IMAGINE THIS Hail Becky, full of ...

Reprint from 2010

UncleJessie@plantation.org

Imagine all Black men and Black boys in the United States believing that the White woman is their Creator, Goddess and Savior. Imagine all Black men attending organized meetings and giving 10% of their income in the name of this White female. Imagine all Black men dedicating their lives and their children to do service to this White female. Imagine all Black men proclaiming that they don't need any woman any more, except for the White Queen of Queens. Imagine the image of the White Queen in all their places of worship and on the walls of all their living quarters, for the whole world to see who they praise and shout about. Imagine this image of this White Queen is

painted into their heads and this image seems to never age pass 32 or 33 years old for

BECKY, the ANNOINTED SAVIOR!

hundreds of years. Imagine all Black men proclaiming that the White Queen is a perfect image and that people shouldn't be worried about her color or image, because they know in their hearts that she is their Savior, no matter what anybody else says. Just for a moment imagine that they feel that they receive her blessing every single day. Imagine most of your Black men and sons singing and dancing on choirs in honor of the White Queen's name.

Let's imagine that the White Queen's name is Becky. Praise Becky, the Anointed One! Becky Saves! Imagine all Black men spending all their days and nights just wanting to be where Becky is and to do Becky's work. Imagine all your men and boys in white robes and gold slippers, practicing their moves to get into Heaven, where Becky sits on the Throne. That would be a site to behold. Can you imagine all Black men only reading just one book, in service to Becky, because no one is greater than Becky! Sunday would be changed to your SON DAY. All praises due to Becky! Imagine all Black men standing in line to be washed in the blood of Becky, so they can be born again. Imagine every year all Black men go out and spend all their money on gifts, gold, silver, diamonds and toys celebrating Becky's birthday. Every time certain songs are played on the radio around Becky's birthday, men get all giddy and emotional, allowing the spirit of Becky to mold and make them whole. Nobody can do them

2

like Becky can! Imagine that Becky is everything good and all that matters to all the men and to all the children. Imagine if all 13 of Becky's disciples, privileged home girls had European names like Hillary, Mary Beth, Daisy, Jo Ellen, Mindy, Molly, Katy, Betty Lou, Peggy Sue, Martha, Josie, Greta and Amy. Now, just for fun, imagine that the golden slippers are on the other feet and all the Black women and all their children are dedicated to a White male, as their Lord and Savior.

JUST IMAGINE THAT!

BLACK FACTS

All knowledge is rooted in reality

Black people are only Americans, when colorless people can use them.

Henri Point Du-Sable, the founder of the city of Chicago, Illinois was a Black man.

Valerie L. Thomas, a Black woman, is the inventor of the Illusion Transmitter, which is like a television system with the image formed in the air instead of on a flat screen. The three dimensional effect can be seen without special glasses.

The 1st Africans to be sent to the New World as slaves were not from Africa, they were from the Mediterranean. The Arabs had turned on the Africans that helped them and sold them into slavery.

To people of color, the terms faggot or lesbian don't always have anything to do with sex, but always have something to do with weak!

There are no skeletal remains anywhere on Earth, half as old as those found in Afrika. All of the ancients were melanin enriched.

If your penis was cut off during the Arab slave trade, you were called a Eunuch. Eunuchs were primarily used to guard Arab concubines.

When Europeans write Black people's history, they destroy Black people's memory.

At birth, there are more Black boys born into the world than there are Black girls.

After slavery, there were laws on the books that prevented people of color from owning businesses.

Francesco Buwato, a Black man, was the founder of the city of Brooklyn, which is currently a borough of New York city.

Brazil was the last country in the Western Hemisphere to abolish slavery, in 1888.

The homes in ancient Egypt were constructions of reeds and plastered mud, identical with those erected by the women in every part of Afrika. Women were always the principle home makers in Afrika.

Skin cancer among the Afrikan race is rare.

European history is not world history. Africans are the only people that have been on this planet since the beginning of human history.

The Nubian Times

The Negro is the weakest link for Afrikan liberation on this planet, but you cannot convince them of that. They have yet to put an army or even money where their mouths are.

Knowledge of geometry was first derived by the Greeks from ancient Egypt or Khemet.

Foreign born Latinos tend to not understand or support the invasion of Iraq or Afghanistan. Latinos born in the US at times seem supportive of the invasions.

There are still Afrikans in the Americas that can't let go of the blond, blue eyed Jesus. The disease is spreading to Africans on the continent.

We must always remind Black children that they are powerful mentally, spiritually and physically.

In Norway, Afrikans represent the highest number of people in mental hospitals.

Every Black person in the Diaspora has the right of repatriation, the right to return and settle in the homeland, in any African country of his or her choice.

Every Black person in the Diaspora has the right of citizenship in any African country of his or her choice.

Wherever there is oppression there is resistance, even if you don't detect it with the naked eye.

Most of the food grown in Afrika (cash-crops) is not eaten by Afrikans, but Europeans instead.

The overwhelming majority of Black men do not want White women no matter what you see on television.

Sappho, the six-century poetess, who has been accepted as the best poet of ancient Greece, described herself as Black, an African.

3

All African people come from the womb. None ever came from a rib.

Before 1980, Black people had very little, if any participation or experimentation with oral sex.

It was the Pharaoh Rameses II who gave that piece of Afrikan land to the Philistines now called Palestinians after he had defeated them in battle.

Modern Egypt is in Afrikan, but it is not Afrikan. Egypt has been invaded by at least 5 groups of people since it's classical Black civilization.

Hatshepsut, the only woman to be pharaoh of ancient Egypt (Kemet) had 2 children.

THIS IS FOR MY PEOPLE

ANONYMOUS SUBMISSION

There was a Black man, a White man, a Native American Indian man, and a Latino man...all four of them were on top of a cliff discussing the difficulties that their people have gone through. The Native American Indian said: "My people have suffered the most, and in honor of what my people have gone through... I will fly myself off of this cliff in hopes that my blood will change things. So the Native American yelled out real loud saying: "THIS IS FOR MY PEOPLE" and he jumped off of the cliff.

The Latino, not wanting to be outdone, quickly looked at the other two and followed suit, yelling: "THIS IS FOR MY PEOPLE" and jumped off of the cliff as well.

The Black man was touched by this and decided it was His turn. So he yelled: THIS IS FOR MY PEOPLE..." and he pushed the WHITE MAN OFF THE CLIFF!

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

The prime directives are "KNOW THYSELF" and activate "TOTAL RECALL". Nobody has to tell us where we came from and how far we have come. We can tell our own story. It is possible to spend a lot of money and go in debt on education and training, yet not know "one" thing about yourself and your kind. These quotes should open a few third eyes and spark some life force. Every month we try to get the best quotes from the best sources so our people can think & analyze critically! We work on the Collective Black Consciousness!

PRAY UNTIL YOU FAINT

The Gospel According To

Fannie Lou Hamer

"You can pray until you faint, but unless you get up and try to do something, God is not going to put it in your lap".

The Nubian Times TRAINED TO DESPISE OURSELVES

The Gospel According To

Dr. Ivan Van Sertima

"We were trained to despise ourselves and all of Africa. We felt that Africans were either primitive or semi-primitive, that they had no science and made no significant contribution to civilization. We did not know that we were looking at a looted Africa, a shattered Africa. We did not realize that there were two Africas, Africa before and after the holocausts!"

WHEN I SEE COPS

The Gospel According To

Melissa Harris-Perry

"I feel much more terror every time I see blue lights than when I think about Ebola or Isis!"

THE HISTORICAL APPROACH TO SPIRITUAL FREEDOM

The Gospel According To

Dr. Walter Williams

"Nobody on Earth, coming in human form, was born with a religion. You are not born with a religion. Your creator gave you an indwelling spirituality, but never gave you a religion. Man gave you the religion."

"There has never been men, that have ever walked the Earth in human form of any race, creed or color, by the name Jesus Christ, Profit Muhammad, Abraham, Isaac, Jacob or Moses. All religions are man made, pagan, heathen, occult religions based on mythology."

SUPERMAN

The Gospel According To

Bobby Seale

4

“We are hip to the fact that Superman never saved no Black people.”

WHERE POVERTY IS ENFORCED

The Gospel According To
Frederick Douglass

“Where justice is denied, where poverty is enforced, where ignorance prevails, and where any one class is made to feel that society is an organized conspiracy to oppress, rob and degrade them, neither persons nor property will be safe.”

THE NEGRO IN THE GHETTO

The Gospel According To
Carter G. Woodson

“If the Negro in the ghetto must be eternally fed by the hand that pushes him into the ghetto, he will never become strong enough to get out of the ghetto.”

TOO QUICK TO TRUST

The Gospel According To
Relevant

“We are too quick to forgive and so quick to trust, that our future leaders are no longer groomed by us. Our history is no longer told by us. Our products are no longer sold by us. We are psychologically accustomed to someone else being the boss. Instead of investing in us, we sell ourselves at any cost. Together we have the intelligence, talent and finances to build our communities up, but individually we have remained the product. If we continue to show our own neglect, others will never show us proper respect. And if we continue to settle for what we accept, we will never get what we expect.”

WHAT FEAR CREATES

The Gospel According To
Professor James Small

“Fear creates spiritual paralysis.”

A BURNING HOUSE

The Gospel According To
Dr. Martin Luther King

“We’ve fought long for integration. It’s looks like we’re going to get it. I think we’ll get the laws. But I’m afraid that I’ve come upon something that I don’t know quite what to do with. I’m afraid that we’re integrating into a burning house.”

THE MEDIA & POWER

The Gospel According To
Malcolm X

“The media is the most powerful entity on Earth. They have the power to make the innocent guilty and the guilty innocent. And that’s power, because they control the minds of the masses!”

NATION TIME AGAIN

The Gospel According To
Dr. Llailla O. Afrika

“Nation rise based on how healthy the nation builders are....”

MEAT & THE WORM KINGDOM

The Gospel According To
Dr. Donald Douglas Torry

“When you eat meat, all you are doing is eating worms. It’s simple and you don’t even think about it. The animal kingdom is infested with worms. The problem is the worms got to go to the toilet and their waste is deadly to your body. Our bodies capsulize their waste and then sews a tiny cocoon around it in seconds. You call it a tumor. A tumor is a capsule of waste that the

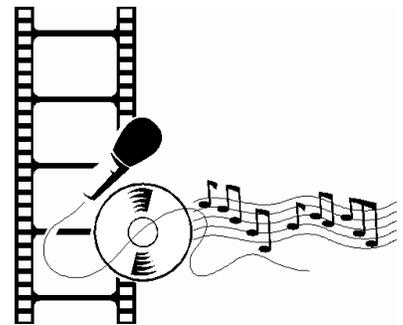

The Nubian Times

body sews to protect itself. If the tumor is cut out, dealing only with the symptom, the waste will come right back and make another tumor. You’ve got to get rid of the waste. We have so many names for when the worm kingdom takes over the body. Many diseases are only worm-disorders.”

PAWNED SOVEREIGNTY

The Gospel According To
Ezrah Aharone

“While Black America’s freedom is limited to “Civil Rights, Integration, and Citizenship,” Euro-Americans possess “Sovereignty, Independence, and Statehood.” This is by far the most consequential of all racial distinctions, because “Civil Rights” do not politically equate to the supremacy of “Sovereignty.” Neither does “Integration” confer the autonomy of “Independence.” And “Citizenship” is certainly not synonymous with “Statehood.” With the power of Sovereignty, Independence, and Statehood comes governmental authority to grant or retract Civil Rights, Integration, or Citizenship.”

YOUNGER MEN GROW OLDER

Richie Haven

Wish I was a younger man
Said the old man to the young man
Oh, I’d show you what I would do

5

That is if I could find something to do, I never did before

Because, Younger men grow older everyday

I GOTTA BE ME

Sammy Davis Jr.

Whether I'm right or whether I'm wrong

Whether I find a place in this world or never belong

I gotta be me, I've gotta be me

Who else can I be but what I am

I want to live, not merely survive

And I won't give up this dream

Of life that keeps me alive

I gotta be me, I gotta be me

The dream that I see makes me what I am

WHEN I FALL IN LOVE

Nat King Cole

When I fall in love

It will be forever

Or I'll never fall in love

In a restless world like this is

Love is ended before it's begun

And too many moonlight kisses

Seem to cool in the warmth of the sun

When I give my heart

It will be completely

Or I'll never give

My heart

THE TRUTH

Bruce lee

"A teacher is never the giver of truth; he is a guide, a pointer to the truth that each student must find for himself."

EVERYTHING IN THE MIDDLE

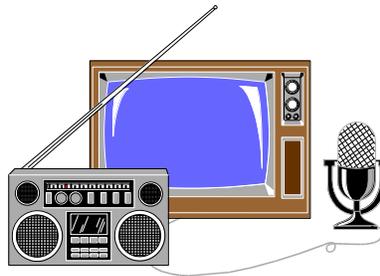

Muhammad Ali

"The White man has told you that Heaven is in the sky and Hell is underground, while he takes everything in the middle. He's got all the factories, all the hotels, power plants and all the land."

I'M NOT BLACK

Stacey Dash

"Black people are an embarrassment. They're getting food stamps and welfare for free. Black people are hopeless and uneducated. Black people need to get jobs and stop being so lazy!"

WHITE POWER VS. AFRIKANS

The Gospel According to

Dr. Arthur Lewis

"The only white-controlled country left, with any power to cause you trouble is the United States. That's your problem. The problem of Afrikan people right now is the United States government. England and France no longer have the capability any more!"

ENRICHES EUROPEANS

The Gospel According To

Dr. Amos Wilson

"Why foes the Black man say, 'Freedom is doing what I want to do!', and why is it that everything 'he wants to do' enriches the European?"

The Nubian Times

REAL POWER RELATIONSHIPS

The Gospel According To

Dr. Amos Wilson

"When you have a minority of people such as the Europeans, often to stay in power, they must recruit from the very people they oppress. Therefore, they will call up from those people, certain talented people and other types, who will then identify with their masters and help them maintain their control over the masses. This often will be called integration or desegregation. But ultimately, if you look very closely, you will notice one thing: the real power relationship between those two groups has not changed."

THE SAME GOD

The Gospel According To

Dr. John H. Clarke

"How can a slave, and his master, both worship the same God? Then both of them expect their prayers to be answered by this very same God?"

BLACK WOMEN IN AFRICA

The Gospel According To

Dr. John H. Clarke

"It was in Africa that the woman rode at the head of her army. It was in Africa that a woman headed a State for the first time. It was in Africa that a woman became a God for the first time. And you get hung up with White woman's lib, that doesn't have a dam thing to do with you at all."

GO ALONG JUST TO GET ALONG

The Gospel According To

Assata Shakur

"We gotta stop teaching each other to accept the way things are and

6

just “go along to get along”. That’s part of the reason why we are in this situation. We have too many Black people that think it’s beneficial for us to ignore our situation; not think about it, not talk about it! If we ever want to get somewhere, then we gotta make some damn noise. We can’t get comfortable”

ARE YOU

MENTALLY RETARDED?

Re-submitted by **MAGICK1010**

Do you celebrate strange people’s birthdays? Celebrate people that you don’t even know and people that could care less about you or your family? Well, if you do, you border on being mentally challenged, handicapped or mentally retarded. You need one of them stickers on the front of your car Yo.

Do you dress up like a clown or a monster every once in a while and go from house to house begging people for candy? Maybe you do it at a shopping mall or maybe at a school or a recreation center. When you don’t get the candy, you get an attitude. Don’t tell nobody Yo, but I think you done lost your mind.

Were you raised on Mickey Mouse, Goofy and Donald Duck. How about Bluto, Wimpy, Daffy, Bugs,

Bert & Barney? Maybe Miss Piggy, Kermit, Big Bird, Michael Jackson Jimmy Carter, Billy Clinton or Pee Wee Herman. Perhaps nobody is surprised when you are on Valium, Ritalin, Prozac or Crack. You know them all and got real, good grades I bet.

When it starts getting cold, do you have the sudden urge to spend all your money on junk? I mean do you get in a hypnotic trance to go to Toy R Us and every store possible to spend all your money and cheddar you haven’t earned yet, because that is a tradition. Homey, you got a problem. Could you be a **STONE COLD FOOL?**

You got any urges to vote for evil. I mean make a cognizant effort to leave your house and figure which evil you are going to vote for and hope you choose the least one. And then when either evil one wins, you ain’t got nothing to say. Homey, just thinking bout yo actions is depressing me. You mentally challenged. You mentally retarded, but most of all you is a fucking nut. Don’t ask me why they keep calling you a NYGGA!

You a colored person, you think you have arrived and been integrated with white people. You may just have to see a psychiatrist Yo. You have not been integrated, you have been assimilated and your brain can’t comprehend the difference.

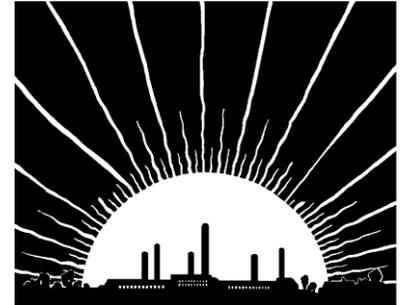

Somebody gives you the picture that in ancient days all people walked around in diapers, dusty robes and lived in houses made of mud brick with candle light. You haven’t figured out yet that you been programmed to be retarded?

In this society, on this day, we need to change the qualifications for the handicapped, the mentally challenged and the mentally retarded. Someone’s diagnosis has been dead wrong. There may be people with disabilities, but the

The Nubian Times

people we just talked about have serious problems. **THEIR BRAIN FUNCTIONS HAVE BEEN SERIOUSLY RETARDED!**

We don't think that all Black ministers, entertainers, or zealots into theatre ain't shyt. There are just too many to suit our tastes. But there are so many who are compromised and assimilated, you have to find the ones that relate to your cultural base and not someone else's cultural ways and mores! These righteous people still exist, but you have to be righteous to find them. Most religious zealots are not righteous, they just part timers!

The pursuit of happiness ain't got anything to do with being happy!

Asian American women make 79 cents, black women make 64 cents and Hispanic women make 56 cents to every dollar paid to colorless men

Some of the best recruiters for dumb shyt are girls. They use their powers of whatever to get uneducated, ignoring souls and unconscious people all tied up into shyt they can't begin to comprehend. Once you become a paying member, they get paid under the table.

Why don't Black Christians just go ahead and make homosexuality and pedophilia their lifestyles. One of them Popes said it was cool 2,000 years ago. They talk that Bible smack, but that don't hold no weight with most of them. These

Christian soldiers got somebody telling them what they can and cannot do in public and in private. Black feminist don't realize that White women have continued to develop a "Good Old Girl Network". No matter what happens, White women can still go back to their communities welding some type of power. Black women are liberating themselves from their people and their communities.

Most Europeans don't know where they came from over about 100 to 150 years ago. There socialist and historians just make something up to generally make them feel good and have a basis for white privilege.

I believe that my faith is the right faith and your faith is wrong. Let's fight, if you got any heart!

The Nubian Times

Since Black women decided to listen to White women's feminist philosophy, more Black girls have been street fighting each other and more Black women have died on the battlefields as soldiers, fighting wars that are not of their own making. Don't think you can call them freedom fighters. Some might call it liberating, if you think women are your enemy.

Common wheat harvest protocol in the U.S. is to drench the wheat field with Roundup. How you like eating glyphosate residue in your bread, flour and wheat products? Roundup is surely a toxic killer for people in the long run. Doesn't that make you sick?

Don't be telling me about unemployment is down, when homeless numbers are up, the number of boarded house are up and the numbers of unemployed soldiers the government used and threw away is off the hook. What kind of a fool do you think I am?

Dumb ass Negroes look at shyt on TV that ain't real and then wanna argue about the bullshyt!

Some Black women think they choose to be single. Nawwwwww baby girl, this ain't no post racial society. Options and choices you once had are slowly, but surely being taken away from you. You are not supposed to have a man, children or a family. Just a job if you act right! That's your career!

Look at me and I'll tell you how and why to hate other freedom fighters. I wanna be the HNIC! (Head Negro In Charge) Be careful of those whose best advice is just finger pointing.

Faith is for the weak!

If you try to tell some of these fools out here, that something they saw on television is playing with their intelligence, they want to turn around and call you dumb. Go

figure! Never mind, you can't figure stupidity out without wrecking your own brain!

Most history is not made by people that are generally liked. Oftentimes, history makers go against the grain.

When you are at war you need an enemy and someone must consider you their enemy. Only bullies make up bullshit wars!

Colorless people are "making it rain" all right. They use sulfur and other chemicals! They impact crops, food and climate.

Haven't heard anything, but we are wondering if President Obama's children still got gay friends they can play and so to school with. All kinds of gay females probably want to hook up with them. Be careful what can of worms you open!

After the last voting session, the Democrats were saying, "These Hoes Ain't Loyal!" They laid off the couple hundred people they had hired to get the Black vote. After Obama gone, we hear that Al Sharpton's MSNBC show is going to be cancelled!

Are gays and lesbians taking refuge and haven in the Black Church? I only ask because all these Christians ministers are marrying them and giving them their blessing!

Moor Black grapevine news- People get paid by the system to be Aunt Jemimas and Uncle Toms and they want a raise! So then they try to recruit you to their church, so you can be entertained and distracted at least once or twice a week. This is as if television news and shows weren't enough to keep you distracted. .

Lots of our children are having problems getting from where they are locally to finding their place with the rest of the world.

BEWARE THE NEGRO

(The AUTHENTIC Negro)

Submitted by MACK THE KNIFE

My slant on the Negro is that the Authentic Negroes are people that feel White people, with all their games and toys, are superior to Black people. The Authentic Negro has developed themselves a comfort zone in White Supremacy. Negroes feel that they are the exception to the "One Drop of Black Blood" rule and they feel successful when they can get white people to clap, like them, and give them some money for abandoning Black people and Black institutions. Negroes take integration serious and pray they benefit from it, to the detriment of everything African and the benefit of everything European.

Negroes are the paid servants of white people. These colored folks like seeing themselves as mere spectators as the march of humanity goes by. They have no sense of seeing themselves as part of the historical world. They claim they are everything but an African. Their primary task is to put-down any plans Black people as Afrikans have of liberating themselves from white boys and girls. They are very "slick" with their tasks, so as not to be obvious and to fit in with any affairs African people might have. Negroes boycott Black business and set-up fake organizations to keep the masses of Black people UN-balanced.

Authentic Negroes are the jokesters that White people (Europeans) assign to be the leadership of African people. Today, TV, film and radio are major tools where Negroes are employed and used to do their dirty rat deeds. Most of what they do is cosmetic. They talk

off the top of their heads and try to speak impressively, not saying much of anything. If you really listen with deep thought, you'll find that the Negro is talking backwards.

The Negro is more dangerous to Afrikans, because we have a traitor in our ranks. In most cases, this traitor longs to be white, live with Whites and sees White people as beautiful and righteous. The betrayer sees all Black people as ugly and dumb. Like their white brethren, they have a need for greed, class and human exploitation.

The Negroes counterpart is the Negress. She is more deadly than the Negro is. She has been known to prey more on our Afrikan senses and has infiltrated our learning systems. Her major mission is to keep our warriors effeminate.

To the Negro, education only means "job training" and continued human bondage to white people. You can always tell the **authentic** and **genuine** Negro by the way he lets white people have power over him or her in all situations, from cradle to grave. If no whites are around, they still protect them or pursue them. They long for their directions. What they do lessens our humanity.

We all must learn to identify the Negro. Time is of the essence. The Negro has infiltrated our homes, our families, our churches and our minds. We must purge ourselves of all Negro behaviors or our efforts at liberation will continue to be hindered. Let **NEGRO** go! That was never an Afrikan way of life!

SEE YA!
