The Science of Astrology in the 12 signs of the Zodiac; the Sun, Moon, and Planets, is the oldest science in the world, and a manuscript in which histories of humanity in past ages are read. It enables mankind to know self; it provides direction for human destiny, and it's the only science that enables people to become supreme moral law unto their selves. In order for the people to secure their economic and social status, they must first endeavor to equally secure their economic and social status of the unfortunate ones that dwell amongst them - which solves all social problems.

ARTICLE V

Immoral Marriage License Code against the Zodiac Law of Nature and Creation

TRUTH CANNOT BE ALTERED AND THEREFORE NEED NO APOLOGY NOR DOCTRINE BECAUSE IT IS THE SUPREME REALITY FOR THE ENTIRE HUMAN FAMILY – WOMEN AND MAN.

(1) The establishment of the Marriage License, the State's Rights and Codes are null and void of merit or worth. This institution of marriage license was deceitfully established by the Sisterhood Christian Daughters of the American Revolution (D.A.R) with the Brotherhood of Christian sons and Roman Catholic Priesthood to prevent Moorish men and women from procreating within the European Magna Charta Society of “white” supremacy.

(2) The union between woman and man resulting in the creation of off-spring is natural law in which a marriage license is disdainful, irrelevant, and is a blatant violation of Supreme Universal Law of the Most High Creator because it is an act of selling woman and man back to themselves.

(3)The effect of the union Magna Charta marriage license code stigmatized the woman of this institution to become supreme social slaves against their will. The severed relationship from the universal family resulted in internalized sorrow and anger affecting the psyche or soul of their own off-spring to inherit tendencies of deviant acts, hatred, insanity, lack of respect for good and beneficial law for all members of the human family, and various other diseases.

(4) The idea of illegitimate offspring from woman and man is a fallacy – it does not exist.

(5) By the Laws of Creation , The Woman is the supreme gate of creation of both male and female. This truth represents (ISLAM) or ***I Self Law Am Master***; the Great Carpenter and the Grand Architect of the Human family.

(6) "ADAM" means the positive forces in woman and sons. And "EVE" means the negative forces of woman and sons, responsible for EVOLUTION or reproduction of children by the law of nature.

(7) The pope, priest, and preacher, judges of the Christian Society definitely cannot prove that their "ADAM" and "EVE" had a marriage license.

ISLAM (I SELF LAW AM MASTER)

Supreme Standard of the Zodiac Marriage Law - Culture

The elements of the signs of the Zodiac; the woman and the man's opposite signs that create perfect compatibility and desire to complete the circle of existence, and their union; is natural law which is inherent in the very breath and being of all creatures in all of creation. No preacher, money, license or religion is necessary in the natural Zodiac marriage law.

The 1863 union Bible story of "EVE" and "ADAM" were founded upon the Moorish Zodiac twelve signs law – the negative and the positive forces of nature (not good or bad, female or male gender, or masculine or feminine) however, qualities where male or the masculine signs were more extroverted, and female or feminine signs had traits of being more introverted in nature. Persons born under the opposite signs and the angle signs of their mate are in harmony with nature, thus, knowledge of the sign under which a mate is born will provide guidance for a destiny in peace, progress and happiness forever.

The Zodiac is not a theory; it is an absolute universal compass for marriage and human guidance. Woman and man will know their duty toward one another and their children without being forced by the traditional code of the courtroom.

ARTICLE VI

The Moorish Americans Freedom and legal rights in the Christian union Court Room

In the Christian Union Court Room, the MOORS cannot be forced to remove their Red Fez from their heads, nor can they be forced to raise their hand take an oath over the Christian Bible. Neither can the MOORS – the Beys and Els, employ lawyers to represent them. The reason for this is that lawyers cannot represent free MOORISH Americans.

The Negro is the property of the Union slave holders. The MOORS must respect the court by saying "I AFFIRM". Here the court has no jurisdiction over them which automatically makes them qualified to defend themselves by their Zodiac Constitution Law and their mathematical number nine, (9) corresponds with the letter I, based on the nine months from conception to birth which makes you,

yourself, the great I AM, the first and the highest law of self-protection and self-preservation in harmony with your Zodiac 12 signs unchanged Constitution moral law, of 360 degrees squared by your number nine, (9).

The MOORISH Zodiac Constitution is referred to in Christian mason mythology as, "The Holy Koran" or "Al Koran", meaning earth, moon, sun and the seven planets of the chronology Zodiac record of the MOORISH nation of the North Gate –North America.

The name, "Mohammed", prophet, religion, God, Church, Temple and Mosque, were established by the Dutch-Anglo-Saxon Priesthood Franciscan Fathers of North America who overthrew the MOORISH society of ISLAM between 1789 and the Union of 1863.

The MOORS must never attempt to teach or lecture in the Christian institutions, namely: Church, Temple, Mosque, School and Hall.

This is a violation of the Union society states right Magna Charta code of Mary and Christ. The truth of the MOORISH Zodiac Constitution law and moral human principle conflicts with the Christian Union customs and doctrine of the Magna Charta from every angle.

Moors do not criticize the Christian Union people to accept the moral truth and principles of The 12 signs Zodiac Constitutional Law, due to the Magna Charta is a Latin phrase meaning, MAGNATE CHARTER of "white" peoples economic and social attraction only, which had its beginning in the colonies of Ohio, Michigan, Indian, and Illinois in 1848 and 1854 which ended in 1954.

(Wa Alaikum As-salaam) Moorish Latin, which mean: and with you be peace (ISLAM)

If the lawmakers of the 48 union states of North America should attempt to ignore the Moorish Americans Zodiac Law and birth rights of the Constitution. It would be an act of supreme violation of their own Magna Charta Code.
