebody who doesn't remind us of ourselves. We give our love to those who offer an escape from that which we hate. And that's why we will love our enemies if those enemies can take us away from ourselves. That's why we love our overeating, we love our over-sexing, We love our drugs. We love what? Anything that takes us away from our situation... We love it!"

## BLACK INTELLIGENCE

The Gospel According To  
Dr. Amos Wilson

"Intelligence must be defined in terms of the degree in which it solves your problems. The nature of education today prepares you to solve their problems and not your own. That's why you study their books, you go to their schools, you learn their information, their language, their styles, their perceptions, so when you come out of school you can do a humdinger of a job-solving European's problems, but you can't solve your own. And then you dare call yourself "intelligent"? C'mon..."

## MENTAL MURDER

The Gospel According To  
Cheikh Anta Diop

"Imperialism, like the prehistoric hunter, first killed the being spiritually and culturally, before trying to eliminate it physically. The negation of the history and intellectual accomplishments of black Africans was cultural, mental

### 3

murder, which preceded and paved the way for their genocide here and there in the world."

#### OUR ANCESTORS

The Gospel According To

Cheikh Anta Diop

"The ancestors of the Blacks, who today live mainly in Black Africa, were the first to invent mathematics, astronomy, the calendar, sciences in general, arts, religion, agriculture, social organization, medicine, writing techniques, and architecture."

#### IMPOTENCE

The Gospel According To

Dr. Sebi

"All the fat that we have been eating over the years begins to clog the penis and prostate gland. Being impotent at age 30, he says he had an erection on his 29<sup>th</sup> day of fasting. Fasting gives the body the opportunity to drain itself of the buildup of calcification, cholesterol, triglycerides, and all the rest. The orifice of the penis is spongy; It needs blood to flow but the orifices are clogged. Fasting will help it drain out.

#### TESTED

The Gospel According To

Booty Adams

"Every day you are tested. When you wake and rise you are tested. You are challenged. Life is not a trip, but it is a journey. The day you are not tested, is the day that you are dead. Count your blessings!"

#### RESEARCH

The Gospel According To

Booty Adams

"It's called research. It won't improve your credit score or get you a job, but at least you'll know a

lot more about what you are worth as a human being."

#### DIRTY WORK

The Gospel According To

Credo Mutwa

"I weep even now when Eurocentric education is being fed to our children. Fed in order to make them Afrophobes; creatures that hate and despise their Motherland, which look down in contempt upon their own people, because that is what all European educated Black people do. They despise Africa and all she stands for. And they are in contempt of the culture of her people."

"They are even now doing the colonists dirty work for them because if you want to destroy the culture of a nation, you must brainwash the youth of that nation and make them do your dirty work for you."

#### STOP BEING INHUMAN

The Gospel According To

Eldridge Cleaver

"You don't have to teach people how to be human. You have to teach them how to stop being inhuman."

#### BLACK WOMEN

The Gospel According To

Fannie Lou Hamer

"The only thing you have to be that's important in life...is just go on being your own normal, Black, beautiful selves as women, as human beings."

#### NEVER CONFUSE

The Gospel According To

Dr. Boyce Watkins

"Never confuse white acceptance with Black success. Votes, money, or awards from your oppressor and

## The Nubian Times

being on TV doesn't mean you're actually done anything for the Black community. Integration and assimilation may inspire celebration, but that's not the same as Black Power."

#### BLACK TEACHERS

The Gospel According to

Dr. Boyce Watkins

"Black children should be educated by Black teachers. You should never let descendants of slavery be taught that slave owners are their greatest heroes."

#### THE GREATEST HOPE

The Gospel According To

Mary McLeod Bethune

"I believe that the greatest hope for the development of my race lies in training our women thoroughly and practically."

#### DERANGED PEOPLE

The Gospel According To

Colin Powell

"We have come to live in a society based on insults, on lies, and things that just aren't true. It creates an environment where deranged people feel empowered."

#### LAZY IMMIGRANTS

The Gospel According To

Colin Powell

"I don't wanna hear about "lazy immigrants" from a race of people who enslaved a whole other race of people to do all the work they didn't want to do."

#### OPPRESSION, STRESS AND WHITE SUPREMACY

The Gospel According To

Lerone Bennett Jr.

## 4

“A situation of oppression generates a high level of tensions and a great deal of frustration which is generally discharged against substitute targets, instead of the real oppressor. The oppressor feeds on this dynamic and feeds the flames of discord. And the oppressed oftentimes play into his hands by dissipating their energies in fratricide and recrimination.”

### OUR STORY VS THEIRS

The Gospel According To

Arthur Schomburg

“What you’re calling African history, Negro history- are the missing pages of World history. Read the history of the people who took you out of history, and you will find out why they were so insecure that they had to take you out of history, why they could not stand for your history to compete with theirs.”

### REAL LEADERS

The Gospel According to

H. Khalif Khalifah

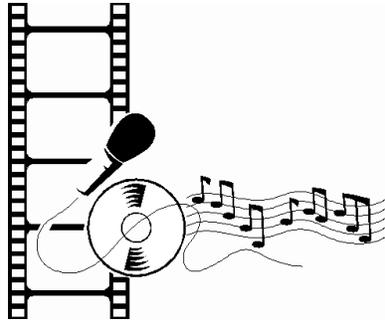

“This is the challenge to all who claim to be successful: we must find and practice ways that share the knowledge, understanding, and wisdom with our people. Those with the wisdom must lead the way.”

following these white liberals that  
have perpetuated the problems that  
Negroes have. If the Negro wasn’t

a long period of time without  
keeping them confused.”

# BLACK FACTS

## All knowledge is rooted in reality

When Black folks are not satisfied  
and face extreme hardship, they are  
known to take flight and  
abandonment.

Australia is the smallest continent  
on Earth.

An estimated 10 million people  
once lived across the Amazon.

Black folks in the United States are  
not immigrants.

At least 4 carvings of lions have  
been discovered in Olmec (Xi)  
temple ruins in Central America.

The original Black Australians had  
at least 300 differing tribes and  
nations before the white man set  
foot on their shores.

Ancient Egyptians (Kamites)  
genetically modified plants for  
drought survival purposes.

1500 years after the fall of Sumeria  
and its capital city of Ur, Babylon  
came forth.

## 6

African history was interrupted by slave traders, with a heavy emphasis on chattel slavery.

Tonga was once a Black empire.

Nanna, the Moon goddess, was one of the principal deities of the Sumerians, also known as the Black Heads!.

The early Kamites and Nubians were great recyclers.

Egyptian Blue, a sacred color, was the first artificial pigment known to man.

Africans have always used plant life for their continuity.

Black people are generally happier than Europeans and their search for greed.

The Sumerians, in ancient Mesopotamia, had a principal pyramid called a **Ziggurat**. They believe that the principal gods lived in the sky.

Indigenous people believe that the land owns them, but Europeans believe that they own the land.

Cleared for timber and farming, 1/5 of Brazil's rainforest has disappeared.

Ancient Egyptians (Kamites) had 4 female rulers.

**5,000** years ago, the Kamites (ancient Egyptians) had the first billboard

In Norway, Afrikans represent the highest number of people in mental hospitals.

There are still Africans in the Americas that can't let go of the blond, blue-eyed Jesus.

One of the earliest forms of writing was the cuneiform, invented by the Sumerians; they lived in close proximity to ancient Egyptians and Nubians.

Ur, the capital city of the Sumerians, fell to the invading Elamites.

Indigenous populations that encounter European soldiers of fortune, always suffer mental pollution. Europeans with their white supremacy, consider thousands of years of Black culture and organization as nothing more than barbarism and savagery.

The ancient Egyptians used braids, hair extensions, and wigs.

## Natural treatments for Psoriatic Arthritis

## EUROPEAN FACTS

(SUBURBAN MYTHS?)

**Believe it or not!**

There is a rise of **GIRL GANGS** in the United Kingdom and the United States.

White people have never taken any Black advanced Black or African culture seriously. Caucasians only

steal and trample on traditional treasures of Black people.

The Dutch originally named Australia "New Holland".

The number one killer of

Captain Cook's navigations of the Pacific paved the way for European colonization of the indigenous people.

In reality, White people can't stand their appearance. The last thing White women want to do is reproduce that which does not look of this Earth.

Europeans created a huge, global market for stolen artifacts from ancient Egypt, which spikes the illegal diggings, looting, stealing, tomb raiding, and systematic destruction of Black civilization.

In the U.S., in the past years, at least 80,000+ people have died from opioid and alcohol abuse.

European law rewards greed.

The worldwide cocaine trade is worth at least \$500 billion a year, with 90% of the drugs coming into the U.S. are from Columbian cocoa leaves. The U.S. is the top market Demand in the highest it's ever been.

I can only tell you what it feels like

I can't breathe, but I still fight,  
while I can fight  
As long as the wrong feels right,  
it's like I'm in flight  
High off of love drunk from my  
hate  
It's like I'm huffing paint and I love  
her the more I suffer  
I suffocate and right before I'm

She resuscitates me, she fucking  
hates me  
And I love it, wait

White people worship Black  
people in secret but despise Black  
people in public.

The British banned their criminal  
classes to Botany Bay in Australia.

Caucasians use their weapons of  
mass destruction to make sure that  
nobody else has weapons of mass  
destruction to use on them.

**65,000** years ago there were no  
Europeans (Whites) in Europe,  
only Afrikan (Blacks).

**AMERICA  
IS NOT A  
COUNTRY!**

MAGICK1010

If you randomly asked 10 people,  
what country they lived in, 9 out of  
10 would say America. From  
people with doctorates and master's  
degrees to elementary school  
children, this answer would be the  
most popular recourse, but America  
is not a country. This is true, no  
matter how popular that answer

**The Nubian Times**

may seem. The United States is a  
country in North America

This brings to mind my next set of  
questions. Are the people that live  
in Canada, Americans? Are the  
people that live in Mexico,  
Americans? Are Brazilians,  
Americans? Are the people in the  
Caribbean, Americans? Are the  
people in Cuba, Americans? Can't  
we all get along? I guess the only  
time people are Americans is when  
it's time to give your life for the  
pursuit of someone else's happiness

**OH THE GAMES COLOR-  
LESS PEOPLE PLAY?****MONEY:  
GO FOR IT!**

Booty Adams

Tupac Shakur stated it very  
eloquently when he rapped, "Gotta  
be careful, can't let the evil of the  
money trap me!" He stated his  
short, life experience and was right  
on the money. Access to money,  
cash, or dead presidents is  
necessary for survival, but you  
don't let yourself do shameful and  
nonsensical things for that money.  
An addiction to the pursuit of  
money can be as dangerous as  
being on narcotics.

I know that visions of money and  
what it can buy shape the lives of  
millions of people, but brothers and  
sisters must not sacrifice their  
moral, ethical standards or commit  
criminal acts for wealth. That is not  
the Afrikan way. When you get all  
stressed out over money and what it  
can buy, you let other race families  
have too much power over you.

People with little or no money  
think that money would solve all  
their problems. Their escapades for  
money sometimes cause them to do  
some foul things to others in their  
race family. They let fear, stupidity,  
or greed put them in a place that is  
complicated to escape. All their

# 8

relations and friends lose respect for them. They burn all their bridges for money, thinking the money will give them big status or other drugs. When this happens there is no need to ask why we have homeless people!

Money will not solve most problems, so it must be put in a proper and realistic perspective. Very few people can do this. Money can neither be worshipped nor denounced. Don't let the evil of the money trap you. If you think you can react to and manage money with logic and reason. Go for it!

Good Black teachers need support. They can't be expected to teach your children and decide on the curriculum too. Nor can they be expected to start their own school.

40 to 50% of U.S. Presidents were Free-Mason.

The War in Afghanistan ain't gone nowhere. People are still being wounded and dying.

Most Muslims are of one of two denominations; Sunni (75-90%) and Shia (12-17%). Though the two main sects within Islam, Sunni and Shia, agree on most of the fundamental beliefs and practices of Islam, a bitter split between the two goes back some 14 centuries. The divide originated with a dispute over who should succeed the Prophet Muhammad as leader of the Islamic faith he introduced.

Do you know anybody that can go one day without looking at the television? Mental Illness!

Black GrapeVine news- indigenous people have never had any real "partnerships" with Europeans. That mental illness is still going around.

Missionaries and colonization go hand in hand.

At least 20 versions of the Quran exist.

Streaming service, big screen TV's and a global pandemic may make movie theaters obsolete.

Trying to be "2" people is a madness that will never leave any one person in peace.

Easter Island has over 900 carved monoliths that nobody knows who created them or why. One thing for sure, it wasn't color-less people.

Is your stimulus check a joke. Our enemies don't want it used as an investment but instead used on some wild, thoughtless spending.

## UNION JACK

Wigga news- Some Black people are under the impression that when they die, they go to another realm and become white people. You better ask somebody. This is not discussed in Black churches or in the streets. Why not?

Many of the early people living in what is now called China, had long braided hair.

Is there any doubt that the feminist and gay movements that are being pushed so readily, are government (White male) funded, targeting weak women & whatever? Have you ever seen so much confusion in your life, with opportunists on

every front? What better place for them to capitalize than the **CHURCH!** Nothing has become as theatrical, weak, ineffective, and decaying from within, as what the Church is today. Now you know that this is the last **CRACK HEAD NEWS!**

### U CAN'T SEPARATE FROM PEOPLE U EMULATE!

Having resources doesn't automatically mean that a country is stable or cannot be destabilized.

Moor Black GrapeVine news-Women, children, and elders are supposed to be protected.

The dead can't bury the dead.

If one dug into the burial sites in the United States, one could find thousands of people that were brutally, violently murdered. Would an anthropologist call them ritual sacrifices?

Kamala Harris was not elected, she was selected. Don't get it twisted Yo. She dropped out of the race due to non-support.

### PURITY OF BLOOD DOCTRINE

The only thing that makes meat taste good is when some plant seasoning is applied to it.

Europeans feel that it is their obligation to rename places already named by Black and Brown people.

When Europeans colonize indigenous people's land, they work feverously to bring in settlers and outnumber them. Then the Europeans whine and scream about democracy. Lol

Would President Obama had of been down with the Mau Mau?

Modern mason were slavers and now are failing to attract young men.

### 2 DOLLAR BILL

If you can put clever lies, half-truths, graffiti, and outright lies on a piece of paper, you can call it a Constitution or a Treaty.

Never get involved with someone who thinks you are stupid or a piece of toe-cheese.

The Black community is not a Homosexual Empire. Don't fall for the dumb shyt. If you make that choice, don't object or get bent out of shape when other people make their choice to reject your shyt! If you don't want anybody bullying you, then don't bully anybody else!

You can straighten you hair all you want to, but within two weeks your hair will go back to Afrika.

## The Nubian Times The Imbalanced Warrior

Anonymous Submitted

### Are you the Warrior?

The imbalanced warrior cannot achieve greatness by being her true self. She is only comfortable in battle. She professes to not need any help- she always has a problem to solve, or a dilemma to face. She is afraid of letting go of her masculine hard demeanor and has become so accustomed to solving things independently without help that she makes anyone that tries to assist her uncomfortable.

Spiritually, she has blocked out the Creator. She is spiritually drained because she does not fully trust in the Creator's power to heal her. She is so used to being the sister in control that she truly believes that she must shoulder the responsibilities of life alone. She only believes in the Creator conceptually. She has not truly trusted the Creator fully, in all of her affairs. Her relationship with the Creator is a reflection of her intimate relationship with herself. She does not fully trust giving or yielding to the Creator's way or help.

Emotionally, she is angry because she feels that she has to shoulder the burden all alone. She is emotionally taxed, by carrying the world on her shoulders. The weight of taking on her masculine

counterpart's duties has caused her to weigh other than herself. The baggage of excess burden clings to every cell in her body. This emotional drain causes her demeanor to be harsh and not trusting. This defensive attitude colors all of her affairs. She is burdened by taking care of others; feeling obligated to solve everyone else's problems. She never understands her purpose outside of chaos.

Mentally, she thinks that everything has to be opposed, resisted, and fought. She is unable to discern between good and bad. She believes that everyone is against her. Her thoughts are in constant attack mode. She continues to attract oppositional forces so that she can justify her position.

In relationships: The warrior teaches her child that being feminine is unnatural. This teaches children that the Creator made a mistake when creating a woman. Because the warrior is so oppositional to her natural self, it teaches her children subconsciously that it is not OK to be natural. She teaches the child to always seek a problem to solve, and the only validation that the child can find is in war.

The warrior makes family and friends uncomfortable. She does not realize that people are here because we need one another, and we are not meant to be alone. She negates family and friends' purpose of giving when she blocks out her ability to receive. This makes it extremely difficult to have a healthy relationship with her. Even though we are here to serve one another, she cuts off the natural interdependence of relationships. She emasculates her husband or male companion. The strongest man will shift his energies to be feminine to have a space in the realm of his life that he is comfortable with. Two things can not occupy the same space.

Because two masculine energies will not remain, one will shift to compensate for the missing energy. The warrior removes the man's purpose, so he shifts to her role. This unnatural process makes both resentful.

The Solution: The ego that is so entrenched on fighting every battle will not be able to fight adequately when a REAL fight comes. Your purpose is not to be a fighter. You are not validated in another person's struggle. Your true purpose is to meet the Creator. This society teaches women that we can only be effective if we act like men. You do not have to be a man to be successful sister. True power is not pretending to be someone else. Do not give your energy away by allowing external influences to control you. Stop depleting your energy by trying to be everyone's savior. True power is embracing the very nature in which the Creator created us. A woman is trusting in the Creator, softer in presentation, calm in demeanor, easy-going in conversation, nurturing in relations, supportive in goals, faithful in spirit, merciful in errors, feeling in judgment, beautiful in physical manifestation, caring in the community, and cultivating in arts and sciences. Faith is when we truly and effectively believe in the Creator. Fighting is wonderful, fight to meet the Creator on this plane of existence. Find out who you are beyond the struggle, find out who you are beyond the fight. Dear Sister, choose to live.
