DEVIL'S ADVOCATE / GRASS EATERS / SLAVERY ENDED/ BLACK FACTS

MAKE AMERICA GREAT... FOR WHO??

How about putting an end to police brutality and punish all and any violators without exceptions or privilege.

How about giving native and indigenous people the land that whites and immigrants stole from them, with their white supremacy invasions.

Stop playing around and impeach Donald Trump and get rid of his V.P. Pence!

How about ending the "TWO PARTY" political system and fiasco.

How about giving Black people Reparations for 500+ years of absolute agony and living in terror!

How about putting an end to racism / white supremacy with a system of justice.

How about putting a national effort into finding all missing Black women

GREAT FOR WHO?

and children.

How about putting racist out of the country and take away all and any "property" that they might own.

How about putting an end to promoting all the sexual deviancy and sexual perversions by both males, females and others.

Whether any Americans have any morals is highly questionable, if this path continues.

How about ending the harsh and extreme sentencing of Blacks in the criminal justice system.

How about having White immigrants pay a Reparations tax. When they came to the Americas running from tyranny and their own people, they knew it was a slavery nation, built upon the backs of slaves and the murdering of indigenous peoples..

How about ending government greed and corruption. Effectively monitor lobbyists and stop literally poisoning the public.

How about ending corporate greed, corruption and predatory capitalism, with some social responsibility.

How about sending European "dependents" & "useless eaters" back to Eastern & Western Europe. Put an end to white privilege.

Stop "bullying" small, defenseless countries, without calling it "terrorism".

If America only stands for savagery, barbarism and perversion, how can anybody MAKE THAT GREAT!

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

Gospel simply means "GOOD NEWS". It's good news when somebody has the nerve to take a stand for Afrikan people. It's good news when some of our own "tell it like it is"! The following scholar warriors supreme stand tall for Black people. They do us proud and provide us with some of the information and analytical knowledge we need to travel into the future. They stand for something so that you won't fall for anything, but they will only get us to a certain point. We all must stand-up for self and find a decent organization to help express concern for our people wherever they are. Black people shouldn't have to do anything alone. You want proof? **READ ON!**

DON'T TURN DOWN

The Gospel According to
Maxine Waters

"Don't let these people intimidate or scare you. You gotta get in the fight."

DONALD TRUMP

Dr. Frances Cress Welsing

"Fascism is in stage White Supremacy. I mean just like in Nazi Germany. Fascism, system of racism, white supremacy determined to survive."

THE MILITARY EXPERIENCE

The Gospel According To

Cathy Harris

"The military did two things for most soldiers back in the day and even today...it either broke them or made them, which meant if you were strong enough to make it through, you survived your ordeal and probably value your experience, but for many they were not quite so lucky because the military left them broken both spiritually and mentally."

MILITARY DIRTY LITTLE SECRETS

The Gospel According to

Cathy Harris

"However, keep in mind that the military is not for everyone, especially the weak, because they will use every tactic they have to wipe that smile off your face and break your spirit. This is just what they do."

THE ILLUSION

The Gospel According to

Dr. John H. Clarke

"Your illusion is that the possibility that you would one day be an American citizen. They didn't bring you here to make you a citizen. They brought you here to slave and to do labor. And when the machines and other immigrant

The Nubian Times

groups made your labor obsolete, they were stuck with you."

AFRIKA: SUPER POWER

The Gospel According To

Grace Walker

"Africa has a significant amount of the world's titanium, uranium, bauxite, palladium, cobalt, cocoa and coltan. If Africa pools its resources on a continental basis and uses these commodities to back its currency, it creates a viable economic base for African growth and development. This would make Africa a super power because it would then be in a position to fairly price its commodities."

NO CLASS DISTINCTION

The Gospel According To

Dr. Umar Johnson

"Class is a term that speaks to your ownership of wealth."

"We don't have class distinctions, we have cash distinctions."

FEEL GOOD STORIES

The Gospel According To

Orlando Tucker

"White people are merely mutated inbred albinos. To feel better about themselves, white people develop totally senseless propaganda to flatter themselves and to make themselves feel better about their genetic condition at the expense of people of color".

DOUBLE AGENTS- BLACK LEADERS

The Gospel According To

Attorney Alton Maddox

"The people that Black people put into office, the people that they call leaders are actually double agents. They appear to be working on your behalf, but they are in fact working

3

on white folk's behalf. That's a double agent."

PHENOTYPES

The Gospel According to
Orlando Tucker

"All phenotypes exist within the black family. Asian people are only the semi-recessive descendants of their ancestors who were a black African tribe with slanted eyes. White people are the albinos of a specific group of Africans and have inherited those people's phenotypes. They try to imply that their phenotypes were originally theirs and that if you see people of African descent with these features, they inherited them from white people. Nothing is further from the truth."

FATHER'S LOVE

The Gospel According To
Dr. Charshee McIntyre

"We need input. In every Afrikan reality, the male principle must prevail with the same respect as the female principle. The highest love is Father Love. You find a mother everywhere. Brothers, you have to go out and father your nation. And I'm not talking about husbanding. And I'm not talking about banging. I'm talking about giving up **you**. Your heart, your mind, your soul. GIVE IT UP!"

ICK YOUR LEADERS

The Gospel According to
Dr. Julia Hare

"Black folks are still allowing White folks to choose their leaders. Do you believe that Israelis would allow the Arabs to choose their leaders? The Chinese would allow the Japanese to choose their leaders for them? Would the British allow the Irish to choose their leaders? Do you think that lions would allow tigers to lead them in the

jungle? It's only Black folks who will allow others to come in and pick their leaders for them!"

CORRECT INFORMATION IS POWER

The Gospel According To
Dick Gregory

"Money is not power. Education is not power. Information is power. And if you let people give you bad information, you got bad power. We are going through some strange times and it's about information. It's not about how much money you got or how many Phd's you got, it's about how much information. Remember all them folks that put Hitler's thing together? They was educated. All them folks that put the nuclear bomb together, they was educated. All the people who have corrupted this planet, was educated. We talking information now. There's a God Consciousness that they can't touch!"

THE REAL SONS OF BYTCHES

The Gospel According To
Dr. Khallid Muhammad

"I cannot live my life according to the standards of white people. I cannot live my life according to the so-called moral codes of white people. I cannot live my life according to the so-called codes of ethics of white people, which is nothing but crap. She's a bitch. A two legged dog and an animal and a beast. And their babies are bastards. Because the white race is a bastardized nation. The illegitimate children of the Father Almighty God. The white man, her sons, are sons of bitches."

COWARDICE!

The Gospel According To

The Nubian Times

Dr. Amos Wilson

"We have a tremendous amount of power in our hands. Right here in America, we are not a weak people by any stretch of the imagination. The only weakness is in our minds and in our imaginations. That's the only place. We are not a dependent people in the material sense. Only in the psychological sense. The only thing, ladies and gentlemen, we must get over is our cowardice. That's the only thing. We can change this."

INFORMATION AGE

The Gospel According To
Dr. Amos Wilson

"We must face the reality that we are operating in an electronic communications age. While there is a place for our oral tradition, we cannot become solely dependent on the oral passing of information. We must become the generators of information and use every type of information dissemination available to us."

KNOWLEDGE AS PROPERTY

The Gospel According to
Dr. Molefi Asante

"Once the land was in the hands of the Europeans, there was a transformation in conception. They began to colonize not just the geography but the information about the land as well. Colonized information became property to them. They owned it and could interpret it, also claiming the right to exclusive interpretation".

BLACK POWER & AFRIKA

Dr. John H. Clarke

“We will have taken one giant step forward when we face this reality: Powerful people never teach powerless people how to take their power away from them.”

“Without the African connection, we are a disjointed people ...begging for entry into somebody else's house.”

LET'S GET READY TO RUMBLE!

Dr. John H. Clarke

“As an Afrikan people being truly Pan-Afrikanist, we have to have a military force that would protect Afrikan people, anyplace in the world. To do this we have to stop dividing ourselves based on islands and based on color graduation or how close we are to our white fathers. Liberation is hard. You have to get a little rough to liberate a people.”

DID YOU HEAR WHAT THEY SAID

Gill Scott Heron

Did you hear what they said,
They said another brother's dead,
They said he's dead, but he can't be buried,
They said he's dead, but he can't be buried,
Come on, come on, come on, come on
This can't be real.

Did you hear what they said,
They said, they shot him in his head,
A shot in the head to save his

country,
A shot in the head to save his country,
Come on, come on, come on, come on
This can't be real.

NATIVE NEW YORKER

Odyssey

You grew up ridin' the subways,
running with people
Up in Harlem, down on Broadway
You're no tramp, but you're no lady
Talkin' that street talk
You're the heart and soul of New York City

And, whoa
Where did all those yesterdays go?
When you still believed
Love could really be like a Broadway show
You were the star, when did it close?

SUNNY

Bobby Hebb

Sunny
Yesterday my life was filled with rain
Sunny
You smiled at me and really eased the pain
Now the dark days are gone, and the bright days are here
My sunny one shines so sincere
Sunny one so true, I love you

CONTROL

Janet Jackson

This is a story about control
My control
Control of what I say
Control of what I do

The Nubian Times

And this time I'm gonna do it my way
I hope you enjoy this as much as I do
Are we ready?
I am
Cause it's all about control
And I've got lots of it

POWER

The Gospel According To

Dr. Marimba Ani

“For the Afrikan, power is the power to do, power to activate, to interact, to be energized, to make things happen.”

AFRIKAN SPIRITUALITY

The Gospel According to

Dr. Marimba Ani

“Our mistake has been to separate the spiritual from the political. You can't be practicing a religion which demeans your people and still claim to be conscious or still claim to be acting in a political way.”

FEAR

The Gospel According To

Sistah Souljah

“The No.1 problem that we as Afrikan people in this country face is fear, because we are so afraid of the consequences of being fighters. We hear God talking to us and

5

giving us instructions and we ignore the instructions. We ignore the instructions, because rather than fearing God, we fear white supremacy and we fear white people.”

MEN & WOMEN

The Gospel According To

Dr. Jewel Pookrum

“It is really disturbing to me when I hear Afrikan women talking about that they don’t understand their men and that there is a war going on between men & women, because the flesh on every man’s body is your endometrium. How can you talk about you don’t understand that which you gave birth to. The issue is that you don’t understand yourself.”

BLACK FACTS

All knowledge is rooted in reality

Millions of Africans have come up missing from Africa since Europeans came to Africa.

The purpose of an Afrikan Centered education is to reproduce the best of ourselves.

In the United States, laws and ordinances are being passed requiring businesses doing business with a few cities and vying for contracts from them, to search their records and disclose whether they profited from slavery. During the past several years, several lawsuits have been filed against railroads,

tobacco corporations, textile-makers, colleges and insurers, seeking to hold them financially accountable for the profits made from slaves.

Black people have been going missing for over 500 years. Many were kidnapped from Africa and their homelands and many, many more have gone missing since their arrival in European strongholds. Indigenous people have been going missing for about 500 years due to invasions by foreigners into their homelands and territories.

The state of Bahia in Brazil has 4 million Blacks of about 5.2 million people. It’s the most Afrikan in culture and the most famous Black State in Brazil.

Any indigenous person who captured and delivered Africans (or assisted) during the Atlantic "Slave Trade" did so as an agent of Europe. Europe was the principal in these criminal enterprises. The principal is always liable for the acts of its agents acting within the scope of the principal's enterprise.

First person I am aware of, other than self is mother and that occurs before we ever enter this world.

In the United States and Canada alone, there were in 1492, approximately 10 to 20 million Native Americans. By 1900 there were less than 250,000 Native people left alive, a decline of well over 98%.

In every country where Black men and women do the hardest and most dangerous work for the lowest wages under the most terrible conditions imposed upon them by the imperialists, we see the vast majority of the Negro middle-class leaders, lawyers, preachers, doctors, and politicians, deserting the workers and unemployed toiling masses and going over in the most brazen fashion into the

The Nubian Times

camp of the White capitalists and landlords.

Twenty thousand black slaves, brought to England from the 1640s onwards, have disappeared from the historical records and sometimes even from their families' memories.

With over 12 per cent of the world's population, Africa accounts for less than 2 per cent of the world's trade.

Blacks make up about 1% of Peru's population. They are mostly called "Negroes" or "Morenos". Slavery was abolished in Peru in 1854.

After the Mexican War, 1846-1848, the United States got the territories of New Mexico and California from Mexico for about 15 million dollars. Up until this time, Mexico ran all the way up to Canada.

Blacks in India (Dalits) are the world's largest minority at 150 million people.

For more than 1000 years, Arab traders transported African slaves across the Indian Ocean to the Arabian Peninsula, the Persian Gulf, and Asia

A Jewish man, Jacob Schiff established the NAACP in 1909 and the ADL a few years later.

Brown Babies are an exclusive but little-known group - children born of the relationships between White English mothers and Black American soldiers stationed in Britain during World War II.

1675 BCE was the first foreign invasion of Alkebu-Lan (Afrika). Egypt was overrun by Hyksos, invaders from the Banks of the Oxus River, around the so-called "Fertile Crescent." These were the first of the so-called "Semitic Peoples" in Africa.

6

Black people are 75% spiritual and 25% physical.

Afrika is the Land of the Blacks. Caucasian people settling on or born on Afrikan soil are not Afrikans. They are Europeans born in Afrika. To be Afrikan is to be Black. Melanin dominant. Make no mistake about it. To be Black is to be of Afrikan descent, evolved from the human kingdom.

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Over 2,200 children (age 17 or younger) in the United States have been sentenced to life imprisonment without parole.

Mass shooting have become common place in the United States.

America not only has a crisis with drug users and abusers, America has a crisis in mental health issues.

Half of all Americans are living paycheck to paycheck.

Europeans do not want to ban child marriage in their strongholds.

DILLY, DILLY!

The minimum age for marriage across most of the US is 18, but every State has exemptions – such as parental consent or pregnancy – which allow younger children to tie the knot.

White people hate Black people. They only like Black people that make them feel good.

Many Europeans call the invasion
of Eastern and Central Europe by
the Asiatic Huns as the first great
race war.

In European dominated countries,
it's common place for people's
identities to be stolen. Almost as
common place as it is to be cloned
or eliminated for your body parts.

The magazine where Vanessa
Williams had lesbian poses with a
so-called white woman is the
highest selling erotic magazine in
the history of Caucasians.

The Irish defeated the British
Empire completely by secular
martyrdom, followed by urban
guerrilla warfare. They killed the

spies amongst them and left the
foreign troops to drive around
inviting ambush.

Three hundred years of trading in
African slaves allowed Britain to
become a world economic power
and financed the Industrial
Revolution. In fact, many high
street banks and businesses -
Lloyd's insurance market, Imperial
Tobacco, the Midland Bank and
more - grew out of slave labor and
slave dealing.

All Romans were not white. Most
Italians now are mixed blood.

Caucasians call Black people that
refute their mythology Black
supremacist.

The WNBA, Black-Feminist,
entitlements, and minority set-
asides are helping white women
recover, as they ride on the backs
of Black women.

The WNBA is strategically using
Black Women to promote to and
get dollars out of the "GAY"
community with a show of their
support and acceptance. Their
masters are pushing these women
to help them take control of the
socialization process of Afrikan
people, especially young girls. Our
children watch and learn from their
examples and actions. They claim a
person's sexuality doesn't matter,
but focus on it anyway!

American Indians (indigenous
people of North America) are the
victims of violent crimes at more
than twice the national average and,
unlike the situation among whites
and blacks where the large majority
of crime victims are of the same
race as the perpetrators, 70 percent
of those committing crimes against
Indians are of a different race. A
full 60 percent of the perpetrators
of violent crimes against Indians
were whites.

South Africa, a White controlled
country with a majority Black

population, has the largest prison population in Africa (four prisoners per 1,000 people) and about the fourth largest in the world.

Europeans view sex as a life style, Afrikans don't.

Many Americans are unaware that the U.S. is the most polluting society in the First World. In some areas, like the emission of greenhouse gases, it even outdoes the environmentally ravaged former communist countries.

The concept of sexual inferiority is deeply embedded in the Caucasian consciousness. Particularly the consciousness of the Caucasian male. He has a fear of not being able to compete sexually with the African male.

The only obelisks they have in Europe are those they stole from Afrika.

Edition

May contain Explicit Content not meant for Negro Kids or weak- ass Adults!

Negro ni99a, devil's advocates, don't want to be labeled Negroes, Negresses or Ni99ers. They wish to have those words abolished from American society and just wanna be labeled as Americans. Blacks watching them can plainly see that they are playing devils advocates for devils. Devil's avocates whose bosses, masters and owners in private, label them as their profitable Negroes and Negresses. Masters and owners try to remain "politically" correct, not to upset any apple carts.

While you might think you are slick, for playing chess instead of checkers, you may forget your opponent is playing POKER with your life.

White on White violence numbers are soaring every year. Most police stations have a huge number of white homicides that are considered "cold cases".

Black GrapeVine news- the majority of European countries that participated in African kidnapping and enslavement all have RED, WHITE & BLUE flags.

Be careful news- Gaiety or Gayness may be an escape route for a lot of people or so they think. Those coming "out of the closet" may become targets from those QLGBTP folks that want to stay in the closet and keep their identities safe from public scrutiny.

White immigrants are runners. They are running from their own people to somebody else's land, where lots of people were killed, kidnapped and enslaved daily, calling themselves looking for opportunity.

Is Jesus coming back with a penis and some balls or is he coming back with a vagina? I suppose we have to ask some of these Christian leaders. They been talking to him or her since the Master Race gave them permission to do so. Well, at least they pretend they got permission to talk to somebody. Are they talking to a her or a him?

You must tell the youth about the politics of global white supremacy. It's like being a star basketball player placed on a team with white scrubs and the white coach keeps you on the far end of the bench, because you might show up some white people. The only time you get in the game is for clean up time (mop-up) or a war is going on. Then you have to take one for the team. After the game, the coach tells you that one day you'll get your chance. Meanwhile, the owner (\$50 billion a year) says that he can only pay you minimum wage and you should be happy with that.

Black GrapeVine news- Females with no men in their lives and a limited number in their families, are always yapping about what Black males and men should be doing. Some females believe that to be matriarchal. Who knows except the invisible man. lol

Black GrapeVine news- If you can get any kind of Active Shooter Training, go for it. Ya never know!

What is worse than a big-headed Negro or Negress playing the DEVIL's advocate 24/7? That ain't politics, that's killing softly with your yapping.

Know your worth in all environments. Depending on the setting and the system, some people are more valuable than others. In some settings, some people ain't worth a dam.

What we have here is White women, Black women and various other females, sleeping with so many guys, they have no idea who the father is. Half the time, the females don't know the names of the males they had sex with. Freedom, liberation or no? Who is to blame? Devil's advocates? Some would say that men are to blame for the number of people women are sexing. Is that matriarchal or patriarchal? lol

Black people were never Pilgrims. Pilgrims were among the first groups of white immigrants running from tyrants and monarchy ruler ships, knowing full well that kidnapped Afrikan were slaves to the Master and property ownership classes of white people. These immigrants saw this as a way to economically prosper and to get through a loop hole.

Hmmm! Football players that use their "entertainment" platform to try and change the communities and families they hail from for the better, are called "SONS OF BITCHES". Where they do that at and who does that?

White people stay in COSTUME. Black people have a hard time figuring that out, because they are trying to keep it "real". White people ain't trying to keep shyt "real". When shyt go bad, Black people stay confused thinking white people are their friends, their

kin or are even the same species as them. Wolves don't hang out with sheep or lions.

If you are eating rare meat, you are in rare form.

The white supremacist in the United States, don't classify any white people harming, frightening or murdering Black citizens of that country as "terrorist". The excuse is
