ESCAPE OPPRESSION / STICK 'EM UP / BLACK PIGS / MONEY MOVES

FIVE-O

(BLACK PIGS)

(UPDATE & Reprint)

Co-operation by Dodo Brown & Divine1on1

(When reading this article, please keep in mind that the earliest COPS (Citizens On Patrol) were SLAVE CATCHERS.)

It seems that the best way to make yourself a success in Hollywood is to play a Po-lice or secret, government (military) agent (Act-A-PIG). You would be hard pressed to find any successful, Black movie star (THESPIAN) that does not have a cop part in their portfolio. If you wanna work in Hollyweird...one must be prepared to be a cop. police, Five-O or some

kind of a Super Po-Po. In this current climate,

**LOYAL
COLONIAL
SUBJECTS
NOT ALLOWED!
SECURITY
TIGHT!**

we have more Black people acting-out as PIGS, detectives, secret service, super patriots, loyal colonial subjects, under-cover agents, counter agents, government employees, soldiers, private snitch investigators, judges and prison guards, than Black people acting out as drug dealers, pimps, prostitutes, preachers,

politicians, gays/homos, junkies and stooges. A Negro might even call this progress! This is the State of the Race in Hollyweird. They turn you out one way or another.

We know you could add some more, but this is what we got now!

Bow Wow

Michael Dorn

We know work is work is eating. No shame in working, but damn! We are just trying to make our people a bit more conscious about what is going on in front of their eyes. Are we now the slave catchers? Pretend you are a thespian and walk around your house like you are the judge, the jury and a slave catcher. My Oh My, what a nice screen test! Be prepared if you want to be in Hollyweird!

Can you imagine Cardi B, Drake, Jason Whitlock, Stacey Dash, Lil Wayne, Steve Harvey, Spike Lee, Kanye West, Barack Obama, Al Sharpton, Condoleezza Rice, Oprah Winfrey, Corey Booker, Joe Brown, Kamala Harris, Nicki Minaj, Steven A. Smith, P-Diddy, Tyler Perry and Charles Barley as FIVE-O or narcotics agents?

Ya never ever know!

Well, somebody gotta play a PIG, a Judge and a loyal colonial subject

for this Prison Industrial Complex. Sooner or later there probably will be some fake azz thugs playing Five-O, a Spook by the Door and sportin' bullet-proof vests. Just you wait and see. Get your mind right and practice if you want to be a Hollyweird thespian. No college required. BaaaHaaa!

CRACK HEAD NEWS

CURRENT CLIMATE EDITION PART ONE

The staff of the Nubian Network

Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even

get out to 1/2 of 1% of our people!

If Black people in the Americas didn't take some stands and serious efforts, there would not be any Black people in the African Diaspora wanting to come to America. Don't get it twisted. We fought and died for everything some people now feel comfortable with and take for granted.

Black GrapeVine news- We have "Black" people that claim that they are not "Black" and have no desire to be "Black". Whatever! We just strongly recommend that they do not get in White people's faces and try to tell them that they are not White. White people generally take political stances at the barrel of a gun! Most could give a rat's azz about what you think they are, as long as you stay in your place..

Turning your back on politicians is a VOTE of NON-BELIEF and NO CONFIDENCE.

White people don't want to be criticized for what their ancestors did, but they sure as hell want to hold on to the profits their ancestors left.

Black GrapeVine news- Google, Apple, Face Book and Instagram all have apps that are used for online slave markets, where domestic workers can be bought and sold. Anyone who has a Smart Phone can buy a slave, a domestic worker or a child servant. Word is that Silicon Valley wants in on the INTERNATIONAL ONLINE SLAVE MARKET.

The Spanish and Portuguese Conquistadors had such low White numbers; they used inter-racial marriage to increase their systematic strongholds. The Arabs did much the same thing to Africans during slave trading.

Wigga news- Europeans have a strange habit of killing their

children, husband or wife and going on TV and radio, begging the general public to help find them. Go figure.

When indigenous tribes in early America were defeated, it's members were enslaved. The men and boys were sent to the West Indies to plantations and the women were made domestic workers for White people. Sound familiar?

In movies about Black slaves, they hire Black actors and actresses. In movies about Black kings and queens, they hire white actors and actresses.

PROTOCOLS OF AMERICA

If you have a Black son, how do you remain calm? We are living in some dangerous times.

White scientist believe that gene hacking can give whoever or whatever the chance to hack biology. Add in White Supremacy and you got some new Nazi's running wild and talking shy.

Whites were not always welcomed by what people now call Native Americans. Don't get it twisted!

The worst enemies of indigenous people worldwide are any beings that would place them in chains, dungeons, beat, murder, rape, sodomize, maim and make men eunuchs, for 4 or 5 generations. All this violence and hatred was perpetrated on them, because they were heavily melanated. Don't get it twisted. The future may depend on it.

BLACK WITHOUT BEING BLACK

If you think watching television and Hollyweird productions are going to end your life-long struggles...you are a damn fool.

Only ignorant Negroes, all of a sudden think Hollyweird is their friend and will uplift them. lol

Latin American societies are more racist at the top than their European counterparts.

Do not plug space heaters into power strips.

Only the brain-dead colonized would be content living in a society without their own customs, culture, spirituality language and artifacts.

Why has mankind never returned to the Moon, when they are greedy to control any resources they can find anywhere and at any time?

Moor Wigga news- White people with pets feel that their government should allow them to claim their best friends as dependents on their tax returns. How about you? Some of us do have a lot in common with them. lol

Most of the indigenous tribes in early America did not welcome White people.

If the U.S. goes into a Civil War, Negroes will be scheming about which White side they are on and will still be figuring out if any government or plantation is gonna pay them or protect them.

Kanye West can sing about Jesus and whatever all he wants to. That ain't revolutionary or even rebellious. As a matter of fact, Western religion, the establishment and the government are helping to push his "go back to sleep hip-hop" and toss him a few coins as well.

If you resemble a Black person, but hate Black people, please let us know. **Make it plain.** So we can finally identify who is hiding in the closet and who our close-up enemies are.

Black scientists have found that the Obama Presidency was a disaster for Black middle class wealth due to housing policies, which led to

millions of Black people losing their homes.

A mistress doesn't get with broke men. OK, but not for very long! lol

Paying student athletes is not Reparations. It is just a start to end some of the institutionalized racism the NCAA is playing games with.

Can a nation be a continent?

Parents and Grand Parents try to make a future for their children. They are supposed to be the adults and not the other way around.

If you consider yourself Black and think that Black people are their own worst enemies, please let us know if you include yourself as one of those worst enemies. Our people are just looking for clarity. We see a lot of nefarious actions, but we hope that the haters open their mouths and **make it plain.** Stop hiding in the closet. If you hate Black people we prefer you **make it plain**, so we can deal with you.

Do not call yourself a "grand" anything unless you act like you have good sense around children and the uniformed. You must help provide a way for them. Welfare is not providing a way by itself.

Can a continent be a homeland?

Some religious philosophies claim that ain't nobody good, but their God. So, you were already born in **sin** Shawty. That's what ya good book say Yo! Are your children born in sin too? lol

Resistance to racism has always been met by some kind of violent terror or deadly force.

We are trying to define who and what our enemies are. Come into the light and make yourself known! We repeat...**Make it plain!**

Soft Power news- China is investing in Cuba.

WE DO NOT WISH TO BE SLAVES

Do Black people really want their children to be educated or programmed to be good servants?

Indigenous people in the Northern and Southern hemispheres traded prisoners of war to ruthless, Christian, European slavers, never seeing the consequences of their actions. The ruthless Christians claimed that they were doing God's Work, with their Christian Imperialism.

Just who is raising Black boys and girls to become the sex objects of some freaks, pedophiles and body snatchers? Protect our offspring at all costs.

Was President Obama in to Eugenics, the human selective breeding to help the Middle-Class?

A picture can tell a thousand words or fool a thousand souls.

If you have a Black daughter, how do you remain calm in the current climate? Keeping our children safe should be our number one priority.

Can a nation be a nation, if half its people are on Welfare and Public Housing from another nation? Make it plain.

Spider's webs catch flies.

When indigenous people (oftentimes referred to as Indians) were enslaved, Europeans left no paper trail. Except for large plantations, most instances of

slavery by Europeans had no paper trail.

Fetuses are now being harvested after mid and long term abortions. It's called a woman's choice in capitalism in the Belly of the Beast.

Does the Black middle income class care about other Black people? Black flight is becoming commonplace.

One thing that Donald Trump proved is that racist can be mobilized, How about the people who those racist target, degrade and devalue by their actions? By the way, voting and praying by themselves is not working. .

Moor Wigga news- Color-less beings are now using their Certified Negroes Under Contract to spread Christian Imperialism around the world.

"Indians" that were not hostile to White people still found themselves slaughtered.

Whether you live in the projects barrio or on a Reservation, you must be in solidarity with other Black people

Color-less people never see the people that they dehumanize and degrade as equal to them.

Racism has outlived slavery, colonization and Black voting.

**I AIN'T NO BYTCH!
I SHOT THE SHERIFF
AND THE DEPUTY!**

For every point there is a counter point, but you ain't scored yet Homey! You've been shut-out. Somebody done run a Boston on you Yo!

Black scientists claim that over 200,000 Black babies are aborted every year. Are we in the middle of a Civil War already and too dumb to know it?

People that vote for the greater evil or the lesser evil are evil themselves. Don't get it twisted. Their decisions show a vote of confidence in a doer of evil.

Racism and White Supremacy have not ended. It's more institutionalized than ever.

GUILTY UNTIL PROVEN INNOCENT

Do not confuse Civil War with Race War!

A book can unlock a thousand secrets or lead a reader down a blind alley. Be careful what you read and do extensive research, because an oppressor can plant plenty of seeds to lead to whatever predetermined destination they want you to go to.

What do Black people en-mass have to lose by choosing not to vote, when they see no benefits in the selected choices given to them? Somebody died for Black people to be powerful and free, but not stupid.

In 2019, in the current climate, let it be known that Black children need bodyguards. No exceptions. When did we ever get to the point that we felt our children don't need protection and safe keeping?

White people having a Black friend don't mean that they are not racist.

In the current climate, Black people find a zillion ways to put each other down. And it all ain't hateful, spiteful or even constructive criticism. Much of it is just plain stupid and yapping just to be yapping. lol

A people can also be disenfranchised when they see elections and they feel that they have no representation in the candidates.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

If these quotes are of no value to you, then blow them out your mind. We would hate to waste anyone's time. Most of these quotes at least, are by people who dared to think you are special. Maybe you ain't! If you can't

comprehend that, then perhaps you should move along.

NO OTHER HUMANS ON EARTH

The Gospel According To

Dr. Ivan Van Sertima

"There were no people on earth except Africans 55,000 years ago."

THEIR IMAGE OF GOD

The Gospel According To

Dr. Frances Cress Welsing

"The most disastrous aspect of colonization, which you are the most reluctant to release from your mind is their colonization of the image of God."

PEACEFUL SLAVE

The Gospel According To

Dr. John H. Clarke

"If you are peaceful and give everybody in the world a guarantee that you are going to be peaceful and not hurt anybody, there's nothing you can be in this kind of world but a slave."

FEEL GOOD STORIES

The Gospel According To

Orlando Tucker

"White people are merely mutated inbred albinos. To feel better about themselves, white people develop totally senseless propaganda to flatter themselves and to make themselves feel better about their genetic condition at the expense of people of color".

PHENOTYPES

The Gospel According To

Orlando Tucker

"All phenotypes exist within the black family. Asian people are only the semi-recessive

descendants of their ancestors who were a black African tribe with slanted eyes. White people are the albinos of a specific group of Africans and have inherited those people's phenotypes. They try to imply that their phenotypes were originally theirs and that if you see people of African descent with these features, they inherited them from white people. Nothing is further from the truth."

RACIAL HARMONY AND SODOMY

The Gospel According To
Dr. Amos Wilson

"There is not going to be any racial harmony in this city, in this country and in this world as long as there is the economic imbalance between our people. It's not gonna happen. No singing of love songs between races is gonna solve this problem. There has to be a change in the economic power of African people and other people."

"If you want the Black community to smile, while it is being economically sodomized...it's not gonna happen!"

GROUP CONSCIOUSNESS

The Gospel According To
Dr. Amos Wilson

"In order for us to be in the condition we are in as Afrikan people, we have to be out of our minds. We literally have to be crazy. Yes, into a deceptive state of consciousness, which does not permit us to operate as a group and to coordinate our behavior as a group. It puts us at odds, one with the other, and therefore making group achieved ends impossible.

PLEDGE ALLEGIANCE?

The Gospel According To
Attorney Alton Maddox

"You can't go to public schools unless you pledge allegiance to your enemy. Before any Black child goes to school they should pledge allegiance to their Afrikan roots."

THE PLANTATION

The Gospel According To
Attorney Alton Maddox

"Nobody wants to leave the plantation. Everybody just wants a better spot on the plantation.

LESBIANISM IN AFRIKA

The Gospel According To
Dr. John H. Clarke

"I defy anyone to show me one single case of homosexuality or lesbianism in Afrika before the coming of foreigners. One case of sexual disease before the coming of foreigners or any trait that is against masculinity or femininity. The Afrikan was a strong believer in the construct of the family. Homosexuality and lesbianism is a negation of the family. What kept Afrika together and what keeps it mainly, partly together today is the family structure. In many parts of Afrika, even when the water won't work and the lights won't burn, the family structure works."

"...The family structure was an inter-lacing structure. It literally ruled out homosexuality and lesbianism. It also ruled out prostitution, because there were no girls that were single and very few men, at a certain age, that were single."

LESBIAN MALE BASHING

The Gospel According To
Dr. Brenda Verner

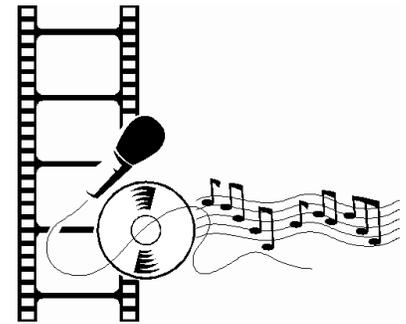

"It's a male bashing thing! And you see, people who have lesbian inspired thought are not interested

in a harmonious relationship between men and women. They indict all men. Set up a climate of hostility between men & women, which gives them authority over women. But you know...you not dumb enough to go for it are you?"

POLITICAL PRISONERS

The Gospel According To
Sundiata Acoli

"The issue of reparations is a very good avenue to use in educating people around political prisoners because "release of political prisoners/prisoners of war" is one of the planks on the Reparations Demands."

QUIET STORM

Smokey Robinson

Soft and warm, a quiet storm
Quiet as when flowers talk at break
of dawn, break of dawn
A power source of tender force
Generatin', radiatin', turnin' me on,
turnin' me on

Oh, you short circuit all my nerves
Promising electric pains
You touch me and suddenly there's
rainbow rings

Quiet storm blowing
Through my life, oh
Quiet storm blowing
Through my life, oh blow, baby

HERE BUT I'M GONE

Curtis Mayfield / Lauryn Hill

How did I get so far gone?
Where do I belong?
And where in the world did I ever
go wrong?

If I took the time to replace
What my mind erased
I still feel as if I'm here but I'm
gone

Perched up in a rocking-chair
With my feet all bare
Rolling my blunt in a cigar wrap

Live an adolescent mind
Never do take the time

Waiting for my high, quiet as it's
kept

How did I get so far gone?
Where do I belong?
And where in the world did I ever
go wrong?

I WISH HE DIDN'T TRUST ME SO MUCH

Bobby Womack

I'm the best friend he's got
I'd give him the shirt off my back
He knows he can trust me with his
life
But he's tryin' to leave me alone
Leaves me alone with his wife

I wish he didn't trust me so much
I think he really trusts me too much

How can he be so blind?
We've both got the same good taste
He should know when he's gone on
his business trips
I can't help watchin' his woman
'Cause I'm losin' my grip

I wish he didn't trust me so much
I think he really trusts me too much

JESUS WALKS

We at war with terrorism, racism,
and most of all we at war with
ourselves
(Jesus walks)

Devil trying to break me down
(Jesus walks with me) with me,

God show me the way because the
Devil trying to break me down
(Jesus walks with me)
The only thing that that I pray is
that my feet don't fail me now
(Jesus walks)
And I don't think there is nothing I
can do now to right my wrongs
(Jesus walks with me)
I want to talk to God but I'm afraid
because we ain't spoke in so long

IT'S ABOUT US

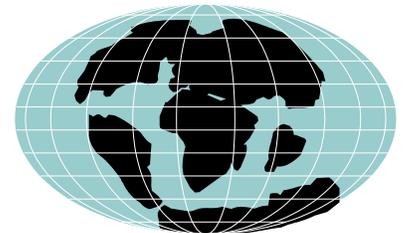

Ruby Dee

"We want to be individuals. Can
you imagine a grain of sand
wanting to be an individual on the
beach? We have bought into this
European insanity of me, me, me.
It's not about me...It's about we!

BABY, IT'S COLD OUTSIDE

Ray Charles & Betty Carter

I really can't stay - Betty, it's cold
outside
I've got to go away - Betty, it's cold
out there
This evening has been - Been
hoping that you'd drop in
So very nice - I'll hold your hands,
they're just like ice
My mother will start to worry -
Beautiful what you're hurry
And father will be pacing the floor
- Listen to that fireplace roar
So really I'd better scurry -
Beautiful, please don't hurry
Well, maybe just a half a drink
more - Why don't you put some
records on while I pour
And the neighbors might think -
Betty it's bad out there

THANKS FOR BEING SAVED

The Gospel According To
Chief Pontiac

They came with a Bible and their
religion, stole our land, crushed our
spirit and now tell us we should be
thankful to the "lord" for being
saved."

OPENED OUR EYES

The Gospel According To

Jomo Kenyatta

"When the missionaries arrived, the Africans had the land and the missionaries had the Bible. They taught us how to pray with our eyes closed. When we opened them, they had the land and we had the Bible."

THE CHEMICAL KEY TO BLACK GREATNESS

The Gospel According To

Carol Barnes

"Melanin is a civilizing chemical which acts as a sedative to help keep the black human calm, relaxed, caring, creative, energetic and civilized".

FEMINIST

The Gospel According To

Dr. Brenda Verner

"Feminist, who have placed themselves in positions to be able to launch their war fare, both spiritual & literal, are now about the perfection of scandalizing Black people. You see, their popular culture movement has found a way to stand on the necks and the heads of Black people, while at the same time claiming to champion the cause of Black people, in order to catapult themselves into international prominence. Are you getting the gist of what is going on here?"

"They have raised up Black feminist to replace the real sisters. What we are talking about here is a counterfeit. A counterfeit has to imitate the real thing. It looks like it, talks like it, but if you listen close enough you know it's a counterfeit."

AFRICAN PRESENCE IN EARLY EUROPE

The Gospel According To

Dr. Ivan Van Sertima

"I came upon a reference some months ago to Ethiopians from Nubia invading Spain at least a thousand years before the Moors.. As I probed further, I found to my surprise that Spain was in continuous contact through trade with ancient Egypt all during the time of Libyan kings, the Shishonhgs to the Osorkons, a dynasty that was eventually overthrown by the Nubians."

DANGEROUS TO EACH OTHER

The Gospel According To

Angela Davis

"Jails and prisons are designed to break human beings, to convert the population into specimens in a zoo-obedient to our keepers, but dangerous to each other."

A VIOLATION OF GOD

The Gospel According To

Dick Gregory

"One of the big problems we have in America is that y'all so busy trying to peacefully co-exist with a white, racist, filthy system. That's a violation of God."

"When I wake up in the morning I thank God I have survived another 24 hours in the most vicious, insane, racist system in the history of the planet."

AMERICA THE BEAUTIFUL

The Gospel According To

Bobby Hemmitt

"Right now, if you ain't patriotic they fucking with you. The government doesn't have as much power as you think they have. It's just the illusion of power. Don't let anybody fool you. America ain't got nothing to do with God. If you that much of a lunatic to think that

America is synonymous with God, then you deserve to get your head cut off with these crackers."

BLACK FACTS

Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even get out to 1/2 of 1% of our people!

African engineers and their descendants were the only pyramid builders in the ancient world. They did precision engineering with whatever materials they had at hand.

The African gene is the dominant gene on this planet.

The Catawba people, from the Carolina and part of the original Cherokee when that nation was formed, spoke the Kushite - East African language.

10,000 years later, Africans are still feeling the effects of their first contact with Caucasoids.

Afrikan people are Black because of the pineal gland, not the sun in the sky. If the sun made things Black, the apple, the orange and every leaf on every tree would be Black.

Africans were the 1st beings to use Sound and Light technology, which other beings called "magic".

San Quinton was named after Native American Point Quinton in 1854.

The largest "pre-history_ spiral pyramid in Europe can be found in Avery. It was built with stone and chalk, some 5,000 years ago, 3 times larger than Stonehenge.

For the last 500+ years, non-Europeans found themselves ruled and governed by Europeans.

Haiti had to pay reparations to France for property lost, but no reparations were paid to the enslaved Haitians.

Europeans have never been able to decipher Medu Neter (hieroglyphics).

African engineers laid the ground work for the rammed-Earth pyramids in China.

European view sex as a life style., Afrikans do not.

Brazil is the most unequal society in the Western world and Black people find themselves entrenched at the bottom. Black Brazilians live in an apartheid State, without apartheid laws.

Europeans called the war they waged against the Tasmanians with their extermination "The Black War".

The Haitian Constitution outlaws slavery and discrimination on the basis of race.

The Pan African Movement's definition of a Pan Africanist is a Black person who, regardless of sex, age, politics, religion or profession, passionately loves the race, demonstrates such love in his or her every day behavior and actions and is actively involved on an on-going basis in efforts to promote our self-esteem, unity and ascendancy as a family.

African engineering built the pyramids and monuments in the

Teotihuacan Valley long before the Aztecs and Mayans were established in the area.

40% of the world's population is Afrikan.

One & a half billion Afrikans live on the Motherland.

200 to 300 million Afrikans live in Southern India, called Tamils or Dravidians.- They are the largest group of Afrikans living outside the continent.

The second largest group of Afrikans living outside the continent is in Brazil- approx. 125 million.

In the United States, the northern states were not against chattel slavery, but only against the Trans-Atlantic slave trade.

The 3rd largest group of Afrikans living outside the Motherland resides in the United States, estimated at between 35 & 50 million.

500 million or 1/2 billion Afrikans live outside the Motherland.

On returning home to the United States, after fighting for freedom abroad, Black veterans were often harassed and subjected to violence and discrimination.

EUROPEAN FACTS

SUB-URBAN MYTHS

White women were armed during slavery in the United States.

Anal cancer rates and deaths are rising in the United States.

Color-less people always try to control the narrative when they commit racial violence. They often used the word "civilizing" whenever they committed violent atrocities against Black people.

White cops thrown off "police forces" often find jobs hired by rich industrialist.

European Christians never considered chattel slavery a sin until the 18th century.

The first European visitors to what they called "The new World" were the Vikings. Many of their farmers and warriors were Black and melanin rich.

Germans in Namibia committed some of the more horrendous and racist crimes of the 20th century. They mastered and maintained concentration camps and death camps in Africa, before their hunting and killing of Jews.

The name "guillotine" dates to the 1790s and the French Revolution, but similar execution machines had already been in existence for centuries across Europe.

White people use to cheer and dress-up at the lynchings of Black people, like they cheer at football, baseball, basketball and soccer games.

Europeans didn't just displace Native Americans—they enslaved them, and encouraged tribes to participate in the slave trade on a scale historians are only beginning to fathom.

Europeans continue to dehumanize indigenous people around the world.

Apartheid in Africa equated to political supremacy and economic prosperity for the Caucasians from Europe.

Adolf Hitler made the guillotine a state method of execution in the 1930s, and ordered that 20 of the machines be placed in cities across Germany.

Abolition wasn't anti-racist. Britain moved out of slavery into a wider and far more vast colonial empire.

King Leopold of Belgium killed at least 10 million Africans with a forced labor system in the Congo. He was supported by the United States.

Britain was the first European nation to end chattel slavery, but that was only after their empire had been vastly increased in land, revenues and tremendous power from their slave holdings.

RIGHT AND MORAL

Dwight D. Eisenhower

"If a political party does not have its foundation in the determination to advance a cause that is right and that is moral, then it is not a political party; it is merely a conspiracy to seize power."

WORLD WAR 3

Adolph Hitler

"The day mankind finds out what I was trying to defend this nation Germany from, then that's the day World War 3 will start.

For on that day, mankind will learn that I was trying to save my nation from The Free Masons, The Illuminati . the Jews. For if the Americans win the war, then they will be a slave to the Jews and they will try to conquer God."

MAMMY

Al Jolson

Everything is lovely
When you start to roam;
The birds are singin', the day that
you stray,
But later, when you are further
away,
Things won't seem so lovely
When you're all alone;
Here's what you'll keep saying
When you're far from home:

Mammy,
Mammy,
The sun shines east, the sun shines
west,
I know where the sun shines best--
Mammy,
My little Mammy,
My heartstrings are tangled around
Alabammy.
I'm comin',
Sorry that I made you wait.
I'm comin',
Hope and trust that I'm not late, oh
oh oh
Mammy,

My little Mammy,
I'd walk a million miles
For one of your smiles,
My Mammy! Oh oh oh..

SOUTHERN MAN

Neil Young

Southern man, better keep your
head.
Don't forget what your good book
said.
Southern change gonna come at
last.
Now your crosses are burning fast.

I saw cotton and I saw Black.
Tall white mansions and little
shacks.
Southern man, when will you pay
them back?

Lily Belle, your hair is golden
brown.
I've seen your Black man comin'
round.
Swear by God, I'm gonna cut him
down!

I heard screamin' and bullwhips
cracking.
How long? How long?

SWANEE

Judy Garland / Al Jolson

I've been away from you a long
time
I never thought I'd miss you so
Somehow I feel your love is real
Near you I long to be

The birds are singing, it is song
time
The banjos strummin' soft and low
I know that you
Yearn for me too
Swanee, you're calling me

Swanee
How I love you, how I love you
My dear old Swanee!
I'd give the world to be among the
folks in
D-I-X-I
Even now my Mammy's waiting
for me

Praying for me, down by the
Swanee

The folks up north will see me no
more
When I go to the Swanee shore!

Swanee! Swanee!
I'm coming back to Swanee
Mammy, Mammy
I love...

Caucasoids are not really natural to
anywhere.

The Germans proved to be the only
people who were subject to Roman
invasion who actually managed to
fight off and defeat the Caesar's.

Caucasians call Black people that
refute their mythology Black
supremacist.

The last person to meet their
death by the French "National
Razor" was executed by the
guillotine in 1977. The
machine's 189-year reign only
officially came to an end in
September 1981, when France
abolished capital punishment for
good.

In the Confederacy of the South
(US), slaves showed up on
Southern money in 1820. The
slaves depicted on the currency are
often shown with smiling faces,
seemingly enjoying duties of forced
labor. They are shown on bank
notes, currency and bonds issued
by banks, hotels and railroads.
They are shown planting, picking
and hauling cotton and tending
cattle. Money shows how important
Blacks were to the building of a
White country and it's economy.

White people hate Black people.
They only like Black people that
make them feel good.

In the early history of bondage and
slavery in the American colonies,
more indigenous people were
enslaved than captured Africans.

Europeans can't afford to be
democratic or religious.
