FREESTYLE SPITTIN' / BLACK FACTS/ YOU'LL KNOW YOU A NEGRO IF

You'll know you a Negro IF...

2015

(EXTENDED EDITION)

...you think males and females can make a future without some type of cooperation between each other. You might be alive now, but it won't be for another 25 generations. You got a death wish Negro!

..you think the path to freedom is always legal. Sister Harriet Tubman could tell you a thing or two about legality!

...you have over 10 pairs of shoes in your closet and nothing to eat or to wipe your tail with! You might as well eat the shoes ya big dummy!

...you don't know where the streets end or where real-life begins. Living fast and dying young is not a lifestyle; it's a death style Shawty!

...you color struck and think that don't nobody know it! It's called "colorism" now-a-days Shawty!

...you are dumb enough to think that white people are in a hurry to live near you, have

**YOU DON'T KNOW
THAT RACISM IS A
TEAM SPORT. LIKE IT
OR NOT, YOU THE
ONE GETTING'
PLAYED WITH AND
PLAYED ON!**

your children go to school with their children and want you getting the same wage or more than their wage. What has made you think that they want a level playing field Negro?

...you don't care about nobody but dead people and think the ancestors are smiling on you. No they are not! You hating on their children of the Sun!

...you can't wait a couple of hours for Grand Ma to cook;

you'd rather eat at McDonalds and get a lil plastic toy.

...you think that Latino, Latina or Hispanic refers to a race of people.

...you bytch and cry about Black Consciousness and forget you are living and existing with White Consciousness all around you. You don't limit White consciousness, so why you wanna limit Black Consciousness Negro?

...you put your under wear on backwards. You know that Negroes and Negresses look at the world ass backwards. Just ask Clarence Thomas.

...you one of them old farts over 30, trying to take the spirit, exuberance and enthusiasm away from our youth!

...your leaders, ministers, politicians and educators are all subscribed to the "Declaration of Dependence"

... the only thing coming out of your mouth is "ain't no need in complainin'!"

...you haven't noticed that Black police don't kill unarmed White people.

...your only job 24/7/365 is to make colorless people comfortable and happy, neglecting your own children or race-family.

...somebody say "HOLY" and visions of colorless people come to your mind. Negress and Negro...you retarded and mentally challenged at the same time.

... you think the mother or father of your child has no value.

...you wanna be just like White folks, but you wanna skip the Cave Man and Red Neck stages and move right into their Middle Class.

...everywhere you go you either start drama or bring drama with you. We need to start setting up "**DRAMA FREE ZONES!**"

...you and some of your fellowship think that Black people should be apologizing to White people for slavery. You must have voted for hill Billie Bill Clinton. He put more Black people in cages than any other POTUS in U.S. history.

...you like Black comedies. No, you love Black comedies! You like Black clowning so much, you laugh at your own degradation. . It's so funny; it's now called Black gayety! From Fresh

Prince, to Jamie Foxx, to Tyler Perry to Ice Cube, to radio hosts, to TV hosts and to most all Black entertainment, it's just Black Gayety with very few, if any exceptions! Maybe you have to laugh to keep from crying!

...you forgive colorless people for 500 years of pain, suffering and degradation and make sure no harm comes to them. But the minute somebody that looks like you hurts your feelings, be it family or not, you wanna throw a sissy fit and hurt them physically.

...you have no money, but you figure out how to tell people 'with money' how to spend theirs.

...the only thing you show up for on time is work or your funeral. Oh yeah, that's Colored People's time!

...you let somebody convince you that you are suppose to be broke. You suppose to take a vow of poverty. Even the preacher pimps ain't that dam stupid.

...you still be spreading that Santa Claus crap to your future without even thinking about it! You are praising de Lawd and Santa Claus at the same time! No wonder they call Negroes and Negresses Ni99ers! They scared, confused and continue doing ignorant shy!

...you work for a devil, slave for the devil and still brag

about what religion you are. Negro is about the same thing as a hypocrite!

...for money, you start calling a White boy your brother from another mother. Leave that dope alone chump!

... you practice and claim the same habits, customs and culture of the people that took a whip to your back and raped and sodomized your family members. So now the Negro wanna be an American. Call yourself multi-cultural or multi-racial, like you some kind of a mutt The Negro has no shame and as a matter of fact, the Negro has no testicles!

... you think eating at lunch counters, sharing hotels and beds, marrying, sharing toilets, water fountains and sleeping with people from other groups is going to satisfy and advance our interests as a people and race-family. U crazy Negro!

...you think educating your children is a trip to Disney World or some amusement park. U trippin' Negro!

...you are uncomfortable with the skin you are in. That bleaching cream just gonna make you un-naturally ugly and ghostly. Some dummy gonna believe you got vertilago! Yeah! Right!

...you get all uppity with Black folks, but humble

yourself in the presence of White folks.

...you buy fake, synthetic marijuana with a label like "STOOPID" on it. It's made in labs, mostly in China and you are stoopid. Dumb as a rock! Other names include Scooby Snax, Spice or K2. Dummy consumer trash for crash.

... the only barometer you have to tell if someone is racist or not is the "N" word. As long as they don't call you the "N" word, they must be all right! Negroes forgot that just because somebody doesn't call them a nig@er, doesn't mean that they won't unite with others to treat them like ni99ers!

...you come out your mouth with "All Lives Matter". But, wanna frown and act disappointed when other Black people say that "Black Lives Matter"! Black people ain't supposed to care about each other in your book.

... you think you all that and a bag of chips and everybody that looks like you is a piece of toe cheese.

...you buy into worshipping a white boy being a super hero and an extra-terrestrial. You even got "one book" to give you faith. What's wrong with you Yo? You are mentally challenged, retarded and can't nobody help you until you are dead and buried. BYE!

..you are a prisoner to some old ideas, old leadership and some old bullshyt about some DREAM! We suppose you got one book as guidance for that too!

...you swear you got a nationality or you are sovereign, but you don't have your own language or laws, really don't even have a community and can't defend yourself or your children from predators. All you got is a special hat or hand shake you do at secret, private meetings. Might even change ya name, but you can't change ya vibrations Yo!

IS U A NEGRO NEGRO! Maybe you need improvement!

...you have been brain-washed and indoctrinated into believing that the enemy is every Black and Brown person that you see on the planet. You see the world with blue eyes Yo or Shawty!

... you call going to lunch with your boss and the white girls down on the job, a family reunion.

...you keep talking that mythology shyt about ancient empires that only had women. Where they come from and what you been smoking or droppin'?

...you are anti-African. Somewhere on your journey, you forgot where someone in your family came from. Look

in the mirror Yo. White people know where you come from and who you are, even if you don't! They will kill you if left unchallenged.

...you think everybody on the planet believe some of the dumb shyt you believe; Hey Yo...You's a minority all across the checkerboard and everybody else playing chess, with you as a broke-back pawn!

...all you care about is "green" and you want somebody to care about you; it doesn't work that way Shawty!

...you allow White people, Caucasians, Europeans, Albinoids, Gringos, Pale-Faces, color-less people, cave men and women or whatever you want to call them, to decide who your celebrities, stars, news casters, entertainers, role models, representatives and leaders are. You so twisted, you let them tell you who your God is, what he looks like and what he better be about.

...as soon as you get paid or get your check, you break your neck to buy something from a White person, an Arab, a Korean or an East Indian. You just support companies, stores, businesses and corporations that don't give a rat's azz about you, your family and the race of people you belong to. Looks like you're just about committing group suicide!

...you don't know that racism is a team sport. You not on a team, you just getting played with and played on!

...you actually think you are in a position to choose your supervisor or President on whatever plantation you live on! Oh really?

...your Nan Na used to give you a little change, but now she borrows money from you for Newport's. She used to be 60, but now she is 37. She use to go to church every Sunday, but now she goes to the club every Saturday.

...you are waiting for Martin Luther King Jr., Malcolm X, Jesus, Muhammad, Harriet Tubman, John F. Kennedy, Franklin Roosevelt, Ronald Reagan, Abraham Lincoln, Barack Obama, Michael Jackson, Ma'at, Shaft, Super Fly, Super Man, Bat Man, Foxy Brown, Nzinga, Michelle Obama, Jim Dandy, Bill Clinton, Tupac, Aaliyah, Amen Ra, Ice Berg Slim, the 60's, the 70's, the 80's or the 90's to come back and rescue or save you from whatever!. Something is definitely wrong with you Shawty! Must be Negro Fever!

...you think people who are Pro-Black are the enemy. Nope! You the enemy!!!

...you have a problem when Black businesses try to sell you the same things you buy from White and Korean

businesses. Like clothes, under wear, toilet paper, shoes, cars, liquor, soap, furniture, candy, cookies, donuts, food and ice!

...you buy what you want and beg for what you need!

...you call yourself a bad bitch or a bad mother fucker. But that's all right. You still my dawg, my BFF and my Ni99a! Whatever! Maybe we should ban the word Negro!!!!

Blacks forgave Dylann Roof before he apologized for killing 9 Black people in a South Carolina church in 2015. @\$%#@! The chump ain't going to apologize. He thinks you are ni99ers!

After living through a Democratic Reign of nothingness and sleepiness, either a Black Giant is going to wake up or be put back to sleep forever!

Black people must be prepared to go with those who are ready for Unity. The others, who are not yet ready, can join later.

If you don't cooperate with someone, anyone, all the yapping, running off at the mouth, ego tripping and what you think as consciousness or spirituality, won't amount to shyt! You'll be buried with 10,000 people watching your ass being put in the dirt and only the wicked will remember you.

We might not be able to see into the future, but we can feel it. Post Traumatic Obama Stress Syndrome! We still are looking for "faith" in somebody besides ourselves.

Zebras have never been domesticated.

Many of the women that were lynched in early America, for standing up for their rights, were merely children. Many were raped and tortured before being hung.

Do not go to lectures where the lecturer has a reputation of spewing out that all living Black people ain't shyt. They are just cry babies who ain't had enough lap time. The only people they respect are dead people. Their ego has allowed them the time to realize that they are dead! LMAO!

Black GrapeVine news- Rumor has it that rapper T.I. and his wife Tiny owe the IRS about \$5 million. The couple is said to be worth over \$200 million, with investments in houses, clubs and a lot of junk. T.I. is supposedly working it out, with some type of deally with the IRS. Ain't nobody heard a word about Al Sharpton and his IRS problems. He supposedly owes more than T.I.

Tiny and what Wesley Snipes owed put together No word on if MSNBC is garnishing his wages,

If a woman dons military attire, fighting gear, garnishes a weapon, puts up her dudes or throws some punches, should a male or another female be able to engage her in combat? What say you?

David West, the professional basketball player, paid for Dr. Ben's funeral.

African elephants are the largest land animals.

Sometimes lies can be more comfortable for people than truth. "Keeping it real" is not a way of life in the United States.

Never sit on a horse so high, that you think nobody else is putting in work and absorbing costs in the fight for freedom. In other words, never try to over think what's in another slaves wallet.

Pan-Africanism should be a worldwide phenomenon, because White supremacy is!

Europeans have Networks where millions of people can communicate, promote, correspond, politicize, advertize and hook-up at one time. Black people have zip, nada, and zero! Sorry to say it, but since integration, we are only in a position to ride their backs. Face Book, You Tube, Twitter and whatever! It's amazing how we help them get paid, without as much as a whimper!

We weren't all brought on ships called Jesus, Liberty, Grace, Justice or Mercy. Our ancestors were already natives of the land long before the coming of Columbus.

American culture is a rapist culture. They have holidays set aside for some of the biggest rapist in their culture and biggest rapist on the face of their currency.

Wigga GrapeVine news- Racist White people came up with the slogan "ALL LIVES MATTER, to downplay Black people saying, "BLACK LIVES MATTER". We can't think of a better way for anybody to say, "You ain't shy!"! If we don't stand up for ourselves, this is proof that nobody else will.

If all lives matter, why people get so offended when we mention the Black ones?

Black GrapeVine news- Beware dimwits that get a little information and become bizarre. They learn a couple blue eyed words like patriarchal and matriarchal and their minds are so ablaze, they forget about the words balance and culture. Balance and culture dictates what type of society and place you live in. There are no places on Earth where men are fully in charge and no places on earth where women are fully in charge. Some of these scandalous and ridiculous books, philosophies and nut cases need to be put down. Don't cut off ya nose in spite of ya face!

China and the United Sates are locked in a contest for the resources of Africa. Some call it race relations, with heavy emphasis of the "race" for resources and influence!

Some of the earliest lynching of Black women in the Americas was for their being Republicans. Mrs. John Simes in 1870 in Henry County, Kentucky and Mrs. Hawkins and her daughter in 1872 in Fayette County, Kentucky.

Many experts advise limiting red meat to 18 ounces (cooked weight) per week. That's equivalent to 5 to 6 small portions of beef, lamb, or pork.

Companies, big and small, need to change their thinking and assume their data is likely to be compromised, instead of assuming

they can protect it. Hackers aren't always a single person. Hackers now can be small and large groups, competing companies and even competing countries.

NEVER SAY DIE!

Hannah Kearse was lynched in 1895 in Colleton, South Carolina with her mother and son for supposedly stealing a Bible.

Black GrapeVine news- testing is done in America to exclude certain people from opportunity. Guess who? Black scientist say that "numbers" from bias tests, are the new "Jim Crow".

You want vague. Just listen to any politician running for President. They all have "feel good" talking points they work and speak off of.

Giraffe can endure without water for a couple of weeks.

Just who has convinced Black women that they are independent, liberated and free in the United States? Have Black men been bamboozled into thinking the same way?

Anybody remember when Rock was Black? That was way back in the day Shawty!

Mercy Hall was lynched in 1922 in Oklahoma City for strike activity.

Don't go broke trying to look rich.

Donald Trump as President would be like a 4 year continuous comedy show. Only problem...who would get the last laugh? Are you afraid?

Negro always claim that Black people have no unity, but they always come together to party and bullshyt, drink and bullshyt and get high and bullshyt! Best thing the Negro do is bullshyt! We got some first class and ego tripping **UNITED BULLSHYTTERS!**

According to Thomson Reuters Foundation, some 30 million

people are enslaved worldwide, trafficked into brothels, forced into manual labor, victims of debt bondage or even born into servitude, a global index on modern slavery showed on Thursday.

Sooner or later, most 5 star chicks become 4 star, then 3 star and so on. Ballers, well, they just become broke asses, sooner or later. It's all good. That's life on the streets and in hip hop circle. There are always exceptions to the rules, but not many.

Just who did they have in mind when they invented Lady Viagra! Are they saying women can't get it up? LMAO!

American's thirteen colonies grew to fifty colonies as far as many Black people are concerned. The red, the white and the blue slave trading symbol spread from England and across the Atlantic Ocean.

During slavery children who were born to slaves began working as soon as they were able.

Eliza Bryant was lynched May 25, 1926 in Duplin, North Carolina for having the nerve to be successful.

Scientist of today still haven't figured out a test to know how many babies men have in them. They can test if a man is sterile, but not how many babies he can help produce. Their goal so far is just to keep giving women birth control to limit populations. They even have women promoting Viagra in men and birth control in women. Seems

very unbalanced and beyond the sexual revolution into madness!

At least 37 states have legalized the contracting of prison labor by private corporations that mount their operations inside state prisons. The list of such companies contains the cream of U.S. corporate society: IBM, Boeing, Motorola, Microsoft, AT&T, Wireless, Texas Instrument, Dell, Compaq, Honeywell, Hewlett-Packard, Nortel, Lucent Technologies, 3Com, Intel, Northern Telecom, TWA, Nordstrom's, Revlon, Macy's, Pierre Cardin, Target Stores, and many more. Mrs. Frank Clay was lynched November 18, 1957 in Henderson, North Carolina for having a dispute with a white person.

The International Labour Organization estimates that almost 21 million people are victims of forced labor.

Moor Black GrapeVine news-Rumor has it that Illinois suspends more African-Americans that any other State in the united States. It must be wild up in Illinois!

Females are into homosexuality and bi-sexuality more than most people think.

The fake azz battle of the sexes has got a lot of females out of balance and whackety whack! They are the primary teachers. When homosexuality doesn't solve their freakism and wackiness, they are turning to children...lil boys and girls they can MAN-I-PU-LATED! The A.M.A. actually is in the process of trying to make this pedophilia BS a legitimate lifestyle, just as they did homosexuality back in the early 80's. Anyway, when the Black whackos, females and male, are caught, they are jailed and they pay for their behavior when other inmates find out their "lifestyle" with children. Their asses are whipped good and proper on a daily basis as long as they are incarcerated. The White ones are usually only chastised and set free. All churches, schools, colleges, internet cafes and political strongholds are their usual hiding and stomping grounds. Wicked females think they are "free" to do what they wanna do too.

Seventeen year-old Marie Scott was lynched on March 31, 1914 in Wagoner County, Oklahoma by a white mob of at least a dozen males. Two drunken white men had broken into her house as she was dressing and raped her. Her brother heard her screams for help, kicked down the door, killed one assailant and fled. Unable to find her brother, the mob lynched Marie.

Rumor has it, that a growing segment of the Christian community, view same sex shy, much the same as they view Zombies. Oh, you don't know? Some stuff just ain't kosher! Lol!

Walk Free, an Australian-based rights group, says that almost half the slaves of the modern world are in India, where slavery ranges from bonded labor in quarries and kilns

to commercial sex exploitation, although the scourge exists in all 162 countries it surveyed The groups estimate of 29.8 million slaves worldwide is higher than other attempts to quantify modern slavery.

We've always heard a lot about White settlers the world over, but not much about Black settlers. Could it be that Black people don't dwell on colonizing other people's living space?

Wigga Grapevine news- Rumor has it that the United states and new Zealand conducted secret tests on a "TSUNAMI BOMB" designed to destroy coastal cities by using underwater blasts to trigger massive tidal waves.

I'm Spittin' for real!

Black females have about as much displaced egotism as Black males.

When Africans are united and posted vigilant watchmen and watchwomen to look out for our interests things will change for the better.

If you see 2 women playing house with a baby: you should know damn well they didn't get together to make that baby. Spit don't make babies you big dummy. So much for either of them playing or being God!

We hope your name, info, naked photos and GPS coordinates weren't in the Ashley Madison Hump Dump!

College boys and girls don't usually work for the people, unless the people got some cheddar. They are looking for benefits.

Women can't make babies without men. Men can't make babies without women. There is nothing new under the Sun, except bullshyt!

If the shoe fits, you can leave it up your ass. You won't be in need of a diaper for a little while!

Donald Trump for President! He won't free any slaves, but he might wake a few up! No love for Trump, but he might be the lesser of a whole lot of evil. You already know he don't give a shyt about you!

Hacking is a form of power. It sometimes makes the high and mighty tremble with fear and the weak quit, when their business is put out in the streets.

Anybody notice Black TV, Black radio and Black magazines are presenting materials for Negroes with a third grade education and mentally challenged Negresses. Word is you are supposed to support Black Business, not Black stupidity! Check it out and see for yourself. The advertisers are happy as long as we don't require and demand more..

Laura Nelson was accused of murdering a sheriff who had supposedly discovered stolen goods in her house. She was lynched with her 15 year-old son in 1911 in Okemah, Oklahoma.

There will always be some people that don't know how to hustle, make a reasonable living. They'd much rather sit around and bytch.

Without African unity, while others are forging unity among themselves, Africa and Africans, with vast natural resources, will always be vulnerable to the better organized.

Now-a-days it takes courage not to be gay or a trans-sexual.

More than half of Black Americans born poor stay poor. We need more Black entrepreneurs and Black economics. Boycotting our enemies would help quite a bit Shawty.

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

If you are looking for anti-African bull crap, you came to the wrong place. These quotes are not for your normal Negroes and Negresses, satisfied to be profiled and have their asses beat down!

BLACK LIVES MATTER

The Gospel According To

Sandra Bland

"Show me in American history where ALL lives have mattered."

MDW NTR

The Gospel According To

Jacob Carruthers

"African champions must break the chain that links African ideas to

European ones and listen to the voice of the ancestors without European interpreters.”

ALL THINGS ARE POSSIBLE

The Gospel According To
Portia Simpson Miller

“It is a remarkable and startling thing to imagine that there were actually persons of our bloodline who were not seen as persons; who were categorized as brute beasts without human dignity; and yet who in the face of such dehumanization clung stubbornly to the notion that freedom was their right.

“If our [Afrikan] ancestors could nurture that ‘all-things-are-possible’ attitude under such heart-rending conditions, then what could there be that we - their heirs, cannot do today?”

FEMINISM IS NOT AFRICAN

The Gospel According To
Dr. Marimba Ani

“Feminism cannot be African because it focuses solely on the experiences of one gender and not the collective experience of the African family”

THE BIBLE

The Gospel According To
Jomo Kenyatta

“When the missionaries arrived, the Africans had the land and the missionaries had the Bible. They taught us how to pray with our eyes closed. When we opened them, they had the land and we had the Bible.”

BEING SCARED

The Gospel According To
Fannie Lou Hamer

“What was the point of being scared? The only thing they could do to me was kill me and it seemed like they’d been trying to do that a little bit at a time ever since I could remember.”

SPIRITUAL DOOM

The Gospel According To
Dr. Martin Luther King

“A nation that continues year after year to spend more money on military defense than programs of social uplift is approaching spiritual doom.

PLACE OF HONOR

The Gospel According To
Ida B. Wells

“A Winchester rifle should have a place of honor in every Black home, and it should be used for that protection which the law refuses to give.”

PRISONERS HANGED

The Gospel According to
Assata Shakur

“In prison, it is not at all uncommon to find a prisoner hanged or burned to death in his cell. No matter how suspicious the circumstances, these deaths are always ruled suicides’. They are usually Black inmates, considered to be a ‘threat to the orderly running of the prison’. They are usually among the most politically aware and socially conscious inmates in the prison.”

NEGRO INTELLECTUALS

The Gospel According To
Marcus Garvey

“It is astonishing how disloyal and selfish is the average Negro ‘intellectual’ of the passing generation to his race. He is the greatest fraud and stumbling block

to the real progress of the race. He was educated with the wrong psychology and perspective...and intermingling with the whites is their highest ambition,”

WISHING YOU FAITH

The Gospel According To
Dr. Betty Shabazz

“I wish you power that equals your intelligence and your strength. I wish you success that equals your talent and determination. And I wish you faith.”

TAKING DOWN A CONFEDERATE FLAG

The Gospel According To
Dr. Maulana Karenga

“It is important to assert at the outset, in the interest of seriously needed distinctions, that a single symbolic act of taking down a confederate flag is not the same as or a substitute for tearing down the walls of White supremacy for which it stands. Taking down the confederate flag, like the Obama election, clearly has its symbolic value, and also like the Obama election, it can give us a rightful sense of satisfaction and victory, and then leave us with little else. For the moment did not lead to building a movement, and the single act assumed a separate meaning in and of itself. The election became, like the removal of the flag could become, the end rather than a means to further and complete the long and costly struggle for racial and social justice.”

THE MEAT MARKET

The Gospel According To
Naim Jueh Ali

“Western (white) society encourages our women to go around half naked and seductive, only for them to find out (when the

sex appeal has gone), that they've been misguided, used, and exploited. Now their time is up, and they must give way to younger sexier women who will replace them in the "meat market". Wake up my sisters. Know that the body fades, but the mind will always stay beautiful as long as you continue to cultivate it."

DEATH TO COWARDS

The Gospel According To
Harriet Tubman

"If he was weak enough to give out, he'd be weak enough to betray us all, and all who had helped us; and do you think I'd let so many die for one coward man."

OLD WAYS OF MY PEOPLE

The Gospel According To
Black Elk

"I could see that the white people did not care for each other the way our people did... They would take everything from each other if they could... Some... had more of everything than they could use, while crowds of people had nothing at all... This could not be better than old ways of my people."

WHEN WRONGS GO UNCHALLENGED

The Gospel According To
Barbara Jordan

"If the society today allows wrongs to go unchallenged, the impression is created that those wrongs have the approval of the majority."

TRADITION OF DEATH

The Gospel According To
Sister Souljah

"We can jump big and bad with one another... we can get real angry and hateful towards one another, but we can't muster up enough

energy to change the condition that creates a tradition of death in our community!"

THE CASE FOR REPARATIONS

The Gospel According To
Ta-Nehisi Coates

"250 years of slavery. 90 years of Jim Crow. 60 years of Separate but Equal. 35 years of State-Sanctioned Redlining: Until we reckon with the compounding moral debts of our ancestors, America will never be whole."

AIN'T NEVER BEEN NO GOOD

The Gospel According To
Dick Gregory

"Y'all act like this country was good and then got bad. This country ain't never been no good!"

VIOLENCE

The Gospel According To
Julian Bond

"Violence is Black children going to school for 12 years and receiving 6 years of education."

BIG RICH TOWN

50 Cents ft. Joe

They say this is a big, rich town
I just come from the poorest part
Bright lights, city life, I gotta make it
This is where it goes down

I just happen to come up hard
Legal or illegal, baby, I gotta make it

UPLIFT BLACK PEOPLE

Laurn Hill

"It's not wrong for me to uplift people. When I hold that mic, I have power and I'm going to use that power to uplift my people, because I am Black and I am powerful. It's not wrong for me to uplift Black people. It's wrong for me not to uplift Black people."

GOOD COPS, BAD COPS

Chris Rock

"All those 'GOOD COPS' y'all love bringing up when you say; 'Not all cops are bad' seem to never be around when their comrades are killing innocent people."

ON YOUR FEET

Redd Foxx

"The best way to get on your feet... is off your ass!"

TWO HUGE LIES

Dave Chappelle

"Our culture has accepted two huge lies. The first is that if you disagree with someone's lifestyle, you must fear or hate them. The second is that to love someone means you agree with everything they believe, say or do. Both are nonsense. You don't have to compromise convictions to be compassionate."

STAND TALL

Janelle Monae

"God Bless all the lives lost to police brutality. We want White America to know that we stand tall today. We want Black America to know we stand tall today. We will not be silenced."

SOMEDAY WE'LL BE FREE

Donnie Hathaway / Regina Belle

Hang on to the world as it spins around

Just don't let the spin get you down

Things are moving fast

Hold on tight and you will last

Keep your self-respect, your manly pride

Get yourself in gear, keep your stride

Never mind your fears

Brighter days will soon be here

Take it from me, someday we'll all be free

LEAVE THE TABLE

Nina Simone

You've got to learn to leave the table when love's no longer being served."

SAVE THE CHILDREN

Marvin Gaye / Regina Belle

There'll come a time, when the world won't be singing

Flowers won't grow and the bells won't be ringing

Who really cares?

Who is willing to try?

To save a world that is destined to die

Live life for the children

Save the babies, save the babies

USE US AGAINST HIM

The Gospel According To

Shahrazad Ali

All we have to do is get pregnant. The white man will give us a place to live, health insurance, food stamps, pharmacy coverage, day

care and everything else. Those things keep us from wanting to be with a man because we say, "He ain't got nothing." Well, we wouldn't have nothing either, if they wasn't trying to use us against him."

FEELING GOOD ABOUT THEMSELVES

The Gospel According To

Shahrazad Ali

Sisters don't have any idea what it would feel like for us, to have 15, 20 million Black men walking around in America feeling good about themselves!"

THINGS YOU DO NOT SEE

The Gospel According To

James Baldwin

If I love you, I have to make you conscious of the things that you do not see."

THEIR INHUMANITY

The Gospel According To

James Baldwin

Please try to remember that what they believe, as well as what they do and cause you to endure, does not testify to your inferiority, but to their inhumanity."

RETURN TO YOUR CULTURE

The Gospel According To

Dr. John H. Clarke

Any Black woman who chooses to follow any religion that has deemed you a curse, an enemy to man. evil, untrustworthy, the downfall of the human race and compared to the devil... has got to be out of their minds, to allow a religious belief to steer you away from your African culture. Black women will never return to their

true state of mind under a religion. Give the oppressor his God back. Return to your culture!"

THE MEEK

The Gospel According To

Dr. John H. Clarke

The meek shall inherit nothing except more chains!"

SANE vs. INSANE

The Gospel According To

Mwalimu K. Bomani Baruti

If European culture is insanity then at the fundamental level that humans define and perceive reality we, as Afrikans and people of color, have a very serious problem. If a cultural minority becomes the power majority and, this minority, through military, media and religious might force the majority cultures to adopt its culture as their own, then insanity becomes the norm and is redefined as sanity. Accepting another's reality as your reality makes their reality yours. If the global majority is right then Europeans are wrong, how dare they stand in judgment?...Unfortunately, as is the case with Western cultural imperialism, if the insane can convince the sane that insanity is sanity, then the sane majority become insane and insanity becomes universal and comes to be seen as sanity. Those individuals or groups who dare to hold on to their original sanity become universally depicted as the truly insane (backward), and those who are carriers of the original insanity become universally depicted as the truly sane (modern)."

HELP FROM ALIENS

The Gospel According To

Neil deGrasse Tyson

Just because you can't figure out how ancient civilizations built

stuff, doesn't mean they got help from Aliens."

BROKE-A-SEXUALS

Uncle Jessie Returns 2015

Broke-A-Sexuals are people who are broken spiritually, psychically, mentally, emotionally, financially and oftentimes physically. They live their lives 24/7 on the "sex" tip. They want people to not see them as a gender, but some kind of sexual entity. They can be born again, born yesterday and some claim they were born to be "gay". "happy" or "excited" about coming out of a closet broke.

Broke-A-Sexuals have no real culture of their own. Broke-a-sexuals usually spring up in trying times, when an environment is going out of balance, but most often, their appearance in a culture or society usually signals an end time for that culture. Broke-a-sexuals may last for two, three or even four generations or more. Broke=a=Sexuals know how to lie their ass off.

Broke-A-Sexuals are oftentimes called Masturbating Gender Blenders. Some are female, that claim they are male and some are males that claim to be female, but none of them are quite working with the right equipment. But, for a little cash and bill paying, they will be and play whatever the payer wants them to be.

Now don't confuse Broke-A-sexuals with Homosexuals, Lesbians, Trans--genders, Bi-sexuals or whatever. These groups or individuals may not be broke and they haven't been classified by the government quite yet. They don't show up with the Census Bureau or on job applications.

Nobody knows exactly who they are until they present themselves as such. The big difference is that Broke-A-Sexuals are broke-asses and will do anything for that cash, money, paper stacks or cheddar. Most true homosexuals and the like, only last for one generation and are more likely to disappear from this realm, unless properly advertised as a lawful status. Ain't nothing lawful about no Broke-A-Sexual! If you see a straight, gay, queer, Bi, conniving individual or group acting queerly, hold on to your paper stacks. They'd do anything to get paid, including murder for money. They just might be Broke-A-Sexuals. Lmmfao!

EUROPEAN FACTS

(SUBURBAN MYTHS?)

Believe it or not!

Caucasians invented slavery, deriving from their bondage of Slavic peoples. Caucasians were the 1st people to build prisons and/or dungeons in Europe, the Americas, Asia, Australia and Afrika.

After the Great Depression, America used affirmative action and welfare to create the White Middle Class we see today.

The Great Wall of China was built to keep European barbarians out. No other race is as savage to others and themselves as the colorless people.

In Caucasian dominated societies, as quiet as it's kept, women are perpetrators of half the sexual abuse on children.

As long as rich White people can keep poor White people believing in a White, blue-eyed Jesus, the rich White people will stay rich and in power.

American Indians (indigenous people of North America) are the victims of violent crimes at more

than twice the national average and, unlike the situation among whites and blacks where the large majority of crime victims are of the same race as the perpetrators, 70 percent of those committing crimes against Indians are of a different race. A full 60 percent of the perpetrators of violent crimes against Indians were whites.

Arabs and Jews started the White (goy) slave trade, dealing mostly in women.

Every thought that comes from the Albinoid mind is meant to dominate and control.

White people in America have wealth, because they never paid the people that worked for them, with the free land and free labor system they set up for themselves.

Hackers are more than ever interested in taking down large banks and highly publicized companies..

As White women mutate, their wombs are becoming more calcified, rendering them useless. The use of machines to bring their young to term is a fact of Caucasoid life.

Europeans come from areas with Ice Age, glaciated soil. When the ice melted, the resulting water washed away vital nutrients from the places that all Caucasian tribes dwelled in and came from. Their soil is depleted such minerals as selenium, zinc, phosphorus and potassium to name a few.

80,000 women in the United States are diagnosed with gynecological cancers each year- uterine, ovarian and cervical the most prevalent.

Homosexuality is an Institution in all European controlled countries.

The United States, with only 5% of the world population, consumes 60% of the world's psychiatric drugs.

Homosexuals are some of the elite of Caucasian societies. In the United States, those out the closet represent between 1 and 4% of the American population. 59% of them are college educated. Over 51% of them make over \$53,000 a year. Over 43% of them own property, businesses and land. They are not victims, but they are attempting to normalize their behavior.

Doctors in the United States kill more than 7,000 people in the U.S. every year... with their handwriting!

Europeans most always have some type of hanging tree, electric chair or some form of death penalty in areas that they dominate.

Europe was crime ridden and diseased before Africans came to Europe.

European scientist said that asbestos was a mineral. Then they said that it was safe for humans.

U.S. citizens have to worry more about domestic terrorism that they have to worry about foreign terrorism.

The most commonly used birth control by Caucasian females was infanticide, then abortion, but now it's mostly done with pills.

All pornography is legal in the United States, except child pornography, but there are more pedophiles in the United States than the rest of the world put together.

White people call it civilization when their citizens can choose their sexual orientation.

In the Caucasoid global prison industrial complex, they do not frown on emotional relationships. This is their way of promoting and condoning homosexual relationships.

Many Americans are unaware that the U.S. is the most polluting

society in the First World. In some areas, like the emission of greenhouse gases, it even outdoes the environmentally ravaged former communist countries.

The U.S. also has the greatest poverty rate in the industrialized world.

Every year in the U.S., 12,000 patients die from surgery that is not warranted medically, but is performed anyway.

The U.S. boycotted the 1980 Olympics, because the Soviet Union was occupying Afghanistan.
