FUNNY GO 'ROUND

(THE GENDER BLENDER)

On this ride everybody gets to mix and match their clothes. The boys

wear girls' clothes and the girls, they wear boys' clothes. Everybody jumps on the ride, gets strapped in and the gay fun starts. You are so tossed and turned, whipped and dipped that you haven't a clue what gender you are anymore. If you got yourself straight, you don't get on this ride, but if you feelin' freaky, you ride this joint to death.

Vendors with cameras and video cams are standing by to catch all the action. (Seems like Weird-O's always wanna be caught on camera) The good thing about this ride is that now everybody knows who's funny! When you come into the amusement park, this is always the longest line. It's nothing to see long lines of funny & gay people, waiting to get **TOSSED UP!**

THE CONDOLIEZZA CRUISER BOAT RIDE

On this ride everybody just goes along to get along. All African-Americans must go through the metal detector searching for weapons of mass destruction, then put on body armor, a straight jacket and then you are strapped down for the duration of the ride. On this ride you don't go anywhere, but you pretend that you do. As you close your eyes, the motion machine makes you think you are on the ocean. Then with your eyes wide shut, White men and White women rifle through your pockets looking for nickels, quarters, dollars, Benjamin's, gold, platinum, natural resources and credit card numbers to steal your identity. Remember that you are strapped down. All remnants of history, land and your ancestors are purged. Every once in awhile, somebody smacks you upside the head, to see if you are

The Nubian Times

still alive or not too seasick. If you move, some sugary cotton candy & oil spill is rubbed on your face for a thrill. This is the ride of a lifetime. You will be scared to death. Some Arab looking men come in the ride and start shooting at you with sling shots. When the ride comes to an end and you leave the park dirty faced, you realize that somebody has stolen your identity and you are **H-O-M-E-L-E-S-S!**

The "OBAMANATOR"

On this ride you had best "Protect Yourself At All Times". This ride is the **WHITE MOTHER** of all rides. This ride will be the biggest thrill ride yet, with more ups, downs, turns, curbs, burns, collisions, mishaps, bumps, lumps, lynching, shoot-outs, high speeds and plenty of sudden stops. You're gonna get exactly what you asked for. King's Dominion and Disney World haven't got anything comparable to the **OBAMANATOR.**

All tickets must be purchased from the Twilight Zone Ticket Booth, with Hail to the Chief, blaring on the loudspeakers. All registered Democrats, Oprah freaks and half-white people get a colored stamp for "1" free ride, but they must give up their GETO PASS! On boarding this ride, everybody gets to knock down any old White women or any old White men that tries to get in your way. All boys, girls and whatever's must be strapped tightly into their lock-down, marshal law seats. FDA approved prescription medications are allowed. As the ride starts, it's OK to close them eyes, because you are trippin' & entering into the Black Hole of Space & Time. When entering the Black Hole, watch out for that slow motion in the ocean,

3

the White man will still be in charge. (Fun World is not liable if you can't handle dat Na Na Whip) You stay in the Black Hole for what seems like 8 long years, until the water on the Levee breaks again and then you enter into the Land of NOD!

Now Dr. Bo Bo knows that it's not good business to give up too much information about a ride, because some of dem fools is ryde or die or vote or die or whatever. But the full time consumers must experience what hitting the bottom is like or what getting to the peak is like for themselves. Dr. Bo Bo wants you on this ride. Do you have another choice? There is no crying in Fun World.

Warning: When this ride is over, and it will end...you had best be able to stop the fantasizing, become an adult and fend for self. Protect Ya Neck!

This message has been provided by the Time for What Change Coalition!

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

According to statistics from the Justice Department, White men are more likely to kill more than any other racial group.

White people use Black people's blood, body parts and spirit to heal, cure and to re-animate themselves.

Whites represent a majority of the American population and are responsible for 54% of murders involving an intimate partner, 59% of murders involving a family member, 55% of murders involving infants, 56% of murders involving elders, 54% of s*x related murders, 53% of gang related murders, 70% of workplace related murders, 55% of arson related murders, 80% of poison related murders, and 53% of murders involving multiple victims.

European nations came to Africa violently with war ships, cargo ships, cannons, machine guns, bombs and other artillery. They established the Atlantic Slave trade, setting up forts and dungeons for African captives.

The United States dropped nuclear bombs on women, children and old civilians in Japan, while Japanese men confronted them on the battlefield.

The Nubian Times

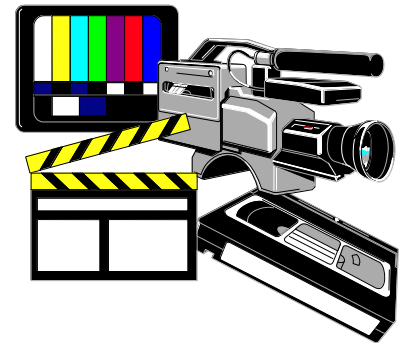

The U.S. has 5% of the world's population, but accounts for half of all firearms worldwide and 80% of gun deaths in the world's 23 richest countries.

Europeans rationalize their empires as civilizing missions instead of imperial barbarism.

In the United States, a White person is almost six times more likely to be killed by another White person than by a Black person, according to FBI homicide data. In 2011, there were more cases of Whites killing Whites than there were Blacks killing Blacks.

One hundred years ago sweatshops and factories working child laborers over 18 hours a day were commonplace in Caucasian societies.

QUICK MOVIE REVIEWS

By **DIVINE1ON1**

HALF OF A YELLOW SUN

Featuring:

Chiwetel Ejiofor, Thandie Newton, Anika Noni Rose

This movie takes place in 1960's Nigeria, when civil war breaks out in the

5

country. I believe Thandie Newton steals the show and I was highly impressed with her acting. I don't want to give away anything about the movie, but if you like a well written drama, character development and good acting, this is a good one

10 out of 10 stars

BELLE

Featuring:

Gugu Mbatha-Raw

This story deals with a mixed race daughter (mulatto) of a big shot in the Royal Navy, raised by her aristocratic great-uncle in 18th century England. The movie kind of parallels Queen, which starred Halle berry, but the acting is superior. The character development for this young lady wasn't great, but the picture deals with racism on so many levels. Home girl had to learn her place in a white supremacy environment.

9 out of 10 stars

FRONTERA

Featuring:

Gugu Mbatha-Raw

A nice picture for those eyeballing and thinking about the tense people situations at the U.S., Mexico and Arizona borderlines. A former Arizona sheriff's wife is killed while riding on their ranch property. It would

appear a Mexican man illegally crossing into the US is at fault. As the former and the current sheriff search for answers, lives are changed forever. The only thing I'm giving away is that the Mexican didn't do it. You have to check this one out to see who did. It's a thriller, has drama and good acting. One of them movies you can eat about three stacked sandwiches and drink a couple of Arizona Ice Teas.

THINK LIKE A MAN TOO

Featuring:

Kevin hart, Regina Hall, Gabrielle Union, Meagan Good, Michael Ealy

I don't think Kevin hart was very funny in this satire. It will probably be a success because of Black movie goers and their need for comedy, but I wouldn't pay to see it.

5 1/2 out of 10 stars

A HAUNTED HOUSE 2

Featuring:

Marlon Wayans

If you got to see this nasty, dysfunctional shyt, you ain't got the sense you were born with. If you haven't been diagnosed as being

The Nubian Times

retarded, you best go get yourself checked for the sake of the rest of humanity! I couldn't last more than 5 minutes and then it made me throw a whole box of pop corn away. It was that foul and nasty!

0 out of 10 stars

FOUR OF HEARTS

Featuring:

Nadine Ellis, Darrin Dewitt Henson

A Black couple swap with a white dude married to an Asian girl. This shyt couldn't be made up, but it was. It had some good points and some bad points. I wouldn't go see it again, unless it was X-rated, but I made it through this time. I don't think these are the kind of times we are living in, but you never know with some of the knuckle heads posing as adults out here!

THE GOSPEL ACCORDING TO AFRIKANS

The prime directive is "KNOW

6

THYSELF” and activate “TOTAL RECALL” Nobody has to tell us where we came from and how far we have come. We can tell our own story. It is possible to spend a lot of money and go in debt on education and training, yet not know “one” thing about yourself and your kind. These quotes should open a few third eyes and spark some life force. Every month we try to get the best quotes from the best sources so our people can think & analyze critically! We work on the Collective Black Consciousness!

PEACE WHEN POSSIBLE, WAR WHEN NECESSARY

The Gospel According to
Sister Chief Le Tava

“First let me tell everyone that I am safe. Secondly, yes, we are under attack. We have obvious so called powers that be, that are seeking to stop our efforts of resistance to their enslavement. We have to understand that this was coming. We knew it was coming.”

DON'T BACK DOWN!

The Gospel According to
Sister Chief Le Tava

“Do whatever you gotta do, whatever it takes to protect yourself and your family. Stand up for yourself, don't back down. Do not back down! Don't take anything lightly. Don't brush anything off. Don't under estimate this enemy.

KILLING OF BLACK MEN

The Gospel According to
Ella Baler

“Until the killing of Black men, Black mother's sons, becomes as important to the rest of the country as the killing of a White mother's son, we who believe in freedom cannot rest until this happens!”

YOU'LL KNOW BETTER

The Gospel According To
Shahrazad Ali

“You see there are Black folks who support White supremacy, without even knowing it. We are just trying to educate them on how not to. Once you know better, you'll do better!”

GREATER RAPE THAN SLAVERY

The Gospel According To
Barbara Hillary

“Christianity is the greater shackle, the greater rape of the Black mind, than slavery ever was.”

CHANGE THE SLAVE IMAGES

The Gospel According To
Huey P. Newton

“Anytime the Black man attempts to change the slave image, he will scare White people...so when you say we're scaring people it means that we are creating positive images for ourselves.”

RACE WAR

The Gospel According To
Dr. Khallid Muhammad

“Don't worry about a race war starting...you've been in one for 500 years.

THEY LAUGHED AT YOU

The Gospel According To
Dr. John H. Clarke

“They laughed at your clothes; and made you change your clothes;

“They laughed at your names; and made you change your names;

The Nubian Times

“But most importantly they laughed at your God; and made you change your God.”

CAUSE AND EFFECT

The Gospel According To
Dr. John H. Clarke

“Man must be in harmony with nature, man must not be in a violent struggle against the elements. Man and God and Nature in partnership, one to the other and all the elements work with man. All life is linked together in cause and effect.”

PHILOSOPHY & OPINIONS

The Gospel According To
Marcus Garvey

“It is unfortunate that we should find ourselves at this time the only disorganized group. Others have had the advantage of organization for centuries, so what seems to them unnecessary, from a racial point of view, becomes necessary to us, who have had to labor all along under the disadvantage of being scattered without a racial aim or purpose.”

GET ORGANIZED

The Gospel According To
Marcus Garvey

“Get organized and you will compel the world to respect you!”

FEELING vs. THINKING

The Gospel According To
Thomas Sowell

“The problem isn't that Johnny can't read. The problem isn't even that Johnny can't think. The problem is that Johnny doesn't even know what thinking is; he confuses it with feeling.”

NON-VIOLENCE

The Gospel According To

Kwame Ture

“In order for non-violence to work, your opponent must have a conscience.”

UNCONSCIOUS BEHAVIOR

The Gospel According To

Kwame Ture

“Our task is not to teach the unconscious to be conscious, but to make them conscious of their unconscious behavior.”

RACISM IS UNIVERSAL

The Gospel According To

Shirley Chisholm

“Racism is so universal in this country, so widespread, and deep seated, that it is invisible because it is so normal!”

MAKE A JOB

Jackie Mayfield

“You should never expect other people to do for you what you can and must do for yourself. How can you expect other people to give you a job when you have not seen the need to make a job for yourself”

MUST HAVE KNOWLEDGE OF SELF

The Gospel According To

Dr. Umar Johnson

“Instilling knowledge of self in a child is pivotal. For without knowledge of self, all of the economic, political and social sciences that they may gain, will mean absolutely nothing to them and our people as a whole!”

NOTHING IS SAFE

The Gospel According To

Frederick Douglass

“Where justice is denied, where poverty is enforced, where ignorance prevails, and where any one class is made to feel that society is an organized conspiracy to oppress, rob and degrade them, neither persons nor property shall be safe.”

RISE AGAINST EXPLOITATION

The Gospel According To

Ologosun Obasanjo

“Africans had been globalized into slavery, colonialism, poverty, oppression and lop-sidedness of the world’s economic situation. Globalization being preached by the West is “another form of bondage for the black race.”

THE UNITED NATIONS

The Gospel According To

Djehuti Sundaka

“The UN is mainly a front organization for Britain, France, Russia, and especially the Colonial Empire (United States) and therefore is not a viable institution in seeking aid for indigenous nations under foreign occupation. The UN is an institution of the colonial powers and will only work to maintain their interests no matter what it claims or does as a token gesture. Both Iraq and Haiti and even Afghanistan are proof of that.”

BE STRONG

Bob Marley

The Nubian Times

“You never know how strong you are, until being strong is the only choice you have.”

FIND PEACE

Marvin Gaye

“If you cannot find peace within yourself, you will never find it anywhere else!”

THE MAN

Aloe Blacc

I believe every lie that I ever told

I played my cards and I didn’t fold

STOP GAMING EACH OTHER

The Gospel According To

Dr. John H. Clarke

"It's time for Black people to stop playing the separating game of geography, of where the slave ship put us down. We must concentrate on where the slave ship picked us up."

WHITE WANNA BEES

The Gospel According To

Dr. John H. Clarke

"Sometimes White Wanna Bees are more dangerous than Whites and sometimes will fight you harder just to be accepted by Whites!"

THE JOB MARKET

The Gospel According To

Malcolm X

"Any time you have to rely upon your enemy for a job, you're in bad shape."

WE DID NOTHING

The Gospel According To

Malcolm X

Look at yourselves, students, how do you think I feel and I belong to a generation ahead of you; how do you think I feel to have to tell you, "We, my generation, sat around like a knot on a wall while the whole world was fighting for its human rights, and you've got to be

born into a society where you still have that same fight. What did we do, who preceded you? I tell you what we did, "Nothing", and don't you make the same mistake we made!"

SEXUAL ENERGY & INTIMACY

The Gospel According To

Dr. Sunyatta Amen

"Women who are not sure how to transfer stressful energy into productive energy, embody it into places where they are suppose to be nurturing, life giving, healing and pleasure giving over and over again. This stressful energy than manifests itself physically into disease.

CRACK HEAD NEWS VIOLENCE EDITION

The Nubian Network reserves the right to crack on what some consider human behavior. At times, we are not so sure!

What's up with "your enemy will do you no harm"? Are you crazy? That's some bull shyt! For most knuckle heads, their worst enemy

The Nubian Times

has done so much harm...they forgot who their "frickin" enemy was in the first place!

Black GrapeVine news- Pay attention! Black men and Black women that are unarmed are being killed by police departments and private citizens. We need to find a way to defend ourselves by any means necessary!

White people have configured violence by men and women, so that the most skilled violent person...gets a "BELT" or a "TROPHY"!

African=American a.k.a. Black communities do not sustain and perpetuate themselves. Have their children been trained or educated for the past 50 years to do so? If teachers were educating the children, their communities would sustain and perpetuate themselves. Perhaps the teachers were only trained themselves! That "change the system from within" bullshyt, doesn't seem to be working.

We must do something to help and protect the "unborn" come to this realm, so our ancestors can be reborn and not violently murdered in their sleep.

The NFL has been hiding information for years. Their business is to manipulate women and men to accept violence as fun, games and a representation of their city, by any means necessary, making violence cool to watch and bet on. The NFL even has fantasy violence games. They really don't want people to focus on the brain and body damage past players have acquired and suffered from the violence of past generations. We now teach children to practice organized violence for super corporations.

Somebody ought to bring out a movie "Think like A Man" exclusively for males wanting to be men. Currently they got some

9

bullshyt out, getting girls to think like young, puppy boys. That ain't gonna work to our advantage.

Some people say that people in Ferguson should have strategized their movement in advance. Where was all this strategy when all the Black men and women were getting gunned down and brutalized all over the United States, over the past twenty years? We know, they were somewhere yapping and being a below minimum wage critic as usual!

Don't negotiate with a white terrorist or beg them for anything!

The letter "J" didn't come about until the 16th century. How many people with a "J" in their names are in most people's holy books? Please don't call that history or whatever. It's more like programming.

Black scientist believe there is a correlation between cancer, diabetes, heart disease, sickle cell, high blood pressure and the environment, chemical usage & contamination, food preservatives, white sugar, white flour and white salt. .

In the United States, people are supposed to have a right to assemble and protest, as long as that protest is orderly and "peaceful".

More and more young, White teachers are being hired in predominately Black school districts. In lots of the schools, there were already more White teachers, counselors, vice principals and principals. They come in, do whatever and go back to where they came from.

Is it legal if females violently punch each other's lights out? Would you pay to see it?

What's up with women, daughters, sisters, wives or friends, making appointments to walk into a

doctor's office and having a life violently snatched, vacuumed or sucked out of them. Do they get to have a nice life by taking somebody else's life away? Where are the women that are against any kind of violence? We can only suppose that they have selective amnesia.

Moor Black GrapeVine news- White people hunt Black people. Black people do not hunt White people. White people will go to anyplace that Black people occupy to single them out and hunt them for whatever reason. Some suspect for slavery, servitude, trophies and sport!

Always remember that hypocrites always need somebody to throw rocks at.

What kind of dude wants a stripper, prostitute, bi-sexual, or a junkie as a wife? Dude must be crazy or a young, buster himself! What kind of dude takes somebody like such, home to meet their mother? What kind of dude thinks that a stripper is a suitable mother for their child or children?

What girl wants a stripper, prostitute, bi-sexual or a junkie as a husband? Chick must be crazy or a buster herself. Some strange things are going on now-a-days! People will tell anybody anything.

Scientists are finding that it's quite common for an individual to have multiple genomes. It cannot be assumed that the genetic information from one cell can tell anybody about the DNA throughout a person's body. The people who say they are in control and know everything, are finding out they don't know as much as they claimed to know! It just takes the public a bit longer to realize the Game!

Women bullying other women is on the rise. All you have to do is ask some young, school girls how

The Nubian Times

safe it is to go to the girl's bathroom. It ain't boys in there feeling on their asses, cornering them and threatening them. You are a fool if you think that women are without sin. There are some females that will kick ass and bully whomever they can. Check mate!

Moor Black GrapeVine news- if you are on social media, giving up selfies, addresses, children's photos, phone numbers and information on yourself, you have just **PROFILED** yourself. Do you not know that the government and their police force have access to all your information? Maybe you haven't been tagged as a criminal suspect, but you on their database. They now have the comprehensive database in the world, with your picture. Add facial recognition and cell phone tracking software and they know you were at the scene of the crime, demonstration, rally, meeting, cook out, vacation, vigil, pep rally or fight! **COINTELPRO** at it's best!

One thing about Black Christians... they put their money where their mouth is. Don't anybody say anything about brains, because its faith based!

The first time and only time most Black people fly on an airplane, where do they go most often and by the numbers? You guessed it...Orlando, Florida! They feel a need to visit Disney Land! Ever get the feeling that we are being funneled and programmed to do some crazy ass shyt!

Sarcasm news- In the United States long and drawn out wars against Iraq and Afghanistan, the U.S. invited all women, children and senior citizens to leave these countries. They did not want to perpetrate violence on women, children and senior citizens. Anything else would have been cowardly! Anybody need video evidence? LOL!

10

Violence can not only be physically, but emotionally, mentally, economically and spiritually as well. Ask the slaves and any people that were colonized. As the families of those that were hung from trees or lynched. Ask the many people that have been treated unfairly.

Black GrapeVine news- Just because you afraid of being called homophobic don't think there aren't any psychotic male and female faggots out here!

Wigga news- Europeans load up on weapons because they want everybody to love them???

The next time you go to a family reunion or family gathering, if the females far outnumber the males, your family is dying. If the males outnumber the females, your family is dying. Look for and make balance to sustain the family. If you don't have any family reunions or gathering, your family may already be dead.

A GOOD STORY ALWAYS TRUMPS THE TRUTH!

Some of the protestors in Ferguson, Missouri called for cameras accompanying police officers in all their on-duty affairs.

White people love to monitor Black folks. They feel like that's a part of their religion. They monitor and tap phone calls, Face Book accounts, Twitter accounts and your blood pressure.

Family is where you are supposed to get a proper education or start the process Shawty. Somehow, our youth think that "family" means somebody that buys them some toys, junk, gives them candy; helps finance their desires or whatever! Pedophiles easily take advantage of this mindset. Sounds like some families are morally bankrupt. In reality Santa Claus and whomever don't do shy!

A friend, a nanny, a mammy or a baby sitter are not the same status as a good wife. Don't get it twisted! Wives are recognized all over the planet. A friend just don't have the same stature.

What would happen if Black folks started forming community militias like White people do?

Back in the day, Black folks had strong ministers that could preach and live the Gospel, hold down a family and still be revolutionaries. Now we live in some strange times. We got minister's that are into everything but the Gospel; their families are falling apart and they are government informants and employees second to none. We got lots and lots of "roving" ministers that don't have churches. That ain't too unusual, unless they can't separate the Church and State.

Slaves "jumping the broom" were not guarantee that they would be together. If the Master's finances got messed up, either man or women could be sold up or down the river. Slaves were still the Master's property.

There are some serious brothers on the ground and some "don't play with" sisters on the ground too! If you ain't got the guts to do what they do, please provide them with support in any which way you can. Everybody ain't got the same kind of heart! Everybody don't have the same kind of talents and skills, but you can acknowledge that we cannot breathe in oppression and slavery!

Hip Hop Rap Wigga news- White people maintain control of the things they have stolen and misappropriated! They no longer need the Blacks that were into Adidas, 40 ounces, Timber Lands, gold chains, and the big ear rings with the name in them. The over 30 crowd don't remember that hip hop rap has always had European

products, movies, clothes, under wear, pocket books, make-up, lip stick, stockings, sports paraphernalia, alcohol, head phones, turn tables, marijuana, get highs, motor cycles and utility vehicles tied to it. Back in the day, young Blacks actually felt as if they owned something. Now they act out and whine as if the enemy has took something away from them. They get mad if somebody tell them the enemy believes they own them and everything they dream about doing or being! The enemy controls their wants. We all are on the farm team or plantation team and get called up or discovered when they can profit!

When a White person dies, Negroes start crying buffalo tears and start slobbering R.I.P! When a Black person dies, they say the nigga got what they deserved and start helping to dig up bullshyt, looking for anything to smudge their reputation or smear their name. Anything to discredit them! That's an automatic feature of being a Negro. To the world, for their own people, Negroes and Negresses must accentuate the negative! Even if other negroes don't recognize what they are doing.

Too often Black fraternities and Black sororities are "trained", not educated These Negroes often pretend that they are better than other Blacks, who haven't entered into any kind of post high school training programs. They don't pull that classism shy on White people, just other Blacks. As a matter of fact, most of them don't confront White people at all. They are very comfortable kissing White people's ass for the rest of their lives. It becomes a learned habit, a ritual. Now that's training.

Cave men and cave women have yet to become civilized. They carry their violence and prejudice with them wherever they go.

employment and their protection for votes and labor.

In the 16th century Africans were forcibly taken to Spanish and English colonies in the Americas, North and South, as slaves. After the founding of the United States, Black people continued to be enslaved and treated as inferiors. Not sure when the masses of Black people in the United States became Americans. They passed no laws saying their supposed inferiors were their equals. The inferiors just got Civil Rights!

Beyonce is the no.1 female rump shaker in the U.S., followed closely by Nicki Minaj. Beyonce supposedly is pregnant again. Minaj has never been!

Most crime is intra-racial. Statistics show that 84% of White victims are killed by Whites and 93% of Black victims are killed by Blacks.

It takes a special kind of con artist to get rich without paying any kind of tax, by selling people an invisible product for 10% of their income that they can't see until after they die!

WHO AIN'T LOYAL BYTCH?

The only dope most of these rappers are selling is themselves!

Most of them are dope for dopes and a good investment for old White people.

People need to stop believing that recovering religious zealots formed some type of conscious community.

Who ain't loyal bytch? Somebody like me brought your raggedy ass into this world!

When Eve came out of Adam's rib, was she a baby or a full grown woman?

Outside agitators sounds like something White people would say, but Negroes yapping the same thing! None of the White police in Ferguson lived in Ferguson. Are they considered outside agitators?

The Bundy Ranch incident was a far more aggressive assault on law and order than the defensive action in Ferguson.

Many a Black doctors, the world over, have seen a correlation between Black people and diabetes, cancer, high blood pressure and sickle-cell disease, upon their arrival to European strongholds and nations.

Ain't no patriarchy or matriarchy on the plantation. Don't get it twisted. Ain't no family either. Just survival units if you are lucky. Black people were never suppose to have family. It's in the Constitution Yo!

Just checking, because we seem to be all about entertainment, be it Hip-Hop, movies, clowning, modeling, singing or sports. Are we about nothing more than some entertainment or minstrel shows?

Let all know, there are those Afrikans who do not want anything from the European and their agents amongst the non-whites. We want **EVERYTHING** from them.

Cave fellows were known to bash females over the head and drag them back to their encampments, to rape them and cook them over an open flame, so that other men, women and children could devour them.

Only a dumb Negro would even think that White rappers, actors and whatever are gonna support their cause, unless they can get some profit from it..

It's almost Christmas! Hope the Sky Daddy allows you enough income to buy them some more worthless and soon depreciated junk!

If you believe in JESUS do not ask me for money, a favor, or advice. Since Jesus have more power than me why waste your time. I will point you in his direction. Because if I was to loan you money, do you a favor, or give you good sound advice then who do you thank? And do remember I do not believe in your savior. So how can me and him communicate? NOPE....leave me be.

It is said they were built during the time of Mu/Atlantis. At least one hundred pyramids have been discovered in the Shensi Province alone.
