## Scam of the Dollar, Money, Cash – Wake up People!!!

Posted on [November 22, 2014](#) by [MoorishNews](#)

If the Federal Reserve Note erroneously called [Money or Cash] is worthless pieces of paper per the Federal Reserve Bank publication “Modern Money Mechanics” why are Moors fighting each other for it? Did not Prophet Noble Drew Ali say “there will come a day when you will see a twenty note [dollar] bill on the floor and you will step over it”? Wake up you sleepy headed Moors, the ball is in your court – Home Rule Advantage!!!

**Is this a “Dollar”? Is this “Money” or “Cash”?**

Did you know that a dollar is a silver coin with a weight of  $371 \frac{1}{16}$  grain (24.1 g) pure or 416 grain (27.0 g) standard silver pursuant to the Coinage Act of 1791 and changing this is Treason?  
Today many people are tricked into thinking that the below is a dollar, money, or cash.  
In truth the below is an IOU or a check/note – note the two signatures. One for the maker and one for the drawer – a pre-endorsed check.  
It is a promise to pay and that is what it has always been and still is today.  
Initially the People carried their gold/silver or various gems on their body, this would make them the “Principal” / “Maker”.  
It was suggested or came about that it would be more “convenient” if a trusted being held the gold/silver or gems and only exchange them if a note was presented autographed by the Principal and for providing this service the trusted being would received a small compensation.  
Keep in mind the “note” is **NOT** the money/cash.  
After some time the writing of these notes was prepared by a chartered bank instead of hand written by the People.  
This function initially was a written contract which essentially said “When the bearer of this “note” presented it to a bank it would be exchanged for lawful money – silver or gold.  
Take a look at the below 1914 Note. The front says “Will pay to the bearer on Demand” what is it that will be paid on demand?

The back of the Note tells you. It says the following “This Note is receivable by all National and Member Banks and Federal Reserve Banks and for all Taxes, Customs and other public dues. It is Redeemable in gold on demand at the Treasury Department of the United States in the City of Washington, District of Columbia or in Gold or lawful Money at any Federal Reserve Bank.”

Even with the above writing on the Instrument it does not change the fact that this is a “Note”.  
Today it is still called a “Note” only it does not have the required contractual obligation to exchange for lawful “Money” – Today when this note is presented to a bank it is exchanged for another “Note” therefore the People are NEVER paid. And without the required contractual obligation on the instruction today the Federal Reserve Note is simply worthless pieces of paper equivalent to toilet paper.  
Today the people are further tricked with people like “Good Ole Tom” who clearly knows what is going on and all jewelry companies. They all say the same thing.  
Bring us your gold or silver and we will give you “Money”. In truth the people are giving lawful money which is the gold and/or silver and they are receiving worthless pieces of paper.  
Did you know some countries outside the UNITED STATES OF AMERICA and the Continental United States will NOT accept the Federal Reserve Note?  
But the misguided People of this continent specifically the Moors branded Negro, Colored, Black, African America, Indian, everything but Moors, they will accept these worthless pieces of paper and fight to hoard them.  
Know this: **FEDERAL RESERVE NOTES ARE NOT MONEY OR CASH, THEY ARE WHAT THEY SAY THEY ARE NOTES!!!**

### People, All People...WAKE UP!!! Your Constitutionally Secured unalienable Rights are being LIENED!!!

Posted on [July 24, 2014](#) by [MoorishNews](#)

Now the employees/corporate security guards/European males with guns of NEW YORK CITY corporation are in a slick way trying to justify their actions and move the People away from the true issue at hand...Be clear they DO NOT HAVE THE RIGHT, AUTHORITY, OR JURISDICTION to interfere with the People.

NEW YORK CITY is a corporation!!! Even is you google and find their 2004 charter it says they are a corporation doing business under the name of NEW YORK CITY.

So tell me, how does a corporation get the right to injure the people and then talk about they were well within their rights? And did so because their corporate policy, which is private and has nothing to do with the people and is treason and fraud. This corporate policy states they can arrest, make assumptions of the people free right to travel, resisting [arrest] assault of a complete stranger, alleged criminal trespass, etc.

Remember all authority MUST be delegated!!!

Now since government is created for the People, by the People, it is the People who must delegate. Not even an alleged representative can delegate and if they do the People have a right to alter any thing they are NOT in agreement with!!!

All powers are delegated from the People to the public servants.

So where in the American Constitution 1791 does it authorize any power to be delegated to a corporation who then set up alleged courts without any delegation of authority pursuant to Article III of the American Constitution 1791 that literally rape the People? Where is that in the American Constitution 1791? In other words pursuant to the 9<sup>th</sup> Bill of Rights, if it is not enumerated in the American Constitution 1791 then it is reserved to the People!!!

New York state republic, which is guaranteed pursuant to Article 4, Section 4 of the American Constitution 1791, a republican form of government, is "bound" and "obligated" to protect the People!!! Their silence when the People are injured/murdered and their liberties are grossly violated is Treason and implies they are receiving bribes to remain silent in the face of the Publicized assault on the People.

Why are those public servants, who take an Oath to the American Constitution 1791 to protect the People, silent?

Why is the United Nations, who "Mission Statement" professes to be about promoting peace around the world, silent when the last thing that is going on is peace?

## Moorish News

Why does the International Police, INTERPOL, remain silent when it is publicized that the Corporate security [Police] of these Corporations doing business as the COUNTY, CITY, TOWN, TOWNSHIP, BOROUGH, are literally murdering the People, kidnapping them and placing them in prison, which are private contractors, for profit?

Why is everyone silent!!!

But most important, why are the People silent?

Don't you see that the Mayor of all these COUNTY/CITY/TOWN/TOWNSHIP/BOROUGH are nothing more than CEO's? And your voting for corporate executives?

In the corporate world only the Board of Directors can vote in executive officers. Are you on the Board of Directors for the NEW YORK CITY corporation?

If so when was the last time you received a dividend payment? That is what members of the Board of Directors would receive however instead the People are extorted/robbed of any and all finance.

Remember when the gangs that were called organized crime syndicates received finance/income and they do not provide a product or service that was called "Racketeering"!!!

Take a look at not just NEW YORK CITY corporation but all the COUNTY/CITY/TOWN/TOWNSHIP/BOROUGH corporations. You are witnessing, live in the flesh an organized crime syndicate extorting finance from the people under the guise of "government", a violation of Title 18 section 912.

They send an extortion demand to the people and they say this is your taxes, you must pay, protection payment. They say you must turn your property over to use, however police call it a motor vehicle, however the Supreme Court identifies your car, as household goods, and if you don't go through their private process that they call the motor vehicle registration and license process, a lien on your right to travel. We will steal your stuff, kidnap you and throw you in prison and receive income because we will submit fraudulent bonds, beginning with a bail bondsman, with an expected performance that they do not unveil to you so that you can violate the alleged agreement and they can revoke the bond. Know this, any and all agreements entered into under threat, duress, and coercion are void ab initio, from its beginning.

By the way did you know that the People can never be bonded? They are NOT the public servants, they do not have an Oath to be bonded against.

The "bond" is a racket!!! They will prepare a performance bond, but they will not disclose it to you, of course this is done fraudulently by the corporations, so your creating a fraudulent contract with a corporation to do something that you do not know you are suppose to do. So

## Moorish News

when you are not privy to what you are suppose to do, naturally you are being set up to fail hence the revoking of the “bond”. Just so you know, it was all fraudulently done to begin with. And who is the person who authorized the bond? The Magistrate who pursuant to the Supreme Court has NO judicial powers, well they are not even sanctioned to be a court – so naturally that is why they have no judicial powers.

Why do they revoke the fraudulent bond? Because it is more profitable for them to broker the bond, receive income, force you against your will to work and receive income, cut off all form of communication once they kidnap you and then force you to use other colluding corporations whereby your family must first pay enormous sums of income before you can even talk and that conversation is recorded which is a violation of the People right to privacy, a violation of due process of law, a complete war against the People of the land.

Did you know that pursuant to Article I of the American Constitution 1791 only the United States Congress can write laws?

Did you know that the State/Commonwealth are not writing laws? It is the General Assembly that is writing laws. Do you know who the General Assembly is?

General Assemblies were set up around the fifteen to sixteen hundreds by Great Britain, The Dutch Republic, The Sweden Republic, and Denmark to name a few. Their purpose was to write laws relative to the commerce [product] they were permitted by treaty agreement to engage in here on this Continent. They were originally called General Corte, the name was changed to General Court, that then changed to General Assembly. There you have it. The alleged law that are today fraudulently and violently being forced on the people are foreign policies for companies today incorporated as corporations. That is a violation of the American Constitution which “bounds” the public servant to protect the People against foreign and domestic invasion. Yet is seems everyone is profiting off of the blood of the People, that’s Human Trafficking/Genocide.

With all this those public servants who took an Oath to the American Constitution 1791 remain silent? That sounds like someone is taking a bribe to remain silent!!! This war against the People of this land are publicize on the television, they publish it in their alleged newspapers, and also on the internet. They even make video and audio recording of their many acts of genocide and the public servants who took an oath to the American Constitution 1791, who receive income from the People they allege to represent are silent!!!

Someone is taking a bribe to remain silent!!!
