DARK WHITE PEOPLE

Submitted by **Uncle Jessie 2015**

Dark White People are actually Black, Brown, Red or any person of color, that have been assimilated into the White Power structure. They don't have any real stand alone power, but they draw their wanna bee-ness from the White Supremacy system

Back in the day, they were called Black Anglo Saxons, Oreos, Negroes with Black Skin, White Masks, Greek Freaks and less frequently Over-Seers. Then Dark White people conked, processed, Jheri-curl'd or permed their hair, to fit in with White folks HAPPY LACKEY image. Today, they just have to find some White backers and they are quite comfortable with their marching orders and talking points, as long as they don't have to have an original thought of their own. Most Dark White people are supplied with a white lover, male or female, that keeps them in line and lots and lots of MASS MEDIA TIME. They have no problem giving up their kith and kin.

Dark White people have no sensitivity when it comes to Black people. Black people are foreigners and terrorist as far as they are concerned.

Dark white people are an intricate part of the **assimilation process** cast upon Black folks. They are

paid handsomely for helping their patrons implement programs and confuse Negroes or Negresses and anybody else focusing in on their rhetoric. Dark white people are not white and they are not really Black, because they despise Blacks more than any other people on the planet. They look in the mirror and see themselves as part White people, not matter how dark, the shape of the nose, lips and butt and the kind of hair that grows out of their thick skulls.

Please don't confuse Negroes with Dark White People. Negroes are just mentally challenged and confused. Dark White People have taken colorism and hatred to an all

time high. They know exactly what they are doing and double dare anybody to try and stop them or hinder their progress. As I said before, they feel like they are protected by a MASTER RACE and their police force and armies, their propaganda and their Empire!

WHAT YOU GET ME FOR CHRISTMAS NIGGRA? The Negroes Christmas List

Reposted from back in da day
Christmas was celebrated during slavery on the plantation. It was a custom generally observed throughout all the Southern states. Coloured

2

people were given a week of holiday at Christmas or the holiday was allowed to continue as long as the "Yule" log lasted. The male members of the race, and often the female members, were expected to get drunk. Coloured people would stop work the day before Christmas and you couldn't get anyone to perform any service from the time they stopped work until after the New Year. People who at other times did not use strong drink thought it was all right to bust a gut during the Christmas week. There was widespread laughter and joy going on. When the Master said it was a holiday and he wasn't working, the slaves weren't working either. For one week, no work from sun-up to sun-down. The Coloured folk were happy and thanking Jesus for that week off!

The Coloured folks made their small Christmas lists and gave gifts on the plantation. There wasn't much to give as a gift but a few pieces of sugarcane, flour and what little ration of supplies that was received for the month. The Coloured people always took a small gift up to the "Big House" for the Master and his family showing their thanks for the week off.

It must have been pathetic to see Black people attempting to get joy out of the season; with the widespread poverty and oppressive conditions they suffered living on the plantation. After the fun was over, the pleading and begging for extra rations began. The Master's reply would always be "You Niggas used all your rations celebrating the White Man's holiday, now get your ass back to dem fields Niggas".

Christmas presently is still celebrated on the plantations of the United States, except Coloured people are now Negroes. Living in post-slavery, now it is the custom of the boss (master) to give

Negroes off a ½ day Christmas Eve, a whole day Christmas day and sometimes the day after Christmas. Damn, Negroes have lost 4 ½ vacation days since slavery. During the week of Christmas, Negroes are expected to get pissy drunk, come to work drunk and not perform any productive work until after New Year's Day. The Negro, as during the time of slavery, is still laughing and cutting the fool and thanking Jesus for his or her couple of days off.

As when in slavery, after getting a couple days off, Negroes prepare to celebrate the holiday by making their Christmas list. The Negro receives wages (rations) for their labor so lots of gifts can be purchased.

At the top of the list is the White baby Jesus and his White family; a White Santa Claus ho-ho-ho-ing and a head bobbing, tail wagging, light-up reindeer out on the front lawn. If that ain't enough, up goes the red, the white and the blue waving over the white snow.

To show their continued gratitude and loyalty to their Master, the Negro shops from sun-up to sun-down, beginning the day after Thanksgiving until December 24. It ain't called Black Friday for nothing! Negroes are so programmed with spending their wages (rations) for the holiday; they will fight anybody that gets in their way of celebrating Christmas properly. The female member of the race will spend all her wages (rations) and come looking for every member in the household's wages (rations) too! Negroes believe this crazed spending will impress the Master and any other Negro that buys into the fantasy. Diamonds, gold necklaces, gold teeth, DVD players, computers, big screen TVs, expensive tennis shoes, designer clothes, leather jackets,

The Nubian Times

Barbie dolls, new cars, liquor and whatever useless junk they can buy, is on the Negroes Christmas list. The Negro will always take a gift up to the big house for the Master and his family. The Master's Christmas gift is the billions of dollars he makes in 30 days from the Negroes Christmas list.

It is a pathetic sight to see Negroes attempting to get joy out of the season, since the masses of Black people still live in poverty and under oppressive conditions. Through it all Negroes continue to find a way to give gifts and celebrate the birth of the Master's Savior

Just like during slavery, when the fun is over, it's time for begging and pleading for more wages (rations). Begging and pleading for more overtime (rations). Begging, pleading and praying for a big fat tax refund (rations). The Master's reply, "NEGROES GONNA BE MY NIGGERS FROM CRADLE TO GRAVE, JUST LIKE BACK IN THE DAY! WHAT YOU GET ME FOR CHRISTMAS NIGGRA?"

they can disrupt the power relations in the Afrikan family and therefore disrupt Black people's ability to gain power.

IMAGINE

THIS

Hail Becky, full of ...

Reprint from 2010

Ya boy Uncle jessie

Hail Becky or Hail Hillary?

Imagine all Black men and Black boys in the United States believing that the White woman is their Creator, Goddess and Savior. Imagine all Black men attending organized meetings and giving 10% of their income in the name of this White female. Imagine all

The Nubian Times

Black men dedicating their lives and their children to do service to this White female. Imagine all Black men proclaiming that they don't need any woman any more, except for the White Queen of Queens. Imagine the image of the White Queen in all their places of worship and on the walls of all their living quarters, for the whole world to see who they praise and shout about. Imagine this image of this White Queen is painted into their heads and this image seems to never age pass 32 or 33 years old for hundreds of years. Imagine all Black men proclaiming that the White Queen is a perfect image and that people shouldn't be worried about her color or image, because they know in their hearts that she is their Savior, no matter what anybody else says. Just for a moment imagine that they feel that they receive her blessing every single day. Imagine most of your Black men and sons singing and dancing on choirs in honor of the White Queen's name. Let's imagine that the White Queen's name is Becky. Praise Becky, the Anointed One! Becky Saves! Imagine all Black men spending all their days and nights just wanting to be where Becky is and to do Becky's work. Imagine all your men and boys in white robes and gold slippers, practicing their moves to get into Heaven,

4

where Becky sits on the Throne. That would be a site to behold. Can you imagine all Black men only reading just one book, in service to Becky, because no one is greater than Becky! Sunday would be changed to your SON DAY. All praises due to Becky! Imagine all Black men standing in line to be washed in the blood of Becky, so they can be born again. Imagine every year all Black men go out and spend all their money on gifts, gold, silver, diamonds and toys celebrating Becky's birthday. Every time certain songs are played on the radio around Becky's birthday, men get all giddy and emotional, allowing the spirit of Becky to mold and make them whole. Nobody can do them like Becky can! Imagine that Becky is everything good and all that matters to all the men and to all the children. Imagine if all 13 of Becky's disciples, privileged home girls had European names like Hillary, Mary Beth, Daisy, Jo Ellen, Mindy, Molly, Katy, Betty Lou, Peggy Sue, Martha, Josie, Greta and Amy. Now, just for fun, imagine that the golden slippers are on the other feet and all the Black women and all their children are dedicated to a White male, as their Lord and Savior.

JUST IMAGINE THAT!

YAPPING

Sistar Sekmet – Knight Shift

We at the Nubian Network have better things to do than to argue with other Black people, but every once in a while, a Negro breaches security. This is an abnormal situation and an abnormal person. Then we realize that we have to deal with a groupie or a person off-vibration **YAPPING** about whatever. A person that is so worried about what we do that they are into everything but a casket. This brief article is just a reminder that Negroes are not allowed on the site until February. We'll handle all and any problems, but **YAPPING** is a NO-NO! We only deal with Black people collectively as being a part of the Nubian nation, because that is how the universe is looking at our situation. If you be off-balance with us, we will gladly put you back in balance.

The Nubian Times EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Americans are just finding out that they have more men being abused than women.

European dominated countries are some of the few places on Earth where you can get trampled to death when people rush in stores to buy toys, games, appliances, electronics or television sets mostly build and distributed by Asian countries.

Color-less women are as diabolical as their male counterparts. They scheme, plot, kidnap and cold-bloodedly murder with ease. If they aren't doing the crimes, they are smart enough to know how to manipulate men into doing the crimes for them. Their crime scenes may not be as bloody as men, but in their lust for love, money and power, their victims end up just as dead.

Caucasians are the only group of people with a history of beating Black women, then turning around and having that same Black woman suckle their child.

Many Caucasians consider the Moorish invasion of Europe, 711 AD, the third great race war. The Muslim armies were collectively known as the Moors or Saracens (non-Whites), a mixture of Blacks and Semites. Spanish Jews actively

5

collaborated with the Moors during their occupation of parts of Europe. All Moors were expelled from Europe by 1492. Many of the Jews were held accountable for their behavior and persecuted.

More and more color-less people are retreating into an image based existence.

There was a partnership in East Africa between the Portuguese slave traders and the Arab slave traders.

Albinoids were born outside of Creation.

Western women throughout the world suffer from a disproportionate amount of depression; in Europe depressed women comprise close to 15% of the female population.

Americans are just finding out that their prisons re continually used to hide people with mental illnesses

Helping the poor, working folks and people of color is not the top priority of the people who set government policy for any European dominated country on the face of the Earth.

White females, the majority population for the Caucasoid race, are the largest group of homosexuals on the planet.

The Germans have supplied the Arabs with most of their food items. There is no natural food in Arabia.

Mental disorders are still on the rise in Western countries, with the most common disorders being drug and alcohol abuse.

European nations are just a few Caucasian clans that support and protect each other under the guise of a nation. These clans control over 80% of the wealth, resources and power in America.

The numbers of White, adult females that would rather be with little girls and little boys rather than be with White, adult men are on the rise.

The number one debilitating illness of the American woman is depression, with over 10 million adult women and 3 million girls also suffering from this disease.

In order for Europeans to continue to hold a place of prominence in this world, they must continue to destroy the collective memory of Afrikans.

Many White women have permanent positions as prostitutes in European society. Some are concubines and some are breeders, but none lovers to Caucasoid men. Caucasoid man's primary lover and the person he most trusts is most always another man.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Protest songs are not mainstream anymore and your current pop, hip-hop and bubble gum idols ain't saying nothing much. Far too many of our leaders, historians, teachers and the like, who

The Nubian Times

sacrificed their lives for Black people, are forgotten soon after their casket drops, lost in time to but a few. The majority of Black people have no idea who the people that live & tell our Gospel are. Take a seat and be ready. We have them here, live and in person, every month! This is our job. This is what we do with no apologies!

FUTURE MOTHERS

The Gospel According To
Mariam Makeba

Girls are the future mothers of our society, and it is important that we focus on their well being."

COWARDICE

The Gospel According To
George Jackson

"Patience has its limits. Take it too far, and its cowardice!

THE NEGROES CREED

The Gospel According To
Dr. Chancellor Williams

"Millions of Blacks have been made so wholly dependent on the white race for so many generations that they have become mentally lazy. For these, dependence has become comfortable; it frees them from the initiative, responsibility and planning required of independent free men and women. "Leave it to the white folks" has become their unspoken creed."

THE SAME EDUCATION

The Gospel According To
Carter G. Woodson

"The same educational process which inspires and stimulates the oppressor with the thought that he

6

is everything and has accomplished everything worthwhile, depresses and crushes at the same time the spark of genius in the [African] Negro by making him feel that his race does not amount to much and never will measure up to the standards of other peoples."

A REAL MAN

The Gospel According To

Minister Louis Farrakhan

"A real man don't let a woman take care of him. Can't no woman love a man that she's taking care of. You become her child."

THAT'S A FACT

The Gospel According To

Dr. John H. Clarke

"What I have learned is that a whole lot of people with degrees don't know a damn thing, and a lot of people with no degrees are brilliant."

WAR BETWEEN BLACK MEN AND WOMEN

The Gospel According To

Dr. John H. Clarke

"We can't have war between Black men and Black women, because no one can be free if one half of the mind of the people is tied up in conflict. It's going to have to be both of us or none of us!"

BLACK MEN EVERYWHERE

The Gospel According To

Runoko Rashidi

"Black man in America, you are racially profiled, the last hired and the first fired. You are discriminated against on every level. You have the highest unemployment rate and the highest rate of incarceration. You are the last one to receive justice in the

judicial system. You are even, typically, the first one to get killed in the movies! Racism underlies your entire life, from cradle to grave. Now how can you tell me, honestly, when it comes to picking a mate, that you don't believe in race, you don't see color and you can't help who you fall in love with and then call me a racist for pointing it out to you? Let's be real here!"

FACES AT THE BOTTOM OF THE WELL

The Gospel According To

Derrick Bell

"Black people will never gain full equality in this country. Even those herculean efforts we hail as successful will produce no more than temporary 'peaks of progress,' short-lived victories that slide into irrelevance as racial patterns adapt in ways that maintain white dominance. This is a hard-to-accept fact that all history verifies. We must acknowledge it, not as a sign of submission, but as an ultimate act of defiance."

THANK THE LORD FOR BEING SAVED

The Gospel According To

Chief Pontiac

"They came with a Bible and their religion, stole our land, crushed our spirit...and now tell us we should be thankful to the "Lord" for being saved!"

OUTGROWN INFORMATION

The Gospel According To

Brother Polight

"In the age of information, we shouldn't be ashamed or afraid to realize that we have to update our information and may have outgrown what we've grown accustomed to accepting!"

The Nubian Times

GUN LAWS TO DISARM

The Gospel According To

Gerald Vernon

"Black people have been programmed to think that self-defense, our defense, is someone else's responsibility- that good, honest, Black people have nothing to do with guns, because guns are for white folks, police and Black criminals. I find it to be an absurd notion. The vast majority of gun laws in American have been aimed at trying to disarm Black people.

WE ATRE AFRAID

The Gospel According To

Dr. Frances Cress Welsing

"We don't see the war being waged against us, because we don't want to and because we are afraid. We are engaging in behavior specifically designed to block out and awareness of the war—our true reality!"

SING AND PRAISE OUR OWN DEMEANMENT

The Gospel According To

Dr. Frances Cress Welsing

"We are the only people on this entire planet, who have been taught to sing and praise our demeanment! I'm a bitch! I'm a hoe. I'm a gangster. I'm a thug. I'm a dog. If you can train people to demean and degrade themselves, you can oppress them forever. You can even program them to kill themselves and they won't even understand what happened!"

INSULT TO GOD

The Gospel According To

Steven Biko

"As long as Africans emulate the Arab and the European religions and cultures, we insult the God who made us Black"

BLACK CONSCIOUSNESS

The Gospel According To
Steven Biko

“What Black Consciousness seeks to do is to produce at the output end of the process real Black people who do not regard themselves as appendages to white society.”

THE SOUTH PACIFIC

The Gospel According To
Dr. Arthur Lewis

“In the South Pacific, the European divides people into 3 categories, Melanesian, Micronesian and Polynesian, to disguise the fact that they are all Afrikan people.”

SWITCHING OVER!

The Gospel According To
Shemia Miller

“A Black man with a white woman is a Man that has lost his mind. It is un-natural for any man to want something other than himself, and something that doesn't reproduce himself. It shows that the Black man hates himself when he sleeps with a White Woman. Lions and Panthers are from the same Kingdom, however we do not see them mating and switching over. Robins and Eagles are from the Bird Family but we do not see them switching over...it is a terrible thing to see Black Men so foolish with White Women.”

TYPICAL WHITE FAMILY

The Gospel According To
Dr. Llaila O. Afrika

“Caucasian dysfunctional families are based upon mistrust (back stabbing), selfishness, rape, homosexuality, cannibalism, superstition, individualism, fear,

drug addiction and individual ownership.”

FROM THE BEGINNING

Kat Williams

“Let's stop acting like the system is failing us. The system wasn't thinking of us from the beginning!”

AN AFRICAN BRAIN

Tupac Shakur

“Don't just get an African name, get an African brain!”

I LOVE BLACK WOMEN

Redd Foxx

“I love Black women. If you see me with a white woman...I'm holding her for the police!”

CONFRONT FEAR

Lauryn Hill

“I had to confront my fears and master my every demonic though about inferiority, insecurity, or the fear of being Black, young and gifted in this Western culture.”

SLAVE TO RELIGION

The Gospel According To
Dt. John H. Clark

“Never be a slave to a religion, because that makes you a slave to the people that religion and their mind.”

MAKE RACIST SECURE

The Gospel According To
Huey P. Newton

The Nubian Times

“The policemen or soldiers are only the gun in the establishment's hand. They make the racist secure in his racism.”

CRIMINALIZING A RACE

The Gospel According To
Dr. Charshee McIntyre

“The English always intended to make their colonial world Anglo-Saxon, and any cultural alternatives implied terrifying negations. The presumptions of cultural superiority, the assumptions of God's chosen people which justified their civilizing the world and proselytizing in the name of one "true" God and reaping the attendant economic benefits, all would have been negated by their acknowledging alternative world views. So the English/Europeans embarked on a process of dehumanizing the African to justify the racialistic chattel slave system they developed in the western hemisphere; and the process of regression became part of that dehumanization.”

AFRIKANS IN PRISON

The Gospel According To
Dr. Charshee McIntyre

“To distinguish the prisons from earlier jails and to suggest the essence of what the institution should be doing, these do-gooders coined a new name, penitentiaries, implying that prisoners would be taught to be penitent regarding their crimes.”

“These do-gooders created penitentiaries for the reformation of deviants. They considered free Africans in America a natural population for these new institutions that began imprisoning African males in America as far back as 1790.”

THEIR LAWS

The Gospel According To
Malcolm X

“If White people really passed meaningful laws, it would not be necessary to pass any more laws. There are already enough laws on the law books to protect an American citizen. You only need additional laws when you’re dealing with someone that is not regarded as an American citizen.”

ISLAM MOORS!

The Gospel According To
Benjamin Banneker

“I am of the African race and in the colour which is natural to them of the deepest dye; and it is under a sense of the most profound gratitude to the Supreme Ruler of the Universe.”

AT WAR

The Gospel According To
Dr. James Small

“We are at war and there’s nothing that is being done that we shouldn’t expect, but you’ve got to inflict some harm on your enemy and let him know that you know that you are at war.”

EASTERN EUROPEANS

The Gospel According To
Dr. Arthur Lewis

“Those white human beings called Russians, went over the Aural Mountains heading East and equally did to those Asians what the Western Europeans (English,

French, Spanish, Portuguese, Germans) did to what you call America, the Caribbean, Afrika and the Pacific. In the age of European conquest (1300 to present), white Russians went in and conquered what is now parts of Pakistan, India, China, Iran, Mongolia and other areas. They killed off and exterminated those people in Asia you call Eskimos, Inu’s and people of color. They came out of Asia and they went across and conquered Alaska and almost conquered Hawaii. That’s how Russia got it’s power and strength. So you had two parallels between Western and Eastern Europeans. So you had dual conquest on both ends. So anyone who tells you that the Soviet Union is your friend...as a European look at the history and you’ll see that’s non-sense!”

GERMANS

The Gospel According To
Dr. Arthur Lewis

“When you look at the history of Europe, approximately 400 AD, a group of Europeans coming from the Northern parts of Europe, which you call Scandinavia, Sweden, Denmark, Norway, Finland and Russia, came down in a series of invasions and smashed the Roman empire. These groups of people who began this invasion were called GERMANIC people. They exterminated the Europeans who were presently there, which primarily were Romans & Celts. Three sets of the Germanic people (Angles, Saxons & Jutes) would go into what is now England or Great Britain as invaders to exterminate the Celts, who are now survived by the Irish, the Scottish, the Wales. These Germans would change their names into Englishmen. And when these Englishmen come to America, the name of these people will change to Americans. Americans are Englishmen. Englishmen are Germans. They are

The Nubian Times

Jutes, Angles and Saxons...no different than Hitler!”

“Those Europeans who now you recognize as Englishmen, Germans, French, Spanish, Italian, Russians...they’re all Germans. Racially they are the same, there is no distinction. So don’t mix them up, about one of your colonizers is better than the other!”

BAAAHAAA! All Lives Matter, until it's time to let some refugees into the country!

Jesus Christ could be any color, but the one color he could not be is White. If you look to a White Christ figure, you are just as drugged out as a CRACK HEAD.

I'M BETTER THAN ME!

If any group can solve racism, white supremacy, it has to be Black people, the original people.

If racism exists, somebody has to be practicing racism.

Hollyweird and the Entertainment Industry have always had financial incentives for Black celebrities and wanna be celebrities that will help them push the gay agenda on Brown and Black viewers. Don't be so naïve Shawty! They are coming for you to!

They are coming for you...make ready!

Remember all the old Black Queers were hiding in the closet, the public school system or the entertainment arena. I suppose they were part of the Sexual Revolution. Lots of entertainers have been playing in the closet, sandbox and whatever. Oh, you didn't know!

NUBIAN NETWORK STAFF

We at the Nubian Network & NWA have spent additional time on this paper so that it may be copied and presented to the general Black population across the planet as a "HARD COPY". Go to the copy machine and fire it up! Give the gift that will activate our MELANIN LASER PARTICLE BEAM CANON!

This gift has nothing to do with any holiday season, but has everything to do with providing Black people with weapons of information to start their year off with a BANG! We cipher it's time somebody got BANGED. Our philosophy is that it is better to throw some punches than to just always roll with the punches.

As Nubians get their roll on across the planet we figured a people that are generally non-violent must have something to fight back with. As you read you'll get the feeling that the pen is mightier than the sword and what you think will have a strong bearing on determining what kind of position we as a people put ourselves in in the future. Don't say anything to the enemy...but we taking over. One way or another!

SEE YA!
