NEW SLAVE AUCTIONS / THE WHOLE TRUTH? / THE OLDEST PYRAMIDS

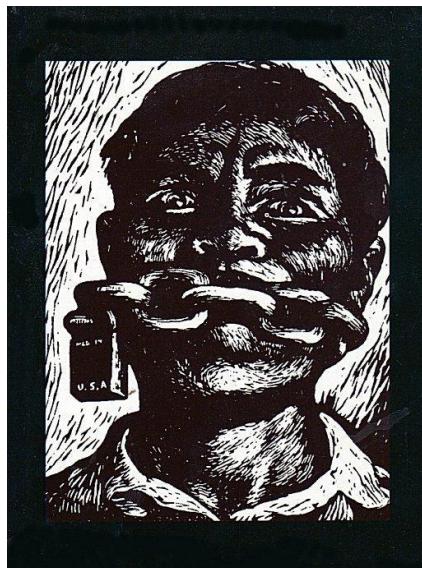

THE GOSPEL ACCORDING TO AFRIKANS

(OUR STORY)

This site and paper recognize that Afrikans were the first human beings on the planet and those humans had a divine and special relationship with The Great Mother and the Cosmos. We are not trying to convince anybody of anything, nor tell them who and what they are, what they should be doing, believing in, but we just felt the need to let our readers, other beings and other species know where we were coming forth from. People of Afrikan descent

established more communities, civilizations and nationalities than

THEY'RE TRYING TO GAG & IGNORE US SHAWTY! anybody else could imagine. We just celebrate our Africaness to the MAX.

MIS-EDUCATION

The Gospel According To

Dr. Amos Wilson

THE GUN AS A SYMBOL

The Gospel According To
Dr. Frances cress Welsing

"The gun as a symbol in the white supremacy system/culture... cannot be banned because it is the symbolic phallus substitute for the white male. The white male's penis and testicles genetically cannot annihilate Black and other non-white males, but his gun can. Therefore to ban the gun for the white males is to castrate him symbolically, to remove his defense mechanism for the ever present threat of white genetic annihilation."

THE BLACK MAN

The Gospel According To
Dr. Frances Cress Welsing

"A Black man is someone who will respect, support, protect and defend himself, his woman and his children. He will do whatever is necessary to ensure their families respect, support, protection and defense."

ACT OF INACTION

The Gospel According To
Kwame Toure

"If your people are oppressed and you are not making a contribution to end the suffering of your people, by your very act of inaction, you are against your people. There is no middle ground."

A QUEEN

The Gospel According To
Queen Afua

"A queen is not just a title. It is a state of being. A woman only attains this milestone after years of self work, emotional healing, mental refinement and spiritual maturation. At that point she doesn't even have to say that she is one,. People will know, by the way that she carries herself. .

GREAT POWER

The Gospel According To
Elijah Muhammad

"A woman has great power and influence over a man. She is able to do whatever she wills, if she puts her mind to it. If a woman decides to help save her husband from filth and corruption, she can do it, provided she acts wisely."

COWARDS

The Gospel According To
Yaa Asantewaa

"If you men are to behave like cowards, you should exchange your loin cloth for my under garments."

EMPHASIS ON MATERIAL THINGS

The Gospel According To
Malcolm X

"Look at the women in America, young and old. Hardly any morals

are left in them. You can measure this by their dress and attire. Their spiritual values are almost destroyed, because of their emphasis on material things."

SELF-IMAGE

The Gospel According To
Oscar Micheaux

"Your self-image is so powerful it unwittingly becomes your destiny>"

The Gospel According To
Muammar Gaddafi

"Obama wants to kill me, to take away the freedom of our country, to take away our free housing, our free medicine, our free education, our free food, and replace it with American style thievery called "capitalism", but all of us in the "Third World" know what that means. It means corporations run the countries, run the world and the people suffer."

MENTAL ENSLAVEMENT

The Gospel According To
Dr. Marimba Ani

"We have been conditioned so well through such a long process, that it is now us who are enslaving ourselves mentally."

READY TO FIGHT FOR AFRICA

The Gospel According To'
Fidel Castro

"African blood flows freely through our veins. Many of our ancestors came as slaves from Africa to this land. As slaves they struggled a great deal. They fought as members of the Liberating Army of Cuba. We're brothers and sisters

The Nubian Times

of the people of Africa and we're ready to fight on their behalf!"

GIVE ME LIBERTY

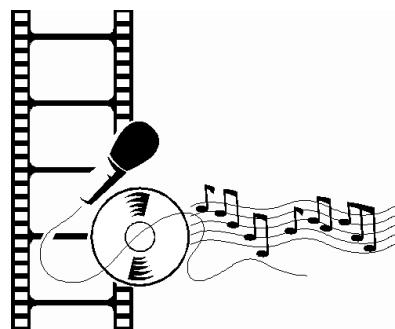

The Gospel According To
James Baldwin

"When any white man in the world picks up a gun and says; give me liberty or give me death, the entire white world applauds. But when a Black man says exactly same thing, word for word, he's judged as a criminal by whites and treated as one. And everything possible is done to make an example of him to ensure there wouldn't be any more like him."

THE WHITE WOMAN

The Gospel According To
Dr. William Mackey

"White women will take Black women's support, tell them to kiss their butt, and go along with their men!"

SPIRITUAL

Fela

"To be spiritual is not by praying or going to church. Spiritualism is the understanding of the universe so that it can be a better place to live in."

SOMEONE'S A HOE

Lena Horne

"The naked female body is treated so weirdly in society. It's like people are constantly begging to

3

see it, but once they do - someone's a hoe."

TWO HUGE LIES

Dave Chappelle

"Our culture has accepted two huge lies. The first is that if you disagree with someone's lifestyle, you must fear or hate them. The second is that to love someone means you agree with everything they believe, say or do. Both are nonsense. You don't have to compromise convictions to be compassionate."

ANGEL

Jimi Hendrix

"Angel came down from heaven
yesterday
She stayed with me just long
enough to rescue me
And she told me a story yesterday
About the sweet love between the
moon and the deep blue sea
And then she spread her wings high
over me
She said she's gonna come back
tomorrow

And I said, "Fly on my sweet angel
Fly on through the sky
Fly on my sweet angel
Tomorrow I'm gonna be by your
side"

Heaven Must Have Sent You

The Elgins

"I've cried through many endless
nights
Just holding my pillow tight
Then you came into my lonely days
With your tender and your sweet
ways

Now I don't know where you come
from, baby
Don't know where you've been, my
baby
Heaven must have sent you
Into my arms"

SEE LINE WOMAN

Nina Simone

Sea line woman, she drink coffee
She drink tea and then go home
Sea line woman

Sea line woman, dressed in green
Wears silk stockings with golden
seams
Sea line woman

Sea line woman, dressed in red
Make a man lose his head
Sea line woman

Sea line woman, black dress on
For a thousand dollars, she wail
and she moan
Sea line woman

SINNER MAN

Nina Simone

Oh, sinner man, where you gonna
run to?
Sinner man where you gonna run
to?
Where you gonna run to?
All on that day
We got to run to the rock
Please hide me, I run to the rock
Please hide me, run to the rock
Please hide here
All on that day"

BEAT YOU DOWN

Cicely Tyson

The minute anyone tries to demean
or degrade you in any way, you
have to know how great you are.
Nobody would bother to beat you
down if you were not a threat."

THE PROBLEM

Dave Chappelle

"Some Blacks keep using the logic
that; "Perhaps if we stopped
cursing, stopped being ghetto and
pulled up our pants, that white
people would treat us better." I'm
not condoning bad behavior, but
whites were also lynching,
castrating and burning us alive
when we were saying yes sir boss,

The Nubian Times

wearing our pants at our waistline
and not using the N word! So isn't
it apparent that the problem is more
about them than us?"

I CAN'T RELATE-

A\$ap Rocky

"Why, because I'm Black? So
every time something happens
because I'm Black I gotta stand up?
What the fuck am I, Al Sharpton
now? I'm A\$ap Rocky. I did not
sign up to be no political activist, I
don't wanna talk about no fucking
Ferguson and shit because I don't
live over there! I live in fucking
Soho and Beverly Hills. I can't
relate. I'm in the studio. I'm in these
fashion studios. I'm in these
bitches' drawers. I'm not doing
anything outside of that. That's my
life."

COWARDS- NO BACK BONE

Monique

"I've never met so many cowards
in our Black men in show business.
I've never met so many Black men
that have no got damn back bone."

THE WORLD'S TWO GREATEST CONS

Jeremiah Camara

"The second greatest con ever
perpetrated on humanity, is that
there is an omniscient and
intervening god, dwelling in
heaven, who has a son via a virgin
birth that he gave up to the world to
wash away our sins and offer those
who believe in him everlasting life.

The first biggest con is that slavery
ended in the United States in
1865."

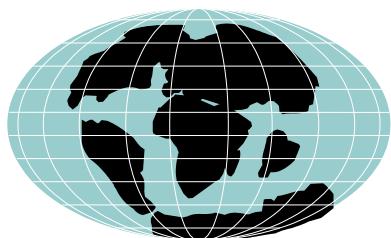

GREATNESS OF A MAN

Bob Marley

"The greatness of a man is not in
how much wealth he acquires, but

4

his integrity and the ability to affect those around him positively."

LIFE RECYCLES

Anonymous Submission

"During the creation process we borrow tissue from our mother's body. That means that your matter or material is all maternal. This is why in Latin mother means "mater" and father means "pater", he sparked the pattern. So every time you touch your skin, you are not only touching your mother and touching your grandmother, but you are also touching the first mother. This is one reason why literally we are our ancestors! Life recycles..."

A WOMAN'S WORTH & POWER

Anonymous Submission

"The vagina produces a thick chemical fluid known as copulin. that has actual mind control effects on a male's brain. If a male is exposed to a woman's copulins, over time she will be able to change, remove or insert memories. Tell the males what he sees, hears, feels, smells and tastes; insert subconscious thoughts that will surface as "his own ideas" or behavior later. Plant trigger words or actions that can cause thoughts, actions or sensations in the male at later dates, days, weeks or even months. The melanated woman's copulins have multi-functions and are capable of doing other things."

EDUCATION FOR INDEPENDENCE

The Gospel According To
Dr. Adelaide Sanford

The Nubian Times

BLACKNESS

MELANIN

The Gospel According To
Carol Barnes

"Melanin enhances brain power, physical performances, neutralizes harmful free radicals (radiation) and detoxifies the body of harmful

5

organisms, chemicals and invading bacteria."

CRACK HEAD NEWS

THE TRUTH, THE WHOLE TRUTH AND NOTHING BUT THE TRUTH???

EDITION

Black Consciousness can't be taught, it has to be sparked.

Technology can be convenient and fun, but is dangerous too. There is always somebody trying to steal your shyt!

Who died and made you HNIC?

I read it in a book, it must be true. Why would they lie?

Diabetes does not just run in your family it runs in your family habits and traditions.

Nobody in North or South America called themselves Indians until they were affected by Europeans.

Even though whites are now called cowboys, the original word was a means of subordination to the Blacks who worked with cattle.

There was no such a thing as a Cherokee until European colonist had surrounded indigenous people with cannons and muskets, cut off

their water, food supplies and renamed all those differing nationalities. That was before moving them to ghetto reservations.

More people died so we wouldn't have to participate and could refrain from European bullshyt, than died for the right to vote and integrate Shawty. Don't complain if nobody wants to hold white folks and their leaders in reverence Yo. That's right; don't complain if nobody wants to keep running around in circles. Exactly who died for some of these suckers that are running for President now?

You cannot win an economic war without economic soldiers. Support Black business and Black commerce.

The white supremacy system creates a name for you no matter what reservation, plantation, barrio, haciendas or ghetto you come from. They don't ask, they tell.

They can find dinosaur bones from 200 million years ago, but they can't find the remains of any biblical characters from up to 4,000 years ago.

SELECTIVE AMNESIA

Who died so people could vote for Politicos or Parties that are hurting and injuring them? Hopefully they died so one could abstain if they wanted to. Obtaining freedom has never been a popularity contest. Don't try to force somebody to do something they are not completely comfortable with.

I saw it on television, it must be the truth. Why would they fabricate anything?

In China, JADE is revered as the ultimate valuable material. It's considered far more valuable than gold or diamonds.

Many a Black person in the Black church doesn't want to push back

The Nubian Times

on White people. They want to go to heaven with them.

Mental castration is a gay male disease.

On the plantation across the Dirty South, Black women often had ten, twelve or even twenty children. Wasn't that miscegenation Yo? Who decides who is Black? Is it the people in charge or you?

All relationships GO through shyt! Real relationships GET through shyt!

What people on what Reservation are waiting for you with open arms?

Somebody White said it, it must be the truth. Why would they lie and make up shyt?

More and more people in the U.S. are subscribing to TV Murder Networks. Murder shows may outnumber comedies. Who knows but the puppeteers and programmers?

CERTIFIED NEGRO UNDER WARRANTY

Negroes are willing to accept a government that they know is corrupt and racist. It may not be time to get rid of the "N" word just yet.

I saw it on a billboard, it must be true. Wouldn't that be false advertising?

War elephants out of Africa were considered the first tanks.

Boys and girls do not automatically develop into men and women without some kind of cultural bearings. As a result, we have a lot of dangerous big kids, some between the ages of 20 and 80, on the prowl and looking for a come up.

Northern Africa is not accepting Blacks at this time. Asia is not accepting Blacks at this time.

6

Europe is very selective about any Black people crossing into their territories as well. The United States is not accepting any "new" Black folks unless they have been vetted and got something to offer profiteers, corporations and businesses. If you believe you have some type of kinship and standing in any of those places, you might want to rethink that. All past treaties and friendships on pieces of paper are null and void.

The best thing about Westerns is watching white boys shoot the shyt out of each other.

My doctor said it, it must be the truth. He charged me handsomely.

Black women athletes & players in the WNBA must work harder to get Black woman as coaches and managers if they want the Black community to give them any support. White women can't jump either!

Stud farms are an aspect of slavery that has been omitted from the record and about which we do not talk any more. We should remember, however, that there were times in the United States, when owners used slaves to breed stronger slaves in the same way that a special breed of horse is used to breed other horses.

Whether the U.S. is considered a democracy or a republic, **SLAVERY** still raged for generation, after generation, after generation for Black people.

China averages about 20 Earthquakes per year. Some scientists believe many are due to their secret underground nuclear testing.

Who's penniless, jobless, live in urban areas and tell somebody they want to fight for their country? Come on now!

I saw it on social media, it must be true. Why would they lie?

There are more females than males in virtually every country in the world

Sugar is a drug. It has no nutritional value. It passes through the wall of the stomach so quickly that it causes blood sugar levels to skyrocket. This processed sugar makes a person want a fix, just like a junkie or a crack head. Sugar addiction is a bitch. Do some more research Boo. Too many of our children hooked on that other white girl, white sugar.

The Earth will never run out of fresh water, due to the hidden fact that being over 70% water, it constantly regenerates fresh water deep within the Earth's crust, in what's called the Primary Water Cycle. Profiteers can make millions of dollars falsely promoting the scarcity of a then commodity. .

Nobody ever enslaved gays.

The closer a food is to its original form, the less processed sugar it will contain. Leave the juice drinks alone sometimes and jump on the actual fruit Boo.

Where would Black people be without the Black Church? Some of these heads of religion are twisted today.

Did anybody save any of Jesus' carpentry work? That might fetch a nice price on the White market.

Most of the world's population is chronically dehydrated. Their body's thirst mechanism is so weak that it is often mistaken for hunger.

The Nubian Times

When you do your libations, rituals or prayers, please **consciously** end them with a tribute to our ancestors. Utter AMEN! If it ain't **consciously**, you have no idea what you are doing. You are just doing something, with no clue what you are doing. Even Negroes gotta get their act together sometime.

Did Africans develop mankind in underground caverns?

THE INVISIBLE MAN PLAN

My mechanic said it, it must be the truth.

"**Bey**" is a Turkish title for chieftain, traditionally applied to the leaders or rulers of various sized areas in the Ottoman Empire. The feminine equivalent title is Begum.

Never forget that businesses that profited under apartheid or slavery should pay reparations.

The Chinese have underground tunnels which store nuclear weapons and where they conduct secret underground nuclear tests. Some scientists believe that their stockpile of nuclear weapons outnumbers the U.S. totals.

I heard it on the radio, it must be true. Why would they lie?

**EDITH JONES LIVES,
TONI MORRISON LIVES,
KAM WILLIAMS LIVES,
DR. WILLIAM MACKEY
LIVES, ROBERT
MUGABE LIVES, NINA
SIMONE LIVES,
THELMA PARKS LIVES,
DAVID BALD EAGLE
LIVES, FRANK E.
PETERSEN LIVES,
LAUREN WATSON
LIVES, and BO BO
BRAZIL LIVES!**

When voting, you know, garbage in equates to garbage out too.

A part of the Reparations case for Black people living in America should be "child support due". Crackers forced sex on Black women during servitude and the slavery period and ain't paid one penny for the support of their offspring. Black people have always tried our best to take care of our own, against all odds, but them crackers are dirty. We want reparations now!

The biggest trigger of daytime fatigue is a lack of water.

The term "teenager" didn't exist until the 1950's. It was a marketing scheme demographic used to promote popular music. That's similar to the use of Hip-Hop by recording companies. A marketing ploy that a few "teenagers" think is a culture.

In the Afrikan world, spirituality has always been in the essence of the Afrikan woman, not the man. Men needed women to civilize them. Is it any wonder why Afrikan women are made to look so trashy, filthy & un-feminine in Negro & Hollywood productions? Europeans are tryin' hard to keep us in a trick bag.

DON'T TRY TO GAG ME YO?

Only a Moron would make a treaty with a Albinoid, Caucasoid or

whatever and think it will last forever and ever.

Don't call me family if you are trying to force me to do something.

White people were very specific when enslaving Black folks for 400 years!

Some "people of color" make out like bandits in racist, white supremacy and capitalist plantations.

GAG RULE

Are gay people something between a male and a female or a combination of both female and male? Why are you being forced to think about this shyt anyway? This place got some serious problems Yo.

Facts do not seize to exist because they are ignored.

Your days of holding White people in reverence are over. Go to and your "better place". Just do it quickly!

I read it in the King James Bible, it must be the truth. Now why would religious leaders lie and repeat this weekly to an unsuspecting congregation?

FABRICATED MINORITIES

I read it in the Koran, it must be the truth. Why would religious leaders push something that puts people to sleep and then they can be easily controlled.

They can find dinosaur bones from 200 million years ago, but they can't find the remains of any Biblical character from up to 4,000 years ago.

As far as I know Homey, we have not made one LAW that would put us back into equilibrium or balance. Nothing here is designed especially for us. We are an afterthought. Once we made laws that helped put

The Nubian Times

us back in balance and stop foolishness in its tracks. Things never were perfect, but we always devised ways and our own LAWS to help and protect ourselves. Now somebody just makes laws and religious mythology that contain us in a state of un-balance, attacking each other, never knowing the many ways our enemies attack us. Then some charming Negro comes up with...we are our own worst enemy. Worse enemy should be a label for whoever put us in this CAGE, keeps the doors locked and has a uniformed gang on constant patrol.

I saw it in a movie...how much truth was that? Black scientist say that they only need 5% truth to get Black people confused and on a hook.

Somebody Black said it. IDK, let me do some research, read some reviews or look for it on Snoops or be like a private detective Shawty. My programming doesn't allow me to accept Black stuff. Only White people's word Doesn't that sound like you Negro?

There are no major holidays celebrated by Caucasoids, which don't involve someone like you dying, giving up land or being worked to an early death. Be home for those holidays, but make sure you strategize Yo!

There aren't any diseases that have been cured with an inorganic chemical.

You have been duped into thinking you are abnormal and that mutant albinos are cute and more intelligent than you. lol.

Black Grape Vine News- Negroes are running around like chickens with their heads cut off waiting for the White bosses to tell them which White man or White woman they should endorse. The Black vote has become a White man's tool more than a liberator or up lifter of

Black people. Negroes wait for their master's to give them the word and then they line up the rest of the Negroes to be used. White women like Becky's mother lurk in the background to see what they can get out of a dedicated Block of Negroes voter too. You already know how Negroes foam at the mouth over White women. No one fears the Black vote as Black power. Ain't no Black people die so White people could have business as usual Yo!

GUNS & ABORTIONS

Gloria Steinem

"How about we treat every young man that wants to buy a gun like every woman that wants an abortion - mandatory 48-hour waiting period, parental permission, a note from his doctor proving he understands what he's about to do, a video he has to watch after the effects of gun violence...Let's close down all but one gun shop in every state and make him travel hundreds of miles, take time off from work, and stay overnight in a strange town to get a gun. The overwhelming majority of Moroccans are of Arab-Berber descent; however many identify as Arabs or Arabized Berbers.

Just over 100 million Americans are hooked on some type of illegal or illegal drug or alcohol.

Spanish colonists in the "New World", New Spain, created an elaborate racial caste system, classifying people by racial mixture. The slaves, who were mostly male, intermarried with indigenous women. Spanish colonist had "unions" with Black female slaves. This system broke down in the very late colonial period; after Independence, the legal notion of race was eliminated.

When Caucasians talk of survival they mean someone else must be under treaty, contract, either die or be subjugated.

The term "Moors" refers to the Muslim inhabitants of the Maghreb, the Iberian Peninsula, Sicily and Malta during the Middle-Ages. The Moors initially were the indigenous Maghrebine

Berbers. The name was later also applied to Arabs.

White people will temporarily classify anybody as "WHITE" as long as it helps their agenda and long range goals.

WHAT EVERY BLACK WOMAN SHOULD HAVE!

One old love she can imagine going back to... and one who reminds her how far she has come...

...enough money within her control to move out and rent a place of her own even if she ever wants to or needs to...

...something perfect to wear if the employer or date of her dreams wants to see her in an hour...

...a youth she's content to leave behind...

...a past juicy enough that she's looking forward to retelling it in her old age...

EVERY WOMAN SHOULD KNOW...

...how to fall in love without losing herself.....how to quit a job, break up with a lover, and confront a friend without ruining the friendship...

...when to try harder... and when to walk away...

...that she can't change the length of her calves, the width of her hips, or the nature of her

10

parents...

...what she would and wouldn't do for love..

...how to live alone... even if she doesn't like it...

...whom she can trust, whom she can't, and why she shouldn't take it personally...

WHAT EVERY BLACK MAN SHOULD HAVE!

One old love he can imagine going back to... and one who reminds him how far he has come...

...enough money within his control to move out and rent a place of his own even if he never wants to or needs to...

...something clean & pressed to wear if the employer or women of his dreams wants to see him in an hour...

...a youth he's content to leave behind...

...a past juicy enough that he's looking forward to retelling it in his old age...

...a set of screwdrivers, a cordless drill, pots, pans, a box of rubbers and a nice cotton bath robe to watch sports or whatever in...

...one friend who always makes him laugh... and one who lets him be real...

...a good piece of furniture not previously owned by anyone else in his family...

...a pack of paper plates, great-big plastic cups , a big wide-screen TV and enough dip, pretzels, potato chips and pizza for a meal that will make his guests feel honored.

...a feeling of control over his

destiny...

EVERY MAN SHOULD KNOW...

...how to fall in love without losing himself.....how to quit a job, break up with a bitch, and confront a friend without ruining the friendship or getting into a fight...

...when to try harder... and when to walk away...

...that he can change the size of his waist, his stomach and the length of his hair but not the nature of his parents...

...what he would and wouldn't do for love..

...how to live alone... even if he doesn't like it...

...whom he can trust, whom he can't, and why he shouldn't take it personally...

...where to go... be it to his parent's kitchen table... a jazz bar or a long drive just to chill out...when his soul needs soothing...

...what he can and can't accomplish in a day... a month...and a year.

..From back in da day, The Nubian Network would like to thank Zaire X and Booty Adams for their contributions to ...What every Black woman and every Black man should have! ~fini~

BLACK FACTS

Sometimes we have to take the good with the bad, but all knowledge is rooted in reality. The following information doesn't even get out to 1/2 of 1% of our people!

THE 42 PRINCIPLES OF MAAT known as Pert Em Heru: Book of Coming Forth by Day & Night (Declaration of Innocence)

The KRU people were just one group of Africans who valiantly refused to be captured into slavery.

Chess was a game played in Afrika while the white man lived in caves.

Indigenous Black people, in what is now called North America, were the first to collect and extract petroleum from the Earth for various purposes.

There is a saying in Peru - "el que no tiene de Inga tiene de Mandinga" - which means every Peruvian has either some indigenous or African blood.

MAAT: During ancient times when Africans of blue and white Nile valley and greats lake regions (Alkebu-Lan) governed their own affairs over 3000 years, MAAT was their symbol for right order in nature and society. MAAT was principle for truth, justice, righteousness, harmony, reciprocity, propriety, balance and order and beyond. MAAT symbolize the partnership of the divine (God) with female and male.

About 10% of Afro-Mexicans speak an indigenous language.

The largest ethnic groups in North Africa are Arabs, Berbers and West Africans. The region is predominately Muslim with a Jewish minority in Morocco and Tunisia and significant Christian minority in Egypt, Algeria, Morocco and Tunisia.

Africans engineers the world over, built cities and advanced civilizations connected to the COSMOS!

Indigenous Black people, in what is now called South America, were the 1st to smoke rolled tobacco, which later became cigars.

In 2010, Peru became the first country in the region to apologize to its African-descended population for centuries of abuse, exclusion and discrimination.

The first Africans arrived with the conquistadors in 1521, mostly as slaves, and some returned with colonists to settle in 1525. Between 1529 and 1537, when Francisco Pizarro was granted permits to import 363 slaves to colonial Peru, a large group of Africans were imported to do labor for public construction, building bridges and road systems. They also fought alongside the conquistadors as soldiers and worked as personal servants and bodyguards. In 1533 Afro-Peruvian slaves accompanied Spaniards in the conquest of Cuzco.

Two types of black slaves were imported to Peru. Those who were native-born in Africa were commonly referred to as Bozales ("unskilled", "untrained"), which was also used in a derogatory sense. These slaves could have been directly shipped from west or southwest Africa or transported from the Spanish Indies or other Spanish colonies. Afro-Peruvians previously acculturated to Spanish culture and who spoke Spanish were called Ladinos; some were mixed-race, descendants of Spanish men and African women. People of color performed skilled and unskilled functions that contributed to Hispanic colonization.

Army Pfc. Lori Piestewa, one of the few American Indian women in the military, was found dead during the rescue of an American POW in Iraq. Lori Piestewa, daughter of a Hopi man and a Hispanic woman, was the first woman to die in the line of duty in Operation Iraqi Freedom. Lori was the first Native American woman killed by enemy action in United States military escapades.

According to britannica.com, the official estimate of those with "pure" or "mostly" Afro-Venezuelan ancestry is 10 percent of the total population (about 3 million). Many Venezuelans, however, are mixed with some African ancestry, and Afro-Venezuelan culture is acknowledged as an important component of national identity. However, it should be noted that due to the strong racially nuanced admixture of Venezuela, Afro-Venezuelans (along with other races) are difficult to individually identify and/or distinguish with precision.

In the U.S. it was the Democratic Party that put Black people into slavery for 360 years

In stark contrast to the Diminutive Africoids, the Tagalog majority seem to have only entered the Philippines during the last several thousand years, and while not enough is known of the early history of the Diminutive Africoids in the Philippines, it has been well-documented that they engaged in bitter martial conflicts with the Spanish invaders, whose presence in the islands began in the 16th century. It was the Spaniards who named the aboriginal people of the Philippines Negritos, meaning little Blacks.

In the U.S., the Black community has been destroyed by the U.S. government.

Black people in America don't actually age, Europeans got us so we just dry up and die.

During the Trans-Saharan Slave Trade millions of African men were captured from Darfur, Abyssinia, Korodofan, Zanzibar and other African nations then ultimately castrated in Arab controlled regions both in Arabian and Africa. Ironically their lack of sexual function did not prevent them from obtaining privileges

such as working as Harem guards and palace courtiers. These forced castrations which made African boys into Eunuchs were done by Arabs known as the Chamba. Young boys, victims of raids and wars were subjected to the horrid monstrous inhumane process of castration without anesthesia which had 60% mortality. Arab Imperialism!

HOW DID EUROPE CONQUER AFRICA?

Reprint from Ramsees⁷

How DID Europe conquer Africa? No one knows for sure. But a few things seem clear. This is how it began. By 1400, the Christians of Europe had been fighting the forces of Islam for centuries, in a series of wars called Crusades. The Prophet, Muhammad, lived in the Arabian peninsula in the 7th century AD. Towards the end of his life, and long after his death, his followers, with their swords, spread the religion he founded, Islam, deep into Africa, Asia, Eastern Europe and Western Europe as far as southern France. And so for centuries, Muslim armies kept Europe cut off from the rest of the world. Trade with Asia and Africa could only be conducted through their middlemen. Beginning in the 14th century, however, Portuguese ships probed relentlessly southward along the African coast. They traded for gold, and painstakingly, over the course of generations, gradually discerned the shape of the continent. Armed with this knowledge, they were eventually able to fashion a seaward passage to India. When the Europeans first reached Africa (and India and China and the Americas too), they traded only with the permission of their local hosts. The European powers fought each other for the privilege of this trade, as the locals fought each other too, for the rights to European commerce. Over time, though, European influence increased and the local powers waned. In the trade with Africa, for example, the gold that the

Europeans obtained financed their overseas expansion. In time, the European powers began to establish plantations in islands off the coast of Africa, and in the Americas. As a result, enslaved Africans eclipsed gold as the desired import. In exchange, the Africans received mainly firearms. They used these weapons in their wars with each other over rights to trade with the Europeans, and to furnish captives for that commerce.

In the centuries of the Atlantic slave trade, much of the wealth generated by the buying and selling of enslaved Africans, and from their forced labor, was devoted to creating the extensive technological innovations that led directly to the Industrial Revolution. So we see that the, at first tenuous, coastal trade with Africans strengthened European commercial capitalism transforming it into all-powerful industrial capitalism. The Europeans were now producing railroads, iron warships, machine guns and artillery. With these, in time, their word became law all over the world.

Slowly, but surely, Europe started to take a more direct hand in African affairs. European nations began to become directly involved in the wars amongst African states. To be sure, the Europeans still fought each other too, but Africans did not become involved in the Europeans' battles. Also, as the title "leading power" passed from Portugal to Spain to Holland and then finally to England, the measure of victory oft proved to be the volume of overseas trade. And the losing countries, did not really lose, they only played less important, though ongoing, roles in Europe's becoming the hub of overlapping, globe-spanning networks of trade.

So we see that while African states were badly weakened by their conflicts, the Europeans only grew stronger from their intramural wars. The same scenario took place in

The Nubian Times

Asia and the Americas. It was not long before a full-fledged system of colonialism began to over spread the world entire. Thus did Europe not only conquer Africa, but America and Asia too...

And so where do we go from here? Today the world is one, united whole. And America is its head. Living in the heart of the world's capital nation, Africans of the Diaspora, we have the power to shape the world, if we but know that we do. Shall we? Knowledge is power. Will we use what we know?
