FORGET ABOUT COLOR / SIKE??? / OUR STORY/ BLACK & EURO FACTS

THE GREAT LIE TESTERS! DUMB, DUMB & DUMBER!

re-Submitted by Magick1010

Negroes are the people that everybody tries their lies out on. Any group of people can tell a Negro anything and they will believe it. Negroes are the lie testers. You tell a Negro he free and he will believe you. You tell a Negro he gonna get 40 acres and a mule and he believes it. A Negro will fight you like a pit bull if you try to pull them up. You tell a Negro or a Negress they got a big nose and they'll cut off their nose and replace it with a piece of plastic. Tell a Negro their hair ain't good hair and they will fry, dye and falsify their hair. Whoever heard of putting a mop or a bunch of string on your head and wanting somebody to call you beautiful Negroes done gone loco-dumb, dumb and dumber!

Tell a Negro or Negress they gonna get jobs and they believe it. We have went from the Old Plantation to the New Plantation. Instead of picking cotton, Negroes now picking what chair they gonna tie their minds too. Most of their jobs are Civil Servants, Fast Food and Hospital (SICK PEOPLE)

Workers. The government, the FDA and the food industry guarantee they are going to be

This honorary award goes out to the great lie testers. We know you fly and slick, so you deserve another piece of paper to place beside your degree or your retirement papers!

plenty of SICK PEOPLE!

Don't think I have forgotten the prison industry. The Boss got prisoners and prison-worker-prisoners. Everybody on lock-down and the stockholders makin' money while they do their employment duties. Lights OUT!

If somebody say, "I'll work for you, Negroes think they talking about them. If somebody say, "I'll help the working people", Negroes think they talking about them. Dumb, dumb and dumber. Negroes get dem jobs on the plantation and you know they the last hired and the first fired. Negroes compete against each other to be a source of

cheap, temporary labor. Somebody gotta tell the Negroes and Negresses that the boss man wants to keep the plantation, so he will tell their dumb asses anything. Dumb, dumb and dumber. Negroes never work with anybody, but always work for somebody until they get old and the boss retires them.

If a company from another race group wants to sell their products and services to unquestioning and loyal consumers, all they have to do is put a Negro in a commercial or program it for the Negro, the great lie testers. Timberlands, Tommy Hilfiger, Nike, No-Lye Relaxer, Press-Ons and Tampons see no end in their profits.

Tell a Negro that they are going to get a good education and he'll believe it. Have the Negro read a book of backward ass lies and he'll repeat the dumb shyt over and over again to everybody he come in contact with, cause it's what Mr. Bo Bo said was true. Have the Negro read a bunch of mythology that makes him look like a fool and he wanna make sure his children read the shyt too.

Now the clincher is that you can "give" the Negro a "leader" and make up an "organization" for this "leader" to lead. Then the Negro say "Thanks Boss" and follows the "leader". Dumb, dumb and dumber! The boss presents you the NAACP, the RAINBOW, the URBAN LEAGUE, the CONGRESSIONAL BLACK CAUCUS, the CITY COUNCIL, a

few Mayors, a few Cabinet members and perhaps even a President, as long as there is no shift in power or resources. A whole bunch of leaders to lead you where dummy? You don't own anything. You are not the captain of any industry. You are afraid to stake a claim on anything of value and fight for it. Intense competition for a couple jobs, entertainment and some leftover food will do you just fine. Negroes even think a snake, lying ass white women or a chameleon, lying ass white man is going to help them or save them.
You just the great lie tester!

Our ancestors live as long as we have a Black racial consciousness. They are our main strength because they are our connection to the Creator. If you think Caucasians invented race, you are dead wrong! Don't ever think that Africans are that stupid, they didn't know the difference between species. Being Black is the most intense part of our spiritual consciousness!

Freedom of speech also includes the freedom to lie.

What kind of Negro is it that is surprised and amazed when White folks continue to have the same agenda and continue to do what they have always done?

The homosexual marriage is a Western invention. It has nothing to do with bringing "2" families together.

If all it took was reading a book to be intelligent, a lot more people would be successful and not have to worry about leeching on to a company or corporation that was already successful.

What happens if some queer, male or female, self identifies with sodomizing children?

In Detroit, 144 out of 146 gas stations are owned by Arabs.

Now White people want to have government sanctioned drug sites, where their junkies can shoot up under the supervision of a doctor or a nurse, who can administer an antidote if necessary. If a junkie zombie overdoses, the doctor or nurse can then deliver the antidote Narcan, which quickly reverses the overdose and bring the junkie zombie back to regular White life! This is their next bully job after they bully everybody about gays and trans-sexuals. Have a nice day!

Nobody has ever taught the masses of Black people group economics.

The Constitution says that the U.S. is a white nation, for people classified as white..

Black people didn't participate in the Jewish Holocaust.

Gays are fast becoming the biggest bullies, brow beaters and name callers in the U.S.

Beware, the melanin content of the African woman's fetus and her placenta makes it more adaptable for transplants and tissue mixing. One of many reasons Black women are missing.

Anyone notice the large amount of cheaply made women's heels and boots coming out of Southeast Asia. They are mass produced and flooding the market, with "designer" names and brands. They couldn't buy American if they wanted to!

Barack Obama was the 1st Black President! **SIKE!!!**

Most Black folks are not soldiers for their own cause. They believe in, have faith in and love others more than they believe in their own or themselves. You cannot love everybody until you love the God presence in yourself and your own people. Do this make sense or are you just trying to be a wussy Yo?

Back in the day, Prince was considered as much a negative image for Black folks as some of the current hip-hop artist have been considered for the past 15 or so years. Prince was the first Black entertainer to wear his "pants on the ground"!

It's bad Shawty and nobody ever really told you it was bad, because they were getting theirs! Yes, they were getting paid! Some of them still are!

The freakier an entertainer is, the more Blacks in the U.S. are prone to miss them when they pass on. What's up with Black people living in the Americas.

Negro female banter & hype news- We got to forget about race now, we got to save America. We got to forget about us now and try to save America. Gender, race, ethnicity, sexuality, none of those are important. None of these are truth. Forget about them. We got to find some way to save White people, because without White people, we aren't shy! In the past, we supported White people, because they were right, but now we got to support Obama, to make it right for White people once again. This is truth. America is truth. Forget, forget, and forget! We need change. Hillary or Trump??? A white woman or a white man???

The Black children of White slavers were not called sons and daughters. They were property to be counted and measured for economic enhancement. The next time you have a family reunion, don't forget to invite some of your long lost White siblings. With the wealth they've been handed down, they just might give your children or grand children a job!

While the corporation has the rights and responsibilities of "a legal person", its owners and shareholders are not liable for the corporation's actions. The owners of a corporation can program that corporation to be psychopathic,

Marijuana is legal and decriminalized! **SIKE!!!**

If you have a culture, you don't have to wake up in America and worry about if you are gay, lesbian, butch, homosexual, bi-sexual, tri-sexual or whatever. But if you don't have a culture or lose your cultural, you are like a fish out of water. That shouldn't be that hard to understand Boo.

Hey Yo! Why do females that claim to hate men so much, try to walk, talk and have sex like men?

GET OUT MY FACE WITH THAT BULLSHYT!

Africans cannot seriously talk about getting economic control of themselves unless they are ready to go to war with Whites. That is the reason we have stayed away from economics for so long.

If you can catch a disease, you ought to be able to catch healthy!

Public lynching of Black men, supposedly ended in 1951.

When you believe the biggest lie ever told, you can constantly be lied to on a daily basis!

President Obama calls on public schools to allow transgender students to use bathrooms matching their gender identity.. So, if a man

identifies with women, he should be able to go in the woman's toilet and relieve himself. Why is gender so important to women? Women, dykes and lesbians seem to have found their way into men's dressing rooms and lockers. What goes around, comes around! Imao3X!

During the slavery period in the United States, Black men were not allowed to love Black women and Black women were not allowed to love Black men. Love is a liability when your very person can be bought and sold.

You'll never hear a White person say that somebody died for their right to vote. They get their rights out of the barrel of a gun. They prefer freedom to bullshyt!

Peace on Earth, good will towards men! **SIKE!!!**

Black people in the U.S. don't plan to have power. They wish to leave power in someone else's hands and community.

Bill Clinton policies on homosexuality...don't tell and we won't ask. Hide in the closet and we will come get you when we need you. Now, they can hide in the woman's bathroom and feel safe!

In 2016, dudes are making conscious decisions that they were born to be sodomized.

What on Earth is a FREEDMAN or a FREEDWOMAN?

The King James version of the bible's popularity was due to the fact that the rulers of Great Britain's military power were able to force practically everyone in their hundreds of colonies throughout the entire world to adopt the "OFFICIAL BIBLE OF THE CHURCH OF ENGLAND" as "THE ONE, AND ONLY, TRUE BIBLE."

The Nubian Times

If a slaver sold just one of his female slave children to a brothel of forced prostitution, he made \$2,500 or 20 years pay. This made the mass raping and selling of kidnapped African women fun and lucrative. Though few Southerners owned slaves, they approved of this behavior so they all could "get their Freak on" with Black women.

Negroes can't let go of a blond, blue-eyed Jesus. Every other group of people in the world has their God figure in their image, particularly the man's image, except for the Negroes in the Americas. Europeans have the Negroes seeing Christ as White and that there was nothing of substance before Christ. This is a fatal condition commonly called **BLUE-EYED DISEASE!**

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

As far as we know, all the humans included in these Gospels are Black people, original people of nature, that are un-brought, un-bossed and un-paid-for.

Occasionally someone may slip through the cracks, but we are still working on being perfect Blacks. It is not our intention to be quoting

6

someone in the employment (under control) of Caucasians. That does not make one un-Black or not Black enough, but at times it does make a difference to our people who is dropping science and giving up facts. Our only intention is to help you be prepared as your Afrikan mind takes you on an Afrikan journey.

CULTURE

The Gospel According To
Dr. Wade Nobles

“Culture is to humans as water is to fish. Humans can’t exist outside of culture. So you either in your authentic culture which is African or you are in some other culture. Which could be an adopted culture. Could be an adaptation of a culture. It could be an aberrant culture. When we borrow someone else’s culture, we borrow their insanity as well. We borrow their genius, but we also borrow their insanity. And depending upon who we borrow from, the balance of genius to insanity may not be to our advantage.”

AMERICA

The Gospel According To
Sojourner Truth

“Truly, here the rich rob the poor and the poor rob each other.”

THE SPIRITUAL WARRIOR’S ROLE & QUEST

The Gospel According To
Dr. Joye Hardiman

“A spiritual warrior’s role is to protect the people, their tradition and their consciousness. A spiritual warrior’s role is to grow up, keep balance and keep trouble from coming into the community. A spiritual warrior’s role is to provide examples to the youth. A spiritual warrior’s role is to prepare for

eldership and train successors to follow them. A spiritual warrior’s role is to control anger, to combine courage and humor and exhibit grace under pressure. A spiritual warrior’s quest is for spiritual knowledge and the ability to know what is true and required of them.

A BLACK PARENT SPEAKS

The Gospel According To
Lulu R. Stroud-Johnson

“By the way, a truly 'educated' Black person is able to understand another Black person who is 'perceived' by him or her as under or un-educated. And, we should feel obligated and responsible to help or put our money towards supporting those of us who do reach out and continue the struggle. Like it or not, Black folk, not one of us got to where we are solely on our own merits...”

NO WAYS TIRED

The Gospel According To
Minister Louis Farrakhan

“You must never stop until God call you in! I ain't no ways tired. So I don't like to talk to retired people, because, I haven't met a lion yet that retired as long as he had teeth and claws. That lion is busy and we have to be busy!”

WE WANT REPARATIONS NOW

The Gospel According To
Henry Highland Garnet

“Two hundred and twenty-seven years ago the first of our injured race were brought to the shores of America. They came not with glad spirits to select their homes in the New World. They came not with their own consent, to find unmolested enjoyment of the blessings of this fruitful soil They came with broken hearts,

The Nubian Times

from their beloved native land, and were doomed to unrequited toil and deep degradation. ”

USE EVERY MEANS

The Gospel According To
Henry Highland Garnet

“Neither gods nor angels, or just men, command you to suffer for a single moment. Therefore it is your imperative duty to use every means, moral, intellectual, and physical, that promise success.”

SPEAKING THE TRUTH

The Gospel According To
Judge Mathis

“Privileged kids go to counseling, poor kids go to jail!”

EVERYBODY LOVES THAT INDIAN

The Gospel According To
Gianni Crow

“Funny how everybody loves the "Indian" that talks about the Earth, the water, harmony, feathers and spirit animals. But nobody likes the "Indian" that talks about the invasion, terrorism, murder, genocide, plundering and rape by settlers.”

TOGETHER

The Gospel According To
Fannie Lou Hamer

“Whether you have a Ph.D or NO D, we're in this bag together. And whether your from Morehouse or No House, we're still in this bag together!”

NO JUSTICE, NO PEACE!

The Gospel According To
Emiliano Zapata

“If there is no justice for the people, let there be no peace for the government.”

THE WHITE MAN (Politically Correct)

The Gospel According To
Dr. Khallid Muhammad

“Not too many people want to say the White man anymore. Very few from a podium or a TV talk show or anywhere, who will straight-up call the White man the devil. The White man is not a devil, but the devil. He is wicked by nature. He’s the no.1 murderer, the no. 1 robber, the no. 1 lyncher. The number one enslaver, the number one colonizer. He is the chief shedder of blood on the face of the planet Earth. No one has come close to equaling the shedding of blood of the White man.

THE WORST CHARACTERISTICS

The Gospel According To
Frantz Fanon

“The oppressed usually take on the worst characteristics of the oppressor.”

WHEN VIOLENCE PAYS

The Gospel According To
Frantz Fanon

“The starving peasant, outside the class system, is the first among the exploited to discover that only violence pays. For him there is no compromise, no possible coming to terms, colonization and decolonization are simply a question of relative strength.”

SLAVES STILL SLAVES?

The Gospel According To
Oscar L. Beard

“Kill or work to death 100 million Blacks or Africans then make them your so-called citizen without asking them. This was a very effective International Relations

ploy on the part of the U.S. who, in this grand manner, duped the world into believing that she had freed her slaves. What had actually occurred was that, in 1865-66 slave ownership (at least in the South) changed hands from individual slave masters to U.S. Congressional ownership. Lincoln never challenged the institution of slavery itself, nor in the North where slavery originated. Lincoln, with his Proclamation (the original not containing the word emancipation) simply used the freeing of the slaves of The Confederacy as a terroristic threat to those States or entities still at war with the Federal Government by January 1, 1863.”

HEALING HERBS

The Gospel According To
Dr. John E. Moore

“For Every Disease there is an Herb... Those of us who have no knowledge of the healing herbs in the coming age, shall be destroyed...”

BLACKONOMICS

The Gospel According To
James Clingman

“Neither this upcoming election nor any other election will set us free. Our freedom will come by building our own economic foundation, from which we can reward our friends and punish our enemies.

THE FINE BLACK WOMAN

The Gospel According To
W. E. B. Du Bois

“But what of black women? . . . I most sincerely doubt if any other race of women could have brought its fineness up through so devilish a fire.”

The Nubian Times CRIMINALIZING A RACE

The Gospel According to
Dr. Charshee McIntyre

“The English always intended to make their colonial world Anglo-Saxon, and any cultural alternatives implied terrifying negations. The presumptions of cultural superiority, the assumptions of God’s chosen people which justified their civilizing the world and proselytizing in the name of one “true” God and reaping the attendant economic benefits, all would have been negated by their acknowledging alternative world views. So the English/Europeans embarked on a process of dehumanizing the African to justify the racialistic chattel slave system they developed in the western hemisphere; and the process of regression became part of that dehumanization.”

AFRIKANS IN PRISON

The Gospel according to
Dr. Charshee McIntyre

“To distinguish the prisons from earlier jails and to suggest the essence of what the institution should be doing, these do-gooders coined a new name, penitentiaries, implying that prisoners would be taught to be penitent regarding their crimes.”

“These do-gooders created penitentiaries for the reformation of deviants. They considered free Africans in America a natural population for these new institutions that began imprisoning African males in America as far back as 1790.”

THEY WON'T TAKE ME ALIVE

The Gospel According To
Harriet Tubman

8

"There was one of two things I had a right to, liberty, or death; if I could not have one, I would have the other; for no man should take me alive.

NEVER WOUND A SNAKE

The Gospel According To
Harriet Tubman

"Never wound a snake, kill it."

OVER ACID CONDITION

The Gospel According To
Dr. Mona Harrison

"Cysts are the beginning of tumors, which lead to cancer because minerals are deficient from that part of the body. Cancer is a long period of mineral deficiency caused by an over acid condition of the body."

THE NILE VALLEY

The Gospel According To
Dr Kwame Nantambu

"Europeans were by no means the pioneer of human civilization. Half of man's recorded history had passed before anyone in Europe could read or write. The priests of Egypt began to keep written records between 4000 and 3000 B.C., but more than two thousand years later, the poems of Homer were still being circulated in the Greek city-states by word of mouth. Shortly after 3000 B.C., while the pharaohs were building the first pyramids, Europeans were creating nothing more distinguished than huge garbage heaps.

The fact of the matter is that the famous, well known Greeks (Europeans) whom we study and revere in school curricula today all studied at the feet of the ancient Egyptians-Africans in the Nile Valley, Kemet.

ZIMBABWE

The Gospel According To
Cynthia McKinney

"To any honest observer, Zimbabwe's sin is that it has taken the position to right a wrong, whose resolution has been too long overdue--to return its land to its people."

WHEN A MAN LOVES A WOMAN

Percy Sledge

When a man loves a woman
Can't keep his mind on nothing else
He'll change the world
For the good thing he has found
If she is bad, he can't see it
She can do no wrong
Turn his back on his best friend
If he put her down

STILL I RISE

Maya Angelou

"Black women have not historically stood in the pulpit, but that doesn't undermine the fact that they built the churches and maintain the pulpits."

LOVE BUDDIES

Billy Paul

You only come around
When your love comes down

The Nubian Times

Sometimes I need you
Whether your never there
I guess I got selfish ways
So I'll wait for the day
When I feel your arms around me
They surround me, they surround

Oh and love buddies that what we

Two love buddies that what we are

LITTLE RED CORVETTE

That it wouldn't last

That believes in makin' out once

GOSPEL MUSIC

Mahalia Jackson

"Gospel music is nothing but singing of good tidings - spreading the good news. It will last as long as any music because it is sung straight from the human heart."

I LOVE MY HAIR BECAUSE

Trace Ellis Ross

"I love my hair because it is a reflection of my soul. It's dense, it's kinky, it's soft, it's textured, it's difficult, it's easy and it's fun!"

THEIR EYE WERE WATCHING GOD

Zora Neale Hurston

"Ships at a distance have every man's wish on board. For some

they come in with the tide. For others they sail forever on the horizon, never out of sight, never landing until the watcher turns his eyes away in resignation, his dreams mocked to death by time. That is the life of men. Now, women forget all those things they don't want to remember and remember everything they don't want to forget. The dream is the truth. Then they act and do things accordingly."

AFRICAN RACE

The Gospel According To
Benjamin Banneker

"I am of the African race, and in the color which is natural to them of the deepest dye; and it is under a sense of the most profound gratitude to the Supreme Ruler of the Universe."

TALKING SHYT

The Gospel According To
Fidel Castro

"The U.S. will come to us to talk to us when they have a Black President and the world has a Latin American Pope."

CHUMPS

The Gospel According To
Malcolm X

"The world pushes the African around because we give the impression that we are chumps, not champs, but chumps, weaklings, falling over ourselves to follow other people rather than our own traditions."

THE NEGRO LEADER

The Gospel According To
Malcolm X

"The slave master took Tom and dressed him well, and fed him well, and even gave him a little education, a little education; gave him a long coat and a top hat and made all the other slaves look up to him. Then he used Tom to control them. The same strategy that was used in those days is used today, by the same White man. He takes a Negro, a so-called Negro, and makes him prominent, build him up, publicize him, make him a celebrity. And then he becomes a spokesman for Negroes and a Negro leader."

BOOK OF DEMONOLGY KING JAMES I

The Gospel According To
Sister Faola Ifagboyede

"King James dealt very, very highly in witchcraft. Most of us are familiar with his book the Bible, but he also wrote a book on witchcraft (The Book of Demonology). In this book he deals with the whole art of imitation and explains the Bible. The media is about imitating. Our people are under a spell at this point. So many of us will be loss along the way. If we don't get this information out to our people, we will go under."

UNITED STATES

The Gospel According To
Dr. Phil Valentine

"The society is matriarchal. This is a feminist society. Feminist thinking and psychotic society and you can see it in the way that their men act. You can always tell the specific vent of a society by the way that it wages war. There is no hand to hand anymore. It's hooded, masked, I kill you in your sleep. I

The Nubian Times

bomb you from 40,000. That's female fighting."

FEMINIZATION

The Gospel According To
Dr. Phil Valentine

"Feminization is what happens to a society right before it falls. At the end of every great civilization the women are outside the home, they are in the military, they don't take care of the children, homosexuality is rampant and the government is despotic. That is the end, not the beginning."

HAIR

The Gospel According To
Dr. Paul Goss

"Hair power is stronger when hair has not been exposed to elements not in harmony with nature. Hair changes that destroy and alter the original hair are not in harmony with nature."

RACE RELATIONS

The Gospel According To
Attorney Johnnie Cochran

"Race plays a part of everything in America and we need to understand that. And when we stop ducking and dodging from that, we'll be better off!"

POWER TO DENY THE TRUTH

The Gospel According To
Dr. Amos Wilson

"The virtually unchallenged social power wielded by the White supremacist establishment enables it to block out, censor, degrade and deny the truth and severely limit the dissemination of all important, positive information, ideas, ideologies, values etc relative to Afrikans, except those which are

FORGET ABOUT COLOR? HELL NO!

re-submitted by MAGICK1010

Black people that choose to forget who they are and from whence they came, easily say, "Forget About Color!" They act like the God they worship did something wrong in making the original people

The Nubian Times

BLACK. They act like the Black women that we came from, are not different from lupiderms, mutant albinos or the pale-people of the desert. These Negroes are weak and believe their need for a job, money, sex, prestige, power, a few crumbs or whatever is worth losing their dignity for and betraying the other members of their race-family. They want everybody to forget about color and become the equivalent of a SNITCH or UNCLE TOM just like them! They feel that material things will justify the betrayal of their race-family. I say, "HELL NO!!"

People of other race groups that want power and resources to expand their tribes, always tell Black people to forget their color. Other races and weak people would love for Black people to never remember their powers. Not remember where they came from and who they really are. Not to remember their trials, tribulations and what we are suppose to be about. Not to remember our relationship with the ALL MIGHTY. Other groups love when we can't remember who, what, when, where and why. Then, we as a race-family must be dependent, pretentious and stupid. FORGET, FORGET, FORGET! HELL NO!

Now Yo, this don't mean that you get Color-Struck or walk around with a Color-Complex, but you must have pride in your melanated skin no matter what kind of non-sense our enemies want to come out their mouth with. Your melanin (color) is your connection to your spirituality, that is if your brain ain't been turned backwards. Ya know what I mean?

We all should remember the stories Europeans and Negroes tell of how rival groups of Africans sold other Africans into slavery. They knew not what Europeans and Arabs had in mind, but they still violated neighboring Black people. These

12

Africans are fine examples of Blacks that forgot about color. Let this be a lesson learned. **BLACKS THAT FORGET ABOUT COLOR, WILL SELL YOU OUT!** History is repeating itself. Please remember, Blacks that Forget about Color are treacherous, **THEY WILL SELL YOU OUT!** Blacks that will forget about color, will **SELL YOU OUT!**

BLACK FACTS

All knowledge is rooted in reality

The spirit of Black folks is the only **spiritual** consciousness in the United States.

Eskimos never lost their melanin due to an Ice Age.

Most melanin dominant people carry "O" positive blood, the blood of the Profits.

Africans are multi-dimensional beings.

86% of married Black men in the U.S. are married to Black women.

Nobody has ever taken the time to teach African people that they are chemically & neurologically different than anyone else. They can raise and honor differences about everything on this planet (plants, animals) except humans.

Jim Crow Laws developed in the North, not the South.

Most Black people make the faulty assumption that Caucasians are in the Human kingdom, but Caucasians tell them the truth when they say that they are in the animal kingdom.

94% of married Black women in the U.S. are married to Black men.

Brazil has one of the largest land ownership divides in the world. An estimated 50 percent of private land is owned by 1 percent of the population.

1 in 15 Black adults in America are behind bars.

To get Africans to be slaves, they had to be detached from their culture and attached to a concept called industrial education.

There is no argument or challenge that the NUBIANS were all Black people. They are the world's oldest known monarchy, bringing forth twelve pharaohs. More Blacks fought with the British than on the side of the Colonist- 25,000 former slaves

The Nubian Times

departed the U.S. with the British army in 1781-83.

When the Caucasians first arrived in Kemet, Black high-culture was already in its decline after millions of years of civilization. Caucasian archaeologists are still studying our remains to see where we have been and trying to prepare for when we return.

Hitler weakened European Imperialism. He weakened the British, the French, the Portuguese, the Belgium's. That is how many Africans got independence.

Right after slavery ended, the Mississippi legislature enacted Black Codes which restricted the rights and freedom of movement of the freedmen. The Black Codes enacted in Mississippi and other Southern states virtually re-enslaved the freedmen. In some states any white could arrest any Black. In other states minor officials could arrest Black "vagrants" and "refractory and rebellions Negroes" and force them to work on roads and levees without pay. "Servants" in South Carolina were required to work from sunrise to sunset, to be quiet and orderly and go to bed at "reasonable hours." It was a crime in Mississippi for Blacks to own farmland; in South Carolina Blacks had to get a special license to work outside the domestic and farm laborer categories.
