## THE GOSPEL ACCORDING TO AFRIKANS

**When you get grown and big enough to do adult things, you have to leave childish and hip hopper things alone and behind.**

**Entertainers and mass media can't be your primary source of information and culture. Culture is what you live by. Without your culture, you are like a fish out of water. These intellectuals just might bridge the gap and make your culture accessible. They ain't just all entertainment and clowning. See for yourself!**

### COOEPRATIVE ECONOMICS

The Gospel According To  
Chancellor Williams

“The economics of African life was originally cooperative. Mutual

aid was, perhaps, the most significant aspect of the culture. Cooperative undertaking did not

**If you're primary source of info and culture is entertainers, we're sorry, but you've been knocked the f@ck out!**

stem from any ideology other than common sense, for to them cooperation was one of nature's more important schemes for survival.”

### BACK STABBERS

The Gospel According To  
Booker T. Washington

“There is a certain class of race-problem solvers who don't want the patient to get well, because as long as the disease holds out they have not only an easy means of making a living, but also any easy medium through which to make themselves prominent before the public.”

## WHO IS BLACK

The Gospel According To  
Rosa Clemente

“Listen people: Being Black is not just skin color, nor is it synonymous with Black Americans. To assert who I am is the most liberating and revolutionary thing I can ever do. Being a Black Puerto Rican encompasses me racially, ethically and most importantly, gives me a homeland to refer to.”

## GAY IS UN-AFRICAN

The Gospel According To  
Dr. John H. Clarke

“The ships brought no gays. They brought all men with their manhood, and women with their womanhood, and men who knew what to do with their manhood, with no confusion. When Nature or God or whoever you want to call it, designed man and woman, he purposefully designed them to go together. He did not design man to romance man. By design here's not only a perfect fit with the lady, it is a glorious fit. It is something that should be approached with a certain degree of sacredness in its own time and in its own place. This is why you cannot compare the Afrikan attitude with the European attitude; they are coming from different cultural points of view. The European living in various climates and the Arab living in the sand, made different uses of the female and developed a different

## 2

attitude for the female. Taken out of the Afrikan environment and placed in the European environment, you may develop the same traits of the European without knowing that many of those traits are about as UN-Afrikan as they can be.”

### **CHRISTENDOM IS NOT CHRISTIANITY**

The Gospel According To

Dr. John H. Clarke

“Christianity had its early development in Africa and in Western Asia and the most tragic thing that happened to Christianity occurred when the Romans, who had been burning people alive for being Christians, became Christians. When Christianity left Africa and came to Europe it was not Christianity any more but Christendom.”

### **TEACH YOUR CHILDREN**

The Gospel According To

James Baldwin

“A child cannot be taught by someone that despises him.”

### **BLACK FEMINIST**

The Gospel According To

Shahrazad Ali

“Black Feminists need to stop asking what Black Power has done for them and start asking themselves what they can do to make Black Families powerful today.”

### **BLACKS & ABORTION**

The Gospel According To

Erma Clardy Craven

“Several years ago, when 17,000 aborted babies were found in a dumpster outside a pathology laboratory in Los, Angeles,

California, some 12-15,000 were observed to be black.”

### **PEOPLE OF GOOD QUALITY**

The Gospel According To

Booker T. Washington

“Associate yourself with people of good quality, for it is better to be alone than in bad company.”

### **HONEYMOON**

### **ROME & GREECE**

The Gospel According To

Dr. Llailla O. Afrika

“Ancient homosexuals would kidnap young boys/girls during full moons and sodomize them as part of mating with them as a lover. This homosexual ritual was called a “HONEYMOON.”

### **UNEDUCATED EMOTIONAL NEGRO**

The Gospel According To

Dr. Umar Abdullah-Johnson

“There is nothing more detestable...than an uneducated, emotional Negro with an opinion!”

### **NOT AFRICAN RELIGIONS**

The Gospel According To

Dr. Umar Abdullah-Johnson

“No! Islam, Christianity & Judaism are not Afrikan religions. Rather they are religions that have borrowed certain aspects & principles of traditional Afrikan Spirituality.”

### **HUMAN SLAVERY**

The Gospel According To

Dr. Na'im Akbar

“The process of human slavery is ultimately a psychological process by which the mind of a people is

## **The Nubian Times**

gradually brought under the control of their captors and they become imprisoned by the loss of the consciousness (awareness) of themselves.”

### **COWARDICE**

The Gospel According To

George Jackson

“Patience has its limits. Take it too far and its cowardice.”

### **THE AFRICAN MIND**

The Gospel According To

Chinweizu Ibekwe

“The central objective in decolonizing the African mind is to overthrow the authority which alien traditions exercise over the African. This demands the dismantling of white supremacist beliefs, and the structures which uphold them, in every area of African life. It must be stressed, however, that decolonization does not mean ignorance of foreign traditions; it simply means denial of their authority and withdrawal of allegiance from them.”

### **BUILD THE FUTURE**

The Gospel According To

Bayyinah Bello

“I believe if one does not have a good understanding of what has happened in the past, then you are not equipped to build the future.”

### **FEAR OF THEIR MASTERS**

The Gospel According To

Kenneth B. Clark

“The dark ghettos are social, political, educational and – above all – economic colonies. Their inhabitants are subject peoples, victims of the greed, cruelty, insensitivity, guilt and fear of their masters.”

### 3

#### THE POWERFUL MEDIA

The Gospel According To  
Malcolm X

“The media's the most powerful entity on earth. They have the power to make the innocent guilty and to make the guilty innocent, and that's power. Because they control the minds of the masses!”

#### BLACK FEMINIST

Chris Rock

“If you are a Black woman and a feminist, you have a really short memory. Thanks for helping the white man destroy the Black Panther Party.”

#### SURPRISED AT RACISM

Chris Rock

“I'm not surprised by racism. I'm surprised by Black people who are surprised at racism.”

#### THE PLAN

Mike Tyson

“Everyone has a plan 'till they get punched in the mouth”

#### EUROPEANS PRACTICE CHRISTENDOM

The Gospel According To  
Dr. John H. Clarke

“Now there is a difference between Christianity and Christendom. Christianity is a religion, Christendom is a political instrument. All Christianity has

ever been to white people is a political instrument. It has been the political apparatus of their world-wide expansion and the rationale for every crime that they ever committed against anybody at any time, including two World Wars. Now, this religion is a stranger among them because they lack the temperament and the capacity to practice it. The European could neither practice Christianity nor the commandments, "Thou shalt not steal." he would have to return all stolen property starting with us. How could he possibly have built capitalism, with three hundred years' free labor, unless the missionaries justified his action? Christianity and democracy are two things he could not afford to practice, not even for twenty-four hours, because he would have to dismantle his entire society.”

#### IT'S NOT FOR US

The Gospel According To  
Dr. John H. Clarke

“We hear people talking about liberty and justice for all and we grab a container; and go where all is being given out, only to understand that they wasn't talking to us at all”

#### PRAY UNTIL YOU FAINT

The Gospel According To  
Fannie Lou Hamer

“You can pray until you faint, but unless you get up and try to do something, God is not going to put it in your lap!”

#### NO BALANCE – WESTERN RELIGIONS

The Gospel According To  
Dr. Umar Abdullah-Johnson

“Balance between Masculine & Feminine Principles of the Almighty - None of these religions

### The Nubian Times

revere the Great Cosmic Mother, God is only seen as an archetype of the chauvinistic male ego-driven personality. He is jealous, possessive & destructive like the White man who "designed" him.”

#### STOP BLAMING YOUTH

The Gospel According To  
Dr. Umar Abdullah-Johnson

“Stop blaming the youth for all of the problems in our neighborhoods and start looking at the society that they live in. Look at the school system, look at the media, look at anything and everything that touches their subconscious mind. Start looking at yourself as a parent and what you can do to raise your children to be the best they can be.”

#### ON THE POTUS

The Gospel According To  
Cynthia McKinney

“When a war-expanding President is awarded the Nobel Peace Prize, peace itself is in need of redefinition. Only the forces of death prosper when people believe that 'war is peace, slavery is freedom, ignorance is strength, and lies are truth.”

#### WHAT IS CONSCIOUSNESS

The Gospel According To  
Professor James Small

“Conscious is being aware of one's surrounding, recognizing the existence, truth or fact of something; being aware of the very moment, the very instant that you are in; being aware of how you affect the human social, political, and natural ecology you are a part of and how it affects you. Consciousness is being informed and instructed through your group's particular culture on the effects of the varied ecologies on your immediate and distant ancestors,

and to be aware of their interpretation of that experience.”

### THE US NEGRO

The Gospel According To

Booty Adams

“The problem with the few Negroes that are still left in the United States is that he or she doesn’t believe that Afrikan people anywhere can be a free & sovereign people. They only believe that all Black people on the planet are the property of the same masters that they belong to or work for. If Black people don’t speak their master’s language properly, dress like their master, name their children like their master or obey their master’s anti-Afrikan rules and regulations, than there is something wrong with these Afrikans. These remaining Negroes may look like brothers and sisters, but what comes out of their mouths and their actions prove them to be Negroes that have lost their Afrikan mind!”

### TWO AFRICAS

The Gospel According To

Dr. Ivan Van Sertima

“We were trained to despise ourselves and all of Africa. We felt that Africans were either primitive or semi-primitive, that they had no science and made no significant contribution to civilization. We did not realize that we were looking at a looted Africa, a shattered Africa. We did not realize that there were two Africas, Africa before and after the holocausts.”

### MANY ARE RESENTFUL

The Gospel According To

Fattah Tiye

“Being in positions of leadership require tough skin. You face a lot of backlash and pushback from people who do not understand the complexities that come with

leadership, especially when they are under your command. They are many who are resentful and frustrated by your processes: that is until they realize, sometimes too late, that what you are doing will lead to positive outcomes for all involved, directly and indirectly.”

White feminist got a place all figured out for Black feminist...The HELP!

If you want to hide something from White people, just tell the truth. They won’t hear about it, see it or want to know about it. Most likely they will ignore it, thinking their government will destroy it or it will sink back to the bottom.

The denial of racism is essential to its maintenance.

Who will win Syria, with its boat loads of natural gas and be the major supplier of natural gas for Europe? Will it be Russia or the United States? Russia is already the major supplier of European natural gas. If they lose Syria, at least 25% of their GNP would collapse. Is it a showdown or what?

Drones have been flying and spying over U.S. cities since at least 2006.

Anybody that can’t see colors in people, like Black, White or Brown, shouldn’t be able to see red, white and blue either, but we all know they are hypocrites. They only see what is convenient for them at the moment.

Gulf States could have clinical screenings to 'detect' homosexuals and stop them entering the country Kuwait and other States could conduct medical tests in an attempt to “detect” homosexuals trying to enter Gulf States.

We know people gonna crack on us. Let the truth be told. They think we are suppose to hold their hands and help them raise their children, while they speak on stooooopid shyt and nobody would follow them around the block, let alone into a fight or a battle! Some lil bytches can never be satisfied, but yap a good game. It gets tiresome.

**Ain't too much that is Black owned.** We blame that on you! You got choices! You support who you want to support. If you don't support your own, you are either a hypocrite or a clown. They both about the same, but now day's hypocrites are funnier than clowns!

**Moor Black GrapeVine news-** Black people, Africans, have been fighting the Arabs for at least six thousand years. The rein of Ramses II (1303 BC) was filled with numerous campaigns and battles against Hittites, Shardana (Ionia, Turkey), Syrians, Edom, Moab, Jerusalem, Jericho, Hesbon, Damascus, Kumidi, Upiand, and Canaan. Don't get it twisted!

before somebody run a con game on you!

Black scientist believe that about 2/3 of the White population have absolutely nothing to do with the Original Stock of Human beings, also known as Black people. They do not descend from us and are not the same species/race as us. These people are artificial creations from genetic experiments and can trace their lineage back to Neanderthals and the Rhesus Monkey. They are parasites by nature.

Arabs have a nasty and long history of castrating Black men and turning them into eunuchs.

In the United States, more Black children and unborn Black children are being killed by abortions than are being murdered in the mean, drug ridden streets of the urban ghetto. This could be considered Black on Black violence too!

It is possible to have sex and babies with a different species and with animals. Protect yourself at all times!

Servitude is not slavery. Only Europeans and Arabs shackled people. Africans had no use for ships that carried hundreds of people.

Black people are not monolithic. Negro "Leadership" has to figure out how to keep White people in power and keep Black people skating on thin ice and out of power at the same time. It takes a lot of brainpower to keep Black people only in pursuit of health, happiness and justice.

In 2011 in the Americas, there were more cases of Whites killing Whites than there were cases of Black killing Blacks.

According to the Bureau of Justice Statistics, there were about 1,570,000 inmates in state and federal prisons in 2012.

Some of the most dangerous and additive drugs are legal already.

The Food & Drug administration just says you need money or a doctor's prescription to get a fix.

Drugs do not heal; they just get rid of the symptoms of dis-ease and shut down the body mechanisms that alert you that something is wrong. Drugs give the illusion that something else will take care of your problems, but the problems or dis-ease don't go away like that! Sooner or later, you must get your act together boo!

A drug addict can work on a job. They are just considered a functional drug addict. The boss doesn't care as long as they do their job and the drug doesn't hinder their performance, but they still a junkie..

If all the Yo boys and Yo girls are chased off the corners and all the crack houses are closed down, there would still be a drug problem. Too many people need drugs/ narcotics to help them to pursue happiness. Peeps sniffing glue and paint are looking for a high. Peeps looking in your medicine cabinet are looking for drugs. Peeps drinking martinis and sipping on champagne be feelin' no pain. People having sex want drugs and people who would like to have sex, but aren't feelin' it, want drugs! Drugs have always been around, but never has the pursuit of drugs and getting a "high on" been so prevalent on this planet. Doin' drugs and drug does are out of control. Better yet, they are under control!

National chain stores like CVS, Revco, Rite Aid, Wal-Mart, K-Mart, Wal Greens and Mr. Bo Bo's cut-rates are distributing drugs for commercial drug companies.

Drugs are owned, controlled, distributed and promoted by white, multi-national corporations. Mess with their turf and they will do a

“fly by” and shoot up everybody in your hood or country.
